72nd CHAPTER BEING INSTALLED

Petition From UCLA School of Law Approved

A petition for an active chapter of Phi Alpha Delta Law Fraternity was received by the Supreme Executive Board from a group of students in attendance at the University of California at Los Angeles School of Law and has been favorably acted upon by the Supreme Executive Board. Installation of this chapter is now being planned and a tentative date for May 11, 1951 has been arranged. With the installation of this chapter, Phi Alpha Delta will have 72 active chapters located in Class A law schools throughout the United States.

The petition requested the charter to be issued in the name of Joseph McKenna who was California's first and only Associate Justice of the United States Supreme Court, he having served on that court from 1898 to 1925.

Joseph McKenna was admitted to the California Bar in 1865 and served as District Attorney of Solano County, then as a member of California House of Representatives. In 1885 he was elected a member of Congress where he served until 1892 when he was appointed a U.S. Circuit Judge. In 1897 he was appointed U.S. Attorney General and served for one year until he was elevated to the United States Supreme Court. The request of the petitioning group has been granted by the Supreme Executive Board and the charter will be issued in the name of Joseph McKenna.

UCLA School of Law

In 1947 the Regents of the University of California, two of whom were members of Phi Alpha Delta, made provision for the establishment of a School of Law on the Los Angeles campus of the University. The School of Law commenced operation in September, 1949 with a first-year class of limited enrollment. During the academic year 1949-50 instruction in only first-year professional work was offered. In 1950-51 the professional curriculum included first and second year work and next year a full three-year curriculum will be offered.

The school has been accredited in California and is provisionally approved by the American Bar Association. Graduates of the school will be qualified to become applicants for admission to practice in any state in the United States.

At the present time the school occupies temporary quarters on the Los Angeles campus while the new School of Law Building is under construction. Plans call for the school to begin classes in its new building in the Fall Semester of 1951. The new Law Building will provide the most modern facilities for the teaching of law and for legal research.

Expansion Investigation

Investigation of this Law School for the purpose of establishing an active chapter was first made in September of 1949. Due to the restricted enrollment it was not felt advisable to undertake expansion at that time. In February of 1951 reinspection of the school was made and an interview was had with Dean Dale Coffman, formerly Dean at Vanderbilt.

At the conclusion of this conference it was determined that the UCLA School of Law would soon be one of the leading law schools in the West. It will have the most modern facilities and

an enrollment in excess of 200 students.

Expansion work was immediately undertaken by National Field Representative Rae and Executive Secretary Gray which led to the securing of a petitioning group from this law school. Other fraternities being established on the campus include Phi Delta Phi and Nu Beta Epsilon.

An organizational meeting of the petitioning group was held and plans are now laid for its first professional meeting on April 19th under the auspices of the Los Angeles Alumni Chapter. The Los Angeles Alumni Chapter is also laying plans for the initiation of the petitioning group and a banquet to honor the installation of this new chapter.

With the installation of this chapter there will be three active chapters in Los Angeles.

District Conclaves

DISTRICT 6

A conclave of the chapters in District 6 will be held April 14, 1951, at the Valparaiso Country Club, Valparaiso, Indiana, with Halleck Chapter being the host chapter. Delegates from Hamill, Campbell, Magruder, Webster, Blackstone, Story and Fuller will be in attendance together with alumni from the states of Illinois, Indiana and Michigan.

DISTRICT 8

A district conclave with Taney Chapter, Southern Methodist University being host, will be held for District 8 on April 21 at the Southern Methodist Law Center. This conclave will be held in conjunction with the ABA regional meeting scheduled for the week of April 21 in Dallas, Texas. Delegates from Harlan, Taney, Baylor, Clark and Martin chapters will be in attendance. Guest delegates from Lamar Chapter at the University of Mississippi, and Morgan Chapter at the University of Alabama will also be in attendance. Supreme Justice Edmonds and Judge Murrah, U. S. Court of Appeals and District Justice for District 8 will be the principal speakers.

DISTRICT 10

A district conclave hosted by Rasco Chapter, at the University of Miami, will be held at Miami, Florida, on April 21. Delegates from Stephens, Keener, Fish, Morgan, Fletcher, Brewer and Rasco Chapters will be in attendance. Delegates from Pinckney Chapter at the University of South Carolina had previously attended the District 12 conclave. Delegates from Lamar Chapter, University of Mississippi, are attending District 8 conclave.

After these conclaves are held all districts with the exception of 5, 9 and 11 will have held district conclaves this year.

PART OF CALHOUN INITIATES at Reactivation Ceremonies. Left to right—1st row: Fred Taintor (Justice), Guy Page (Vice Justice), Bill Ross, Roger Mayer, Charlie Goodhue; 2nd row: Bob Warner, Jesse Dukeminier, John Baker (Treasurer), Ed Johnson, Neil Phillips, Hartman Hotz, Dick Wolf, Larry Lasser; 3rd and 4th rows: Dick Zuniga, Bob Donworth, Joel Carr, Bob Lifton, Viv Lord, Bob Williams, George Godson, Charlie Prutzman (Marshal), Al Rosenthal (Clerk), Frank Michaels, Ted Tight and Myles Sachs.

Indianapolis Alumni Reactivated

The Indianapolis Alumni Chapter which was chartered on May 9, 1917, and which later became inactive, has been reactivated.

A petition to reactivate this chapter was submitted to the Supreme Executive Board the latter part of February of 1951. The petition together with supporting data was submitted to all members of the Supreme Executive Board and they unanimously approved the reactivation of this Alumni Chapter.

One of the petitioners was the Honorable Joseph O. Hoffman, Judge of the Juvenile Court in Indianapolis, Indiana, who was one of the original charter members.

The Indianapolis Alumni have held two meetings and have elected Thomas J. Faulconer chairman of their organization committee. Their charter now having been reissued they will hold their formal election.

Recently the Indianapolis Alumni participated in the initiation and dinner dance held by the Ralph Hamill Chapter at the Indianapolis Division of the University of Indiana School of Law.

STATE BAR CONVENTIONS

District Justice Loewe, of District 6, is starting plans for a PAD luncheon during the Illinois, Indiana and Michigan State Bar Conventions.

He has already made contacts with the Illinois State Bar to arrange a time for this luncheon during the forthcoming Illinois State Bar Convention. The idea will then be carried over into the states of Indiana and Michigan.

Such luncheons are the only means whereby alumni in small towns can take an active interest in the fraternity at least once a year.

NEW YORK ALUMNI JOIN IN CELEBRATION

Calhoun Chapter Reactivated

On February 21, 1951, the John C. Calhoun Chapter was reactivated in ceremonies in the Yale Law School Building.

This chapter, chartered on March 30, 1909, became inactive during World War II. The original chapter was an outgrowth of the Book and Gavel Eating Club which had been established at Yale University. The Book and Gavel Club maintained its own dining room, elected its own officers and maintained recreational facilities for its members. The members of the Book and Gavel Club were initiated into Phi Alpha Delta when the chapter was installed back in 1909.

The initiation ceremonies for the reactivation were held at 5:30 P.M., in the Barristers Union Court Room at Yale. District Justice Albert Verrilli presided and was assisted by an initiating team from the New York Alumni Chapter. Twenty-eight members were initiated at these ceremonies.

Reception in Coke Room

Following the initiation the reactivated chapter gave a reception to honor the visiting brothers in the Coke Room of the Yale Law School Building. An opportunity was given at this reception for the alumni to renew old acquaintances and to meet the newly initiated brothers.

At 7:30 P.M., in the Corby Court a banquet was held honoring the reactivation of the chapter. Charles Prutzman, of New York City, and an alumnus of Calhoun Chapter acted as toastmaster. His son, Charles Prutzman, Jr., was initiated as part of the reactivated group. Brother Prutzman, as toastmaster, introduced the visiting alumni and the newly initiated students at Yale University.

Congressman J. Leroy Johnson (Ryan Chapter) and Congressman from the Third District of California, gave the principal address at the reactivation banquet. Brother Johnson, a member of the Military Affairs Committee of the House of Representatives talked on "The Law and War". In Congressman Johnson's talk to the chapter he said: "The supremacy of law is a concept entirely the opposite of war. It implies that disputes can be

settled by legal methods. That is, by bringing before some type of forum the parties to the controversy. The most common form is a court.

"When the court has decided the case it may be appealed. When it has finally run its course and the judgment of the court becomes final it is a final adjudication between the parties which decides what the remedy shall be. Then there are ways to enforce this judgment if the parties do not abide by it by doing or paying what the court has decreed in his judgment."

Force Steps In

Brother Johnson said that when law breaks down force steps in, and commenting on World War II he stated: "The free world really fought this war to make the law sacred and universal. The victorious nation set up a convention to draft a charter that would create an organization which would comprise the victorious nations and many others and which ultimately might encompass all the nations of the earth. The United States has many various activities each of which tends to promote understanding and good will among

MESSAGE FROM THE SUPREME JUSTICE

By the end of the present school year eight District Conclaves will have been held. At each of these meetings almost every chapter has been represented; indeed only two chapters did not send delegates. This attendance indicates the widespread interest in these regional meetings. They have served a most useful purpose and provide an opportunity for the discussion of matters which, because of the limitations of time, cannot be considered at a national convention.

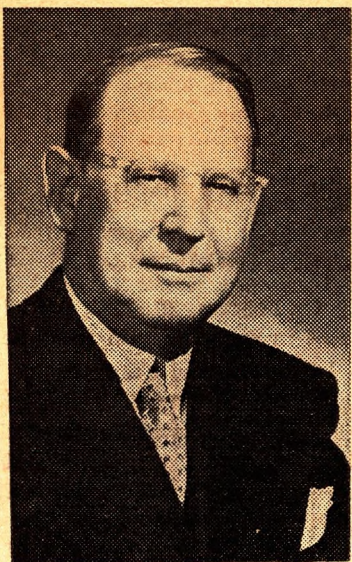

Particularly under present conditions, in carrying on the activities of an active chapter, certain problems arise. Basically, they are much the same but they differ in detail. To hear from one another how these problems are being met is the most practical way of obtaining information concerning ways and means of broadening the influence and scope of the work of our fraternity.

Our districts have been laid out with the purpose of grouping together the chapters which are so situated that they can best work together. The grouping is not altogether satisfactory, particularly in the west where there are fewer chapters than in the area east of the Mississippi River. But on the whole, the districts are well set up, and each year sees much improvement in the programs which are presented by the delegates.

In several of the districts, a conclave committee has been given the responsibility for putting on the next conclave. This is most important, for much of the success of a meeting rests upon careful planning.

The fraternity grows by securing new members, and Phi Alpha Delta will obtain its full share of the best men on the campus of every law school when its purposes and policies are made known. To tell this story is the work of the Rushing Committee. Every chapter can learn something by hearing what is done on another campus. There is always a better and more interesting way of doing every job.

The same may be said in regard to the chapter meetings. Aside from routine business, what subjects should be consid-

ered? Who should be invited to speak? Should the students in the law school be invited to hear some of the speakers which Phi Alpha Delta bring to the campus?

A general discussion of such questions at a District Conclave will do much to stimulate interest in the work of the chapters. The national officers are doing all that they can to encourage larger and better District Conclaves. Those already held have produced splendid results. I am sure that next year will see much more in accomplishment.

FRATERNITY RITUAL PERFORMED AT FUNERAL

George C. Christ who was initiated into Ralph Hamill Chapter, University of Indiana, Indianapolis Branch, on February 19, 1949, died of cancer on February 13, 1951. He had graduated from the Law School in 1949 after having been active in chapter affairs.

The Hamill Chapter, represented by 26 members of the Fraternity, performed the Commemoration Ritual at the mortuary at 8:30 P.M., on February 14th. Also present were Brother Judge Joseph Hoffman and Judge Ralph Hamill after whom the chapter was named.

Ross Chapter Pad Wives' Club

By JUNE RILES

To overcome the obstacle of not knowing about whom our husbands were talking, the wives at the University of Southern California hit upon the idea of getting together at an informal meeting to become better acquainted. That original meeting was such a success, as were the ones held subsequent thereto, that the now permanent fixture at U.S.C., the P.A.D. Wives' Club, was formed.

To get the club started some of the wives took it upon themselves to send the other wives cards, expressing a desire to form a club. The cards sent out gave the date of the proposed meeting and the address at which the meeting was to be held. At this meeting the group elected a representative from each class, with the Senior class representative to preside over the meetings to be held thereafter. The Senior representative was given a list of all wives and their addresses; she divided this into mailing lists of about six girls each. These lists were then given to designated girls who were responsible for notifying the girls listed thereon of the coming meetings. In this manner all of the wives were assured of being informed of the meetings, and in this way a maximum number of members turn out for each meeting.

As for the meetings themselves, each month we meet in one of the homes of the club members. We have a short business meeting and then adjourn to play bridge, canasta or any other game the hostess has planned. With the main hostess, at whose home we meet, there are two other girls who have volunteered to help serve refreshments, which usually are the simple fare of coffee and cake.

The only dues paid by the members of the club are fifty cents a semester to cover the incidental expenses of purchasing gifts for each new mother and baby in our group.

As a means of perpetuating our group, election of new officers is held on or about the date the fraternity officers are elected.

We always stand ready to be of service to the fraternity in any way we can. For example, at the beginning of the fall semester the fraternity planned a dinner for the freshmen. They decided on the menu and purchased the food, and the wives cooked it in their homes, delivering it the night of the dinner. Then again, at Christmas we were asked to help in preparing for the annual Christmas Party given by the fraternity for needy children. We answered the call sent out by the fraternity by wrapping clothing, filling stockings and decorating the hall and tables for the party itself.

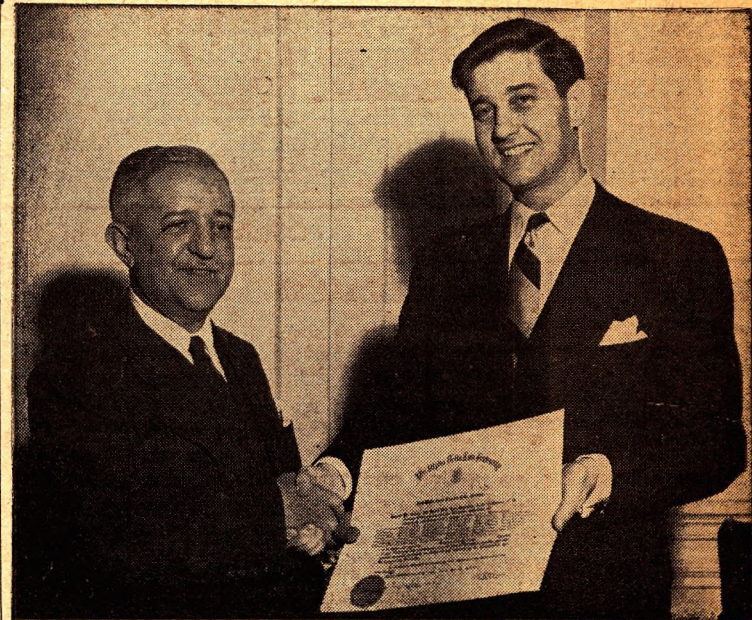

Although we are a comparatively small group, most of the wives feel we are of some help to the fraternity, and at the same time the meetings and association with the other law students' wives are a pleasant diversion from the otherwise drab existence of a law student's wife.

Denver Alums Elect New Officers

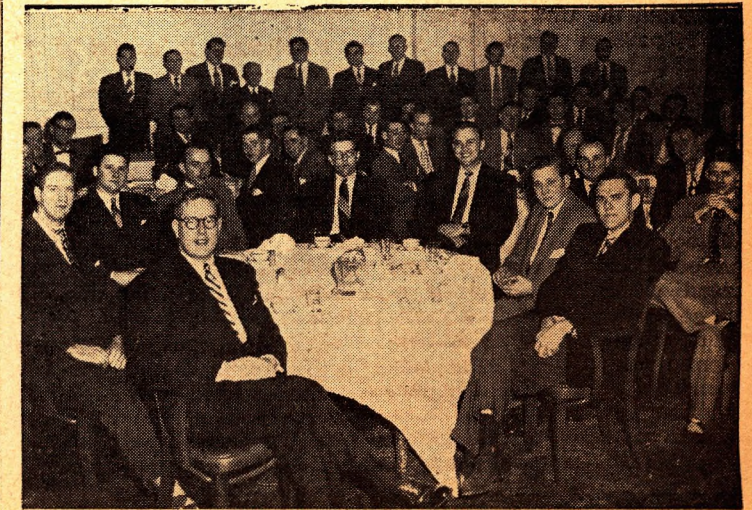

On February 23, 1951, at the joint ceremonies with Gunter and Hughes Chapters the Denver Alumni Chapter held an installation of its new officers; Justice Royal R. Irwin, Vice-Justice William F. Dwyer, Clerk Leo William Kennedy and Treasurer George O. Bakke.

Brother Irwin was re-elected as Justice of the Denver Alumni Chapter for the next year and is undertaking a program to stimulate the interest of the Denver Alumni.

LOUISVILLE ALUMNI CHAPTER INSTALLED

SUPREME TREASURER ANTHONY P. SAVARESE presents Louisville Alumni Charter to Chapter Justice Victor W. Ewen.

ALUMNI AND ACTIVES at installation banquet of Louisville Alumni Chapter.

Upon the petition of 41 alumni members doing business in or residing near Louisville, Kentucky, the Supreme Executive Board granted a charter to the Louisville Alumni Chapter.

The chapter was installed in Louisville, Kentucky, on March 1, 1951, at which time 26 active members from the University of Louisville and the University of Kentucky were present as guests of the Alumni Chapter.

FLORIDA-CALIFORNIA ALL ONE IN PAD

When Lieut. Gov. Goodwin (Goody) Knight, of California, visited Miami, Florida, true hospitality was extended to him by his brothers in Phi Alpha Delta attending the University of Miami. Rasco Chapter, through George B. Pomeroy, as the personal representative of the Governor of the State of Florida, played host to Brother Knight.

Brother Knight was visibly impressed with the magnitude and the scope of the Law School. He inspected such local activities as the Law Quarterly and the Law Building and engaged in informal conversation with members of the faculty on hand to greet this guest.

The California executive is a former jurist. He served as a judge on the California Bench for almost 12 years before his entrance into the field of politics.

Knight also addressed an undergraduate class on the value of personal integrity and answered questions put to him by students for some time thereafter. The visitor who was the personal guest of Rasco Chapter was later conducted on a tour of Coral Gables and inspected its administrative functions at some length. He was welcomed to Coral Gables by Mayor Keith Phillips.

Rasco Chapter has made it a firm policy to always extend a most cordial welcome to any visiting PADs. The chapter requests that whenever any PADs plan to visit Miami they notify the Clerk of the Chapter in care of the University of Miami School of Law, Coral Gables, Florida, so that the chapter can help them enjoy their stay.

Daniel B. Boone, Past Supreme Historian (1946-48), acted as Toastmaster at the installation banquet.

Judge Anthony P. Savarese, Supreme Treasurer, presented the charter to the new chapter and made the principal address. Also present at the banquet were Judge John Stiles, Louisville magistrate; Athol Lee Taylor, Professor at the University of Louisville, and Sam Boaz, Clerk to U. S. Federal Judge Ray Shelbourne.

A reception had preceded the banquet which allowed the actives and alumni to become better acquainted and to enjoy the Kentucky hospitality.

Judge Savarese presented the charter to Victor W. Ewen, the newly elected Justice of the Louisville Alumni Chapter. In the presentation of the charter Judge Savarese pointed out the many opportunities available to alumni chapters in helping in the practice of law and in helping the young law student to become an attorney.

The newly elected officers of the Louisville Alumni Chapter to assist Victor W. Ewen are: Joseph Rose, Vice-Justice; Everett Metcalf, Vice-Justice; Milton Smith, Vice-Justice; George Reed, Secretary; Lee Curd Miller, Treasurer; Paul Schlaudecker, Marshal.

Bill Farrell Writes From Japan

The PAD "Reporter" is read from cover to cover by James W. Farrell, Jr., Rapallo Chapter, in faraway Tokyo, Japan.

A recent communication to Supreme Treasurer Savarese shows that "The Reporter" crosses international borders and is actually read. Lt. Farrell is a second generation PAD as he is the son of James W. Farrell, Sr. one of the founders of Rapallo Chapter.

Supreme Justice Represents Pad

During the month of February the Supreme Justice of your fraternity, the Hon. Douglas L. Edmonds, Associate Justice of the California Supreme Court, represented your fraternity at several events. Justice Edmonds was traveling to Topeka, Kansas to attend the reunion of Benson Chapter. En route he stopped at Denver, Chicago, Lawrence, Kansas and Topeka.

At Denver, on the morning of February 23rd, he spoke before the full student body of the law school of the University of Denver in the University's new auditorium.

As Supreme Head of your fraternity he was the principal speaker before the Board of Directors of the Denver Legal Aid Society and prominent representatives of the Community Chest at a Luncheon held in his honor.

That afternoon he participated in the joint initiation ceremonies of new initiates into Phi Alpha Delta from Gunter Chapter at the University of Colorado, and Hughes Chapter of the University of Denver. These ceremonies were held in the court room of the Supreme Court of Colorado.

That evening Justice Edmonds was the honored guest at a joint dinner dance held by Gunter and Hughes Chapters in conjunction with the Denver Alumni Chapter. Over 200 were in attendance.

Justice Edmonds was interviewed by the press on Legal Aid and a story about his visit together with the purpose of participating in Phi Alpha Delta ceremonies appeared in the Denver Post and the Rocky Mountain News.

Chicago Meeting

On February 24, 1951, in the court room of Brother Judge George L. Quilici, he participated in the joint initiation of Webster Chapter, Loyola University, Fuller Chapter, Northwestern University, Story Chapter, DePaul University, and Halleck Chapter at Valparaiso University. At this initiation ceremony 67 men were inducted into the fraternity.

110 brothers in Phi Alpha Delta attended the dinner in honor of the new initiates held in the Harrison Room in Chicago. Supreme Justice Edmonds gave the main address. A brief talk was also given by Judge Quilici. In attendance at this joint initiation were John P. Burita, Justice of the Chicago Alumni Chapter, Anthony DiGrazia, Vice-Justice of the Chicago Alumni Chapter, Paul Manning, retiring Justice of the 6th District, and Richard Loewe, newly appointed Justice of the 6th District.

Lawrence, Kansas

At the University of Kansas Justice Edmonds addressed the School of Law Convocation. In his speech to the students he emphasized the opportunities for the young attorney in administrative tax and general practice of law.

After talking to the Law School he was invited to address the Legislature of the State of Kansas and was introduced from the rostrum as an Associate Justice of the California Supreme Court and the National President of Phi Alpha Delta. That evening he attended a reception and dinner in the home of Dean F. J. Moreau of the school of Law of the University of Kansas. At this dinner Governor Arn, of the State of Kansas, together with other public officials, were present.

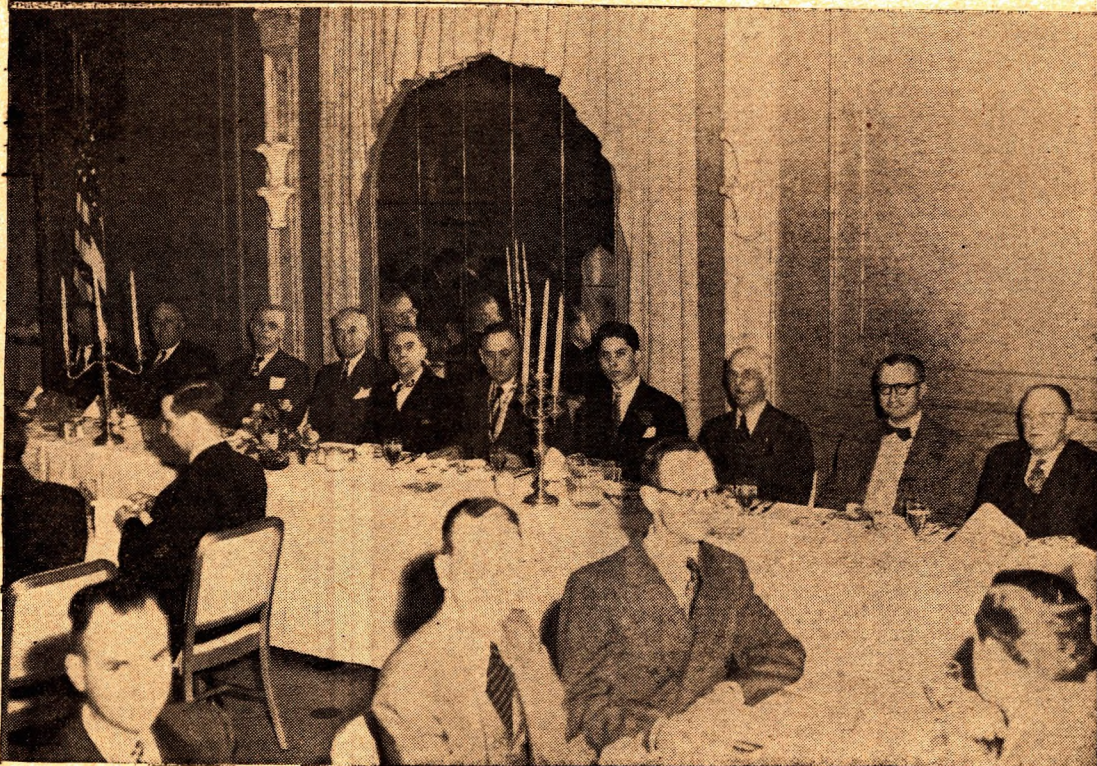

The next day he traveled to Topeka, Kansas, where he participated in the celebration of the 30th Anniversary of Benson Chapter.

Phi Alpha Delta is indeed fortunate to have a man of such national prominence as Justice Edmonds representing Phi Alpha Delta at functions throughout the United States.

NOTICE TO ALL CHAPTER CLERKS

Form "N", giving the chapter roll, is due in the Executive Office on April 15.

COL. CARMODY INJURES HIMSELF

A report from Rasco Chapter states that Col. John Doyle Carmody, Past Supreme Justice and present Chief Tribune recently slipped and injured his leg during the month of March. He is now recuperating at the Biltmore Hospital in Miami, Florida. The Rasco Chapter brothers who have visited him report that he is fine and will be active again very soon.

We all hope that Brother Carmody makes a rapid recovery.

The Honorable Henry J. Westhues, Commissioner of the Supreme Court of Missouri, was initiated into the Phi Alpha Delta Law Fraternity as an honorary member of John L. Sullivan Chapter on March 31 in St. Louis. Also twenty-one students of St. Louis University Law School were initiated into the John L. Sullivan Chapter of the fraternity.

Among the featured guests who appeared at the initiation were the Hon. George Robb Ellison, presiding judge of Division 2 of the Missouri Supreme Court, the Hon. C. A. Leedy, Jr., Judge of Missouri Supreme Court, the Hon. Frank P. Aschmeyer, the Hon. L. C. Lozier, and the Hon. Walter H. Bohling, Commissioners of the Supreme Court of Missouri.

This was the third annual initiation to be held by the local chapter. A cocktail party and a banquet followed. Judge Westhues was the principal speaker at the banquet. Jerome T. Bollato, Justice of the local chapter, was toastmaster.

Among the prominent local members in attendance were

Dean Alvin E. Evans of the St. Louis University Law School, and R. Forder Buckley, former president of the St. Louis Bar Association and Justice of the P.A.D. alumni chapter.

JACKSON GIVEN OATH BY McCARRAN

On March 3, 1951, at the Willard Hotel in Washington, D. C., Taft Chapter initiated the Hon. Joseph Raymond Jackson, Associate Judge of the United States Court of Customs and Patent Appeals as an Honorary Member of Phi Alpha Delta. The oath of office was given to Judge Jack-

SANDY RAE RESIGNS

On March 1, 1951, National Field Representative Matthew (Sandy) Rae submitted his resignation as an officer of the fraternity to be effective March 31, 1951. His resignation was submitted so that he could return to the practice of law in the State of California.

Supreme Justice Edmonds reluctantly and with considerable regret accepted his resignation. Supreme Justice Edmonds expressed to Sandy Rae the deep gratitude of the Board for his efficient service rendered to the fraternity.

Brother Rae has entered Stanford University and is taking a refresher course prior to entering practice. He was admitted to the California Bar in January of this year having taken the State Bar examination in October and successfully passed. Brother Rae took the student bar as his practice in Maryland had not been of sufficient length to qualify him for the attorney's exam.

First Nat'l Field Representative

In September of 1949 he became the first National Field Representative for Phi Alpha Delta. In the Fall of 1949 he traveled throughout the southern part of the United States and through his efforts we reactivated Martin Chapter at the University of Tulane and installed Pinckney Chapter at the University of South Carolina. In the Spring of 1949 he traveled throughout the northern part of the United States.

He visited 96 of the 114 approved law schools in the nation. He inspected all but seven of our 71 active chapters, and of those not visited he contacted the representatives of four of them at district conclaves to discuss their chapter situation with them.

He was active in the establishment or reactivation of 9 active chapters. He was present at 4 district conclaves, at State Bar Conventions and the Convention of the Association of American Law Schools.

Legal Aid Work

Since the adoption at the 1950 Convention of the resolution to assist Legal Aid he worked closely with the National Officers of the Legal Aid Association and with local Legal Aid Associations.

For over a year and a half he traveled throughout the United States representing Phi Alpha Delta at universities, lawyers' functions and legal educators' conventions. He has done commendable work for the fraternity and it was with deep regret that his active services are lost.

We wish him well in his new endeavor in that jealous mistress of time, the practice of law.

DEATH TAKES MacDONALD

Hugh MacDonald (Mitchell Chapter), died on February 28, 1951 at the Veterans Hospital in Los Angeles, California. Brother MacDonald graduated from the University of Minnesota where he was a member of the football team which defeated the Illinois team upon which "Red" Grange played. After he graduated from Minnesota Law School in 1925, he came to California and became Line Coach at UCLA until 1932.

He practiced law in Los Angeles from 1926 until 1937 when he was appointed Deputy City Attorney which position he held until his death.

son by Brother Pat McCarran, United States Senator from Nevada.

After the initiation ceremonies Brother Judge Jackson, and Senator McCarran addressed the chapter.

Following the initiation a social affair was held by the Chapter in honor of Judge Jackson.

Executive Office Moves

On Good Friday, March 23, 1951, the Executive Offices of Phi Alpha Delta were moved from 403 West 8th Street to 202 South Hamilton Drive, Beverly Hills, California. Its location in Beverly Hills, vicinity is near the intersection of Wilshire and La Cienega Boulevards just over the Los Angeles City line in the city limits of Beverly Hills.

On May 8, 1948, your Executive Offices were established in Los Angeles, California, in the library next to the law offices of the Executive Secretary Frank E. Gray. It was originally contemplated that the fraternity would be able to operate with one full time file clerk and one part-time stenographer. After several months operation it became evident that with the work involved and the rejuvenation and expansion of the fraternity, that its personnel and office space were inadequate.

Space for the fraternity headquarters was then secured on the same floor as the offices of the Executive Secretary but changes were made from time to time to allow for expansion during the publishing of the directory and then permanent offices were secured on a lease basis near the offices of the Executive Secretary. Even under this arrangement the Executive Secretary and the fraternity personnel were some distance from the actual working office of the fraternity.

Expansion

It was necessary to expand the personnel to include a full time secretary for dictation and other work, a file clerk to care for the listings and a general office clerk. The personnel expanded again with the hiring of the first full time traveling representative Matthew S. Rae. With the various improvements that were made in the Executive Office and with the putting in of its own addressing system more and more time and more space was necessary to have the organization function properly.

The new quarters are in connection with the law office of the Executive Secretary. The law offices of Frank E. Gray and the national offices of the fraternity occupy the whole floor of a tower building and at this writing all of the personnel of the fraternity are very happy in their new quarters.

The operation of the Executive Offices of a national fraternity which has 71 chapters, takes much time and effort. During the past year six new chapters have been installed and three have been reactivated. It is realized by all that this does not just happen but a lot of time and effort must be given to minute details so that a chapter is started on the right foot.

Chapter Reports

Last year the Executive Office received reports from chapters showing that they had initiated 2,031 men into the fraternity. This entails checking the reports, verifying initiation fees, making of addressing plates, making a geographical, alphabetical and chapter card on each man initiated. 4,875 alumni paid their alumni dues and as such were entitled to a copy of the directory which was published by the Executive Office.

During the year four issues of "The Reporter" were published in the months of October, December, February and April. With each issue of this mailing to over 20,000 alumni and active members throughout the United States we received notification from the postmaster on over 300 changes on each issue that was mailed. Some reports we received showed the men were lost from the mailing list. To learn their present whereabouts, to cut new plates on them, and to change their records entails considerable time and expense.

PAD's Participate in ALSA Washington Meeting

Eighteen Active Chapter members of Phi Alpha Delta attended the second annual meeting of the American Law Student Association as members of the Association's House of Delegates when the national student bar organization gathered in Washington, D. C., on September 17-19, 1950, in conjunction with the American Bar Association Convention.

Among the officers elected to head the ALSA for 1950-51 at the meeting were William B. Nance (Taney), secretary, and George Meiburger (Taft), vice-president of the 11th Circuit.

The American Law Student Association was organized in St. Louis, Missouri, on September 5, 1949, by delegates from 46 law schools, under the sponsorship of the American Bar Association and the Junior Bar Conference. Members of PAD were active in its creation and have assisted continuously in its growth. The Association is "created for and dedicated to introducing law students to the professional problems they will face upon admis-

sion to the bar, providing a closer integration between the future lawyers and the present day leaders of the legal profession, promoting the idea of professional responsibility, and acquainting law students with the opportunities and obligations present for improving the administration of justice through the organized bar."

The American Bar Association pays the general administrative expenses of the ALSA, such as stationery, printing and office supplies, and also provides a Director of Law Student Programs. The director is James M. Spiro, whose offices are at 1140 North Dearborn Street, Chicago 10, Il-

linois. He serves as a clearing house for ideas and activities and furnishes continuity to the Law Student Programs.

The ALSA has the general purpose of providing a national organization of law students through which there may be a development of closer relationships between law students and the ABA and state and local bar associations. It has also undertaken a program of developing a Placement Bureau for graduating law students. Its purposes are achieved in part through a national convention held annually in connection with the ABA Convention and through Circuit Conferences attended by the member schools of each judicial circuit.

Membership in the American Law Student Association is entirely voluntary on the part of each law school student association. There are no dues, no fees and no financial responsibility to the national organization. The only obligation of membership is to send delegates to the National Convention and Circuit Conferences.

Two classes of law school associations are admitted to ALSA membership. In the first class, those Student Bar Associations with compulsory membership on the part of all students, ALSA membership is granted immediately upon the filing of a petition therefor with the Secretary of the Association. In the second class, those law school organizations with voluntary student membership, ALSA admission depends upon submission of the petition for membership together with a certificate from the Dean of the petitioning

school that the petitioning group is a representative body open in membership to all students or, at least, to all students in the Junior and Senior classes of the school.

PAD members of the Association's House of Delegates, in addition to the newly-elected officers, include James E. Gleason (Knox), Gerald P. Brown (Garland), Alfonso Rivera-Valdivieso (Baylor), LeRoy Goldblatt (Cole), Robert B. Harris (Keener, PAD Associate Tribune), Mayo L. Mashburn (Keener), William Mulloy (Vinson), John T. Keleher (Webster), William Todd Smith (Ford), Randy N. Christmas (Rasco), J. B. Spence (Rasco), Sidney B. Majure (Lamar), John Loftus (Fuller), Frederick W. Mebs (Watson), Horace J. Blanchard (Taney), and Bert Mason, Jr. (Halleck). Also in attendance at the convention as observers were two members of Timberlake Chapter, Johnny Gardner and LeRoy Robinson.

The ALSA publications consist of a column in "The Young Lawyer," published by the Junior Bar Conference, and special articles of note published from time to time in the "American Bar Association Journal."

The Junior Bar Conference maintains a committee known as the Committee on Relations with Law Students. A member of this committee is assigned to each law school having a Student Bar Association, his purpose being to serve as an assistant and advisor to the group, aiding in the development of activities, the procurement of speakers, the visiting of local courts, and the establishment of a liaison with local bar groups.

Hamill Tells About Hamill

The Ralph Hamill Chapter at the Indianapolis Division of the Indiana Law School recently wrote to the Executive Office to tell a little about the man after which the chapter is named.

The chapter reports Judge Ralph Hamill was, up until December 31, 1950, a judge of the Superior Court of Marion County. He has since retired. While he was on the Bench, together with two other judges, he worked out a complete set of forms on the subject of "Domestic Relations". These forms were adopted by the Indiana Bar Association for use in the Indiana courts. Judge Hamill made it very clear to the Bar Association what his compensation for the work would be. His compensation consisted of being compensated with enough copies of the final draft to furnish each member of Hamill Chapter of Phi Alpha Delta a copy of a very good reference and form book on domestic relations.

For the past year the same committee has been working hard on another book. This book is on "Jury Instructions". Final drafts will be off the press in the very near future and again Judge Hamill has requested that his compensation consist of sufficient copies to furnish all active members of Hamill Chapter with an autographed copy of the publication.

Judge Ralph Hamill attends nearly every social function which the chapter holds, often breaking other engagements to be with them. Last year he spent his vacation in Canada deer hunting. When he returned he brought sufficient venison for a feast for the members of Hamill Chapter. Mrs. Hamill prepared the venison and put on a feed for about 60 members, pledges and prospective pledges. Judge Hamill furnished not only the venison but all of the trimmings.

During the time he was sitting on the Bench, on several occasions he appointed members of Hamill Chapter as judge pro-tem stating that the experience on the Bench would do them good. Also, while he was on the Bench, he had as his Clerk a PAD law student.

The chapter reports that they feel they are very fortunate in having a man such as Judge Hamill to be a friend of the chapter and they state that he deserves a lot of credit for the success of the chapter.

DEEP IN THE

In the February issue of "The Reporter" an article was carried relative to Southern Methodist University in which we stated that Dean Storey had established his school as "The center of legal education in the great southwest". Your editor received a letter from an alumnus of the University of Texas which stated "May I paraphrase the Bard, 'Thus exuberance doth make falsifiers of us all'".

The writer went on stating: "Without intending to disparage the work which Dean Storey has done at SMU, I would like to suggest that on the day SMU replaces Texas as the Southwest's top law school, I'll eat your hat, be it panama or felt, Homburg or ten-gallon."

"PAD has at least three chapters in Texas — at Texas, SMU, and Baylor. Your characterization of SMU was at least, therefore, impolitic."

He further stated: "And, in my opinion, it indicated that you too readily accept the contributions of correspondents without the grain of salt which separates press-agency from fact."

He closed his epistle by stating: "I remain, warmed by the knowledge that SMU is improving. Sincerely yours,"

Your editor has realized one thing—whenever you talk about Texas be sure you talk about the whole state and not any part thereof.

Loewe Appointed To Head District 6

After two and a half years service to PAD as District Justice of District 6, Paul Manning submitted his resignation to Supreme Justice Edmonds. With the consent of the Supreme executive board, Supreme Justice Edmonds appointed Richard Loewe of Chicago as the new District Justice.

Brother Loewe, an alumnus of Loyola University at Chicago, Illinois, is a member of Webster Chapter.

He is now a partner of the law firm of Mayer, Altheimer and Kabaker in Chicago, Illinois. He is also a Certified Public Accountant and has served on the staff of Public Administration Service as a Consultant in Governmental Accounting and Finance.

Prior to serving in the armed forces Brother Loewe was an Internal Revenue Agent in the Chicago office of the U. S. Treasury Department. During World War II he served as a naval officer in the Southwest Pacific Theater.

In 1950 he served as Justice of the Chicago Alumni Chapter and was that Chapter's delegate to the National Convention at French Lick Springs last year. At the Convention he served as Chairman of the Nominating Committee.

Brother Loewe immediately undertook to perform the duties of his office and has already visited the chapters at the University of Indiana, Valparaiso, University of Illinois and University of Michigan together with the four chapters in the City of Chicago.

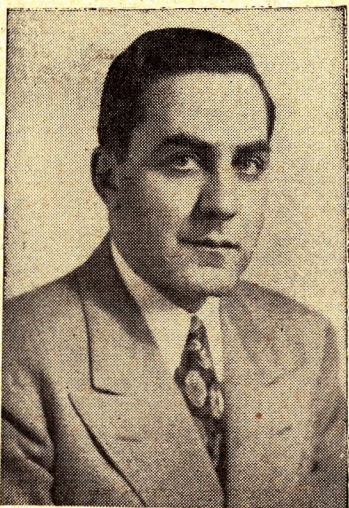

Fraternity Founder Dies

Jackson M. Prentiss, (Webster Chapter) passed away in Long Beach, California, on March 16, 1951, after a protracted illness. Brother Prentiss had been in a coma for several weeks prior to his death.

Brother Prentiss was one of the founders of the fraternity as he signed the Articles at South Haven, Michigan, which gave birth to Phi Alpha Delta. He had been a member of its predecessor Lambda Epsilon Fraternity which was dissolved when the Articles of Phi Alpha Delta were signed at South Haven, Michigan.

Brother Prentiss had been preceded in death by his brother William Prentiss who had been a member of Story Chapter.

Prior to Brother Prentiss' decease your Executive Office had been in contact with his wife who was also in the hospital in Long Beach and had offered the assistance of the fraternity wherever possible. Mrs. Prentiss was extremely grateful for this fraternal offer of help.

SUPREME TREASURER GOES WEST

Supreme Treasurer Anthony P. Savarese, Surrogate of Queens County, Jamaica, N.Y. spent the month of March in California on a vacation. He was accompanied West by Mrs. Savarese.

En route to California and while in that state he attended several PAD functions and represented the fraternity. He gave much of his personal time to fraternity affairs.

His first duty for the fraternity was at Louisville, Kentucky, where he presented the charter to the newly formed Louisville Alumni Chapter. A banquet in his honor and in honor of the new chapter was held at which Judge Savarese was the principal speaker.

Benson Founders Day

He journeyed on to Kansas City, Missouri, where he was met by Supreme Vice-Justice E. A. (Bert) Taylor and the representatives from Benson Chapter and then was driven by car to Topeka, Kansas to participate in the Founders Day banquet held by Benson Chapter at the chapter house at Washburn College. Due to the delay en route he did not arrive at Topeka until after the festivities had started.

He addressed the assembled brothers there which included members of the Topeka Alumni Chapter, alumni from other parts of the state, active members of Benson Chapter at Washburn College and Green Chapter at the University of Kansas City. Active members from Benton Chapter at Kansas City University were also in attendance.

At Topeka he joined Supreme Justice Douglas L. Edmonds, District Justice Robert Jackson and retiring District Justice Jay Kyle. After the banquet a meeting of the Topeka Alumni Officers and the Supreme Officers was held in the home of Brother Kyle for the purpose of discussing the Topeka Chapter loan from the Endowment Fund.

L.A. Arrival

He arrived in Los Angeles on March 3 accompanied by Mrs. Savarese. Justice Edmonds also traveled West with him on the same plane. At the airport they were met by Executive Secretary Frank E. Gray and National Field Representative Matthew S. Rae.

On March 5 and 6 he conferred with Executive Secretary Gray in the Executive Offices of the fraternity on various fraternity affairs, leaving the next day for Palm Springs where he spent part of his vacation until his return to Los Angeles.

On March 22nd the Los Angeles Alumni Chapter held a banquet in his honor which was presided over by the Los Angeles Alumni Chapter Justice Jesse Frampton, Judge of the Superior Court of Los Angeles County. Also in attendance at this banquet to honor Judge Savarese were past Supreme Justice Rex Hardy, District Justice Henry C. Rohr, Judges of the Los Angeles Court Joe Vickers, Daniel Stevens, Harry Archbald, Newell Carns, Harold Schweitzer, Clark Stephens and Joseph Marchetti.

Judge Savarese gave the principal address at this banquet. He told of the progress of Phi Alpha Delta the past three years and of the opportunity for it to be a true professional organization. To the delegates from Ford Chapter at Loyola University and Ross Chapter at the University of Southern California he directed remarks of their opportunities and told them that they should become active alumni members upon their graduation.

Visit S.F.

The following Sunday Judge Savarese left by plane for San Francisco where he was met by Supreme Justice Douglas L. Edmonds, who with Mrs. Edmonds entertained Judge and Mrs. Savarese while they were in that city.

The San Francisco Alumni Chapter sponsored a reception in Judge Savarese's honor on Monday, March 26th. This re-

ception, held in the Lounge of the San Francisco Bar Association in the Mills Tower Building in downtown San Francisco, was attended by approximately 60 alumni and actives in the San Francisco Bay area. Judge Savarese was welcomed to San Francisco by Dean Edward A. Hogan, Jr., Justice of the San Francisco Alumni Chapter, District Justice J. Albert Hutchinson and John Griffin, who was chairman of the committee in charge of arrangements.

The lounge of the Bar Association overlooked the harbor. As Judge Savarese looked out over Golden Gate Bridge and the Bay Bridge and the ships in the harbor, he said that this reminded him very much of New York.

As a guest of Supreme Justice Edmonds he met the justices of the Supreme Court of California and attended the Lawyers Club of San Francisco Luncheon as a guest of Brother Fred B. Wood, Associate Justice of the District Court of Appeals. This Luncheon held yearly by the Lawyers Club honors the Supreme Court of the State of California.

Sacramento

The annual party of the Pals' Club comprising the wives of the members of the California Legislature was held in Sacramento at the Senator Hotel during the time the Savareses were in the north. Mrs. Douglas L. Edmonds drove Judge and Mrs. Savarese to Sacramento where Mrs. Savarese was entertained at this party. Judge Savarese was invited to the rostrum of the Senate of the State of California by his PAD Brother Lt. Gov. Goodwin Knight and addressed the Senate.

On Wednesday, March 28th he attended a luncheon held by Field Chapter at the University of California. At this luncheon Judge Savarese gave the principal address to the assembled members and pledges of the chapter.

Judge and Mrs. Edmonds drove Judge and Mrs. Savarese back to Los Angeles where the next day the Savareses caught their plane for New York. The comment of both Judge and Mrs. Savarese was that the hospitality of the West was wonderful. The PADs had extended themselves in making his trip an enjoyable one. They both further stated that they would now have to take a vacation to rest up from their vacation.

OBITER DICTA

The Obiter Dicta published by the New York Alumni Chapter made its appearance after a long absence under a publication date of March, 1951. This 2-page newsy letter of the doings of New York Alumni was well received.

At the February meeting of the New York Alumni Professor Alison Reppy, Dean of the New York Law School, was the chapter's guest. He talked on the President's power to send troops abroad.

According to the publication, at the January meeting a most interesting lecture accompanied by pictures was given by PAD Judge Cyrus W. Lunn. The lecture was on the daily life in Europe.

The November meeting of the New York Alumni Chapter had as its guest Supreme Court Justice Carroll G. Walter.

The publication also covered the New York Alumni activities at the National Convention and at the reactivation of Calhoun Chapter.

MARTIN CHAPTER GOES INTERNATIONAL

Ten members of Martin Chapter come from far away places. Interested in Civil Law, American culture, and the English language, these members whose homes are in Spain, Lebanon, Hawaii, Puerto Rico and Panama, have found Tulane University excellently located and furnishing training in law akin to that of their nationalities.

After completion of two years of law at Valladolid University and one year of law at Salamanca University, both in Spain, Christian Prince of Hohenlohe came to Tulane to study Civil Law as recommended to him by our ambassador to Spain. "Brownie" as he is known to the members of the Junior class, is a descendant of the Fuerst of Hohenlohe, the head of the Hohenlohe principality in West Germany and his family tree shows that he is indirectly related to the last Austrian Emperor, Charles. Prince Christian got his primary and secondary education in Sudetenland when it was part of Czechoslovakia and took his undergraduate work at Rosey College in Rolle, Switzerland. Following in the footsteps of his father who received his doctorate from the Heidelberg University, he completed three of the five year law requirements in Spain and came to the United States at his father's behest. Mainly interested in Civil Law for business purposes, he will return to Madrid and assist his father in management of the family's interests in Spain, Czechoslovakia, and Mexico.

Brother Camille F. Hoyek is a native of Beirut, Lebanon, the Switzerland of the Near East. Having completed the requirements for the equivalent of B.A. degree in literature and philosophy at the International College of the American University of Beirut, he attended the French School of Law in Beirut and received the equivalent of a Bachelor of Laws degree. He came to the United States to make further preparation for his forthcoming job as Chief of the Secret Police of Lebanon and his studies are particularly directed toward the science of proof, medicolegal litigation, criminology and penology. He first attended Oklahoma University in this country receiving his M.A. in Sociology, majoring in criminal law and minoring in law. Desirous of furthering his legal education in America along scientific legal lines he registered as a graduate student in the law-science program under the directorship of Dr. Hubert Winston Smith, and will receive his M.C.L. in June. Hoyek expects to attend the University of Chicago for his doctorate in laws degree after a short training course with the Federal Bureau of Investigation in Washington. Although he has been in the United States only twenty months, Brother Hoyek speaks almost flawless English. He also speaks French, and Arabic, his native tongue. Homocide is his hobby so Lebanon criminals had better beware.

Honolulu, Hawaii, is the home of Brother Percy K. Mirikitani. He received his Bachelor and Master of Education degrees from the University of Hawaii and has since been in the field of merchandise trading between Honolulu and the United States. Brother Mirikitani's ultimate desires are to practice law at home and use Civil Law in business transactions, so he found Tulane most appropriate for its location and type of law. He has one brother as practicing attorney in Honolulu and five other brothers who are physicians. His hobby is eating and for that reason he married an attractive dietician of Irish descent.

Another member from Spain is Brother Juan Jose de Vidaurrazaga. Juan's home is in Madrid and he came to the United States

in 1945 after living in the Philippines for some time. He received his B.A. from Stanford University in 1949, and came to Tulane to study Civil Law. He has found it more convenient to study in the United States and is particularly interested in the American way of life. Still not fluent in English, Juan has found it no impediment in attaining a position on the staff of the Tulane Law Review. After completion of the requirements for his LL.B. degree Juan will return to Spain and enter the practice of law as the first lawyer in the family.

Brother Tatsuo Asari is another member from Honolulu, and is studying Civil Law after receiving pre-legal training both at the University of Hawaii and Tulane. Brothers Jorge and Roberto Halphen, from Panama City, Panama, came to Tulane to study Common Law after taking undergraduate work at Menlo College and U.S.C., in California. Their uncle, Dr. A. Perez Venero, is a Tulane Alumnus in the medical field, who graduated in 1932. Brothers Frederico Rodriguez-Gelpi, Luis G. Alvarez-Aponte, and Carlos A. Gonzalez-Adames are from Puerto Rico. Brother Rodriguez, from San Juan, received his B.B.A. from the University of Puerto Rico, and attended Manhattan College in New York City before coming to Tulane to study Civil Law. Brother Alvarez, from Caguas, came to Tulane for Civil Law after undergraduate work at both Loyola University in New Orleans, the University of Puerto Rico, and a tour of duty in the merchant marine. Brother Gonzalez, from San Sebastian, came to Tulane in 1948 after obtaining pre-legal training both at the University of Puerto Rico, Southwestern Louisiana Institute, and after serving three years in the Army. "Pancho" as he is known to the Senior class, is the son of a former mayor of his home town, and he wants to return home to practice law and enter politics if possible.

All ten have found participation in the activities of the Chapter to be interesting and helpful in association and for its professional value. These members have helped Martin Chapter progressively enlarge its membership in its two year period since reactivation to the Chapter's present membership of seventy-one. We are proud to have our foreign members with us.

Johns-Manville Head Dies

Louis H. Brown (Campbell Chapter), Chairman of the Board of Johns-Manville Corporation, passed away on February 26, 1951, from a heart attack. At the time of his death he was in Florida for several days rest and appeared to be in the best of health.

Brother Brown was with Montgomery Ward and Company before going to Johns-Manville in 1927. Two years later as a young man of 35 he rose to the presidency of the Johns-Manville Corporation and for 22 years was its chief executive officer.

He was a pioneer among those business executives who today hold that management is a trusteeship. He believed that management, instead of representing any one interest, must maintain a proper balance of equity between the stockholders, jobholders, the customers and the public.

He served his country in two world wars. From 1917 to 1919 he was an infantry captain in France. In World War II he served as advisor to the U. S. Army Chief of Ordnance.

His book "Report on Germany", result of a trip to Germany in 1947, made at the request of General Clay, gained wide recognition.

A Chapter Of Which To Be Proud

Rasco Chapter at the University of Miami, Coral Gables, Florida, is undertaking projects which make all PADS, and especially Rasco Alumni, proud of this chapter.

The chapter has established a Book Scholarship which is the first such Scholarship ever established on a campus. Each year the chapter gives one needy student all the required textbooks he or she needs for their entire first year in Law School. The award is made by the Scholarship Committee of the chapter. This program is designed to assist needy students who show scholastic promise and next semester will be extended to include Juniors as well as Freshmen.

Rasco Chapter was instrumental in establishing for the first time at the Law School a Moot Court. The University of Miami Law School had not had such a court prior to this year. Brother George Pomeroy, of Rasco Chapter, did all of the legal research on this program, drew up the Constitution and working procedure which was accepted and is now being used by the Student Bar Association. He also addressed the faculty and Student Advisory Board on how the Moot Court system works at the other leading law schools.

The chapter is now working on incorporating into the Law School Program the use of visual aid in instruction. Brother Pomeroy is Chairman of this program and is working with Professor Thomas, of the Law School, on some 50 to 75 35 millimeter slides on the subject of Legal Research. The teaching of a course in Legal Research has given a great deal of difficulty to the faculty. It is impossible to take a class of 65 students through a library and show and explain how to use the law books. Using a slide projector and a sound recording this obstacle will be overcome. PAD will have the immense satisfaction of introducing the first visual aid instruction to the law school. This method, a gift of Rasco Chapter, will be used not only in the research courses but also in conjunction with the Moot Court.

Rasco Chapter is the host to District 10 Conclave which will be held April 20 and 21 in Miami, Florida. In conjunction with the Conclave, Rasco Chapter will bring 35 men into the chapter one of whom is J. Hugo Weidhaas who was a member of the staff of the American Embassy at Berlin, Germany, in 1939 through 1941. He is now attending the School of Law at the University of Miami.

Further evidence of the high character of the men that Rasco Chapter strives to bring into its fraternity is best illustrated by the fact that Rasco Chapter has held the presidency of the Student Bar Association for the past four years and the editorship of the Miami Law Quarterly for the past three years.

The chapter is publishing and sending to all of its actives and alumni a Newsletter the first of which was recently received in your editor's office. This Newsletter was very well prepared and covered all fields of activity of the chapter.

HITT, SPAULDING SPARK JAY SMOKER

Moultrie Hitt, Washington, D. C., attorney and Jay Chapter alumnus, and Professor Hector G. Spaulding, professor emeritus, George Washington University, were honor guests at Jay Chapter's spring Smoker, held March 7 at Professor Spaulding's home in Washington. Brother Hitt discussed the problems to be faced by the beginning lawyer, giving special attention to the question of ethics.

JIMMY WILSON (Gunter Chapter) and Mrs. Wilson boarding plane for flight to Washington, D. C., to visit Quadra—amputee victim of Korea.

AMPUTEE INITIATED

Wilson Example Of Courage

Jimmy Wilson, a law student at the University of Colorado and one of the two American quadruple amputees from World War II was initiated into Gunter Chapter on February 23, 1951 at joint initiation ceremonies presided over by Supreme Justice Douglas L. Edmonds. The ceremonies were held in the court room of the Supreme Court of Colorado.

Wilson, 25, was married last June following his graduation from the University of Florida. He was only 19 when his bomber crashed in the mountains of Vermont. Nine other men were killed and Brother Wilson, who suffered a fractured leg, lay helpless in the wreckage 3 days until a rescue party reached the isolated spot. Severe frost bite made it necessary to perform amputations of all of his limbs.

Brother Wilson had a boyhood ambition to become a lawyer and the fact that he has two artificial legs and two steel hooks for hands is not stopping him.

Wilson doesn't want sympathy or help and he doesn't need it. In fact he traveled to Washington to help another young service man who had lost all four limbs — Private First Class Robert Smith, the first quadruple amputee of the Korean War.

At the nation's capital he talked with amputees of the Korean War at Walter Reed Army Hospital and gave encouragement to Bob Smith in the long, hard struggle back to normal living.

While he was in the capital he met his brothers in PAD, Vice-President Barkley and Associate Justice William O. Douglas of the United States Supreme Court.

In that cheery apartment not far from the University of Colorado campus Brother Wilson and his charming wife lead the normal, happy life of any married couple.

"One of the South's Top Leaders"

This phrase appeared under the picture of James B. Carmichael (Keener Chapter) accompanying a feature article by Jouett Davenport which appeared in the Atlanta Constitution for Sunday, January 7, 1951. Brother Carmichael was recently picked to head Lockheed Aircraft Corporation's newly created Georgia Division which will be established in the former bomber plant at Marietta.

Born in Cobb County, the son of a merchant brother Carmichael is one of the staunchest believers in the South's Economic Potential.

"The fact that several companies located right here in Atlanta have already received government contracts," he says, "shows that our government has every confidence in southern industry's ability to produce."

Brother Carmichael, who will serve as the Vice-President of Lockheed, also will continue as President of Scripto, Inc.

He began his general practice of law in Marietta in 1934 continuing until 1944 when he was made Assistant General Manager of Bell's Aircraft Georgia Division. He was made Vice-President of Bell and General Manager of the huge plant at Marietta January 1, 1945.

He served in this capacity until January 1, 1946 and in that year was candidate in the Georgia primaries for governor against the late Eugene Talmadge. He received the largest popular vote ever given a candidate for the office but was defeated because of the County unit system in the state.

On November 1, 1946, he became assistant to the President of Scripto, manufacturers of mechanical writing instruments. He advanced to Executive Vice-President in 1947 and was elected President of the Company on May 1 of the same year.

N.Y.U. LAW ALUMNI HONOR JUDGE SAVARESE

At the 63rd Annual Dinner of the New York University Law Alumni Association held on April 5, 1951, in the Grand Ballroom of the Waldorf Astoria the Association paid honor to Judge Anthony P. Savarese. Judge Savarese is a surrogate of Queens County, New York.

In the printed program for this occasion a print of the oil portrait of Judge Savarese, Supreme Treasurer of Phi Alpha Delta, was reproduced. This oil painting, painted by Tade Styka, was presented to the New York University Law Center by the Law Alumni Association of New York University. It hangs in one of the rooms at the Law Center, which room is also named in honor of Supreme Treasurer Savarese.

In the biographical sketch of Judge Savarese contained in the program the Law Alumni of the New York University paid high tribute to their retiring president who had served for five years.

1918 Graduate

The editor stated: "His record of achievement in public life and community service on behalf of New York University is outstanding and in the best of the American tradition. Born of immigrant Italian parentage on August 31, 1892, in the Yorkville section of New York City, he was the oldest of five children. Working days and studying at night he graduated in the New York University School of Law Class of 1918. After practicing privately for a number of years he entered upon a career of public service. He served as Assistant United States Attorney for the Eastern District of New York from 1927 to 1929 and then resumed the private practice of law. In 1935 he was appointed a New York City Magistrate and served in this capacity until 1942 when he was elected for a 14-year term as Surrogate of Queens County, N. Y."

The editor went on to state that Judge Savarese had been a member of the Board of Directors of the New York University of Law Alumni Association since June, 1945, and was elected to the presidency in 1946 becoming the first alumnus to be re-elected by acclamation to this office for five consecutive terms. Through his efforts he was most instrumental in raising funds and helping Chief Justice Arthur T. Vanderbilt of New Jersey in his herculean task of raising the millions of dollars required to breathe life into the Law Center.

Many Activities

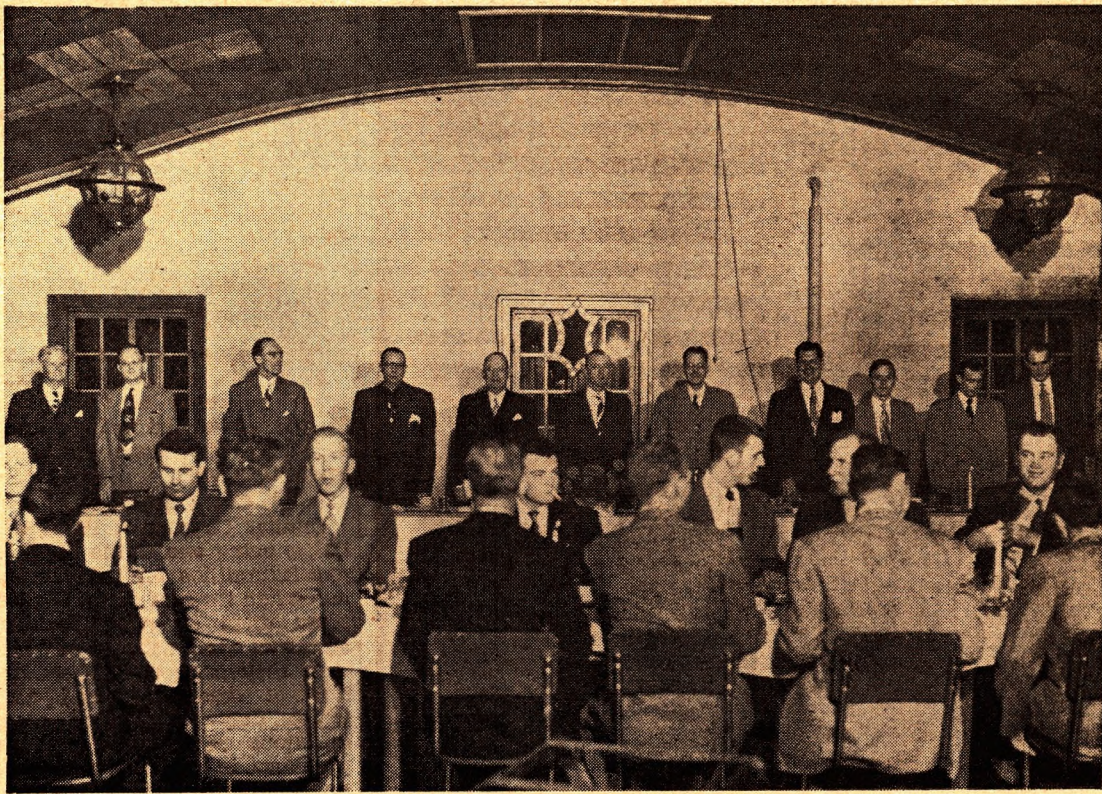

Judge Savarese is also a director of the Society for the Prevention of Cruelty to Children, the Queens Cancer Committee and the Queens Borough Tuberculosis and Health Association; a trustee of the Jamaica Hospital; Chairman of the Board of the Italian Charities & Welfare Center of Queens, Inc., and president of the Queens College Speech and Hearing Center, Inc. He was Borough Scout Commissioner of the Boy Scouts of America in Queens County, New York for over 15 years.

The editor closed his comments by the following:

"Truly he has been a 'one-man spark plug' for the law alumni drive to create a great law center for New York University on Washington Square, South, and has been the architect to revitalize the Law Alumni Association. It is fitting that we, the Law Alumni of New York University, praise and honor him at our 63rd Annual Dinner for his meritorious service to the Law School, the University and to the community; especially at this time when the new Law Center Building which is to retain a room in his name will soon open its doors to all who seek to learn the ways of a great profession."

Chief Justice Vanderbilt

The New York University Chapel Choir presented 3 selections during this dinner. Also, in

BENSON CHAPTER celebrates thirtieth anniversary.

HAMILL INITIATES

On Saturday, April 7, one of the worst miserable rainy days in the history of the State of Indiana, Hamill Chapter held their chapter initiation in the court room of the Supreme Court of Indiana. The rain and weather did not stop the members and the Indianapolis alumni chapter from turning out. Over 60 brothers were present in the court room during the initiation ceremonies.

District Justice Richard Loewe, of Chicago, weathered the elements in company with his wife.

Following the initiation, 54 couples attended the dinner dance in a small night club in a suburb of Indianapolis. The chapter had sent out to all alumni members an invitation to attend the initiation and dinner dance. In addition, the Indianapolis Alumni Chapter had sent out notices to its alumni and the response was very gratifying.

Hamill Chapter is now organizing an auxiliary for the wives of its students. Inasmuch as this is a night school, the problems the members would have with their wives when they are working, attending classes and homework are much alleviated by this auxiliary. The wives are now sharing the problems of their husbands.

CHIEF JUSTICE O'NIELL DIES AT 81

Charles A. O'Neill, of the Louisiana State Supreme Court, died on March 9, 1951. He was a member of Martin Chapter at the University of Tulane.

Less than 2 years ago he retired as Chief Justice of the State Supreme Court. He had been a judge for 41 years beginning in 1908 at his election to the Bench in his native district. Thirty-five years of this period he spent on the Supreme Bench a tenure unequalled in state history. He had been Chief Justice for 27 years. Brother O'Neill will be treasured in the annals of Louisiana law. He was beloved by all who knew him, not only for his personality but also his ability.

attendance to address the assembled group and to pay honor to Supreme Treasurer Savarese were Russell D. Niles, Dean of the New York University School of Law, Sir Benegal Narsing Rau, India's permanent representative with the United Nations and the Hon. William A. Wachenfeld, newly elected President of N.Y.U. Law Alumni Association. Chief Justice Arthur T. Vanderbilt, of the State of New York and Dean Emeritus of the N.Y.U. Law School made a very touching speech on behalf of Supreme Treasurer Savarese.

Benson Chapter Reunion

On Friday, March 2, 1951, Benson Chapter, together with Topeka Alumni Association, held their Annual Founders Day Banquet at White Lakes Country Club at Topeka, Kansas. Representatives from Green Chapter at Kansas University, Benton Chapter at Kansas City University, and alumni throughout the state were present to celebrate Benson Chapter's 30th Anniversary.

FOUNDER'S DAY BANQUET, March 2, 1951, 30th anniversary founding Benson Chapter, Washburn U. Left to right: Jay Kyle, Past District Justice, Supreme Historian 1936-1938; Robert D. Jackson, District 7 Justice; and John W. Shuart, Justice Alumni Chapter 1947-1951.

Corliss Chapter Reports

The Guy H. Corliss Chapter at the University of North Dakota recently held an initiation for eleven new members. Two of the students are from out-of-state and they are Richard Picken, of San Diego, California, and Frederick Hodosh, of Hungary.

Prior to the initiation the new officers for the coming year were installed by Judge B. Burteness, a member of Phi Alpha Delta who has just recently been appointed District Judge for North Dakota. The new officers for the chapter are Bernard Reeck, Justice; Alfred Hauser, Vice-Justice; Harris Kenner, Secretary; Herman Elsen, Treasurer; and Douglas Burau, Marshal.

After the initiation and installation a banquet was held in honor of the new members with Brother Harold Schaft, City Attorney, as guest speaker. Mr. Schaft spoke on the general subject of court room practice placing special emphasis on the unexpected answers an attorney may receive from a witness.

At the last meeting of the chapter the members formulated a plan whereby members would pass their books and text books down the line to new members in subsequent classes thereby creating a form of storm book within the fraternity.

Jay Kyle, Past District Justice, was the Toastmaster at the banquet. Bob Barnes, Justice of Benson Chapter, introduced the active members and John W. Shuart, Justice of the Alumni Chapter, introduced the alumni present.

The Supreme Executive Board was represented by E. A. (Bert) Taylor, Supreme Vice-Justice, of Kansas City, Hon. Anthony P. Savarese, Supreme Treasurer, Surrogate, Queens County, Jamaica, N. Y., and Robert D. Jackson, District Justice of District 7 from Des Moines, Iowa.

Supreme Justice Douglas L. Edmonds gave the principal address at the banquet commemorating the 30th Anniversary of Benson Chapter. He reported to the assembled brethren the progress of Phi Alpha Delta since the cessation of hostilities in 1945.

An election of the Topeka Alumni Association was held and the following men were elected to the Board of Directors: John Corkhill, Justice

Willard Van Slyck, Secretary-Treasurer
Lloyd Miller, James E. Smith and John W. Shuart.

A full day of activities had been planned by the chapter which maintains a chapter house on the campus. Felicitations from other fraternities at Washburn College were received by Benson. Supreme Justice Edmonds was there in time to make a visit to the campus and the Faculty.

HALLECK CHAPTER TO HOST DISTRICT SIX CONCLAVE

Plans are underway at Valparaiso University's Halleck Chapter for the annual District Six Conclave to be held on April 14th. In announcing the plans and the scheduled program, Chapter Justice Alva Cox stated, "We are planning an outstanding program, including a panel discussion by each participating chapter of the District, which we feel will be a benefit to all who attend."

The Entertainment Committee under the chairmanship of William Troutman has obtained the Valparaiso Country Club for the occasion. The use of the club will expedite the whole affair since the business and discussion meetings can be conducted there as well as the lunch and dinner programs.

Walter Helmke of the Registration Committee announced that his committee will obtain hotel reservations for anyone who wishes to stay overnight. Information regarding registration and reservations will be sent to all members of District Six chapters.

The panel discussion is being worked out by Hal Gray and Bert Mason with the assistance of Dick Loewe, District Six Justice. In order to ensure a lively discussion of pertinent subjects, each chapter in the District is being assigned a topic which they will present for discussion at the meeting. Among the topics to be considered are Joint Initiations, Chapter Housing, Financing, and Service Projects.

Supreme Treasurer Savarese is scheduled to be present as speaker for the occasion. In addition, Jack Weaver, chairman of the Speakers Committee, has announced that Justice Donald Bowen of the Indiana Appellate court will also be present to participate in the program.

The Halleck chapter members are sparing no means to make the meeting a success, as it may influence the holding of future conclaves at Valparaiso.

District 12 Holds Conclave

At the Sir Walter Raleigh Hotel in Raleigh, N. C., District 12 held its annual conclave on March 17.

The host chapter for this conclave was Timberlake Chapter at Wake Forest, together with Ruffin Chapter, University of North Carolina, and Rutledge Chapter at Duke University. The chairman of the Steering Committee was McNeill Watkins of Timberlake Chapter.

Supreme Historian C. Cloud Morgan, of Macon, Ga., and Supreme Marshal J. Westwood Smithers, of Richmond, Va., were in attendance as representatives from the Supreme Executive Board. Supreme Marshal Smithers presided at the business functions of the conclave.

A full report of this conclave, together with accompanying pictures, was not received prior to press time of your publication, so full details are not included.

Reports from chapters and individuals attending this conclave stated that it was one of the best ever held in District 12 and that the opportunity of the chapters and members to meet in conclave assembled proved very beneficial to the participants.

The conclave adopted a resolution calling for the amendment of the Constitution to place South Carolina in District 12. This resolution was approved by alumni from the University of South Carolina and Pinckney Chapter.

The conclave also elected a Student District Justice and is assessing each chapter in the district \$5 a year for his expenses in organizing the next district conclave.

CALHOUN REACTIVATION—Alumni and actives at reception in Yale Law Center after initiation and preparing for banquet. Left to right: Tom Constable, Ambrose Arnold, Al Verrilli (District Justice), Guy Page, Charles Prutzman, unidentified, Charles DiGangi (Past District Justice), Bill Ross, Myles Sachs, Halla, Roger Mayer, Hartman Hotz, Congressman Leroy Johnson (Banquet Speaker), Bob Lifton, Vic Lord and Frank Michaels.

the nations and its peoples."

Commenting on why the United Nations has not worked well he stated: "The reason is that one of the major parties in the group does not have the concept of law that we and most other countries have. . . . It has a form of government that, at the same time, is akin to religion or an obsession. It is that the Soviets must bend the world to their mode of social and political life."

Further commenting on the Soviet question, he said, "The reason the world is in jitters today is that a large part of it does not have these fundamental legal ideas or concepts. Some of this was brought about by ourselves because we did not recognize those facts and deal with the Soviets accordingly. We gave in too much and we gave away too much and we conceded too much. We cannot win friends or respect by feeding them sugar

and honey. We simply must get tough and let them know we mean what we say and have the steel to back up our demands. That sort of conduct by a few of our representatives has brought results but only in minor situations."

Precedent for Action

In his closing remarks to the chapter he stated that in 1919 there was a chance to create an organization which might have developed a strong enough peace sentiment in the world. This did not occur and now it is necessary to build again. He said that there was precedent for this action by the United States as the original Articles of Confederation were not satisfactory and by rebuilding our Constitution was born. In closing he stated: "The world is so small and is shrinking so fast and weapons are so deadly that we face world suicide unless law is supreme."

Alumni participating in the reactivation ceremonies from New York and surrounding areas to New Haven, Conn., included Am-

brose Arnold, Charles Prutzman, Walter Andrews, Charles Halla, Charles Digangi, Judge Kenneth Wynn, Frank Bowlman, John Hover, Thomas Ryan, W. Rush Hamilton, Leo Bowling, Tom Constable and Russell Atwater.

Congressman Johnson commented on the reactivated chapter and stated: "I was very much taken with the very fine group of men that are now in the chapter. They seem to be good, clean, young men who will make fine lawyers."

Student Leaders

Included in the group of students initiated into the reactivated chapter were leaders in the Yale Legal Aid Association, the Yale Student Counsel, the Yale Law Review and the Yale Moot Court Association. Also affiliated with the new group are transfer students from the PAD chapters in the United States. These students are Robert J. Warner, Jr., from Lurton Chapter at Vanderbilt University, and Chester J. Ludy, Rutledge Chapter at Duke University.

The chapter has already undertaken several professional projects and has been conducting a rushing program bringing into its fold other leaders at the school. The chapter, on March 6, 1951, elected its officers who included Justice Frederick G. Taintor, Vice-Justice Guy M. Paige, Clerk Alan S. Rosenthal, Treasurer John Baker and Marshal Charles D. Prutzman, Jr.

With the reactivation of Calhoun Chapter Phi Alpha Delta now has 71 active chapters in Class A law schools throughout the United States. Phi Alpha Delta is the only law fraternity which restricts its chapters to law schools which have been approved by the American Bar Association.

Disbarment of Lawyers Affiliated With Communist Party Recommended

A special committee of the American Bar Association recommended adoption of a three point program calling for drastic action against all lawyers of known Communist Party affiliation and those who advocated the Marxist and Lenin doctrines of Government control. The committee included eleven members of the bar from various sections of the nation and its recommendations were presented during the mid-winter meeting of the American Bar Association's House of Delegates. Action on the report by the House of Delegates will govern whether it will be presented to the Annual Meeting of the American Bar to be held later this year in New York.

German Students in the Northwest

At the present time there are 9 German Law Graduates attending the University of Washington. They are all in attendance under the auspices of the U. S. State Department under a Reorientation program.

The object of this program is to acquaint these lawyers with the American legal system and also to give them an opportunity to study our democratic institutions and as well to permit an interchange of ideas by discussions in organized as well as informal groups.

These German lawyers attend classes in constitutional law, and they also attend Seminars on the other Branches of the law under the leadership of the Professor whose particular Branch of law they are discussing. They also attend seminars concerning present international events, such as German Re-armament etc.

Each fraternity has taken three members of this group. They are included in their group meetings, luncheons and other social functions.

Guest Speakers

Dunbar Chapter of Phi Alpha Delta, being one of the three legal fraternities on the campus, has taken three of them. We featured them as guest speakers at one of our luncheons at which time they gave us a short history of themselves and after which they were asked many questions on war and post-war problems in which the German nation was concerned. It proved to be a very interesting discussion.

They are invited to all our luncheons as guests and they have participated in our "stag parties" as well. Some of the fraternity members have invited them into their homes and otherwise taken part in making their stay here an educational and enjoyable one.

The State Dept. has sponsored a trip in which they toured the State of Washington, and they will later this month go to San Francisco and Los Angeles and other parts of California, where their Christmas vacation will be spent. A later trip includes a tour to Vancouver and Victoria, B. C., Canada. The last two weeks of their six-months stay here in the U. S. will be spent in Washington, D. C.

The names of our guests are: Siegfried Engelbrecht, Rudolph Kuck, and Earnest Rechberg. A short personal history of each follows:

Siegfried Engelbrecht

Born in 1916 in Gotten, Germany, where he attended primary and high school (Gymnasium), from which he was graduated in 1935. He then joined the German Navy as a cadet and rose to the rank of Captain

when discharged. In pre-war he served aboard the "Schleswig-Holstein," and the "Admiral Graf Spie," getting to such ports as Spain, Portugal, Brazil, Venezuela, Colombia, Costa Rica, Cuba, Haiti, England and Scandinavian countries. During the war he took part in French and Norwegian campaigns. At the end of the war he was taken prisoner by the English troops in Northern Germany. After his discharge he studied law at the University of Erlangen near Nurnberg in Bavaria, where he graduated in June 1949. Then after a series of screenings and examinations he was sent here with the other eight lawyers.

Rudolph Kuck

Born in Oschen, Germany, in the Rhineland, he attended elementary schools at Oschen from ages 6 to 10, then further on thru high school for 8 years, from where he graduated in 1937. In April 1937 he was drafted into German labor service and became a soldier on Oct. 1, 1937. He served in German 10th and 11th Armored Divisions and served in the Polish, French and Russian campaigns, during the courses of which he was wounded three times. He served as first lieutenant. He began his studies while convalescing in a Vienna hospital, completing three semesters. He was a Russian prisoner for two years in camps in Czechoslovakia, Hungary, and Rumania (near Ploesti). He was released in 1947, after which he went to the University of Marburg in Hesse. In June 1949 he passed his exams and became an apprentice to a judge as well as an assistant in municipal administration of Kassel. He was then serving in this capacity until making this trip to the U. S.

Friedrich-Ernst Graf Von Rechberg

Was born in 1919 in Silesia to a Bavarian Count and Countess, but spent his earlier years near Munich in his parents' castle, Elkhofen. He went to primary school four years, then to private boarding school and later, in order to take an examination to graduate from Gymnasium (high school), he went to a state school in Munich. He graduated there in 1937, then he went to political science and forestry school for two semesters. Then a trip to England and France and the Balkans. In April 1942 he got his draft notice and spent nine months in labor camp. In November after discharged he was drafted into the Air Corps. He spent two weeks near the Maginot Line and then three years on the Russian front (Moscow and Caucasus) and in '44-'45 in France, Belgium and the Ruhr area. He was wounded three times and reached the rank of captain. He was discharged in 1945, spent a few months at his father's estate and then worked in various government posts in Bavaria while going to U. of Munich. In 1947 he began more extensive study, shortly after which he was arrested by local Russian denazification board. After three months in prison, American authorities gave him a release. He resumed his studies, passed his Referenar exam in 1948 (fall). On Jan. 15, 1949, he was appointed Gerichts Referendar of courts, to serve a two-year internship (apprentice). In July 1949 he passed his final exam in economics and political science. He went then through the same screening process and then to U. S.

Death Comes To Archibald, L. A. Judge

Veteran of 25 Years On Superior Bench Dies At Home At 78

Judge Harry R. Archbald, (Ross Chapter), who retired October 31, 1949 from the Superior Court bench he had occupied for 26 years, died suddenly on April 19th in Los Angeles, California. He had been listening over the radio to General MacArthur's address to the Congress for about 10 minutes when he collapsed. He would have been 79 years of age April 21st. His death caused his attorney son, Malcolm, also a member of Ross Chapter, to be called from the Superior Court where he was trying a case.

Judge Archbald, had previously been Assistant U. S. Attorney in Los Angeles before he was appointed to the Superior Court bench in 1923.

In February, 1950, he had been honored by his brothers in PAD at the time of his retirement from the Superior Court bench. A testimonial dinner held in his honor was in the form of a trial at which time Supreme Justice Douglas L. Edmonds, Judge Paul Vallee of the California District Court of Appeals, Judge Joe Vickers of the Los Angeles Superior Court and former U. S. Attorney Charlie Carr participated in the ceremonies and attempted to exemplify the high esteem in which Judge Archbald was held by his fraternity brothers and fellow attorneys.
