DES MOINES SITE OF 1954 CONVENTION

Supreme Executive Board Meets in Washington, D.C.

The Supreme Executive Board held its annual meeting as required by the Constitution and By-laws on September 18, 19 and 20 in Washington, D. C. Headquarters for the group was the Hotel Congressional. The meeting was presided over by Supreme Justice Anthony P. Savarese and was attended by Supreme Vice-Justice Charles Tom Henderson, Second Supreme Vice-Justice J. Westwood Smithers, Supreme Treasurer Robert D. Jackson, Supreme Secretary Frank E. Gray, Supreme Historian Henry Foss and Supreme Anthony A. Di Grazia. Executive Secretary Frederick J. Weitkamp sat with the board and took the minutes.

The first meeting of the Board took place Friday night with all day Saturday also being devoted to the agenda proper. Saturday evening the group journeyed via transportation provided by District XII Justice William Robertson and Brother Robert E. Redding to Watergate Inn where relaxation was had after the long and tedious sessions.

Sunday morning several members of the Washington Alumni Chapter and Jay Chapter met with the Board for breakfast at the Hotel Congressional. Later in the day the Board and Brothers Robertson and Redding were the guests of Past Supreme Justice Frank Ludwick at his Maryland farm for cocktails and afterwards dinner at the world-famous Olney Inn.

Arkansas Alumni Chapter

At the Supreme Board meeting a petition for the granting of a charter to a group to be known as the Arkansas Alumni Chapter was presented and unanimously approved.

The Board also decided that the fraternity should participate in the Association of American Law Schools Convention to be held in Chicago, Illinois, during Christmas week of this year. Supreme Justice Savarese has yet to announce the chairman for this event.

An interpretation of the Constitution and By-laws relative to the payment of alumni dues by servicemen was made by the Board to the effect that such members should not be considered alumni members of the fraternity for the purpose of paying alumni dues.

Two items of indebtedness to the fraternity were discussed and action taken thereon. The

Topeka Alumni Association had submitted an offer to pay the principal sum of \$3000 owing the fraternity if the interest were forgiven. The Board voted to accept this offer and instructed the Supreme Treasurer to collect the amount. An indebtedness of Taft Chapter to the fraternity was written off as a bad debt inasmuch as it was incurred many years ago and the security for the loan had long since been disposed of.

The Board also agreed to continue the monetary deposits currently maintained in the Valley Bank & Trust Company and the investments in United States Savings and Treasury Bonds.

A membership card to be issued to all dues paying alumni will be sent out commencing in the year 1954-1955, by resolution of the Board duly passed.

District Funds

At the 1952 National Convention the Constitution and By-laws were amended to provide that one dollar of each initiation fee was to be returned to the district for its use and another dollar to be placed in a general conclave fund for dispensation in the discretion of the Board. The Board passed a motion relative to the latter which provided that in dispensing General Conclave Funds on request to a district, said district shall be required to submit a proposed plan and budget to the Supreme Executive Board at least thirty days before the Conclave date, before any funds can be granted.

On May 23, 1953, the seventy-fourth chapter of Phi Alpha Delta Law Fraternity was installed at the College of William and Mary in Williamsburg, Virginia. The new chapter became the ninth active chapter in District No. 12.

The Department of Jurisprudence at the College of William and Mary holds a Class "A" rating by the American Bar Association Committee on Law Schools. It was established in 1779 and is thus held the oldest law school in the United States. There are no other law fraternities on the school campus.

The installation ceremony was well attended by Supreme Officers and members of District 12 Chapters. The installation team included Supreme Justice Anthony P. Savarese, Supreme Vice-Justice J. Westwood Smithers, Supreme Historian Henry Foss, District 12 Justice Robert E. Redding and William B. Robertson, Justice of the Washington, D. C., Alumni Chapter. Others attending the ceremony included David Price, Justice of Taft Chapter; District Student Justice Kenneth Rogers, from Patrick Henry Chapter; Robert Grady, Justice of the Virginia State Alumni Chapter, and Jim Bear, from Jay Chapter, former student at the Department of Jurisprudence, who assisted in arranging the installation.

Twenty students were initiat-

ed as charter members. They elected to name their chapter the George Wythe Chapter. Mr. Wythe was a member of the Continental Congress and a signer of the Declaration of Independence. It was in 1779 George Wythe took the newly established chair of law at the College of William and Mary and thus became the first professor of law in the United States and the second in the English-speaking world, closely following Sir William Blackstone of England.

Alumni Presentation

The ceremony was conducted in the Great Hall of the Christopher Wren building, the oldest building on the campus. During the ceremony a specially engraved chapter book was presented to the new chapter by the Virginia State Alumni Chapter.

Accept Iowa Invitation

At the Supreme Executive Board Meeting held in Washington, D.C. on September 18, 19 and 20, it was unanimously decided that the 1954 Convention would meet in Des Moines, Iowa. Although the exact date is yet to be determined it most probably will be September 2nd, 3rd and 4th.

The Tall Corn Alumni Chapter of Des Moines will play host to brothers and their wives and sweethearts from all over the United States. Supreme Treasurer Robert D. Jackson who makes his home in Des Moines assures all that a most enjoyable time will be furnished.

Watch subsequent issues of The Reporter for further details.

A chapter gavel was presented by the Washington Alumni Chapter.

After the conclusion of the ceremony District Student Justice Kenneth Rogers presided during the election of officers for the new chapter. The officers duly elected were as follows: Justice, Peter Shebell; Vice-Justice, Jack Buchheit; Clerk, Thomas Athey; Treasurer, Sam Phillips, and Marshal, William Forbes.

Following the election of officers a banquet took place, also attended by members of the Law School faculty. A special guest of honor was the Dean of the Law School, D. W. Woodbridge, a member of Magruder Chapter. District Justice Robert E. Redding presided as toastmaster. Supreme Justice Anthony P. Savarese was the principal speaker and presented the chapter charter on behalf of the Supreme Executive Board, to Justice Shebell. After a special request by the new chapter, Dean Woodbridge agreed to transfer his chapter affiliation to Wythe Chapter.

MESSAGE FROM THE SUPREME JUSTICE

August 1, 1953, ended the fiscal year of PAD. This is in the nature of a report by Your Supreme Justice of the events and progress of the year 1952-53.

The George Wythe Chapter at the College of William and Mary, Williamsburg, Virginia, the oldest Law School in the country, was installed early this year, as the 74th Active Chapter. The Knoxville, Tennessee, Alumni Chapter was installed last September, and a charter for the Arkansas Alumni Chapter was unanimously approved and recently formally installed. A petition for an Alumni Chapter in the State of Alabama and another for the City of Philadelphia, Pennsylvania, have been submitted to the Executive Board for approval.

The Endowment Fund is now completely under the control of the Supreme Board. This fund came into being in 1934 and was under the exclusive control of a Board of three Trustees under a Trust Agreement with The Northern Trust Company of Chicago. Outstanding loans by the Trustees are presently being collected; the Trust Agreement has been cancelled. Thus saving an annual service charge; the funds are presently invested, part in government bonds and part in 3% savings accounts, thus earning an income; the Board of Trustees has been abolished by Convention action, and the fund is in the proper control of the Supreme Board. This Endowment Fund amounts to approximately \$24,000. Early next year, there will be a special message from the Supreme Justice devoted entirely to the Endowment Fund.

Ten out of the 12 Districts have held their annual Conclave. Five were excellent, displaying great leadership and producing highly desirable results. Five were good. They can stand some improvement. Two Districts held no Conclave whatever.

The Supreme Board met in Washington, D. C. late in September. The budget was approved for the fiscal year August 1, 1953-July 31, 1954. The place and the approximate date for the next Convention was fixed. The Endowment Fund, its purposes and uses received considerable attention and study. District problems and financial assistance to District Justices were discussed at length and certain phases of an overall plan were adopted. Plans and ways and means for the publication of the

next PAD Directory, to come out in 1955, were set and authorized to be carried out.

The full Board was in session from 9:00 a.m. to 7:30 p.m. September 19th and 20th, taking time out for only a short luncheon. They worked hard, long and effectively. Much was accomplished. As your Supreme Justice, I am grateful for their cooperation and assistance.

The coming fiscal year should show much progress in expansion, strengthening of Chapters, improvement of your financial position and the building up of an effective and useful Endowment Fund.

Our importance and prestige as a National Institution depends in large measure upon the effective cooperation of each Chapter, Active and Alumni, with the National Office. Rushing, pledging, initiations and programming are vital factors, which should have constant attention and carried out with care and intelligence. I urge upon the Officers of all Chapters to report to the National Office regularly and completely on the forms necessary for accurate records.

Since we are investing more money each year in the District programs, the prompt payment of dues becomes a very important factor. For this reason, I urge upon all of our Alumni to pay their dues promptly.

We are making progress, and if we all pull together we should in a very short time become the best organized, the best financed and the most effective Law Fraternity in the country.

Call on the National Office at any time for any help or advice you may require. The Supreme Secretary and his staff and all of your Supreme Officers are at all times ready, willing and able to assist you in any and every way.

ANTHONY P. SAVARESE
Supreme Justice.

PADs Honored At Colo. U. Law Day

Several P.A.D.s received recognition during the annual Law Day Conference of the University of Colorado Law School on May 2, 1953, in Boulder, Colorado. One of the highlights of the day was the presentation to Prof. Benjamin S. Galland (Gunter Chapter) of an engraved gold watch for his service to the students of the school, to the alums and to the law school. Brother Galland has been on the faculty since 1926, and during that time has been a friend and counselor to the students while they were in school and after graduation. The gift was from the Student Bar Association of the Law School, and the presentation was made by Brother George McLachlan as president of the S.B.A.

Judge Howard O. Ashton (Gunter Chapter), of the county court in Boulder, addressed the Conference on the subject of Estate Administration in the Courts. Brother Ashton's talk was well received and very interesting, both for the points of law which he discussed and for the approach to probate matters as viewed from the bench. Judge Ashton stressed that one of the greatest difficulties is the failure of the lawyers to keep their probate accounts current.

Order of Coif

Others honors were received by brothers of P.A.D. when three of them were elected to the Order of Coif and the presentations were made by Brother Galland as the president of the Colorado chapter. The P.A.D.s elected were Courtland H. Peterson, past-justice of Gunter chapter; Graydon F. Dowis, Jr., also past justice of Gunter; and Lt. Roy R. Romer, now on duty with the Air Force at Scott Air Force Base, Illinois.

At the Law Day Dinner brothers Frank Brown, past-justice of Gunter chapter, Chuck Buter, Bill Crisp, Ralph Launius, Ed La Peire, and Bob Teruya were given certificates of merit for outstanding service to the Legal Aid Clinic.

Gunter chapter's newly elected justice, Hoyard Miyake, holder of the silver star, received awards for being a member of the winning appellate argument team of the annual Rotherger Competition. Brother Rotherger set up a fund and started the program several years ago. Other newly elected officers are: Howard Klemme, vice-justice; Earle Eby, treasurer; Lou Gaskins, Clerk; John Masterson, vice-clerk; and Allan Glickenhause, marshal.

To highlight the Law Day Weekend, Gunter chapter held an initiation-banquet & dance at Blanchard's Lodge in the mountains. Brother William McCarthy (Gunter), practicing attorney in Boulder, spoke to members, wives and dates. Professor Austin W. Scott Jr. (Gunter), and his wife, and Rex Scott (Gunter), Police Magistrate of Boulder also attended.

New Officers For Alabama Alums

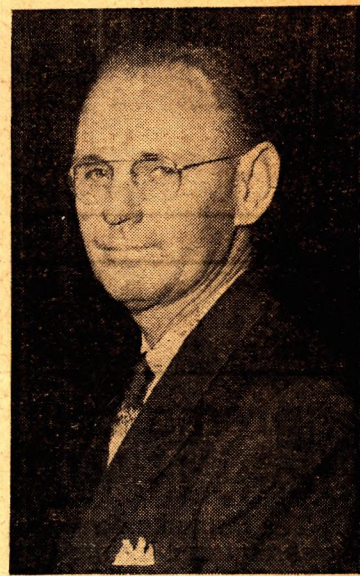

At its annual meeting recently held in conjunction with the annual convention of the Alabama Bar Association the Alabama Alumni Chapter of Phi Alpha Delta elected officers for the coming year. They are: Justice, Ralph R. Williams (Holmes-Stephens Chapters); Vice-Justice, John W. Pemberton (Morgan Chapter); Secretary, Thomas E. Powell (Morgan Chapter).

Brother Williams, the new justice holds an LL.B from Georgia School of Law and an LL.M from Stanford University. He is a charter member and an organizer of Stephens chapter. Prior to becoming fully engaged in the practice of law in Tuscaloosa he was a member of the Law School faculty at the University of Alabama. He is an Industrial Relations Counselor and arbitrator for Federal Mediation and Conciliation Service and the American Arbitration Association.

KNOW YOUR OFFICERS These Men Guide Our Fraternity

Hon. Anthony P. Savarese
Supreme Justice

Charles Tom Henderson
Supreme Vice-Justice

Our Supreme Justice is Anthony P. Savarese, Surrogate of the County of Queens, State of New York. He served the fraternity as its Supreme Treasurer from 1948 to 1952 and in the latter year was elected to the highest post in Phi Alpha Delta.

Brother Savarese has an impressive record of achievement in both public life and community service. He was born in New York in 1892 and was reared in New York schools. Working days and studying nights, he graduated from the New York University School of Law in 1918. He practiced privately for several years before turning to public service. He served as Assistant United States Attorney of New York from 1927 to 1929 and in 1935 was appointed a New York City magistrate and served in that capacity until 1942 when he was elected for a fourteen year term as Surrogate of Queens County.

In his "spare" time he serves as a Director of the Society for the Prevention of Cruelty to Children, the Queens Cancer Committee, and the Queens Borough Tuberculosis and Health Association, a Trustee of the Jamaica Hospital; Chairman of the Board of the Italian Charities and Welfare Centers of Queens, Inc.; and as President of the Queens College Speech and Hearing Center, Inc. He was Borough Scout Commissioner of the Boy Scouts of America in Queens County, New York, for over fifteen years. He also is vice-chairman of the National Committee of Religion in American Life (RIAL) in association with Hon. Charles E. Wilson, Hon. Herbert Hoover, Judge Florence Allen, Federal Circuit Court of Appeals, Hon. Herbert H. Lehman, Hon. Harold L. Stassen, etc.

President N. Y. Law Alumni

One of his cherished organizations is that of the New York University Law Alumni Association. In fact, he was elected to the Presidency of the association in 1946 and was the first alumnus to be reelected by acclamation to this office for five consecutive terms. As a member of the Executive Committee of the New York University Law Center Building Fund Committee from 1946 to 1951, and a head of the alumni drive for funds for the new Law Center now located on Washington Square, New York City, he was most instrumental in the herculean task of raising the millions of dollars required to create this most modern of legal educational institutions.

In recognition of his outstanding service to the University he was awarded New York University's Alumni Meritorious Service Award at the University's commencement exercises in June, 1951. The citation accompanying

Charles Tom Henderson, Supreme Vice-Justice of the fraternity, has served on the Supreme Executive Board since 1946. Tom was born at High Springs, Florida, in 1902 and was educated in the Florida public schools. In 1925 he graduated from John B. Stetson University with a B.S. degree. The study of law was divided between Yale University and Stetson College of Law, and he graduated from the latter school in 1928 with a Bachelor of Laws degree. Then followed post-graduate work at Peabody College, Florida, specializing in Governmental Administration.

Thereafter, Brother Henderson taught for twelve years, until 1940, when he entered the private practice of law. It was in this year that Tom became special assistant to the Attorney General of Florida.

He entered the United States Navy in 1942 and served as a Lieutenant Commander at General Courts Martial trials. Following his discharge from service, he returned to Stetson University School of Law, where he became a Professor of Law on the faculty.

During his legal career Tom was a member of the Florida Legislature from 1938 to 1941. He holds a life teacher's certificate and is a member of the Florida Education Association; he has served on special state committees on parole and probation laws. He is also a member of the Florida and Federal Bar Associations.

Becoming a member of Phi Alpha Delta (Brewer Chapter) in 1926, Tom has long been an active member in the Fraternity. He was directly instrumental in the reactivation of Brewer Chapter and has lent his experience and advice to many other chapters which have benefitted therefrom.

this award was as follows:

"Anthony P. Savarese '18 Law: The only five-term President (1946-1951) in the history of the Law Alumni Association, organizer of law classes from 1900 to 1951 into a cohesive force of 10,500 strong with potential alumni chapters in several strategic locations, he is inseparably linked in the minds and pocketbooks of law alumni with the prodigious task to which his driving energy was aptly imparted of leading the campaign to raise funds for the four million dollar Law Center. Trustee of the Center and honorary member of the faculty, he and the Center now a reality are synonymous."

Phi Alpha Delta is indeed fortunate to have a man of the qualifications and caliber of Anthony P. Savarese to guide its destinies.

The Executive Office regrets to announce that due to an unanticipated demand the supply of copies of the permanent bound edition of the Directory has been exhausted. By decree of the Supreme Executive Board a new edition will be published in 1955.

Executive Secretary Visitations

On his return trip from the Supreme Executive Board meeting in Washington, D.C. on September 18, 19 and 20, Executive Secretary Fredrick J. Weitkamp made several chapter visitations and inspections.

His first stop was at Columbia, South Carolina, whereat is located the University of South Carolina and Pinckney Chapter of Phi Alpha Delta. While there he attended a luncheon for the actives and pledges and formally installed the following officers of the chapter who had been recently elected: Justice, H. Hugh Rogers, Vice-Justice, Marion S. Riggs, Clerk, Fred "Hamp" Alvey, Treasurer Bill Davis, and Marshall, Harvey Golden. The chapter also held a reception for Brother Weitkamp with a large number of brothers and their wives and dates in attendance.

Pinckney Chapter boasts the two top offices in the law school with Marion S. Riggs as Editor of the South Carolina Law Quarterly (see picture elsewhere on this page) and Peter Hyman as president of the law school student body. Mr. Weitkamp was fortunate in being able to attend a law school convocation at which Brother Hyman presented Brigadier General Ernest Brannan, the Judge Advocate of the United States Army, as the main speaker. Brother J. Strom Thurmond (Pinckney Chapter), former Presidential candidate, introduced the General.

Joins Others

From South Carolina Brother Weitkamp journeyed to Lexington, Kentucky, where he joined Supreme Marshal DiGrazia, Supreme Treasurer Jackson and Supreme Secretary Gray in a visitation to Henry Clay Chapter at the University of Kentucky. All four officers attended a rushing luncheon which featured Brother John Y. Brown (Clay Chapter) as the principal speaker. Mr. Brown is one of the outstanding criminal attorneys in Kentucky and defended Bill Spivey, the basketball star, in his recent legal difficulties. The visitors enjoyed a meeting with the chapter officers and Professors Roy Moreland, Bert Ham and Bill Matthews (all of Clay Chapter) at the latter's home. New programs were suggested to the officers and a general discussion had.

Continuing together Brother Jackson, DiGrazia, Gray and Weitkamp next stopped at St. Louis, Missouri. Here they visited with the PAD faculty members at both Washington and St. Louis Universities. A cocktail re-

ception was staged by Champ Clark Chapter from Washington U. and actives from John L. Sullivan Chapter at St. Louis U. and a host of rushees were invited. The National Officers spoke to the group on the fraternity from a national viewpoint. Over a hundred persons attended the reception.

More Chapter

On Saturday evening, September 26th, Brothers Jackson and Weitkamp were the guests of Thomas More Chapter of Creighton University at Omaha, Nebraska, at a rushing banquet held in the Hotel Regis. Brother Jackson addressed the group on the programs sustained by the National Chapter and Executive Secretary Weitkamp spoke on the organizational setup of Phi Alpha Delta. Bill Craig, the very capable justice of More Chapter, presided. Of assistance to the chapter in its rushing program is the fact that both the president of the law school student body and the editor of the weekly law newspaper "Assault and Flattery" are PADs.

The following day found the Supreme Treasurer and the Executive Secretary motoring to Des Moines, Iowa, the home of Brother Jackson. The latter spent the day showing Brother Weitkamp the sights of the city, which has been chosen as the site for the 1954 National Convention of the fraternity.

After spending a very enjoyable day in Des Moines Mr. Weitkamp traveled to Lincoln, Nebraska, to visit with Reese Chapter at the University of Nebraska. While there he had the opportunity of meeting Dean Edmund O. Belsheim (Marshall Chapter) of the law school and Professor Henry M. Grether, Jr. (Sutherland Chapter). At a luncheon for rushees Brother Weitkamp addressed the group on the subject "Phi Alpha Delta—the National Fraternity." Justice Fred J. Swihart presided.

Salt Lake City

The last leg of his trip found the Executive Secretary in Salt Lake City, Utah, at the University of Utah and Sutherland Chapter. Inasmuch as the school semester had just commenced no rush functions had been scheduled as yet, but the chapter did meet with Brother Weitkamp to hear him speak on "Aids for Rushing." Afterwards, following Justice Tom Begley's suggestion, all adjourned for more informal social discussions. While in Salt Lake Mr. Weitkamp met Brother Spencer L. Kimball, the Dean of the University of Utah School of Law and a member of Sutherland Chapter.

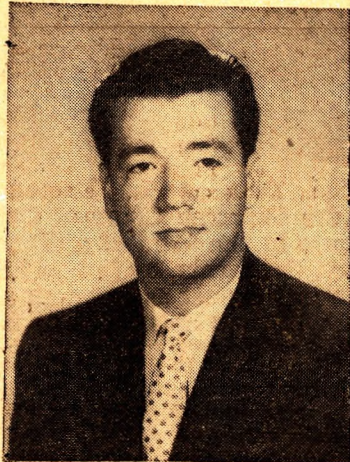

MARION S. RIGGS, Vice-Justice of Pinckney Chapter shows Executive Secretary Frederick J. Weitkamp the latest edition of the South Carolina Law Quarterly of which Brother Riggs is the Editor.

PAD Elected President Of ALSA

At the recent Annual Meeting of the American Law Student Association held in Boston, Massachusetts, August 22-25, 1953, Bill E. Brice (Taney Chapter) was elected President of the organization for the coming year.

Brother Brice attends Southern Methodist School of Law and will graduate next June. He is also the President of the Southern Methodist University Student Body. Among other positions he has held are those of President of the University of Texas Pre-Law Society, President of the United Council of Dallas Youth Organizations, and President of the Varsity Debate Squad.

BILL E. BRICE

The new president of the ALSA is the recipient of many honors including the First Year Law Student Award for the highest scholastic average, the Second Year Law Student Award for the highest scholastic average, the 1952 Southwestern Regional Moot Court Championship, selection to Cycen Fjodr and Blue Key and a position on the Editorial Board of the Southwestern Law Journal.

Brother Brice in commenting on his recent election said, "This honor came as a great surprise to me, and I only hope that I can perform the duties attached thereto in a manner which will be a credit to my law school and to Phi Alpha Delta Law Fraternity."

Seven PADs Appointed to L. A. Superior Court

Governor Earl Warren of California on September 14th announced the appointment of eighteen Los Angeles County Superior Court Judges to new positions created by the 1953 legislature. Seven of the men appointed were PADs.

High among the list of appointees was Presiding Municipal Court Judge Eugene P. Fay, a member of Ross Chapter. Other Municipal Court Judges elevated were Brothers Leon T. David (Holmes Chapter) and Bayard Rhone (Gunter Chapter).

Other PADs named were: Beach Vasey (Ross Chapter), Governor Warren's legislative counsel; Clyde C. Triplett (Ross Chapter), attorney employed with the State Inheritance Tax Division; Herbert V. Walker (Ross Chapter), Glendale attorney and former chief deputy district attorney of Los Angeles County; and Aubrey N. Irwin, Glendale attorney (Ross Chapter).

New Officers For Tom C. Clark Chapter

The following officers for the 1953-54 school year have been elected by Tom C. Clark Chapter: Bob Lemon, Justice; Carl Bue, Vice-Justice; Jim Pratt, Clerk; Ed Yark, Treasurer; Gordon Hawn, Marshall; Scott Moore, Historian; and Grover Stephens, Reporter.

Brother Lemon is a former president of the student body at Oklahoma A & M College and is an associate editor for the Texas Law Review.

A Law Professor's Version of the Story of The Three Bears

(Reprinted from the October 1949 issue of The Reporter)

ONCE UPON A TIME (the exact date is not known, but it is not likely to be put in issue, since the memory of man runneth not to the contrary), a little girl (about whose parentage there is no issue and who will be presumed, therefore, to be legitimate), named Goldilocks, wanted to visit her grandmother, (whether paternal or maternal is immaterial), who lived on the other side of the forest (the exact location of which may be determined by metes and bounds by consulting the records of the Registry of Deeds in the county in which the said premises are located). Little Goldilocks was given permission by her parents. Throughout this narrative the parents will be presumed to be reasonable and prudent parents because they warned Goldilocks of all known and foreseeable dangers and instructed her to be guided accordingly.

When little Goldilocks was perambulating the perimeter of the forest, she was attracted by a single dwelling of unusual construction set back from the highway in a manner which conformed exactly to the zoning regulations lawfully enacted and promulgated. This was not, as you will note, an attractive nuisance since the object was one with which all children are familiar and the dangers of which, if any, are obvious.

Disregarding the instructions of her prudent parents, she entered the land by crossing over the imaginary white fence which Blackstone says surrounds each parcel of realty. For this she became guilty of trespass quare clausum fregit pedibus ambulando. Knocking at the door and receiving no reply, she turned the knob, gave a good push and entered. This, as you know, was trespass quare clausum fregit vi et armis.

She saw on the table three bowls of porridge. The first was too hot and the second was too cold. The third was just right, so she ate it all up. This was trespass de bonis asportatis.

Inside the house she spied three chairs. She sat in the big chair, which belonged, quite obviously, to the Daddy Bear, but it was too hard. (Since she did no harm, this could be no trespass.) The medium-sized chair was too soft, so she sat in the little chair, which she assumed belonged to the Baby Bear. Since her weight exceeded the capacity of the chair, she broke it all down. Harm being done, she committed an ordinary trespass to personal property.

By that time little Goldilocks was tired. She found a bedroom with three beds. She tried the first and found it too hard, the second was too soft, but the third was just right. So she lay down in the third or Baby Bear's bed, and soon was fast asleep. It is not so easy to tell what kind of a wrong this happens to be, and it may well be that on this point there are two schools of thought. It is not, however, trespass quare clausum fregit vi et armis ab initio, since this misfeasance did not follow an entry under license of law.

While she was fast asleep, the proprietors of the premises returned. Angered and aroused at the torts and the trespasses, they sought out the tortfeasor. Baby Bear found her in his own little bed and raised a hue and cry. Just then little Goldilocks woke up, realized her predicament and ran home as fast as she could with the Three Bears in fresh and hot pursuit.

She got home just in time to slam the door in the faces of three angry bears. It is a good thing she did, too, because now we do not have to decide if a bear can be guilty of assault and battery.

And now I think it would be a good idea for you to go to sleep before you make the discovery, made by judges in the courts before which I practiced once upon a time, that most of what I have to say is incompetent, irrelevant and immaterial.

McClain Lauds Private Schools

The existence of private universities minimizes the danger of a political clique securing control of tax-supported schools of higher education, according to Dean Joseph A. McClain (Fish chapter) of the Duke University School of Law.

Addressing a university alumni meeting, Brother McClain cited the experience of Mississippi under Senator Theodore Bilbo's regime and Georgia under the late Governor Gene Talmadge to illustrate what could happen when the state public education system comes under the control of a political clique. In such cases, Dean McClain said, the private institution is able to retain its academic freedom and its freedom in research for the public benefit.

Referring to the effects of the private school on the state university, Dean McClain noted that the traditional competitive spirit between the University of North Carolina and Duke University has assisted the state supported school in its advance to a point far ahead of what it might have reached had Duke University not existed.

FRANKLIN B. SHELDON

Franklin Sheldon Becomes Judge

Wyoming Governor C. J. "Doc" Rogers recently appointed Brother Franklin C. Sheldon (Gunter Chapter) to be district judge of the Seventh Judicial District of Wyoming.

Judge Sheldon was born in 1906 at Denver, Colorado, and took his undergraduate as well as his law training at the University of Colorado. In 1925 he received his LL.B. from the University and was admitted to practice in Wyoming by the Wyoming Supreme Court in the same year.

During World War II Mr. Sheldon entered the army as a private, underwent combat training and went through officers training school. He was assigned to the real estate branch of the Division Engineer's office, New England division and was discharged with the rank of captain.

He is a past master of River-ton Lodge No. 26, A.F.&A.M., a member of the Royal Arch, Hugh DePayen Commandery No. 7, the Kalif Shrine, past commander of the American Legion Post 19, past president of the Lions Club and a member of the Elks Lodge No. 1693.

At the American Bar Association Convention held this year in Boston, Massachusetts, August 23rd through the 28th, Phi Alpha Delta again held its annual Reception for members attending the national meeting. The PAD gathering was held on Thursday evening, August 27th in the pleasant atmosphere of the Bay State Room of the Hotel Statler.

Former Aides Honor Edmonds

Past Supreme Justice Douglas L. Edmonds (Ross), Associate Justice of the Supreme Court of California, received a unique tribute in the form of a dinner given in his honor at Monterey, California, by judges and attorneys who had served him in the past as research attorneys during the years since he was appointed to the Supreme Court in 1936.

The party, held as a finale to the California State Bar Association convention at Gallatin's historic restaurant in Monterey on Friday, October 9, was attended by all but two of Judge Edmonds' former research attorneys and most of their wives. Planned by Stephen Wyckoff, practicing attorney in Santa Cruz, Calif., and Vernon G. Foster, present research attorney for Judge Edmonds, the dinner was presided over by Hon. Hilton McCabe, newly-appointed Judge of the Superior Court in Riverside County, Calif., who had been sworn in by Judge Edmonds the preceding week.

Program

Decorations for the party were red, white and blue collegiate pompons and banners, the latter inscribed with the words "Edmonds College of Legal Knowledge," which had been prepared by Mrs. Hilton McCabe and their children. In an evening notable for friendly levity, Hon. Daniel N. Stevens (Ross Chapter), Judge of the Superior Court in Los Angeles, Calif., expressed the deep feelings of all present with the only serious speech of the evening. Praising Justice Edmonds for the excellence of his judicial efforts, Judge Stevens thanked him on behalf of all the former staff members present for the thorough training which he had given each of them in the law. In response, Justice Edmonds stated that he has watched with great interest the professional rise of each of his former secretaries. "Each of you are making outstanding successes in the legal profession," he said. "I am very proud of you."

Guests of honor besides Justice

Edmonds at the "family" gathering included Mrs. Gertrude Edmonds, the Judge's charming wife, known so well to all PAD's; Mrs. Dorothy Coates, the Judge's daughter, who now resides in Pasadena, Calif.; and Mrs. D'Esta Davenport, secretary to the Judge before he came to the Supreme Court and during all the years since. Following the remarks of each of the former research attorneys, Mrs. Davenport turned the tables on the entire gathering by telling stories on several of them from the background of her knowledge of the entire group.

Others present at the dinner included E. J. (Ted) Kleines (Fuller), San Francisco, Calif.; Guernsey Carson, San Francisco; Jack T. Swafford (Ross), San Francisco; Mrs. Laura Sinclair Coffield, Napa, Calif.; Paul W. Davis, San Luis Obispo, Calif.; Matthew S. (Sandy) Rae (Rutledge), Los Angeles, Calif.; Jack R. Lovell (Ross), Los Angeles; Robert D. Allen, Riverside, Calif.; Charles J. Colden (Ross), Long Beach, Calif.; William Ward Reid, Santa Barbara, Calif.; and Harned Pettus Hoose (Ross), Beverly Hills, Calif. Unable to attend were former research attorneys Charles W. Leinbach, Jr., and Donald D. Stark.

Livengood Submits ABA Labor Report

The value of man's labor is "unpredictable," according to the recently submitted report of the American Bar Association Committee on Wage-Law Legislation.

Headed by Charles H. Livengood, Jr. (Rutledge Chapter), Professor of Law at Duke University, the committee has spent two years studying the effect of wage-hour legislation such as the Fair Labor Standards Act. Its report shows that the outcome of court action for minimum wages, overtime pay, and other factors in fair labor standards still is not wholly predictable.

According to the report, difficulties and inconsistencies still exist despite recent attempts to set up dependable standards for employer and employee. Some of these difficulties mentioned by the committee are:

(1) You are not covered by federal law if you collect empty bottles that will be filled with ginger ale shipped into other states, but you are if you produce the containers for interstate-commerce shipping.

(2) If you employ workers for longer than a 40-hour week, you can get into a legal position which compels you to pay added overtime for a total of fewer hours worked because the regular rate per hour has been increased.

(3) If you are a 17-year old girl, you may take a non-hazardous job covered by the Fair Labor Standards Act, but you are too young for similar employment if the Walsh-Healey Act, with more protective standards, applies to the job.

The nine attorneys on the committee agree that many complaints about the Fair Labor Standards Act add up to a feeling that it has been interpreted too favorably for employees. But, they add, since the purpose of the legislation is to help employees, by its very nature it is not to be applied grudgingly.

Brother Livengood's committee recommends no policy changes, but suggests that a Congressional committee set to work to eliminate duplication, inconsistency, and confusion in the present statutes.

New District XII Justice Appointed

William B. Robertson is the newly appointed Justice for District 12. Brother Robertson was born on September 11, 1916, at New Albany, Indiana, attended the public and High schools of New Albany and received his Bachelor Of Science degree in Business Administration from Indiana University at Bloomington, Indiana, in 1938. After one year of law school at Jefferson School of Law in Louisville, Kentucky, Bill entered the Army and served as an officer in both the Army and the Air Force, being discharged in 1947.

Still interested in pursuing a legal career, he entered the Law School at Georgetown University in 1947, graduating in 1951. He was admitted to the bar at Washington, D. C., in 1951. While in Law School, Mr. Robertson served as Marshal, Vice Justice and Justice of Taft Chapter of Phi Alpha Delta.

He is currently employed as a Statistician in the Air Force, but engages in some legal work on the side, looking towards the day when he may enter the practice of law. Mr. Robertson was active in the affairs of the Fraternity after graduation, serving as Marshal, Vice Justice, and Justice of the Washington, D. C., Alumni Chapter. He was retiring as Justice when the Supreme Justice asked him to step into the capable shoes of Mr. Robert Redding who resigned as District Justice because of the pressure of his law practice. Bill is not married, but lives with his mother at 1732 N. Troy Street, Apt. No. 742, Arlington, Virginia.

Richard H. Paulson Michigan State Bar Prexy

Brother Richard H. Paulson (Campbell Chapter) is now the nineteenth president of the State Bar of Michigan. Elected by the Board of Commissioners at the recent annual meeting of the State Bar he will direct its affairs during the ensuing year. To be selected to lead the large and vigorous Michigan bar is a distinct honor which comes only as a reward for long and faithful service to the profession. It is the best evidence of the esteem in which a lawyer is held by those who have labored with him and know him best.

Born in Grand Rapids, Michigan, Dick Paulson spent his early years in that city's public schools and in his father's drug store, where he early learned the lore of pills and human ills. Why he later chose to become a lawyer instead of a doctor even his closest friends will never know.

Later the family moved to Kalamazoo where he completed his high school work. Following a year at Colgate University he transferred to the University of Michigan and there received his A.B. degree. He then entered the University's law school, graduating with the class of 1932.

RICHARD H. PAULSON

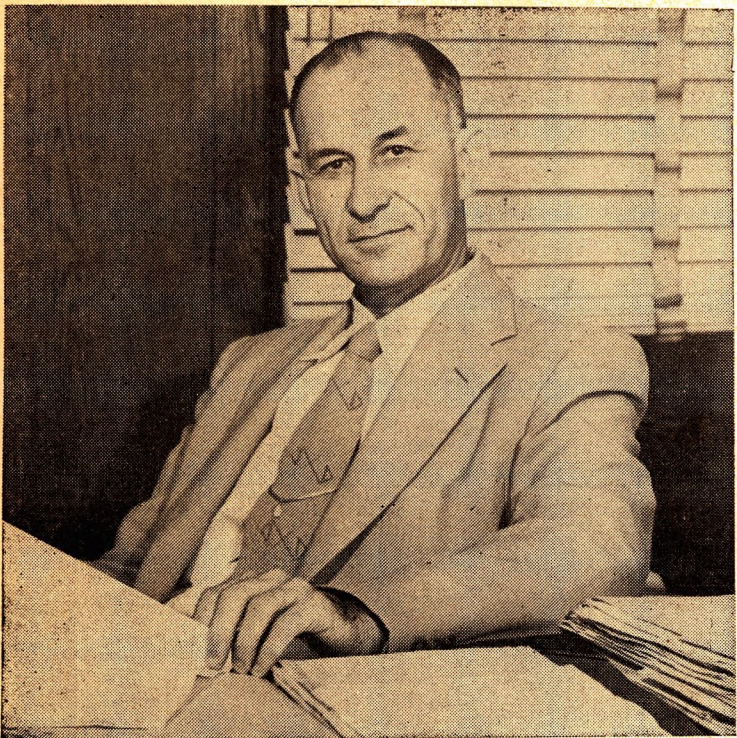

In college he was largely on his own resources and earned his way as a musician. By this means he not only defrayed all of his expenses but incidentally acquired a rather intimate acquaintance with the social life of the period. As one of his friends has said, he literally "blew" himself through college and even now the new president with his ancient trumpet can put on a good "one man band" act. He is a member of Delta Tau Delta and Phi Alpha Delta fraternities.

Upon receiving his law diploma he returned to Kalamazoo where he entered the law office of Charles H. Farrell. This arrangement soon ripened into a partnership which lasted until 1943 when he formed a partnership with Lucien F. Sweet, one of the present circuit judges for Kalamazoo County. In 1945 he was appointed city attorney of Kalamazoo which position he still holds. He has been a member of the county board of supervisors for several years and was its chairman in 1949. In 1952 he was instrumental in forming the law firm of Farrell, Folz, Paulson and Palmer, of which firm he is now a member.

Since his admission to the bar in 1932, Dick Paulson has been actively engaged in trial work and the general practice of law. He also has been interested in every movement intended to improve the practice, elevate the standards of the legal profession, and to improve the administration of justice. In 1948 he was elected to the Board of Commissioners of the State Bar of Michigan from the Third Congressional District and has taken an active part in the work of the Commission.

NEW ILLINOIS BAR ADMITTEES were honored at a reception by the Chicago Alumni Chapter following the admission ceremonies. The event is traditionally an outstanding feature of the festive day.

HARLAN H. GROOMS

Culbertson Meets West Coast Alumni

Past Supreme Justice William S. Culbertson (Calhoun Chapter), member of the District of Columbia and Pennsylvania Bars, just returned from representing the United States at the coronation of the new King of Iraq, visited California during late September and took occasion to renew old Fraternity ties and make new friends in PAD.

Prominent and world-renowned as a diplomat and ambassador in years past, and, by his own admission, "just returned to political respectability in Washington after twenty years in the political desert," Brother Culbertson had a vast store of important information and incidental anecdotes to relate to his West Coast brethren. Stopping in San Francisco to visit his good friend, Past Supreme Justice Douglas L. Edmonds (Ross Chapter), Associate Justice of the Supreme Court of California, Brother Culbertson met many of the leaders of the Bay Area Alumni Chapters.

L. A. Luncheon

On Wednesday, September 30, Brother Culbertson was guest of honor at a luncheon meeting of the Los Angeles Alumni Chapter held in the University Club. Brother Justice Edmonds, in Los Angeles for a court session, introduced Brother Culbertson to the gathering presided over by Chapter Justice LeRoy J. Koos (Ross Chapter), Mayor of Culver City. Brother Culbertson described to the Fraternity members present the problems which now face the United States and its allies both world-wide and particularly in the Near East. He explained that, like it or not, the burden of world leadership borne by the British Empire for so long had now fallen upon the shoulders of the United States.

According to Brother Culbertson, this country finds itself faced with a dual problem new to the realm of diplomacy. On the one hand there is the Russian threat of world domination, which forces us to maintain our strategic frontiers on a far-flung global basis. And on the other hand there is the rising tide of nationalism in the once dependent and colonial peoples of the Near and Far East and Africa. These are problems which require new solutions, and cannot be met by the old methods of diplomacy, Brother Culbertson said.

The solution will not be easy, nor quick, according to Brother Culbertson. However, if the country as a whole co-operates with its leaders and gives them a chance, he said, we shall, someday, succeed in overcoming present barriers and returning to an ordered society in which constructive pursuits will be unencumbered by international con-

Harlan H. Grooms Takes Oath As U. S. District Judge

On August 17, 1953, Brother Harlan Hobart Grooms (Clay '26) took the oath of office as Judge of the United States District Court for the Northern District of Alabama. Grete Tate, President of the Birmingham Bar Association acted as Master of Ceremonies and Seybourne H. Lynne, Senior Judge for the Northern District presided.

Judge Grooms is the first Republican to be appointed to Judicial Office in Alabama since President Hoover appointed Charles B. Kennemer to the Middle District of Alabama in 1931.

Brother Grooms received his legal education at the University of Kentucky graduating in 1926 and that same year was admitted to the bars of Kentucky and Alabama. At the time of his appointment to the bench he was a member of the firm of Spain, Gillon, Grooms and Young. He is a member of the American Bar Association, Insurance Section and International Association of Insurance Counsel, past president of the Birmingham Chapter of the Civitan International, and is very active in the Baptist Church.

His family consists of his wife Angeline and four children, Elizabeth, Franklin, Angeline, and Harlan Hobart Jr. who is a PAD at the University of Alabama Law School.

Bradway Recommends Preventive Law

That a visit to the lawyer as often as to the dentist saves time, trouble, and money, is the advice of Prof. John S. Bradway (Rutledge Chapter), Director of the Duke Legal Aid Clinic.

In an interview appearing in the April issue of the Duke ALUMNI REGISTER, Brother Bradway stated, "Instead of thinking of his lawyer as the last man he wants to see, the average man would do well to come back to the idea of the old-fashioned family lawyer who knew all the skeletons in the closet."

Although it can help, he continues, the law can also trap people in taxes or notes for loans. According to Brother Bradway, leases, terms on installment plans, and a number of other papers which look innocent can change a life. Fine print in insurance policies also can cause trouble, Brother Bradway cautions.

"Once people realize the value of preventive law, they can profit a great deal by thinking of lawyers as a community resource—to be used like the police and fire departments," he concludes.

L.A. PADs Turn Out En Masse For Summer Outing

The beautiful South Pasadena home of Carlos G. Stratton (Ford Chapter) was on Saturday, July 11th, the scene of the Los Angeles Alumni Chapter's Annual Summer Outing. Spacious grounds and lovely gardens combined with exquisitely prepared food and that well-known PAD fraternal brotherhood assured the more than two-hundred and twenty-five brothers and their wives and sweethearts in attendance a most enjoyable time.

Ye olde keg of beer helped to quench the thirst of the men as the thermometer registered in the 90s. Mrs. Stratton, the charming hostess, served punch to the ladies (and, Oh, what a punch!).

Though an elaborate schedule of games had been set up, the temperature forced the barristers to forego them and resort to their favorite pasttime of shooting the legal breeze.

Highlight of the day was the extensive spread of food which was set before the brothers. Ham, turkey, meatballs, and salmon with all the trimmings including homemade bread comprised the menu. Mrs. Stratton, who with her staff of cooks spent the entire day over the hot stoves, is to be complimented upon the wonderful dinner.

Among the many who attended were Supreme Secretary Frank E. Gray, Past Supreme Justice Rex Hardy, Past National Field Representative Sandy Rae with his lovely new bride, Executive Secretary Fred Weitkamp, and Laughlin E. Waters, newly appointed United States Attorney for the Southern District of California.

Arrangements for the day were made by Justice Leroy Koos, First Vice-Justice Fred Field, Second Vice-Justice Art Guy, Jr., Third Vice-Justice Bion Vogel, Treasurer Judge Dan Stevens, Assistant Clerk Albert Lee Stephens, Jr., and Marshal Mark Mullin.

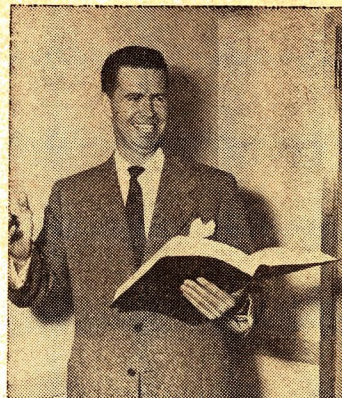

Laughlin Waters New U. S. Attorney for So. Calif.

Brother Laughlin E. Waters was recently appointed the new United States Attorney for the Southern District of California. He is a member of Ross Chapter at the University of Southern California and was instrumental in reactivating the chapter at the end of World War II.

He holds the Combat Infantry Badge, Bronze Star, Purple Heart with Cluster, American Defense Ribbon, European Theatre Ribbon with three campaign stars and one invasion arrowhead and the Victory Medal.

His legal background includes having been Deputy Attorney General for the State of California and a partner of the firm of Waters, Arditto and Waters in Los Angeles.

Politics has occupied a good part of Brother Waters' time for the last several years. He is a former Executive Vice-President of the California Young Republicans, a former member of the State Central Committee of which he was Chairman from 1952 to 1953, a former member of the Republican National Committee, a member of the California Legislature from 1946

The Chicago Alumni Chapter held their annual summer outing from June 26 to 28. The boys again met at "Holiday House" at Delavan Lake, Wisconsin, and those who were in attendance for the first time took a solemn vow never to miss a future summer outing.

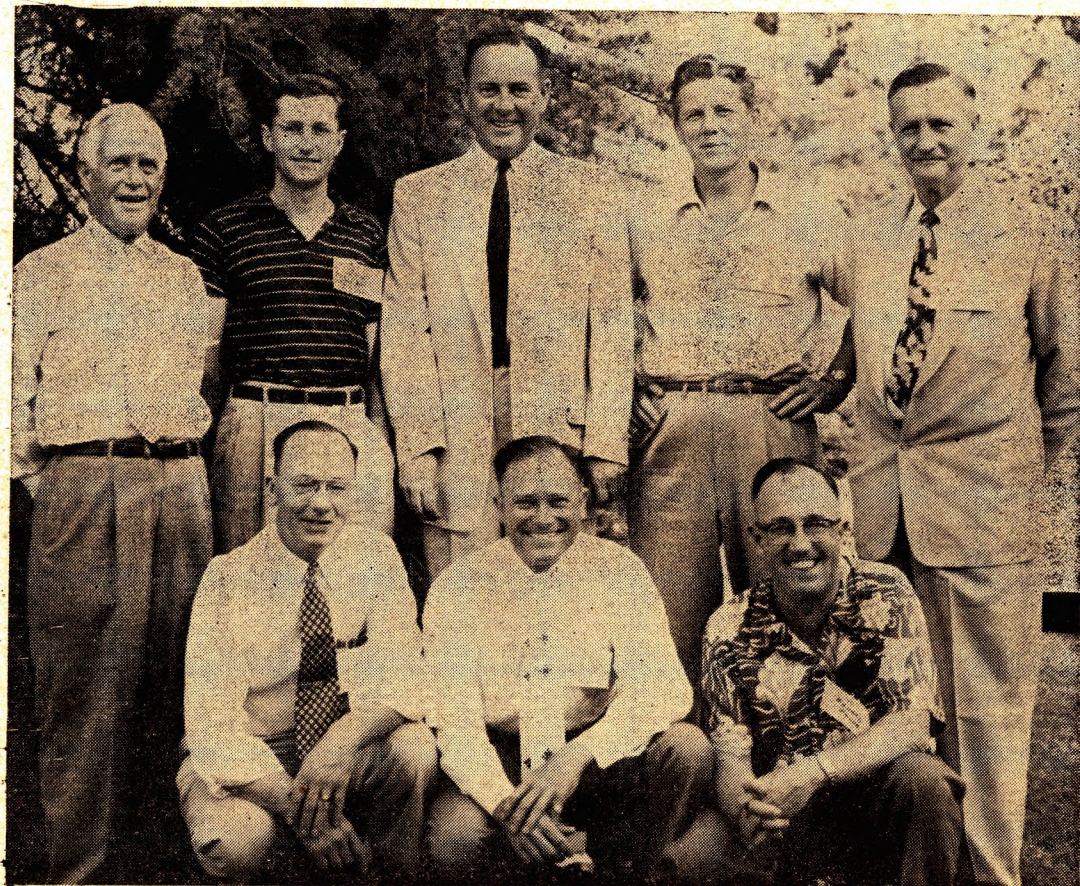

There was plenty of good food, drink, swimming, boating, golf, etc., and another unforgettable week-end was entered in the records of the Chicago Chapter.

Monterey Welcomes California PADS

In their traditionally colorful manner, California PADS were everywhere to be seen throughout the Monterey Peninsula during the annual meeting of the California State Bar Association from October 5 through 9. Wearing identification badge ribbons in the Fraternity colors of purple and old gold, the West Coast Brothers provided visual proof once again that, in California, PAD and only PAD is the professional fraternal group with an active program.

From State Bar President Charles E. Beardsley (Holmes) down through the rank and file of the Bar, PAD Brothers attending the convention were welcomed to the historic and scenic Monterey Peninsula by a local committee headed by Paul M. Hamerly (Holmes), a practicing attorney in Salinas. Decorating each arriving Brother with the fraternity colors at a PAD registration desk set up at the entrance to the State Fair Grounds auditorium, scene of all business sessions, was California's beautiful PAD sweetheart, Janet H. Rae, assisted by her husband, former National Field Representative Matthew S. (Sandy) Rae (Rutledge).

Highlight of PAD activities at the convention was a gala cocktail party at Cademartori's Restaurant outside of Monterey on Thursday evening, October 8. With an attendance in excess of 120 Brothers and guests, the PAD reception was the only major cocktail party scheduled during the week long convention. Among Fraternity celebrities seen at the party were Past Supreme Justice Douglas L. Edmonds (Ross), Associate Justice of the Supreme Court of California, and Rex Hardy (Ross), practicing attorney in Palm Springs; and District III Justice Henry C. Rohr (Ross), member of the Los Angeles Bar. In attendance from the judiciary were the Hon. Fred B. Wood (Holmes), Justice of the District Court of Appeal; Hon. Clyde C. Triplett (Ross), newly-appointed Judge of the Superior Court in Los Angeles; Hon. Aubrey N. Irwin (Ross), past member of the Board of Governors of the State Bar appointed to the Superior Court in Los Angeles on Sept. 14; and Hon. Leon Thomas David (Holmes), former Municipal Court Judge just elevated to Judge of the Superior Court in Los Angeles.

Other Brothers serving in various capacities in the state government who attended the PAD cocktail party included William I. Sullivan (Temple), Clerk of the Supreme Court of California; George C. Chatterton (Ford), Public Defender for the City of Los Angeles; Lowell E. Lathrop (Temple), District Attorney in San Bernardino, and John G. Clarkson (Ryan), Chief Hearing Officer of the California Division of Administrative Procedure.

Prominent members of PAD who registered at the Fraternity headquarters table but were unable to attend the reception included Hon. Joseph W. Vickers (Holmes), Judge of the Superior Court in Los Angeles; Hon. Daniel N. Stevens (Ross), Judge of the Superior Court in Los Angeles; Hon. Bayard Rhone (Gunter), elevated from the Municipal Court to Judge of the Superior Court in Los Angeles on Sept. 14; Hon. Beach Vasey (Ross), former legislative counsel to the Governor, appointed Judge of the Superior Court in Los Angeles on Sept. 14; David E. Snodgrass (Temple), Dean of the Hastings College of Law; Orrin B. Evans (Ross), Associate Dean at the University of Southern California, and Laughlin E. Waters (Ross).

Alumni dues for the fiscal year August 1, 1953, to July 31, 1954, are now due and payable. In order to sustain the fraternity's many programs we need your support. Please mail your check, payable to Phi Alpha Delta Law Fraternity, to the Executive Office, 202 South Hamilton Drive, Beverly Hills, California.

C. P. Moriarty Sworn As New U. S. Attorney

Brother Charles P. Moriarty, 58, a member of Dunbar Chapter, was sworn in Monday, August 24, 1953, as United States Attorney for the Western District of Washington. This is the first change in that position in nearly 20 years.

Moriarty was administered his oath of office by Federal Judge John C. Bowen, senior district Judge.

Later, the new U. S. Attorney declared his first duty would be in the direction of assembling a staff of assistants "sufficient to cope with the huge load of work on hand."

Brother Moriarty is a Seattle attorney and former King County Superior Court Judge. He was born in Leavenworth, Washington, in 1895 and received his A.B. and M.A. from Gonzago University and his LL.B. from the University of Washington in 1919. Attorney in 1922, took charge of the Tacoma office in 1923, entered private practice in 1924, and was appointed to the Superior Court bench in 1925. After stepping down from the bench in 1929 he reentered the private practice of law and remained there until his recent appointment as U. S. Attorney.

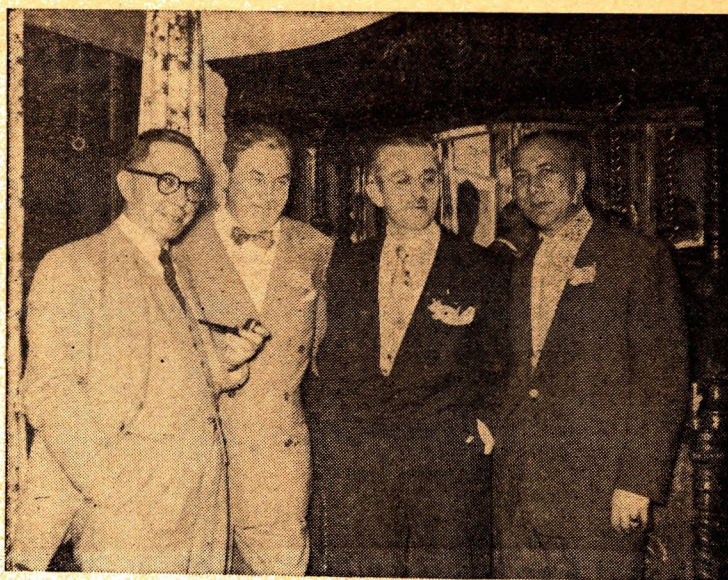

Judge John C. Powell Elevated

Judge John C. Powell (Harlan Chapter 1922) was recently elevated to the office of Presiding Judge of the Oklahoma Criminal Court of Appeals. The firm of Humphreys, Jones, Beard and Connor extends an open invitation to any brothers who may be traveling through Owensboro to stop in and pay them a visit.

Chicago Alums Enjoy Golf Outing

The St. Andrews Golf Club in Chicago, Illinois was the site for the annual PAD Golf Outing of the Chicago Alumni Chapter held on July 30th. Some thirty brothers entered the competition which saw Hilmond O. Vogel, Marshall of the chapter, emerge the best golfer of the day with an 82 to win a leg on the low gross trophy.

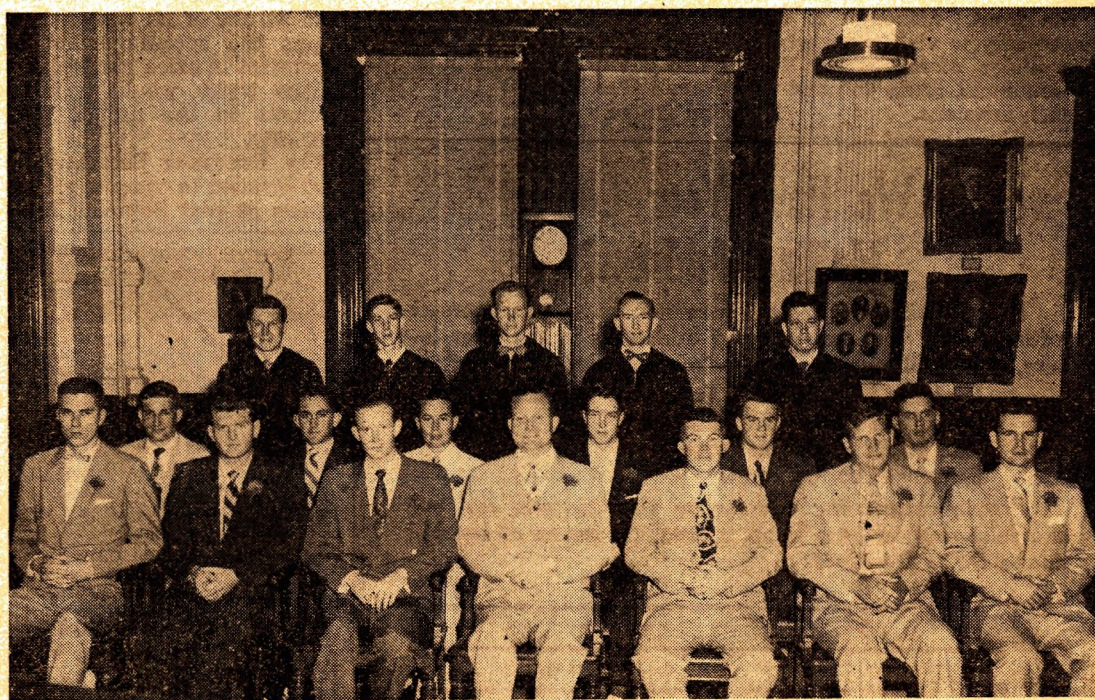

In the evening a dinner took place at which prizes were awarded each participant in the tournament. However, in order to qualify for a prize each person had to tell a story, and needless to say some masterpieces were presented!

In an attempt to foster a closer relationship between its alumni and students, the University of Missouri School of Law again observed its annual Law Day on April 25th of this year. The Lawson Chapter, for the first time in its history, was able to corral its active members and alumni to a successfully early breakfast.

Notable Phi Alpha Delta members of the Missouri Bench and Bar were present, including Judges Roscoe P. Conkling, Lue C. Lozier, Edward Barrett, and Henry J. Westhues, of the Missouri Supreme Court; Judge Joe McQueen of the Circuit Court of Kansas City, Missouri; Kenneth Teasdale and Frank P. Aschmeyer of St. Louis; and State Representative Robert E. Presiding at this breakfast was Bernaldo D. Bicoy, Justice of Lawson Chapter, who not too long ago won the Silver Star, Bronze Star, and Purple Heart decorations in the Korean War as an infantry unit commander.

The winners of the annual appellate arguments in the final Junior Case Club Competition held on the same day included two outstanding PADs, Donald J. Hoy and Don E. Burrell, both of Springfield, Missouri. Donald Hoy was also the winner of the Roscoe P. Anderson Award for having rendered the best presentation in the argument. Another member, Robert F. Roberts Annual Banquet A Success

The Annual Banquet of Roberts Chapter at Temple University, Philadelphia, Pennsylvania, held this year on May 4th, 1953, was a huge success as was evidenced by the large turnout of over one hundred active and alumni brothers. Past Supreme Justice J. Harry La Brum presided as Toastmaster. Professor Eldon Magaw, Professor J. Wesley Oler and Justice Adrian Bonelli of the Municipal Court of Philadelphia, were amongst the honored guests, and are, of course, brothers in Phi Alpha Delta. The guest speaker was Brother Raymond Abbaticchio, Agent in charge of the FBI in Philadelphia. Albert A. Verrilli, Justice of District XI, represented the National Chapter at the function.

Washington PAD's Meet August 8th

PAD's from throughout the state of Washington met for breakfast on August 8, 1953, at the Leopold Hotel in Bellingham as a part of their program while attending the Washington State Bar Convention. The meeting was arranged by District 1 through the Seattle Alumni Chapter which organized the no-host affair. The meeting was unique in that each member was the main speaker and spoke briefly upon the subject about which he knew most—himself. The meeting was attended by our Attorney General, Brother Don Eastvold, Supreme and Superior Court Judges and was the most successful meeting yet.

Additional Board meetings and those of past conventions for use by the board.

Lawson Commences Active Rushing

Lawson Chapter at the University of Missouri has begun the school year with a series of rushing functions, all of which have been highly successful.

A smoker on September 29th opened the program. The purpose of which was to acquaint the new students with Phi Alpha Delta. John Goodin (Lawson Chapter), attorney from Jefferson, City, Missouri, was the speaker.

The following week a fall frolic, more commonly known as a beer bust, was held for all actives, pledges and new students. Just recently, on October 14th, the chapter held its monthly luncheon at the Student Union and invited all new students. Brother Bob Yocom (Lawson Chapter), state representative from Springfield, Missouri, addressed the gathering.

Additional rushing functions are in the process of formulation and the chapter looks forward to a prosperous year.
