Supreme Board and District Justices Meet in New Orleans

A combined meeting of members of the Supreme Executive Board and District Justices was held February 10, 11 and 12 in New Orleans, Louisiana, at the Roosevelt Hotel. The meeting, held at the call of Supreme Justice Elden S. Magaw, provided an opportunity for the two groups to meet together jointly, and also independently in the annual Supreme Executive Board meeting and a Workshop for District Justices. Many of the wives of officers attended, allowing a pleasant combination of fraternity business and vacation atmosphere.

Preceding the actual convening of the meeting was a luncheon meeting of New Orleans Alumni interested in forming an Alumni Chapter. Representing the National Fraternity were Supreme Secretary Henry C. Rohr, Executive Secretary Frederick J. Weitkamp, and Assistant to the Supreme Justice C. Raymond Judice. Selected as honorary chairman of the committee which was formed to petition National for an Alumni Chapter was the Honorable John Fournet, Chief Justice of the Louisiana Supreme Court, who was in attendance at the meeting. General Committee Chairman is J. D. Johnson.

The meeting of fraternity officers commenced promptly at 8:30 on Friday morning, February 10, with a joint breakfast meeting. Each District Justice presented a comprehensive report on the condition of chapters in his District. Expansion and reactivation possibilities were also discussed.

At noon the District Justices went into a District Justice Workshop moderated by District VII Justice Don Hutson, while the Supreme Executive Board went into its annual meeting. The Board adopted various resolutions calculated to assure the growth and advancement of the fraternity throughout the coming years.

Probably one of the most meaningful to the student members of the fraternity was the adoption of a new policy with respect to Endowment Fund loans whereby loans will now be made available to both second and third year student members.

A major portion of the discussion by the Supreme Executive Board evolved around the 1966 National Convention, to be held in Kansas City, Missouri. It was

Message From The Supreme Justice

(Continued from Last Issue)

We then proceeded to Louisville for a visit with the Vinson Chapter. Unfortunately circumstances prevented our arrival in time to meet with Dean Volz, and with the entire membership of 38 actives and 30 pledges. We had a short visit, on the way to the airport with the Justice, Louis J. Hollenbach III, Treasurer, George Thacker, and pledge John V. Hanby. The report of the activities of this Chapter indicates that this is a fine Chapter with an equally good professional program. My flight to Philadelphia and home was a pleasant and relaxing one, full of the most pleasant of memories.

My next tour began on December 14, 1964, with a visit to University of Oklahoma Law School and Harlan Chapter of which I am proud to be a member. I was met at the School by Brother Mont Hoyt who has the honor of being the President of the American Law Student Association.

A delightful luncheon in the beautiful Ming Room of the Student Union Building, had been planned so that discussion with the officers of the Chapter would be possible. This is an excellent Chapter with a membership of 110, and a valuable professional program. Leland C. Neeley, Jr., is Justice. Dean Sneed was out of town but he had very thoughtfully written me of his pride in his Chapter.

District Justice Paul Murrah was in another part of the state trying a law suit, so former District Justice Robert E. Lee and Charles Pock, Justice of Vaught Chapter at the Oklahoma City University Law School, had arranged a reception and dinner with the officers of the Chapter. I was greatly impressed with the leadership just as I was with the membership which I was able to meet at a coffee and doughnut break between classes that evening. The Chapter, composed of about 40% of students working in the field of law or insurance, and about 45% employed by private or public corporations or government, has an excellent program. I had a very nice visit with Dean Hervey and I congratulated him on the high quality of his student body.

At ten p.m. I was on a plane headed for Dallas, Texas, Southern Methodist School of Law, and Taney Chapter. After a breakfast Tuesday morning with Judge Dee Brown Walker, Supreme Treasurer, and Mrs. Walker, we later went to the Law School where I had the opportunity to meet many of the members of this excellent Chapter.

John Fischbach Dies

John W. Fischbach, an alumnus member of Mitchell Chapter, passed away on January 9, 1964, after a lengthy illness. He became a member of Mitchell Chapter while attending the University of Minnesota Law School.

Upon graduating from the University of Minnesota Law School Brother Fischbach engaged in general practice in St. Paul until 1929 when he joined the Law and Claims Department of Minnesota Mutual Life Insurance Co. He was named General Counsel in 1943 and was made Vice-President and General Counsel in 1960.

He was a member of the American Bar Association, Minnesota Bar Association, Internal Claim Association and was serving on the committee of Lay Adjusters at the time of his death.

His insurance affiliations were the Insurance Federation of Minnesota of which he was an officer and the Association of Life Insurance Counsels. He was Minnesota Vice-President of the American Life Convention and a member of the Life Insurance Association of America.

Brother Fischbach was in 6th Regiment, U. S. Marine Corps, during World War I and was awarded a Purple Heart.

DR. ELDEN S. MAGAW

Following this was a very nice luncheon at which Dean Galvin, a very loyal member of our Fraternity, was present. Taney Chapter with a membership in excess of 100, is a splendid professional group and well deserves its significant place in this very fine Law School. The Chapter is under the able leadership of Justice Drew Pechacek.

Tuesday evening, after a most pleasant afternoon during which Mrs. Walker showed me a great deal of the city, I left for Tucson, Arizona, and Knox Chapter at the University of Arizona. The Justice of the Chapter, Jerry McAfferty, and the Vice Justice, Les Miller, took me to the School which is housed in a splendid new building on the very attractive campus. There I had the opportunity to speak to the membership and our faculty brothers. I was greatly honored by the presence of Brother Byron McCormick, formerly Dean of the School, and also a former President of the University. His long continued interest and loyalty to Phi Alpha Delta has always been an inspiration to me.

After this meeting a very nice luncheon was held which gave me an opportunity to meet and speak to some who, because of classes, had not been able to attend the first meeting. The Chapter is worthy of its place in the Law School for it is operating on a professional basis with a program which is designed to help the students become better qualified to assume the professional responsibilities of the attorney. The Law School and Knox Chapter are to be congratulated on the addition to the faculty of Professor Ray J. Davis, a former colleague, and one of the best law teachers I have ever known. Dean Lyons, unfortunately, was ill at the time and I regret very much that I did not have the privilege of talking with him. However, he wrote me a very gracious letter which I appreciate very much.

That evening I flew to Los Angeles where I was welcomed by our Supreme Secretary, Henry Rohr. The following morning, Thursday, December 17, the District Justice, Sandy Rae, Fred Weitkamp, our Executive Secretary, and I flew to San Diego and were met at the airport by Brother John Justin McCarthy of the San Diego Alumni Chapter, whose untiring and devoted efforts have helped make San Diego and Southern California, Phi Alpha Delta territory.

We first called on Dean Cas-tetter in the splendid Law building so beautifully and spectacularly located on Point Loma overlooking the peaceful and expansive Pacific Ocean. We then met the officers and members of the Beaumont Chapter, the Chapter which, although chartered only three years ago, tied for third place in the National Outstanding Chapter Competition in 1964. Jerry Kaufman is Justice and this fine Chapter, because of its professional program, well deserved the honor it received at our Convention in New York City last August.

LA Alumni Hold Judges Night

The Los Angeles Alumni Chapter held its Annual Judges Night Meeting on January 21, 1965. It is a custom of long standing for the Alumni Members of Phi Alpha Delta in the Greater Los Angeles Area to honor their brother PAD's who are members of the Judiciary.

Over 125 Alumni and active members assembled at the Rodger Young Auditorium for cocktails and dinner. This year special tribute was paid to those members of the Judiciary who had retired or were contemplating retirement.

The Justice of the Los Angeles Alumni Chapter, the Honorable Herbert V. Walker, Judge of the Los Angeles Superior Court, briefly introduced the following special Honorees: Judge Joseph W. Vickers, Los Angeles Superior Court; Judge William P. Haughton, Los Angeles Superior Court; Judge Joseph Marchetti, Los Angeles Superior Court; Judge Clyde E. Triplett, Los Angeles Superior Court; and Judge C. Newell Carns, Los Angeles Municipal Court. Tribute was also paid Justice Paul Vallee, California District Court of Appeals who, because of illness, was unable to attend.

The members in a moment of silent prayer and tribute paid honor to Justice Albert Lee Stephens, Ninth Circuit, United States Court of Appeals, who died at the age of 90 while an active member of the Bench and whose funeral had been held on the day of the meeting. Justice Stephens was a devoted PAD who had opened his home on innumerable occasions for the summer outing of the Chapter. His two sons are both members of PAD and the judiciary; Albert Lee Stephens, Jr., of United States District Court, and Clarke E. Stephens of the Los Angeles Superior Court.

In addition, the Los Angeles Alumni Chapter voted a contribution to the Mickey McDowell Scholarship Fund in the name of our deceased brother, Albert Lee Stephens.

The Chair then called upon Brother Aubrey N. Irwin, Judge of the Superior Court and Program Chairman for the evening, to introduce the members of the judiciary who were in the audience. Brother Irwin had prepared notes on each of the brothers which were informative of their backgrounds, both from the legal standpoint and their participation in fraternity affairs. Those introduced from the Los Angeles Superior Court were: Judges Leon T. David, Jesse J. Frampton, and Allen Miller; and from the Los Angeles Municipal Court, Earl O. Lippold, C. H. Woodmansee, and John A. Arguelles.

In true democratic fashion, the Chair asked for a report from the Nominating Committee of officers for the ensuing year. When the slate of officers was presented, the Chair stated that no nominations would be accepted from the floor; the polls were ordered closed; and the Secretary was instructed to cast a unanimous ballot and the officers were duly elected. Notwithstanding the prerogatives and actions of the Chair, the members by voice vote gave approval to the slate. The following were then installed into their offices by the Supreme Secretary, Henry C. Rohr: Dominic Renda, Justice; Robert T. Hight, 1st Vice Justice; Baldo Kristovich, 2nd Vice Justice; Phillip M. Battaglia, 3rd Vice Justice; Judge John A. Arguelles, Secretary; Edward Masry, Treasurer; and Judge Clark E. Stephens, Marshal.

District Justice Matthew "Sandy" Rae, Jr., introduced the justices of active chapters, Ross (USC), and Ford (Loyola), who in turn introduced the active members. McKenna Chapter (UCLA) was not represented due to the fact that they were having finals.

The new Justice, upon taking office, committed himself and the new officers to an interesting year for the Alumni Chapter. Under a program long ago established, the officers move up

DOMINIC P. RENDA

Dominic P. Renda New LA Alumni Justice

Dominic P. Renda, Vice-President of Western Airlines, was elected Justice of the Los Angeles Alumni Chapter of Phi Alpha Delta Law Fraternity at its annual Judges' Night Dinner at the Rodger Young Auditorium on Thursday evening, January 21.

Renda succeeded Superior Court Judge Herbert V. Walker as the local justice of the fraternity. At the meeting, Superior Court Judge Clarke E. Stephens was unanimously elected to the position of Marshal as the new member of the executive board.

Vardeman Named Jackson County Circuit Court

Brother Paul E. Vardeman, an alumnus member of Benton Chapter at the University of Kansas City, was recently appointed to the Circuit Court Bench for Jackson County, Missouri.

Brother Vardeman was born in 1930 and received his LLB degree from the University of Kansas City in 1953. While at the University of Kansas City School of Law, he was Justice of Benton Chapter, won the Moot Court competition and was a participant in the regional competition of the first national Moot Court program.

Throughout his legal career he has engaged in general practice with particular emphasis on trial work. In 1959, at the age of 29, Brother Vardeman received the Lon O. Hocker Memorial Trial Lawyer Award from the Missouri Bar Foundation, being one of its youngest recipients. He is admitted to practice before the Supreme Court of the United States; the United States Court of Appeals, 8th Circuit; United States Court of Claims; United States District Court, Western District of Missouri, as well as the Missouri Supreme Court.

He is a member of the Kansas City Bar Association, where he served on the Judicial Recommendations Committee; was Chairman of the Trial Practice Committee; member of the Missouri Bar Association, where he served on the Trial Practice Committee; member of the American Bar Association, Insurance Negligence and Compensation Law Section.

through the Chairs so that by the time they assume the office of Justice, they have had six years on the Executive Committee.

HASSRICK INITIATED BY ROBERTS CHAPTER

Brother Romain C. Hassrick was initiated as an honorary member of Phi Alpha Delta by Roberts Chapter on October 7, 1964. This date also marked the occasion of the 50th anniversary of his admission to the Pennsylvania Bar.

The induction ceremony was conducted by Supreme Justice Magaw who is the Assistant Dean at Temple Law School.

The initiation was witnessed by officers and actives of Roberts Chapter as well as Phi Alpha Delta Alumni from the area.

Following the initiation Roberts Chapter sponsored its fall Rush Party at the Alpha Club in Philadelphia. The Rush Party was a great success and was attended by approximately 40 rushees.

Brother Hassrick was born in Shumans, Pennsylvania on June 28, 1885 and received his AB from Bucknell University. Upon graduation from Bucknell, Brother Hassrick became a newspaper reporter and then returned to the University of Penn. to obtain his Bachelor of Laws in 1924. Following his admission to the Penn. Bar, Brother Hassrick became Assistant City Solicitor and in 1922 was the organizer of the Municipal Branch of Legal Aid for the Department of public Welfare.

Since that time he has held various positions including the Registration Commissioner of Philadelphia, counsel for the Philadelphia Sabbath School Association, Inc., Director and Counsel for the Baptist Orphanage of Philadelphia and has been engaged in private practice.

Brother Hassrick is a member of Sigma Chi Social Fraternity and is president of the Sigma Chi Foundation.

ALAN D. SILVERMAN, JUSTICE OF ROBERTS CHAPTER; Dr. Elden S. Magaw, Supreme Justice; Romain C. Hassrick, newly initiated honorary member of Roberts Chapter; Donald Copland, Justice of Magaw Alumni Chapter; and Jerome Ornstein, District XI Justice, examine the certificate of membership presented to Brother Hassrick upon his initiation as an honorary member of Roberts Chapter.

BEAUMONT HOSTS CHRISTMAS PARTY

Beaumont Chapter of Phi Alpha Delta Law Fraternity, in keeping with its already established policy of outstanding professional events, held a tremendously successful Christmas party on December 17, 1964. The German atmosphere of Little Bavaria Restaurant enhanced the yule season. The affair, in cooperation with the University of San Diego P. A. D.'s, attracted over 250 attendees and a head table of 22 dignitaries.

A social hour preceded the sit-down dinner and many friends of the local legal profession had an opportunity to renew friendships with the Phi Alpha Delta District and National Officers who came to San Diego especially for the event.

On hand was the Hon. Richard Curran, Hon. George Lazar, Hon. William Glen, Hon. Ronald Abernathy, Hon. Lloyd Griffin, Hon. Bonsall Noon, Hon. Edward Schwartz, Hon. Robert Stainforth, and the Hon. James Carter all of whom represent the local and Federal bench. In addition, Anthony DiGrazia, Past Supreme Justice of P.A.D.; Fred Weitkamp, Executive Secretary; and Sandy Rae, District III Justice were present. Dean Joseph Sinclittico represented the University of San Diego Law School and Dean Robert Castetter represented California Western University School of Law.

The two highlights of the evening were the address by Phi Alpha Delta Supreme Justice Dr. Elden Magaw, Dean of Temple University Law School and the installation of an honorary member, Mr. Bertram McLees, Jr., San Diego County Counsel, into Beaumont Chapter.

The head table was complemented by the addition of Mr. Lee Knutsen, past Alumni Justice; William Draper, Justice of McCormick Chapter; John McCarthy, who has played an integral role in the establishment of P. A. D. as the leading legal fraternity in San Diego; Jerry Kaufman, Justice of Beaumont Chapter; and Sherman Hollingsworth, Justice of the San Diego Alumni Chapter and Master of Ceremonies.

The address by Dr. Magaw was a tribute to the local bar of San Diego, the two Law Schools and especially Beaumont Chapter at California Western, who won honors as the District III Outstanding Chapter, and the 3rd most outstanding chapter in the United States. Dr. Magaw pleased with his visitation to the two law schools told the members, dignitaries, guests and their wives just how dynamic the Phi Alpha Delta growth has been over the last year. Dr. Magaw elaborated on the many objectives and plans of the national organization and related to the audience how pleased the national officers were with the position and standing of Phi Alpha Delta in San Diego. The charm, wit and contents of Dr. Magaw's speech has endeared him to his many new friends. Dr. Magaw mournfully regretted the passing of Brother Harold Hitz Burton, Associate Justice of the United States Supreme Court. Brother Jerry Kaufman, Justice of Beaumont Chapter, then initiated into the order of P.A.D. Mr. Bertram McLees, Jr. The beautiful candle light ceremony produced an atmosphere of dignity and formality for which the audience responded by an overwhelming applause. Mr. McLees, San Diego County Counsel, addressed the guests and conveyed his deep interest in the law, the student and Phi Alpha Delta.

A key to the city of San Diego was presented to Dr. Magaw by the Hon. Richard Curran, who stepped in graciously at the last minute to do the honors when his brother Mayor Frank Curran was unavoidably detained.

Each of the dignitaries present said a few words to round out a full and distinguished program. But, this was not all! In the midst of the Bavarian atmosphere, with Christmas decorations and a large lighted tree, the guests danced to the music of the "Little Bavaria Orchestra." The music varied from polkas to

the watusi and by the end of the evening the party timers were ready to ring in their Christmas vacations.

Hammond Chapter Having Good Year

Hammond Chapter of the University of Iowa College of Law has successfully launched another promising year in promoting "Service to the Student, the Law School and the Profession."

The highlight of the Fall semester was an impressive and highly rewarding PAD rush party. The featured speaker, Mr. Don Hutson, District VII Justice, proved to be a very stimulating and extremely effective PAD leader in stressing the important role of the legal fraternity in a student's educational, professional and social career. The pledging of forty-five members of the freshman class promises a bright and encouraging year to come.

Hammond Chapter has continued its prominence in the function of the law school, with the appointment of three members to the editorial staff of the Iowa Law Review, and the selection of three members as research assistants to professors. The current president of the Student Bar Association is also a member of Hammond Chapter. In addition, the chapter has continued its lecture program, so as to enable a better understanding of the practice of law.

THOSE IN ATTENDANCE AT BEAUMONT CHAPTER'S CHRISTMAS PARTY enjoyed a speech from Supreme Justice Magaw.

BEAUMONT CHAPTER'S CHRISTMAS PARTY was attended by over two hundred and fifty persons.

Following his acceptance of the plaque, Justice Whittaker spoke to those present concerning the growing need for the greater training of law students in the art of advocacy, particularly in light of the recent Supreme Court decisions on the right to counsel and the need for competent counsel.

At the conclusion of the evening, the consensus was that the Banquet had been a great success and plans were begun for next year's.

Brother Edward Bennett Williams, an alumnus of George Washington University School of Law, where he was a member of Jay Chapter, was the recipient of a John Carroll Award recently. The presentation was made by Brother Eugene L. Stewart, who is also an alumnus of Jay Chapter and is the President of the Georgetown Alumni Association.

Brother Stewart explained that the John Carroll Awards dinner is held every year "to single out for special honor certain alumni of Georgetown who have distinguished themselves in their profession in service to their Nation, to their community and to the Alma Mater."

Present at the meeting was Brother Justice Arthur J. Goldberg, Associate Justice of the United States Supreme Court, who spoke on, "The American Constitution in a Dynamic World." Justice Goldberg, also a member of Phi Alpha Delta, emphasized that the United States Constitution has always retained certain flexibilities so as to enable the Supreme Court in any period of our history to offer solutions to a variety of complex problems.

Taft Chapter Reports

Taft Chapter highlighted its rushing program for the fall semester by holding a wine-tasting party in the Hall of Nations on November 23rd. Co-sponsored by Taft Chapter and the District of Columbia Phi Alpha Delta Alumni Chapter, the wine-tasting was led by Mr. Walter Lubsen of the Advisory Board for the California Wine Institute. He spoke on the uses of wine and the fine art of wine-tasting; a short film showed the wine-making cycle in the Californian valleys. Glasses of sherry, chianti, pinot blanc, port and sparkling burgundy were thoroughly enjoyed by the large crowd attending.

On December 5th, new members were initiated into the fraternity in ceremonies held at the Capitol Building. The same evening, the new Brothers were honored at the Initiation Dance held at the Holiday Inn near Andrews Air Force Base in Maryland.

The annual Christmas party sponsored by P.A.D. for the orphans of the Northwest Settlement House was held on December 12th. Bernie Allen, N.Y., '65, and John Joyce, N.Y., '65, were co-chairmen of the party which was attended by nearly 150 youngsters. Santa Claus was on hand to distribute gifts; ice cream, cake and candy were consumed in large quantities following the showing of Christmas cartoons.

Plans for the spring semester were discussed at the final business meeting on December 16th, and election of officers was held.

National Officers Meet In New Orleans

(Continued from Page 1)

determined that the convention will be expanded to be a four day meeting and will be held August 31, September 1, September 2 and September 3, 1966. The Supreme Executive Board will meet in session for two days preceding the convention and the District Justices will meet in workshop session the day preceding the commencement of the convention proper. Programming for the convention has been altered from recent conventions to provide for more diversification. In addition to the usual Convention Committees, Chapter Workshops will be conducted. Some of the topics suggested were Chapter Organization, Chapter Financing, Rushing, Pledging and Orientation, Chapter Clerks, Professional Activities and Alumni Activities. A model initiation will also be held to exemplify the revised ritual. Chapters which may desire counseling and conferences with members of the Supreme Executive Board will have an opportunity for such meetings. On the last day of the Convention a speaker of professional prominence will appear before the Convention to talk on a "bread and butter" topic.

The Board also determined to retain the services of Irene Baillie as official convention reporter for the 1966 Convention. Irene has reported every convention of PAD since 1948.

For the first time in the history of the fraternity, the National Chapter will pay the round trip airline expenses of one delegate from each alumni chapter. To qualify for this each alumni chapter will have to fulfill each of the following minimum requirements:

1. Pay its annual alumni chapter tax for the two fiscal years subsequent to the 1964 Convention.
2. Have had at least two meetings during the fiscal year 1965-1966, with an attendance of at least ten persons at each meeting.
3. Have regularly elected officers.

The Board adopted a resolution contributing the sum of \$100.00 from the general fund of the fraternity to the Endowment Fund in memory of the passing of our beloved brother, Harold H. Burton, retired Justice of the United States Supreme Court.

Recognizing that the selection of the finalists for the Tom C. Clark Clerkship competition is becoming an increasingly difficult task, the Board authorized a meeting of the members of the Board of Tribunes during the summer of 1965 to make these selections.

A Chapter Treasurer's Manual and uniform system of accounting was adopted and the Executive Secretary was directed to make the system available to all chapters by September 1, 1965.

cial Ritual for initiation of faculty members be adopted was referred to the Ritual Committee.

The Executive Secretary was directed to make available to all active chapters the framing of honorary membership certificates at the actual cost to the chapter.

A committee on fraternity awards which had studied the revision of the Most Outstanding PAD Chapter Competition presented a report which was discussed in considerable detail. It was determined that there would be no ties and that there should be no honorary mention award made by either District Justices or by the Supreme Executive Board. However, a Supreme Justice Award may be

made at the discretion of the Supreme Justice to deserving chapters.

A committee was authorized to prepare a Conclave Manual for the assistance of District Justices and Student District Officers.

The Supreme Justice announced with regrets the resignation of Alfred Paul Murrah, Jr. as Justice of District VIII, due to the pressure of his practice. C. Raymond Judice was appointed to fill the vacancy.

The Board also authorized the establishment of a Legal Writing Contest for a period of one year, with prizes of \$500.00, \$300.00 and \$200.00 to be given for each of first, second and third places, respectively. Supreme Marshal Judge Alex Hotchkiss, Supreme Treasurer Judge Dee Brown Walker, and Dean Charles Galvin, of Southern Methodist University School of Law, were named as a committee to implement the legal writing program.

The three day meeting was not all work as those attending found ample time to partake of the outstanding food of New Orleans at restaurants such as Antoine's, Arnaud's, Commanders' Palace and Brennans'. Martin Chapter of Tulane University hosted a fine reception on Satur-

DISTRICT VIII CONCLAVE AT DALLAS

District VIII experienced a successful conclave on the week end of December 11 through December 13, 1964.

Eight of the nine chapters in District VIII were represented. The conclave began on the afternoon of Friday, December 11, with registration by the various delegates at SMU Law School. At this time the delegates were given name tags, tickets, programs and instructions as to the locale of their motel. That evening a cocktail party was held at the Dallas Country Club followed by a dinner.

Business began at 9:30 the following morning. Such topics as finances, rushing, social functions and fraternity school relationships were discussed. Each topic was formally presented by a selected chapter. The business session temporarily adjourned at noon for a luncheon at the Statler-Hilton Hotel. Supreme Vice-Justice Tom C. Clark, Associate Justice of the United States Supreme Court, attended the luncheon, and spoke to those assembled. The introduction was given by Supreme Treasurer Judge Dee Brown Walker. Brother Clark's topic was centered on the most difficult decisions he has had to make as a Justice of the U.S. Supreme Court.

Those who attended the luncheon included the SMU Law School student body, the Dallas Bar Association and the delegates from our chapters in District VIII.

ROBERT D. JACKSON

Past Supreme Justice Robert D. Jackson Dies

Brother Past Supreme Justice Robert D. Jackson passed away suddenly at the age of 58 on February 18, 1965, just three and one-half months after the death of his wife, the former Louise Anderson.

Brother Jackson was born in Albia, Iowa and attended Drake University in Des Moines where he became a member of Cole Chapter of our Fraternity. Following his graduation he practiced in Des Moines until he became a Judge of the District Court.

Throughout his life Brother Jackson has been very active in our fraternity. In 1949 he was instrumental in forming the Tall Corn Alumni Chapter at Des Moines.

After this project, he assumed the duties of District VII Justice.

In 1952 Brother Jackson was selected to be our Supreme Treasurer, a position in which he served well for two years. In 1954 Brother Jackson was selected to serve as our Supreme Justice.

While Supreme Justice he wrote, "Regardless of what circumstances prompted us to seek legal careers we should be ever thankful for the choice we have made. Few, if any, fields of endeavor afford greater opportunities for service to mankind as does our profession and any means or instrumentalities which enable us to improve ourselves are desirable. Our fraternity is such an instrument for because of its efforts, incentives are provided to us to do our work better, improve our services and help one another." This was the philosophy that Brother Jackson exemplified throughout his term in office.

Brother Jackson was a member of the Masons, Elks and First Evangelist Lutheran Church of Des Moines.

He leaves surviving his two sons, Jim and Bill Jackson. Phi Alpha Delta wishes to extend its sincere sympathy to them.

Brother Trosten is married to the former Arthea Howell Dickson of New York City. They reside with their two daughters in Rockville, Maryland.

FOUNDER'S DAY BANQUETS - A WORTHWHILE ACTIVITY

Founder's Day Banquets can often be a very successful and worthwhile method to integrate professional and social activities.

It is the hope of every chapter holding a Founder's Day Banquet that alumni members from the entire state will attend. Therefore, it is important that the event be held on a week-end evening, regardless of the day on which the date falls. It is a good idea to secure hotel reservations for anyone interested.

It is also suggested that invitations and tickets be sent to all alumni members in advance. By sending advance tickets many alumni are generous enough to purchase tickets, although they indicate they can not attend the banquet.

In addition to printed notices, all local alumni members should be personally contacted by the active chapter. This will insure active participation on the local level.

A large turnout is a necessity in order to make the banquet financially feasible. To assure a full attendance of actives and pledges, Benson Chapter, for one, has assessed each member regardless of whether they attend or not. In other areas when 2 or 3 chapters are in a close proximity they hold a combined banquet. This makes available the finances necessary to hold a successful event.

The format is usually as follows: Cocktail hour, Dinner, Awards, Speaker, Speaker's Award, Alumni Association meeting.

The presentation of awards and recognitions should not be prolonged as this event can be somewhat dull for non-participants. One method of making everyone present participate is to recognize graduating classes and, in order to prevent prolonging this event, past graduating classes may be recognized in groups of 10 years.

The speaker is the most important single factor in securing a good attendance. The speaker should be a well-known and outstanding member of the bar. Members of our fraternity occupy positions in almost every level of government and the judiciary branch. Many of these men are willing to give their valuable time and talent for Phi Alpha Delta. For example, members of the national organization may be called on to speak at such events.

When the chapter has a distinguished speaker, local television and newspaper coverage should be given to the banquet, as this provides excellent public relations for Phi Alpha Delta in the locality.

Why doesn't your chapter try a Founder's Day Banquet? You will certainly find it enjoyable and may even find it profitable.

THE LAW LIBRARY OF CONGRESS IS THE LARGEST

The Law Library of Congress is the largest and has the most comprehensive collection of legal material ever assembled. It is the principal legal research library of the government. Its collection covers all known systems of substantive law and procedure; ancient and modern, civil and religious, including international law, jurisprudence and the philosophy of law and legal history. Material for the Law Library is acquired through purchase, copyright deposit, gift, international and institutional exchange, transfer of surplus books from other Government agencies, and material acquired through PL 480. Legal materials are obtained from all parts of the world. As a matter of fact, it is the objective of the Law Library to have available for Government use the most comprehensive and up-to-date collections of legal publications which exist outside of the countries of origin, and, insofar as possible, to have a professional staff, trained in the legal systems of the various areas, with sufficient knowledge of American law and the English language to provide authentic interpretations of this material in terms understandable to American lawyers, legislators and administrators.

The Law Library began with 2,011 volumes of which 639 came from Thomas Jefferson's library. They were separated from the general collections and moved to Capitol Building, under the authority of an Act of July 14, 1832, creating a law department to be administered by the Library of Congress under the direction of the Chief Justice of the Supreme Court. At the present time the Law Library has a collection exceeding 1,000,000 volumes.

Encouragement and suggestions for the development of the services of the Law Library is provided by the Standing Committee on the Facilities of the Law Library of Congress of the American Bar Association, which serves as an unofficial advisory committee to the Librarian of Congress in the field of law.

Reader service is provided in the Anglo-American Law Reading Room on the second floor of the Main Building of the Library of Congress.

A branch called the Law Library in the Capitol is maintained for the exclusive use of the Members, Committees, and Officers of the Congress, and their staffs in the quarters of the Senate Library on the Gallery Floor of the Senate Wing of the Capitol.
