C. RAYMOND JUDICE IS ELECTED SUPREME JUSTICE

The Honorable C. Raymond Judice, better known as "Ray" Judice to thousands of PADs, was unanimously elected Supreme Justice of Phi Alpha Delta Law Fraternity, International on August 9, 1974, at the conclusion of the 40th Biennial Convention held in Toronto, Canada. His election climaxes dedication and service to the Fraternity of the highest caliber. It was in 1959 that Brother Judice first came into contact with PAD. At that time he was a student at South Texas College of Law and developed an interest in establishing a chapter at that law school. His correspondence with Executive Director Fred Weitkamp resulted in the chartering of a chapter in 1960 and Ray served as Charter Justice of that chapter which was named the Samuel Houston Chapter.

He attended the 1962 Denver Convention and at that time was retained on a part-time basis as Assistant to the Supreme Justice. During this period of service he made 127 individual chapter visitations to 84 active chapters in addition to visiting many alumni chapters and law schools where active chapters were not then chartered. A number of new chapters were chartered as a result of these visitations.

From 1962 to 1964 he maintained a law practice and later served as a municipal court judge in Houston, Texas. He later was named

to the District Court for Texas and served in the Domestic Relations Division. He is presently the Executive Director of the Texas Judicial Council with offices in the State Capitol of Austin, Texas.

He served as alumni advisor of Houston Chapter from 1961 to 1963 and also as alumni advisor of Hickman Chapter at the University of Houston. He served several years as District Justice and was the delegate of the Houston Alumni Chapter at the 1962 and 1964 Biennial Conventions. He was Justice of the Houston Alumni Chapter in 1968-1969.

He has served eight years as a member of the Supreme Executive Board, including Supreme Historian, (1966-1968), Supreme Secretary (1968-1970), Supreme Advocate (1970-1972), and Supreme Vice Justice (1972-1974).

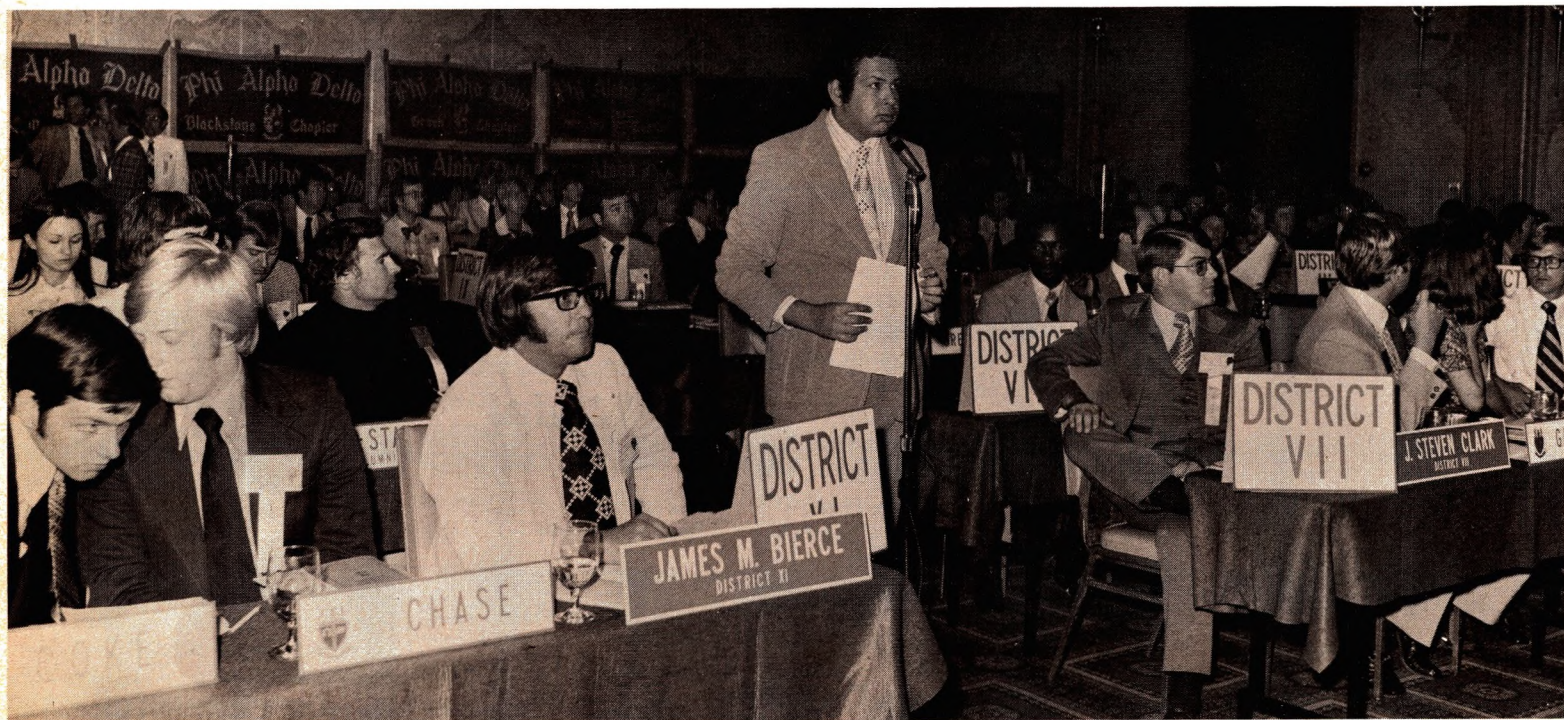

He is the author of the official History of Phi Alpha Delta, the International Handbook, the Chapter Officers Manual and numerous other Fraternity publications and papers. He is also the author of a number of legal papers which have been published in several professional periodicals.

Our new Supreme Justice is presently a member of the Board of Governors of the American Judges Association and a member of the Board of Directors of the American Judicature Society. A past President of the Alumni Association of South Texas College of Law, he has also served as Chairman of the Committee on Courts of Limited Jurisdiction of the State Bar of

A number of new appointments to positions of district justice have been made by the Supreme Executive Board. The new appointees have already been hard at work, having attended a training session in Kansas City recently and also having made a number of chapter visitations already this year. Stories on several of the appointments follow. Due to space limitations the remainder of the stories on the new appointments will appear in the December issue of The Reporter.

Message from the Supreme Justice

The 40th biennial convention of our fraternity is now history and it is now the time to implement its decisions and to proceed with our continuing effort to ensure that our fraternity will fulfill its motto of "service to the law student, the law school, and the legal profession" and to continue to merit its description of the "foremost professional law fraternity." We in P.A.D. have always been justifiably proud of the many professional programs sponsored by the fraternity.

Freshman orientation and survival seminars, court room visitations, informal discussions with practicing attorneys, police rides, inns of court programs stressing the ethical responsibilities of a member of the legal profession, the international placement office, the international scholarship and fellowship programs—all these and many others, have proved to be effective programs in fulfilling our professional responsibilities and to aid in instilling in our individual members a profound attitude toward

THOMAS E. LEE

He served as Justice of Garner Chapter and received the most Outstanding Active Award of that Chapter in 1973.

He is presently engaged in private practice with the law firm of Lowrey, Foster, Hodge & Murrah. His District is the State of Texas.

DISTRICT XIV

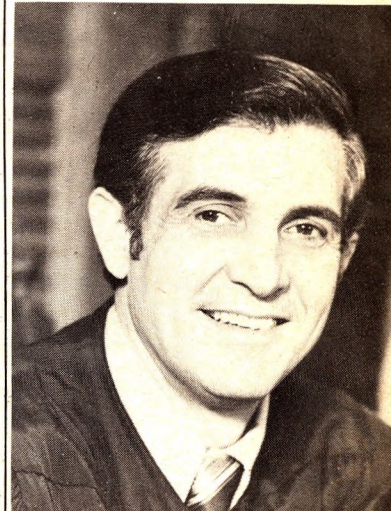

Neil D. Berkowitz is the new Justice of District XIV which encompasses the State of New York (excluding New York City), Connecticut, Massachusetts, Rhode Island, Vermont, New Hampshire, Maine, Quebec, New Brunswick and New Foulard.

the professionalism of our chosen profession. These programs, while unqualifiedly successful in the past must be constantly updated to meet present day situations. In this era of instant communications and ra-

pidly changing society, we must, whether on the local active chapter level, the alumni chapter level, or the international level be constantly on the alert to ensure that our fraternity remain relevant and effective in fulfilling its prominent role in society and especially in the legal community.

Elsewhere in this issue of The Reporter you will find reports on the actions of the 40th biennial convention. I urge you to review these news items so that you will be acquainted with the actions and directives of our fraternity during this biennium. The members of the Supreme Executive Board and the Supreme Tribunal were elected only after long deliberation and consideration by the delegates to the convention. From Hawaii to Ohio, from British Columbia to Florida, and intermediate locations, the phone lines and postal services will be utilized by these dedicated members during the next two years in service to our Fraternity.

We are indeed fortunate to have a dedicated and efficient Executive Director in the person of Brother Fredrick J. Weitkamp. Fred has been our executive director for 21 years now and continues to keep abreast of all phases of fraternity activities. The success of Phi Alpha Delta over the years is due to large measure to Brother Weitkamp's abilities as head of the staff and we owe a debt of gratitude to him for his long years of dedication to our fraternity. Working with Fred will be our two new executive secretaries, Jim Freeman and Joe Rippinger, both of whom were active in their local chapters while in law school. They will be making extensive visitations to lend aid and support to the active chapters and indeed have already commenced this activity. Cynthia Cooper, whose dedication to and knowledge of PAD activities was readily apparent to all delegates attending the convention, will lend invaluable services to our fraternity and its chapters as Chief Clerk of the Executive Office during this same period. In addition to these we have very effective and dedicated persons working in the executive office to aid our members. I urge each of you to contact the executive office whenever it can be of service to your chapter and to you as an individual member of the fraternity. You will find them always ready to be of service.

Fraternally,
C. RAYMOND JUDICE

members and their families. It served as an excellent ice breaker and an opportunity to meet people from all areas.

Wednesday, August 7, was a day of hard work as Committee assignments were made early in the morning and committees met almost all day long. Committee topics were as follows: Audit and Finance, Constitution and By-Laws, Convention Rules and Resolutions, Conventions — Frequency and Terms of Office, Credentials, International Expansion, Placement, Professional Service, Publications and Scholarships, Fellowships, Loans and Awards.

At 4:00 p.m. members and their families boarded nine buses for a trip to Ontario Place which is forty-five acres of activity built out over the water. A variety of attractions such as restaurants, beer gardens, theatres, parks and the music of Percy Faith provided something for everyone to do.

Not just mildly disconcerting, however, was the fact that the bus drivers somehow decided to pick up everyone at different locations. However, all finally made it back safely although some were rumored to have been sidetracked to some of the night spots of downtown Ontario.

District Breakfasts Held

At 7:30 on the morning of Friday, August 9, each District met for a District Breakfast. At that time delegates selected their representative to the Nominating Committee and discussed plans for their 1974-75 District Conclave.

Awards Luncheon

The Awards Luncheon for the Convention was held at noon on August 9 with the finals of the International Oratorical Contest as the highlight of the function. When the judges ballots were in, Carmella Osborn of Begbie Chapter at the University of Vancouver, emerged as the International Oratorical Contest Champion for 1974.

The announcement of the winners of the International Outstanding Active Chapter Competition saw Timberlake Chapter, Wake Forest University, awarded first place; Carmody Chapter, Syracuse University, awarded second place, and Grant Chapter, University of Akron, awarded third place. Selected as the most outstanding alumni chapter for 1974 was the Los Angeles Alumni Chapter.

The announcement was also made of the winners of the twenty \$500.00 Scholarships for 1974. (See story elsewhere in this issue).

The afternoon Business Session of the Convention was taken up with the completion of Committee Reports and action thereon, and the election and installation of the Supreme Officers.

After the convention had formally adjourned, the Supreme

Two Executive Secretaries Appointed

The Supreme Executive Board is pleased to announce the expansion of services to active chapters through the appointment of two new Executive Secretaries. Many active chapters have already had the benefit of visitations from the new traveling representatives as a quick count indicates that between them, they have already visited 44 chapters since their recent appointment. In addition, they both attended the International Convention in Toronto in August of this year and participated in the Training Session for new District Justices which was held in Kansas City, Missouri, a few weeks ago.

One of the new appointees and also appointed as the new International Placement Director is James E. Freeman. Brother Freeman graduated from California Western School of Law in San Diego, California in May 1974 and took the California Bar exam in July of this year.

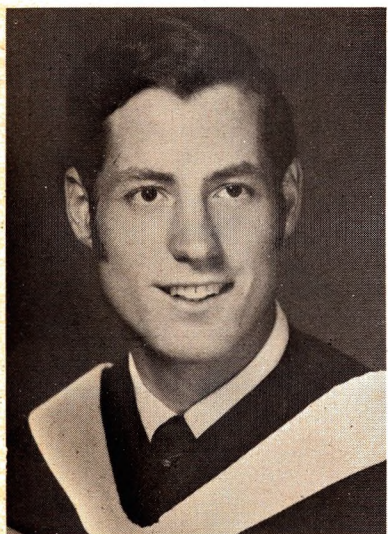

Traveling throughout the United States will not be new to Jim. He was born in Denver, Colorado and moved frequently with his family, living in Tennessee, Colorado, Ohio, Mississippi and Pennsylvania. After receiving his B.A. in Political Science from William Jewell College in Liberty, Missouri, Brother Freeman was drafted into the United States Marine Corps where he served two years before entering Cal Western Law School.

JAMES E. FREEMAN

While attending law school, he served as law clerk for PAD Attorney David C. Johnson in San Diego. In addition, he was a member of the Moot Court Board and participated in the 1974 California Moot Court competition. Upon graduation, he was selected as a member of the National Order of Barristers and as the outstanding active member of Beaumont Chapter. Recently he was elected to serve on the Board of Governors of William Jewell College.

Joseph W. Rippinger coincidentally has lived a great part of his life within a few blocks of the International Executive Office of the Fraternity. He was born in Chicago, Illinois, but at an early age, moved with his family to California. He attended Granada Hills High School and later, the University of California at Los Angeles. While there, he majored in political Science and was a member of the Conference and National Champion U.C.L.A. Bruin Track Team.

JOSEPH RIPPINGER

Upon graduation from U.C.L.A. in 1971, Brother Rippinger was admitted to California Western School of Law in San Diego where he became a member of Beaumont Chapter of PAD.

He graduated from Cal Western in May 1974 and took the California Bar exam in July.

Brother Rippinger will also assist Executive Director Fred Weitkamp in the area of publications.

You may be able to withstand an unexpected hospital visit, but will your family budget?

Daily hospital charges of \$100 and more are common in many cities today.

And many families are finding that their savings and check book balances—and even their health insurance—can't quite stretch to meet today's soaring health care costs...to say nothing of their *everyday household expenses* during a hospital stay.

But you, as a PAD member under age 60, can protect your family against those unexpected cash shortages during hospitalization.

The PAD Group Hospital-Money Plan can pay you \$40 per day, while you're hospitalized—for up to a full year!

These features make the PAD GROUP HOSPITAL-MONEY plan valuable protection for you:

Big benefit amounts available, \$40 directly to you to use as you wish for each day you're hospitalized.

An additional \$20 daily benefit is available for your spouse or unmarried dependent children (15 days to age 21, 25 if in college) at an additional charge, for their hospital stays.

Benefits are DOUBLED for hospitalization due to diagnosed cancer or intensive care treatment, before age 65.

You're covered from the first day you're hospitalized for a maximum of 365 days.

Acceptance will be guaranteed to all eligible applicants. Pre-existing health conditions are not covered until after a period of 12 consecutive treatment-free months from the effective date of your insurance.

Exclusions: attempted suicide or self-destruction while sane or insane, pregnancy, declared or undeclared war or any act thereof, military service, or treatment in a VA or federal government hospital.

Individual Terminations—your coverage is renewable regardless of age unless you fail to pay premiums, cease to be a member, or if the plan is no longer in force.
