Rocky Mountains Selected as Site

Colorful Colorado, renowned throughout the world as both a summer and winter playground, has been selected by the Supreme Executive Board as the site for PAD's 34th biennial convention. The Supreme Executive Board accepted an invitation extended by the Denver Alumni Chapter on behalf of the Denver alumni, the active chapters at Denver University and University of Colorado, and the University of Utah.

The dates which have been selected for the holding of the convention, which will mark PAD's 60th anniversary, are August 30, August 31, and September 1, 1962.

Active Chapter Delegates

Active chapters in good standing are entitled to two delegates and two alternate delegates. The Supreme Chapter will pay the expenses of one delegate from each active chapter on the basis of the actual cost of first class railroad fare, upper berth rate, hotel accommodations, and a subsistence allowance for each day of travel to and from the convention, and each day of the convention. These expenses will be paid the last day of the convention by the Supreme Treasurer.

Each alumni chapter is also entitled to two delegates and two alternates. However, the expenses of the alumni delegates are not paid by the Supreme Chapter.

Alumni Especially Invited

Alumni members of the fraternity are being extended a special invitation to bring their families and attend the convention. It is hoped that many alumni will combine a vacation with attendance at the convention.

There is no end to vacation opportunities in the nation's "vacation state."

As one photographer once remarked, "the only thing I haven't found to photograph in Colorado is an ocean beach." And that statement is absolutely true. Colossal mountains, deep clear lakes, rushing streams, ghost towns, and Indian ceremonials are among the hundreds of popular, photogenic areas of Colorado.

Colorado is a vast, sky-high nearest office of the FBI in the United States for further information."

land of magnificent purple mountains and endless rolling plains, which appear to be a solid golden field when the goldenrod blossoms, and tumbling mountain streams in which the trout abound as never before, and emerald green mountain meadows where the grass grows as high as a man's shoulders.

Camping in Colorado is excellent. Most of Colorado's campgrounds are nestled near Alpine lakes and streams in full view of the famous Rocky Mountains. Striking scenery is everywhere. Rugged peaks, forests of Aspen Spruce, waterfalls and, in one spot, sand dunes, are scenic treats for campers. There are more than 2200 camp sites provided within 450 free campgrounds.

Fishermen will have the time of their lives in nearby streams and lakes well stocked by the Colorado Game and Fish Department, which reports that more than 15,000,000 trout are placed in Colorado streams each year.

Horseback riding is also excellent in this state. Some campgrounds are near enough to stables so that campers can take pack trips into the mountains from their camp sites.

Children will especially enjoy swimming in the mountain lakes and playing along the shores where Indians once lived.

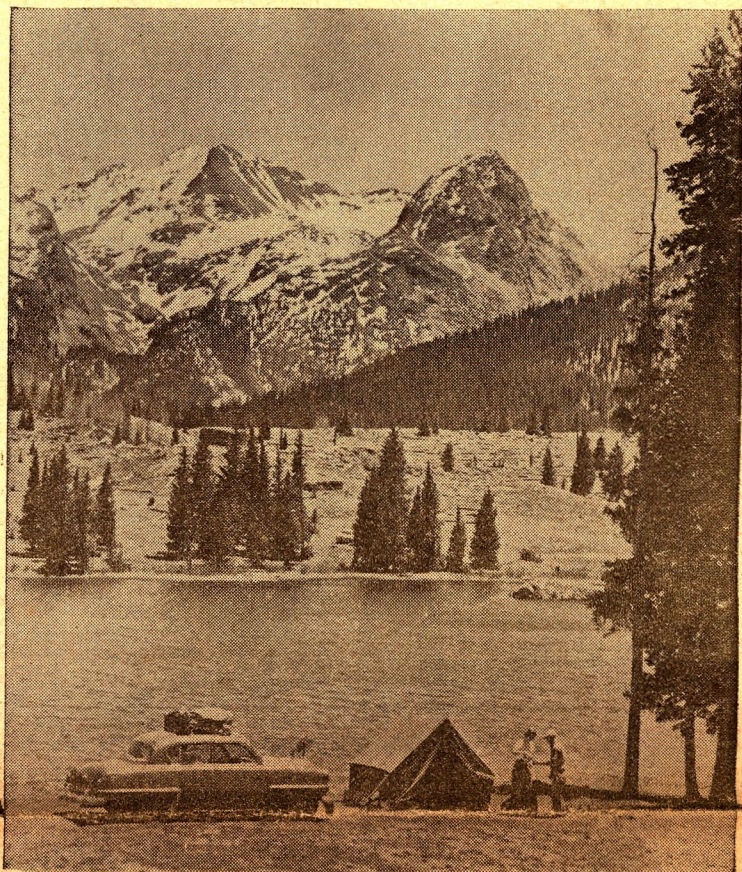

Colorado has two National Parks and six National Monuments, each preserved and maintained for the vacationers seeking interesting things to do and places to see.

The music and drama calendar in Colorado is truly bursting with first rate entertainment for 1962. Some of the scheduled events are easily recognizable as world famous, while some new events have been added and promise of carry on the Colorado tradition of providing the best in music and drama entertainment.

The Supreme Executive Board urges you to start planning now to attend the 1962 Convention and combine your family vacation with it.

The Denver Alumni have already started preparations for what is hoped will be the most outstanding PAD Convention ever held.

Selected as the headquarters hotel has been the world famous and world renowned Brown Palace Hotel. For many decades Presidents of the United States and world leaders have chosen the Brown Palace as their headquarters during their stays in Denver.

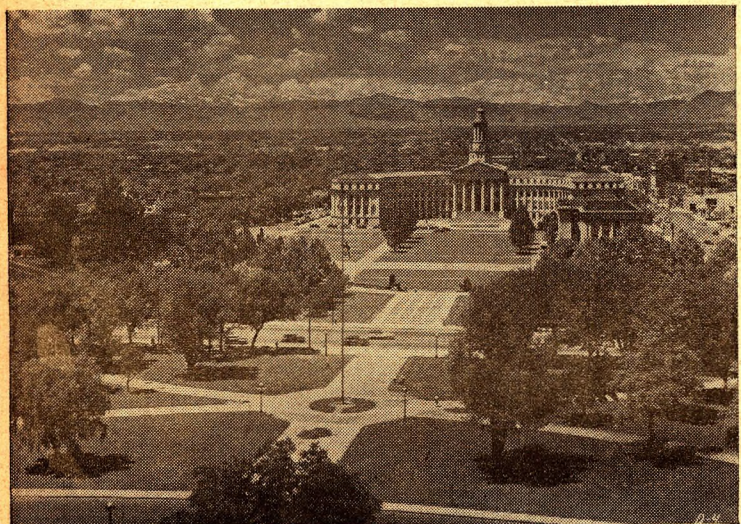

VACATION IN COLORADO—The opportunity to cook freshly caught trout over an outdoor fire, sleep under the stars at the foot of a 14,000 foot peak, take a dip in a mountain lake, or study nature first hand are yours when you vacation at a free Colorado campground. You can experience all the thrills of outdoor living at any one of the 450 camping areas with more than 2,200 campsites. The whole family will have the time of their lives fishing, swimming, hiking—and living—at easily accessible and well-equipped Colorado campgrounds. Plan now to combine your vacation with the 1962 PAD convention.

is a former Director of the Law-Medicine program at the University of Kansas City, Assistant Director of Law-Science Institute, University of Texas, Associate Professor of Law at University of Texas, Chairman Jurisprudence Section of American Academy of Forensic Sciences, and a life member of the American Association for the Advancement of Science.

DENVER CIVIC CENTER—One of the most famous views in America looks from the west steps of the Colorado Capital Building across Denver's Civic Center. Denver is the site of PAD's 1962 convention.

GOING INTO ORBIT in a cloud of dust, this bone-busting mount and his seasoned rider are giving spectators a real taste of Colorado rodeo. Colorado ranks among the top three states in the nation for rodeo prize money, and this season more than 40 thrilling events are scheduled on the rodeo calendar.

Message From The Supreme Justice

TRAVELING THE PAD CIRCUIT

*The Magic Number Is 60 Active,
25 Alumni Chapters*

October 9th, 1961. Attended the Omaha Alumni, Reese and More Chapters honored Brother Frank Morrison, Governor of the State of Nebraska, at a Testimonial Dinner. It was a real tribute to Brother Morrison. Brother Jerry Gitnick, Justice of the Omaha Alumni Chapter, and Brother John Keriakedes, Toastmaster, are to be congratulated upon the success of this dinner.

I went on to Cole and Hammond Chapters. I was extremely pleased to attend a pledging ceremony where 30 men were initiated into Cole Chapter. The pledging ceremony was held in Past Supreme Justice Jackson's courtroom in Des Moines.

I returned to Chicago on November 4th and prepared to leave again on November 10th for Denver.

On November 10th, by air, I went to Denver to meet Fred Weitkamp, to arrange for the 1962 Convention next August 30, 31 and Sept. 1. Fred and I arrived at the airport in Denver within an hour of each other and were met by Brother Jack Dwyer, co-chairman of the 1962 convention, and went on to have lunch with Past Supreme Justice Griffith. On Friday and Saturday, Brothers Griffith, Dwyer, Weitkamp and I met with Mr. Mehl-

October 20th 1961. Toledo, Ohio. Attended Coke Chapter Rushing meeting. This young chapter was picked No. 1 in District IX and No. 2 in the nation by the Supreme Board. This is an all night school chapter, so please take notice other night schools, when you think you do not have time for PAD. Our sincere thanks to D. J. Frank Pitt, the Toledo Alumni, and the officers and members of Coke Chapter for their sincere interest in our fraternity.

October 21st, 1961. I returned to Chicago from Toledo by air and that afternoon attended District VI Conclave at the Lake Shore Club. Brother F. Ryan Duffy, Chief Judge 7th Circuit Court of Appeals, spoke at the Conclave luncheon, and again in the evening at the 50th Anniversary Dinner Dance of the Chicago Alumni Chapter at the Drake Hotel. This was a huge success and my congratulations go to Barratt O'Hara, Chairman, and D. Arthur Connelly, Justice of the Chicago Alumni Chapter, for this memorable occasion.

October 22nd to November 4th 1961. By car, I travelled 2500 miles and visited Lawson, Garland, Hardy, Harlan, Vaught, Benson, More, Reese Cole and Hammond Chapters. This was my first visit to Garland (University of Arkansas) the No. 1 chapter in District VIII and also my first visit to Hardy (Tulsa University). Tulsa has many PAD alumni and from the number of alumni that attended the reception, I feel certain that an alumni chapter will soon be there.

In Topeka, I presented Benson Chapter with the 1961 Most Outstanding PAD Chapter award. For this occasion the officers held a luncheon at the Student Union. Many alumni and their wives attended this luncheon. It was also a pleasure to have Brother Gage, Justice of Topeka Alumni Chapter present, also Brother Alex Hotchkiss, Judge, and our 1962 convention keynote speaker, Brother Schuyler Jackson, Kansas Supreme Court Justice, Brother Oval Phipps, Professor at St. Louis University, and Brother John Shuart, Past Supreme Historian. Thanks should go to the wives of Benson Chapter members as well as to the members for the outstanding work being done by this chapter, socially and professionally.

On October 29th, I went on to Lincoln and Omaha and visited Lincoln and Omaha Alumni Chapters, as well as Reese and More Chapters. On November 1st, roll. That afternoon, Brother

man, Manager of the Brown Palace Hotel, and went over the facilities and plans for our convention. The Brown Palace is "the" hotel of Denver. Denver is vacationland. Plan now to make it your vacation. Take your family to a ranch in the beautiful Rocky Mountain National Park, and conclude your stay at the Brown Palace with the PAD's on August 30, 31 and Sept. 1.

Friday Nite the Denver Alumni honored its PAD Judges at a dinner dance at the Denver Club.

Nov. 12th, Fred and I were treated to a fine dinner by Brother Jack Dwyer and his lovely bride, Donna. Donna's mother, Mrs. Marrotto, lent a helping hand. It was an Italian gourmet dinner enjoyed to the fullest by all.

Monday, November 13th. Fred and I were pleased to have breakfast with Judge Alfred Murrah who was just starting a court session in Denver. Judge Murrah was pleased with the plans for the convention, and suggested that an all out effort be made to encourage our alumni, as well as actives, to attend the convention. At 9:00 a.m., Weitkamp, Griffith, Dwyer, Grandy and I met with Brother Hurst, Dean of Denver University School of Law, and with members of Hughes Chapter. The members decided to hold an initiation that evening in Judge Brofman's courtroom. We all assisted in the initiation and we were all pleased to have five new brothers added to the Hughes Chapter. That afternoon, Brother

JAMES H. DEWEESE

PAD Pres. National D.A.'s Association

Brother James H. DeWeese has been elected to the presidency of the National District Attorneys' Association.

The Association was organized in 1950 and has now progressed to where it has over 1,500 members with representation from each of the 50 states. The motto of the Association is "Organized Law Enforcement vs. Organized Crime." The Association has taken an active part in the promotion of legislation for the administration of public law and criminal justice at state and county levels.

Other principal offices in the Association are also held by PADs. Vice President William J. Raggio is District Attorney of Washoe County, Nevada and the Secretary, Harry Ackerman, is County Attorney of Pima County, Arizona.

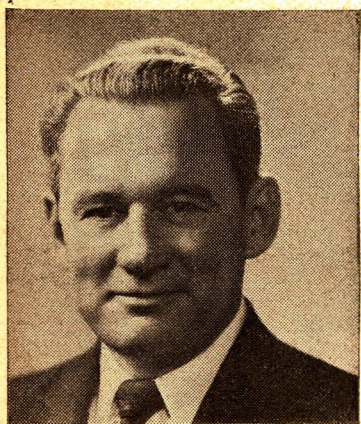

Brother DeWeese received his LL.B. at the University of Cincinnati College of Law where he became a member of Chase Chapter. He has been prosecuting attorney of Miami County, Ohio, since 1949.

Dwyer drove us to Boulder, where we visited Gunter Chapter and the faculty at the University of Colorado. Joel Davis, Justice of Gunter Chapter, had pre-arranged a luncheon with the actives, pledges and faculty.

We then made the mountain trip and visited the ranch which Denver alumni have planned for the convention delegates and members next August. It was quite a site with the mountains and pine trees covered with snow. Neither Fred nor I had ever experienced such a beautiful sight. However, about 4:00 p.m. Fred had his first experience in pushing and pulling a car stuck in a snow bank. We had our feet in 18" of snow and, of course, not dressed for such an occasion. After one-half hour of shoveling, etc. we were on our way back to Denver.

I wish to take this opportunity to thank all the actives and alumni for their cordial hospitality during my visitations reported here, and trust that I may be given an opportunity to reciprocate in the near future. Many of our PAD's have distinguished themselves by achieving prominence in public office, business and education. Unfortunately this is not always brought to the attention of your Supreme Board or Executive Secretary. If you know of any Brother PAD who is being so honored, please notify our Executive Secretary or myself. President Kennedy has recently appointed many lawyers to the Federal Bench of which a fair share are members of our fraternity. The active chapters should immediately start making plans to offer honorary memberships to many of these distinguished men who are not members of any fraternity.

Fraternally,
Anthony A. DiGrazia
Supreme Justice

Coke Chapter Sets Pace

Coke Chapter at the University of Toledo has established a record in being the youngest chapter to ever place in the National Outstanding Chapter Competition. It was only chartered in 1960 and has been awarded second place in the competition.

The question which comes to mind immediately is: How does a chapter in existence for only two years capture such an honor. There is an old saying "if you want something done give it to the busiest person you know to do it." Since the Spring of 1960 when the Sir Edward was founded its men have been extremely active.

In the Fall of 1960 the chapter sponsored a reception for the entering students to acquaint them with the school and the study of law. Soon after the start of school a Student Directory was published by the chapter presenting an up-to-date listing of faculty, student and administrative personnel. To further assist the student in note taking and brief preparation a recommended list of abbreviations was prepared and distributed. September also saw the beginning of the Chapter Professional meetings, the first highlighted by Judge Harvey Straub, of the Lucas County Court of Common Pleas, speaking about his problems and experiences on the bench.

In October Judge Robert Franklin, of the Toledo Municipal

bench, presided over a Mock Court trial presented by the Chapter for the student body.

The fall also brought with it the creation of the P.A.D. Wives Club, an organization of wives formed to assist the active chapter and to better acquaint the wives with the law school and the problems of the student. This group is one of the key factors in the chapter's success.

The election of Student Bar Association Officers for 1960-1961 saw John Shaffer, President, Warren Rayman, Vice President, and Alan Konop, Treasurer. It should be noted that Brother Shaffer is the Founding Justice of the Coke Chapter.

In other school activities the chapter was instrumental in assisting the Law School in creating the Pre-law Club, an organization aimed at promotion of the study of law and the University of Toledo College of Law.

With these accomplishments to start the year the Chapter moved on to form a bi-weekly luncheon club, giving actives and alumni an opportunity to meet informally and develop firm relations between the groups. A new feature was added to these luncheons — it being a "Toastmaster Club" format of prepared and impromptu speeches aimed at the development of one of the lawyers primary tools.

With the Chapter moving along in its own development Justice Joseph Goldberg and William Bamman got busy getting the local alumni formed into an organized chapter.

All these activities did not

affect the members scholastic standings apparently as 14 of the chapter brothers finished in the top five of their respective classes. In the Senior class: Nathan Silverman, second; Larry Resnick, fourth; Bill Menacher, fifth. Junior class: Warren Rayman, first; William Moore, third; Clair Langmaid, fifth. Sophomore class: John Wargo, second; Joe Goldberg, third; Paul McCrory, fourth; Bill Bamman, fifth. Freshman class: Gale Williamson, second; Richard Schwartz, third; Dominic Bruno, fourth, and John McCormick, fifth.

In other individual efforts the Brothers again brought credit to the school, Chapter and themselves.

Brother Larry Resnick and William Moore represented the school in the National Moot Court Competition. Brother Warren Rayman won the Nathan Burkan Memorial Competition Award from the American Society of Composers, Authors and Publishers for the best paper submitted to the school in the field of Copyright Law. Brother Nathan Silverman won the Lawyer's Title Award for the highest accumulative score in all property courses.

At the start of second semester plans were put into action to put on the best District IX Conclave in history. The district chapters were bombarded with publicity and information about the upcoming event. This technique had excellent results with 9 of the 11 chapters represented. The Conclave was highlighted by the main speaker Chief Justice Carl

V. Weygant of the Ohio Supreme Court, Honorary membership of Dr. Joseph L. Kunz, Professor Emeritus of International Law and the presentation of a Charter to the Toledo Alumni Chapter.

The year was climaxed by the annual Alumni Active Dinner and installation of new officers for the 1961-1962 year.

What does the future hold for Sir Edward Coke Chapter? Well, many irons are in the fire. Among the new projects is a drive to make P.A.D. international to this end an exchange program is being looked into with a Canadian Law School. Another is the establishment of law review courses taught by Bar

Reviewing seniors to those students desiring review in specific courses. So as you can see Coke Chapter isn't sitting back and resting on last years laurels. It is working to make another big year of P.A.D. and Coke Chapter.

D.C. Alumni Meet

The kick-off of the fall series of luncheon meetings of the Washington (D.C.) Alumni Chapter was held October 23rd in the Red Room of the Army-Navy Town Club and it met with great success. The Honorable John Rand Dixon, Chairman of the Federal Trade Commission was the honored guest and speaker for the occasion.

Interested In a PAD Travel Tour?

Some interest has recently been evidenced by members across the country in a PAD-sponsored travel tour to Europe, Hawaii, Las Vegas, Washington, D.C., or elsewhere. Special plans could be made to include points of special interest to lawyers, for example, a group admission to the United States Supreme Court could be made, etc.
