THE ALAMEDA PLAZA HOTEL, site of the 41st Biennial Convention of Phi Alpha Delta Law Fraternity to be held July 30 — August 2, 1976.

THIS REPLICA of the Liberty Bell stands in front of the Truman Library in Independence, Missouri. Those attending the 1976 Convention of PAD will have an opportunity to visit this beautiful site.

## 1976 International Convention Will Begin 75th Anniversary Observance

"Seventy Five Years Of Professional Service" will be the theme of the 41st Biennial Convention of the Fraternity which will convene July 30, 1976 at the Alameda Plaza Hotel in Kansas City, Missouri. The Convention will signal the beginning of the observance of the 75th anniversary of the founding of Phi Alpha Delta.

Delegates and members from the 210 chartered law school and alumni chapters throughout the United States, Puerto Rico and Canada are making plans to attend the meeting which should draw the largest attendance in the history of the Fraternity. An outstanding schedule of professional and social activities has been arranged.

First official function of the Convention will be the Convention Reception which will be held the evening of July 29 in the Garden and Pool area of the beautiful Alameda Plaza Hotel. The Convention will be gavelled to order the next morning by Supreme Justice C. Raymond Judice and delegates will have the opportunity of viewing a newly produced film strip on the History of the Fraternity.

### Clark To Be Keynote

One of the highlights of the entire Convention will be the keynote address delivered by our Brother and former Supreme Executive Board Member, the Honorable Tom C. Clark, Associate Justice of the

Supreme Court of the United States (Retired).

That afternoon will feature workshops in such areas as Placement, Chapter Organization, Programming and Financing, Building Chapter Strength, Executive Office Services and Alumni Chapters. Members of the Fraternity, expert in each field, will serve on the panels.

Friday evening all will board buses to be transported to Trail Town where they will enjoy a western barbequed dinner, a country band and an authentic western rodeo staged by some of the top rodeo performers in the United States.

Saturday will be taken up with a model initiation and Committee meetings. Subjects which will be considered will include Audit and Finance, Constitution and By-Laws, Credentials, Publications, Resolutions and Rules, Loans, Scholarships, Fellowships and Awards, Professional Service and

Development, Ritual and Rushing Aids.

Saturday night the Convention attendees will be transported to The River Quay, an area of Kansas City on the river which features different types of food, discotheques and other forms of entertainment.

The formal business of the Convention will begin on Sunday at noon when Committee Reports begin to be received.

### "Don't Squeeze The Charmin"

Sunday evening everyone will be treated to a buffet dinner (all you can eat) at the Waldo-Astoria Dinner Theater.

After dinner, the comedy play, "You Can't Take It With You" will be staged featuring the Mr. Whipple of "Please don't squeeze the Charmin" fame.

Monday, August 2nd, will be an extremely busy day, as committee reports and convention business moves into high gear. Heavy debate is expected on various Constitution and By-Law proposed amendments and other committee reports.

The election of International Officers will be held later in the day and the closing event of the Convention will be the formal installation of new Officers.

Each active and alumni chapter is entitled to have two delegates and two alternates at the Convention and as many additional persons as desired.

All chapters are reminded that the International Fraternity provides the actual cost of round trip airline coach fare to Kansas City, hotel accommodations and a subsistence allowance for each day of travel to and from the Convention and each day while at the Convention for one delegate from each active and alumni chapter in good standing.

As this issue of the Reporter goes to press, the Executive Office is in the process of notifying each active and alumni chapter as to its present status. In order for an active chapter to be in good standing and to qualify for the monetary allowance, all fees and forms must be filed prior to the Convention.

In order for alumni chapters to be in good standing, it must meet the following requirements:

1. The annual alumni chapter tax of \$15.00 per year must be paid for the two fiscal years commencing August 1, 1974 and ending June 30, 1976.
2. Each alumni chapter must hold at least two meetings during the period from August 1, 1974 through June 30, 1976 with an attendance of at least ten persons at each meeting.
3. Each alumni chapter must have elected officers and report the same to the Executive Office.

## Placement Workshop

Pursuant to the Placement Committee Report adopted at the 1974 Convention, a Placement Workshop for the 1976 Convention will be held. In September, a letter was written to all active and alumni chapters to ascertain hopes as to what would be included in the Workshop discussion. Regrettably, only 19 active chapters responded to our questionnaire. Therefore, the purpose of our column this issue is to review the comments of our chapters and solicit further response.

Proposals for the Workshop included the following: 1) a seminar on how the Placement Program has worked, its shortcomings and successes. 2) Employment opportunities in government, 3) Employment opportunities with corporations, 4) Employment opportunities with small firms, 5) Sole practitioner opportunities & 6) Communications with alumni. Only 40% of our chapters responding desire discussion regarding No. 1; sixteen chapters selected Nos. 2, 3 and 4; fourteen chapters chose No. 5 and 6. However, keep in mind that, for the most part, chapters responding selected all categories.

## Message from the Supreme Justice

Every organization has unsung heroes — people who by dedication and application keep the organization alive and effective. By use of this message and on behalf of the entire Fraternity, I would like to recognize and express sincere appreciation to these people who have applied their energies and talents with such unselfish devotion that our Fraternity has attained its preeminent position of leadership in the legal fraternity field: the Executive Office Staff.

Consider for a moment the fact that a total of ten people in the Executive Office service over 79,000 alumni and 2,800 active members, 149 active chapters, and 61 alumni chapters. During the past year, over 500,000 pieces of mail were sent out from the Executive Office; thousands of phone calls were received from active and alumni chapters and members; **The Reporter** was published and distributed; numerous publications and forms were revised and printed; several thousand membership certificates were prepared and mailed; 114 individual chapter visitations were made; and the International

HON. C. RAYMOND JUDICE

## Overton is Fla. Chief Justice

The new Chief Justice of the Florida Supreme Court is Ben Overton, a member of Fletcher Chapter at the University of Florida.

Fletcher Chapter sponsored a trip to the Florida Supreme Court this past February and over 40 students attended the function. They listened to oral arguments and during a recess, Chief Justice Overton met with the students to answer questions concerning procedure of the Court.

In the afternoon, an informal luncheon was held with four of the Justices who fielded policy questions propounded by the law students.

Fletcher Chapter was represented by Vice Justice Mike Saunders, Treasurer-Elect Beth Wilson and Marshal Mike Edenfield.

## Placement Workshop

(Continued from Page One)

Additional request included discussing the role that a national law school can play in obtaining placement information and the receipt of job inquiries; "how to" booklets, i.e. interviewing; obtaining lists of PAD alumni in various cities; acquiring clerking positions with the ultimate purpose to become a member of the firm; the possibility of sponsoring a nationwide or regional seminar on the subject of employment at which prospective employers of all types could interview members for the job. The thought of this last request was that such a meeting might make the process of job hunting a little less haphazard for both the applicants and the employers.

One must keep in mind that the placement workshop itself will be restricted to a certain time period, probably an hour or hour and one-half. Because of the many activities and committee efforts which are necessary at the Convention, a great deal of time cannot be spent in the workshops. The format of the workshop is, of course, an educational one. Many of the comments at the workshop will be carried through by the Placement Committee who will propose a resolution to be adopted by the Convention body.

Those of you who are considering attending the Convention as delegates, alternates or representatives of your chapter, please feel free to contact the International Placement Director regarding your desires for the upcoming meeting, whether they be as set forth in this article or new suggestions. We have many things to discuss but would appreciate more guidance regarding our priorities for the Placement Workshop itself. Our time will be limited, yet we wish to make the most of it.

Placement Service was maintained. This level of activity can only be sustained by a sincere sense of dedication to our Fraternity by the members of the Executive Office Staff composed of:

Fredrick J. Weitkamp (Ross '53). Executive Director of the Fraternity since 1953, Fred has for twenty-three years devoted time, talent and dedication to our Fraternity. A practicing attorney in Granada Hills, Fred finds time to supervise the entire operation of our Executive Office;

Joseph W. Rippinger (Beaumont '71). Executive Secretary since 1974, Joe has made 60 chapter visitations and has been extensively involved in revising the various publications of the Fraternity;

James E. Freeman (Beaumont '71). Executive Secretary and International Placement director since 1974, Jim has made 54 chapter visitations and has devoted extensive time to developing and maintaining the placement service of the Fraternity;

Cynthia Cooper (known as C.C.), who has been with us since 1971, serves as the Office Manager for the Executive Office;

Kathy Agricola, who has been with us since August of 1973, serves primarily as the secretary for our Executive Director and Executive Secretaries;

Mercedes Burns (Merc) is one of our newest additions and primarily works in the area of locating lost members and correcting and updating the mailing list of our members;

Patty Franklin has served the Fraternity since October of 1970. She mails out all chapter supplies and special mailings and ensures that all chapter reports are received;

Colleen Head has been with the Fraternity since November, 1971 and works parttime as Placement Secretary under Jim Freeman.

Betsy Peck has completed 16 years with the Fraternity and is a long-time and loyal member of the Executive Office Staff who specializes in printing and publications.

Erna Sneff has also been with us for some 16 years. She maintains the membership records, and works closely with our computer service company.

While it is very seldom that any of the above appear in the pages of **The Reporter**, each has made a significant contribution to our Fraternity. So, to these unsung but loyal and dedicated persons, a very sincere thank you from all of Phi Alpha Delta!

Fraternaly,

C. Raymond Judice

## PHI ALPHA DELTA: A HISTORY

by C. Raymond Judice, Supreme Justice

(In November 1977, Phi Alpha Delta will celebrate its 75th anniversary. So that all members will have a better understanding of Phi Alpha Delta, the History of the Fraternity is being published in serial form. This is the third installment.)

### Part III of IX The War Years And Recovery

The March, 1917, issue of *The Quarterly* continued the first indication of the rocky road soon to loom in front of Phi Alpha Delta. Here, Supreme Justice George L. Stewart forecast the entrance of the United States into the World War, pointed out the duty of the fraternity to the country, and suggested several approaches by which brothers might best serve the country.

Indirectly, Supreme Justice Stewart hinted at the resultant problems likely to befall Phi Alpha Delta.

Perhaps Brother Stewart's warnings were predicated on the U.S. Army's calling of National Recorder C. G. Roads to serve on the Mexican border. In Brother Road's absence, Supreme Justice Stewart appointed George S. Myer acting National Recorder.

Soon thereafter Brother Stewart's fears and prognostications materialized. The United States declared war on the Central powers. And, Phi Alpha Delta was immediately plunged into chaos.

For many chapters, entire memberships quickly donned uniforms. Thoughts of the law and Phi Alpha Delta became secondary to thoughts of the war effort.

The November, 1917 issue of *The Quarterly* reported, "Just as we go to press, we receive official notice of the death of Brother Stanley H. Smith (Clay), the first Phi Alpha Delta to lose his life in the service of his nation in the present war, so far as official information discloses. The government reports that Brother Smith was 'lost overboard a submarine chaser somewhere near France.' Brother Smith enlisted last April, and at that time was Clerk of Clay Chapter."

On the national fraternity level, funds became scarce. *The Quarterly* was reduced to pamphlet size. The 1916, 1917, and 1918 conventions were not held. National officers elected in 1915 were destined to serve until a post-war convention could convene. (Supreme Financial Secretary Glenn E. Miller resigned in 1917 and was succeeded by Frank E. Rutledge, who in turn was succeeded by George K. Brasher).

Then, in early 1919, with the cessation of hostilities, those who had entered military service and who had not made the "supreme sacrifice" began returning from Europe and from camps in the United States. Chapters began to reorganize and the few remaining national officers — elected originally in 1915 — began resuming their activities.

A concerted effort toward reorganization materialized in the seventeenth convention of Phi Alpha Delta, held in Chicago in December, 1919. Reports state that the convention took several giant strides toward repairing the war injuries, perhaps the most prominent being adoption of a new constitution.

The new constitution was considered by many to contain radical changes. Specifically, it substantially reduced the number of national officers and the size of the Supreme Executive Board.

In the early days of the fraternity, as new chapters were added, new offices on the national level were created so that a member from each chapter might hold a national office. Soon, the fraternity became top-heavy with national officers. Constitutional revisions of the seventeenth convention eliminated the extra offices, abolishing the extra vice-justices and combining the offices of Supreme Financial Secretary, Supreme Recorder, and Supreme Treasurer into the office of General Secretary. Then, this office was later renamed Supreme Secretary to conform to the names of the other offices.

Delegates to the convention directed that an honor roll of the brothers killed in the war be prepared. Final action of the conven-

tion included investigation into establishing a standard fraternity pin, writing fraternity songs, and adoption of a new ritual.

As later outgrowths of the convention, the newly elected national officers adopted a post-war policy of extreme leniency toward chapters which previously would have been considered delinquent. Additionally, the national officers began a program of visits to the various chapters, providing firsthand encouragement in the rebuilding process.

The year 1920 opened with 18 active chapters and a national treasury of \$132 and unpaid bills aggregating \$440. But the rebuilding process was to be effective.

A startling comeback was obvious when the gavel fell calling to order the eighteenth national convention in December, 1921, in Kansas City, Missouri. Phi Alpha Delta at this time could count on its rolls 41 active chapters and 16 alumni chapters. Financial reports were good. The official pin was designated and a new official pledge pin adopted. A standing committee on ritual was appointed and instructed to prepare a pledge ceremony.

The General Secretary was instructed to prepare a uniform system of reports, and a national uniform system of accounting. Fraternity songs were adopted and prizes awarded to their composers. Preparation and printing of a new directory was ordered.

The summer of 1922 featured the honorary initiation of a special person: the President of the United States.

President Warren G. Harding

had been pledged to Phi Alpha Delta during the Fall of 1921. His formal initiation into the fraternity then followed, attended by approximately 50 members of the fraternity, and conducted by Supreme Justice Frank Fawcett, immediate past Supreme Justice August A. Rendigs, Jr., former Supreme Justice John D. Carmody, and Editor-In-Chief Harry W. Humble. With William Howard Taft, Chief Justice of the U.S. Supreme Court, and General John J. Pershing, included among the brothers attending, President Harding was administered the oath of membership in his office in the White House.

Particular attention was given fraternity publications during this period. Seven issues of *The Quarterly* were published, and alumni subscriptions solicited. A complete and accurate fraternity directory was published and for the first time, an attempt was made to publish the fraternity's history. Also during this period the fraternity assisted substantially in the defeat of anti-fraternity legislation submitted in several states.

The nineteenth convention of Phi Alpha Delta convened in December, 1923 at the Wardman Park Hotel in Washington, D.C. In attendance were Chief Justice Taft, Major Gen. Hanson E. Ely, and Honorable Arthur J. Tuttle, judge of the U.S. District Court in Detroit. Representatives were also present from 42 active chapters and from seven alumni chapters.

Prior to adjournment of the convention, delegates saw the creation of a Board of Trustees, charged with administering a national endowment fund which was to be

used to assist chapters in purchasing or remodeling chapter houses. The convention delegates also voted to abolish the district conventions, expressing thoughts that the widely separated district assemblies placed needless expense on the active chapters.

The twentieth biennial convention was held at the Chase Hotel in St. Louis, Missouri. The delegates were greeted with words that the fraternity was in sound condition, financially and otherwise. Active chapters numbered 48, complemented by 18 alumni chapters.

The convention featured a model initiation, a "first," and the convention also saw the adoption of a new ritual, and the rejection of a proposal that compulsory life subscriptions to *The Quarterly* be required of each initiate.

The adoption of the new ritual climaxed a move begun sometime prior to the nineteenth convention. A committee had been appointed prior to the nineteenth convention to propose changes, and when the proposed ritual was presented to delegates at the nineteenth convention, it was considered "so radical" that it was referred to a new committee. This new committee presented its proposals to the subsequent meeting of the Supreme Executive Board which objected to the "... great length and amount of detail as well as to 'radical changes' from the old ritual." The Board then summarily issued its ideas for revision with orders to the committee to again re-draft accordingly. The ritual adopted by twentieth convention was the final result.

Cincinnati, Ohio was the scene of the twenty-first biennial convention. The gathering featured a change in convention timing: requiring the national convention to meet on even-numbered years, with the attendant provision that the conventions would meet in the summers.

The convention delegates also heard a glowing report on financial increases in the fraternity's endowment fund, and the delegates voted for the fraternity to affiliate with the Conference of Law Fraternities. Also, the previously defeated proposal to require lifetime subscription fees to *The Quarterly* from new initiates was again defeated, but this time by only one vote.

During this period, the first fraternity songbook, prepared under the editorial direction of Brother Frank E. Aschemeyer of St. Louis, was published. It was 51 pages long and contained 34 different songs, 16 of which were exclusively Phi Alpha Delta songs.

August, 1930 was the date of the twenty-second biennial convention. (Continued on Page 7)

## This is your International Executive Office

From time to time, many of our members ask the questions, "What is the Executive Office? Where is it? What does it do? The purpose of this article is to answer those questions and to acquaint the membership with the fraternity headquarters and its staff.

The Executive Office is the nerve center of PAD and around it evolve the entire operation of the fraternity. Such an operation involves a great deal of time, effort and money. It is obvious that an organization as large and as effective as PAD requires a focal point to give the Fraternity continuity and stability.

PAD's focal point is located in Granada Hills, California which is one of the many communities contained within the city of Los Angeles and which is located in the San Fernando Valley. The Executive Office has been located in Granada Hills since 1955 and occupies modern quarters which have been recently remodeled to suit its particular needs.

Not too long ago the president of a computer service company which services the majority of the professional fraternities, stated that the Executive Office of PAD was the most efficient of any that he has observed. The staff of the Executive Office is understandably quite proud of such a compliment and continuously strives to live up to that compliment.

The personnel of the Executive Office consists of nine full-time employees and one part-time employee.

Heading up the Executive Office as Executive Director for the past 23 years has been Fredrick J. Weitkamp, a member of Ross Chapter at the University of Southern California. Fred is responsible for the overall operation of the Executive Office and the administration and direction of fraternity activities in general. Under his watchful eye, the number of active and alumni chapters has doubled and the total membership of the Fraternity has more than doubled. There are now 149 chartered active chapters, 61 chartered alumni chapters and a total membership of 79,000. The annual budget of the Fraternity has increased from \$46,000 to \$349,000.

PAD is the only law fraternity which employs full-time Executive Secretaries whose primary responsibility is that of visitation and consultation with active chapters. The Fraternity has two outstanding persons serving in this capacity at the present time. They are Joseph W. Rippinger and James E. Freeman. Joe Rippinger is a graduate of California Western University School of Law where he was a member of Beaumont Chapter. His undergraduate work was

completed at UCLA where he was a member of the UCLA Championship Track and Field Team. His duties with the Fraternity have included visitations to almost all of the 149 active chapters throughout the United States, Canada and Puerto Rico and the chartering of new chapters. He recently returned from a tour of visitations to Canadian law schools. He also assists the Executive Director in the field of publications and serves as Editor and publisher of the PAD Notes, the monthly newsletter to all active chapters.

James E. Freeman is a graduate of William Jewell College in Missouri and of California Western University School of Law where he was also a member of Beaumont Chapter. His duties have also included visitations to all active chapters and exploration of expansion possibilities. In addition, he serves as International Placement Director.

One of the greatest steps forward the Fraternity has ever taken has been in the appointment of Executive Secretaries to service the active chapters on a visitation basis and the Fraternity is indeed fortunate to have had two outstanding persons in this capacity for the past biennium.

Cynthia Cooper, better known as "CC" has served as the Office Manager of the Fraternity since 1971 and prior to that time was a part-time secretary. Her experience with the Fraternity dates back some ten years. Hers is the responsibility for the efficient operation of the office and the overseeing of the office staff.

Betsey Peck has been with the Fraternity since 1960 and serves as multigraph operator and is in charge of production of publications. She produces PAD Notes, all chapter forms of communication, special brochures, the Ritual, Chapter Officer Handbooks, District Justice Manuals and other similar publications. During 1975 she processed over 450,000 sheets of multigraph paper in the production of such publications.

Erna Sneff has also been with the Executive Office staff since 1960. Originally her responsibilities were as an addressograph operator but with the computerization of the address records of the Fraternity, she has become the Fraternity's expert in the computer field as it relates to PAD. She works closely with Data Science Corporation in St. Louis, Missouri, our computer service company.

Patty Franklin was employed by the Executive Office almost directly out of high school and has now served as shipping clerk for the past five years. Hers is the responsibility of filling all chapter supply orders and mailing of all types of supplies, forms, etc. to all chapters.

Kathy Agricola has been employed by the Executive Office for the past two years and fills the position of secretary and receptionist. She transcribes the correspondence of the Executive Director and the two Executive Secretaries, and also works closely with the production of membership certificates and in the field of Endowment Loans.

The most recent fulltime addition to the Executive Office staff is in the person of Mercedes Burns. She is the Fraternity's "Lost and Found Department." PAD members change their address an average of once every four years and far too often, the Executive Office is not advised of the change of address. When this occurs the person becomes a "lost" member. With some 65,000 alumni it is easily seen that there are over 16,000 address

changes each year and a great many of these become lost members. Since her employment on April 1, 1975, Mercedes Burns has located 13,000 members and of course the alumni dues paid by the lost members has far more than justified her salary.

Colleen Head serves as Placement Secretary for the International Placement Director and works on a part-time basis for the Fraternity. Her experience with PAD goes back some four years.

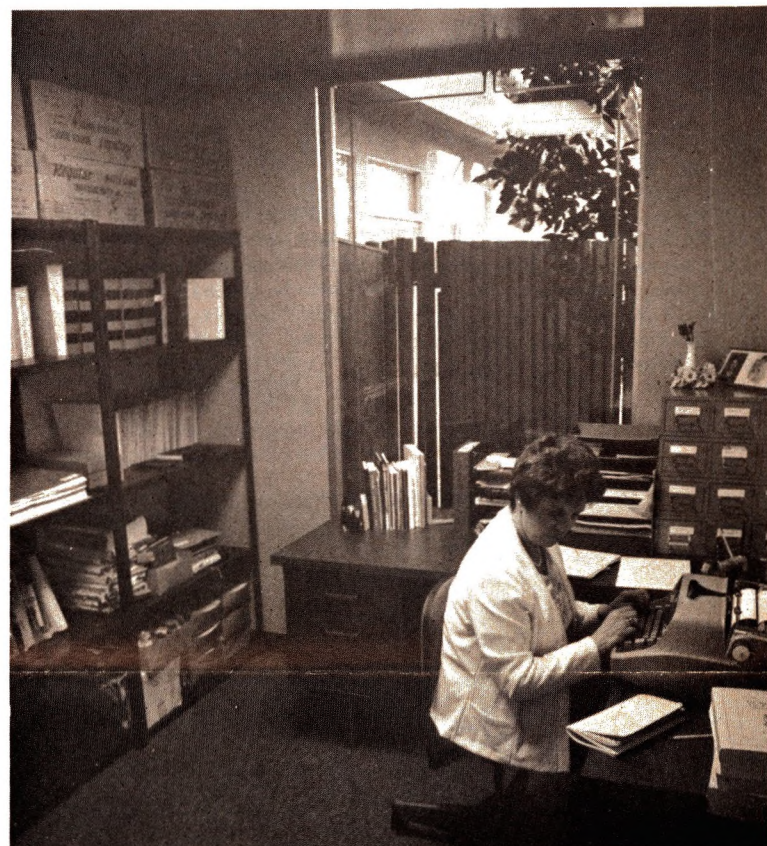

In addition to the permanent Executive Office staff, two high school students are employed on an hourly basis to produce membership certificates, outstanding active, outstanding alumni, honorary member and other types of certificates. Unlike most fraternities, PAD produces its own membership certificates in the Executive Office. Such has proved to be not only a considerable savings in expense, but also certificates can be produced much more efficiently and with a greater savings of time than if ordered through the official jeweler.

PAD, with 149 chartered active chapters, is 50% larger than its closest competitor. As can be expected, the operation of such an organization is big business. It is, of course, difficult for any individual member to realize the varied functions and activities which are carried on by the Executive Office. Probably the best way to illustrate this is to set forth a brief resume of the major activities of the Executive Office during 1975. Such a resume follows:

1. Published four issues of the Reporter, our official publication. This involved acting as reporter, editor, re-write, proofreader, layout, etc. 256,000 copies were printed and mailed.
2. Collected \$170,000 in alumni dues. This involved preparation and mailing of dues statements to all alumni, a follow-up mailing to those who failed to pay on the first mailing and maintaining payment records for each member as well as the mailing of alumni membership cards to each member.
3. Collected \$18,000 in life membership fees. This involved the promotion of the newly instituted program for life memberships, preparation of life membership cards, preparation of life membership certificates and mailing the same together with a copy of the PAD History to each new life member.
4. Processed \$70,000 in initiation fees.
5. Enrolled over 2,300 new members on the books and records of the Fraternity. This involved placing membership data on computer tape, maintaining various membership records, etc.
6. Printed over 2,500 membership certificates and replacement certificates for members.
7. Prepared mailing lists for insurance mailings for approximately 180,000 names.
8. Prepared additional address lists or mailing labels for 65,000 names.
9. Wrote an average of 490 personal letters per month.

**MAINTAINING ADDRESS RECORDS** in conjunction with Data Science Corporation, PAD's computer service company, is the task of Erna Sneff an employee with 16 years of tenure.

**THE NEWEST EXECUTIVE OFFICE EMPLOYEE** is Mercedes Burns who is in charge of finding "lost" members.

10. Prepared and mailed in excess of 80,000 letters or notices for active and alumni chapters.
11. Supervised the Outstanding Active Chapter Competition.
12. Supervised the Outstanding Alumni Chapter Competition.
13. Supervised the Minority Fellowship Competition and the awarding of \$5,000 in cash.
14. Supervised the Service Scholarship Competition.
15. Organized two meetings of the Supreme Executive Board.
16. Organized meeting of District Justices.
17. Did preliminary planning for the 1976 International Convention.
18. Organized and held training seminars for new District Justices.
19. Make approximately 18,000 address changes for alumni and active members.
20. Received and processed approximately 30,000 pieces of first class mail.

21. Handled approximately 600 incoming and outgoing telephone calls per month.
22. Furnished active and alumni chapters with various supplies as needed.
23. Revised several of the forms utilized by active chapters.
24. Assisted in planning and organizing district conclaves.
25. Prepared and mailed various district justice newsletters.
26. Prepared and mailed PAD Notes to all active chapter officers.
27. Assisted the Fraternity insurance administrator in promotion of various insurance programs resulting in substantial income to the Fraternity.
28. Oversaw the colonization and chartering of seven new active chapters and two new alumni chapters.

29. Established a History and Memorabilia Room in the Executive Office. This room includes photographs of all past Supreme Justices, all members of the Distinguished Service Chapter, all past Presidents of Phi Delta Delta Legal Fraternity, the transcript of proceedings of all past conventions, copies of all Directories, copies of all Reporters, copies of all other publications, and literally hundreds of other items of historical value to the Fraternity.

The foregoing constitutes only a small portion of the tremendous volume of details and duties of the International Executive Office. However, it is hoped that such an enumeration serves to at least give the reader an idea of the scope of this operation.

If any members are in the vicinity of the Executive Office, they are cordially invited to stop by and receive a personally escorted tour.

# Life Members Are Enrolled

In 1974, a program of life membership in the Fraternity was begun. A life membership eliminates the payment of alumni dues and entitles holders to a free copy of the History of PAD, a lifetime subscription to the Reporter, a beautifully engraved life membership certificate, a lifetime membership card, future editions of the International Directory and other services which the Fraternity renders from time to time. The life membership fee has been set at \$200.00. Those who have become life members to date are:

## Middleton Program

The Arthur Middleton Chapter at Western New England College School of Law, has recently completed its initial rushing program. It sponsored both a coffee hour and a beer party for students interested in learning more about PAD. Also, the chapter allowed all members of the student body to attend the chapter meetings in order to obtain a better idea of the organization.

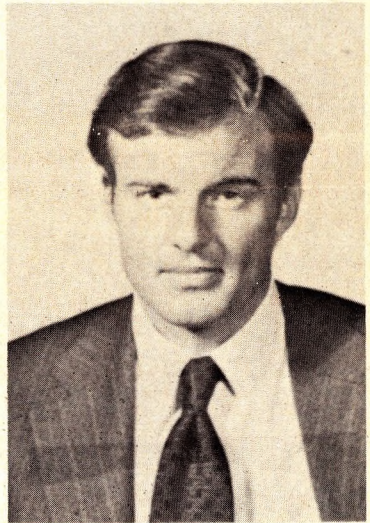

Response has been very enthusiastic and the initiation dinner is set for November 15, 1975. At that time, the chapter will initiate Professor John J. O'Connor, Jr. into the Fraternity. Professor O'Connor has been the Faculty Advisor for a year and a half and has provided invaluable guidance.

The chapter has ordered a four part film series which consists of the filming of an entire trial. These showings will be open to the general public.

The chapter has been in communication with former Supreme Court Justice and PAD The Honorable Tom C. Clark and is hopeful that he will be able to work a visit to the chapter into his very busy and full schedule.

The chapter's second annual job fair is scheduled for November 23, 1975. Its purpose will be to have various law firms, private practitioners, government agencies and insurance agencies come to the law school and discuss the job market with the law students.

One of the most popular functions that the chapter sponsors is that of having tutoring sessions for first year law students.

JAMES GUY TUCKER, Jr.

## Lurton Hears Advocate

On February 5, Lurton Chapter of Vanderbilt University School of Law sponsored a speech by the prominent Tennessee criminal defense attorney, Joseph P. Binkley, Sr. Mr. Binkley's speech on Criminal Defense Advocacy, was well received by a capacity audience of Vanderbilt Law students. Mr. Binkley's address discussed various aspects of criminal defense work, including voir dire, the closing argument, and the question of whether the defendant should take the stand. Mr. Binkley stressed brevity as a useful quality, and warned against asking questions "just to hear the sound of your own voice."

Following the speech, there were questions and refreshments were served. Justice Thomas Bishop presented Mr. Binkley with a Certificate of Appreciation.

## Kentucky Hosts District XII Conclave

The District XII Conclave was held in Fort Mitchell, Kentucky November 14-15, 1975. The Northern Kentucky Alumni hosted a reception Friday evening which was well attended by delegates.

The Conclave proper was called to order the next morning by District Justice Larry J. Crigler, who welcomed all delegates.

A seminar on International Relations was overseen by Clay and Lurton chapters while an alumni relations seminar was handled by Hamill and Vinson Chapters. Hoffman and McKellar Chapters had charge of the seminar on professional programs.

Supreme Second Vice Justice Donald R. Moore, Administrative Law Judge of the Federal Trade Commission (retired) gave the State of the Fraternity report. An outstanding seminar on rushing was provided by McReynolds and Adams Chapters. The subject of local chapter problems was handled by Supreme Second Vice Justice Donald R. Moore, Supreme Advocate Frank McCown and District Justice Larry Crigler.

Serving as Conclave Justice was Jeffrey Kirk Heinichen, Justice of Hoffman Chapter.

tion, the first under the previously enacted even-years rule. Delegates heard continued reports of strong financial assets and details on a national employment bureau. Again, the proposal of requiring new initiates to subscribe for lifetime to *The Quarterly* came before the delegates — and this time met with success.

As far back as March, 1920, comments were prevalent suggesting a name change for *The Quarterly*. The editor of the publication in 1920 suggested *The Inner Temple*, a term he described as "a term of great ritualistic connotations." Later, the November, 1920 issue indicated the editor had decided to rename the publication *The Shield and Balance*, however nothing apparently became of this plan.

Then, in 1930 with the election of Brother Earl H. Hatcher to the office of Supreme Editor, the name of the publication was changed with a short announcement in the October, 1930 issue, stating: "It is the idea of your editor that the publication should have a short, descriptive name. We discussed the matter with perhaps a dozen brothers and got 24 suggested names. We chose the name, *The Reporter* and await with considerable interest your reaction in the matter." Apparently the change met with general approval of the fraternity — because the name has remained the same.

THE 100 NEW MEMBERS who were initiated by Chicago chapters November, 1975.

## Chicago Holds Mass Initiation

On Friday, November 7, 1975, the combined chapters from Lincoln, Webster, Story, and Blackstone conducted a joint initiation in the courtroom of Federal Judge Abraham Lincoln Marovitz in Chicago, Illinois. Over 100 new associates became full members of Phi Alpha Delta Law Fraternity. About 40 guests were present at the

receptions held by the individual chapters afterwards.

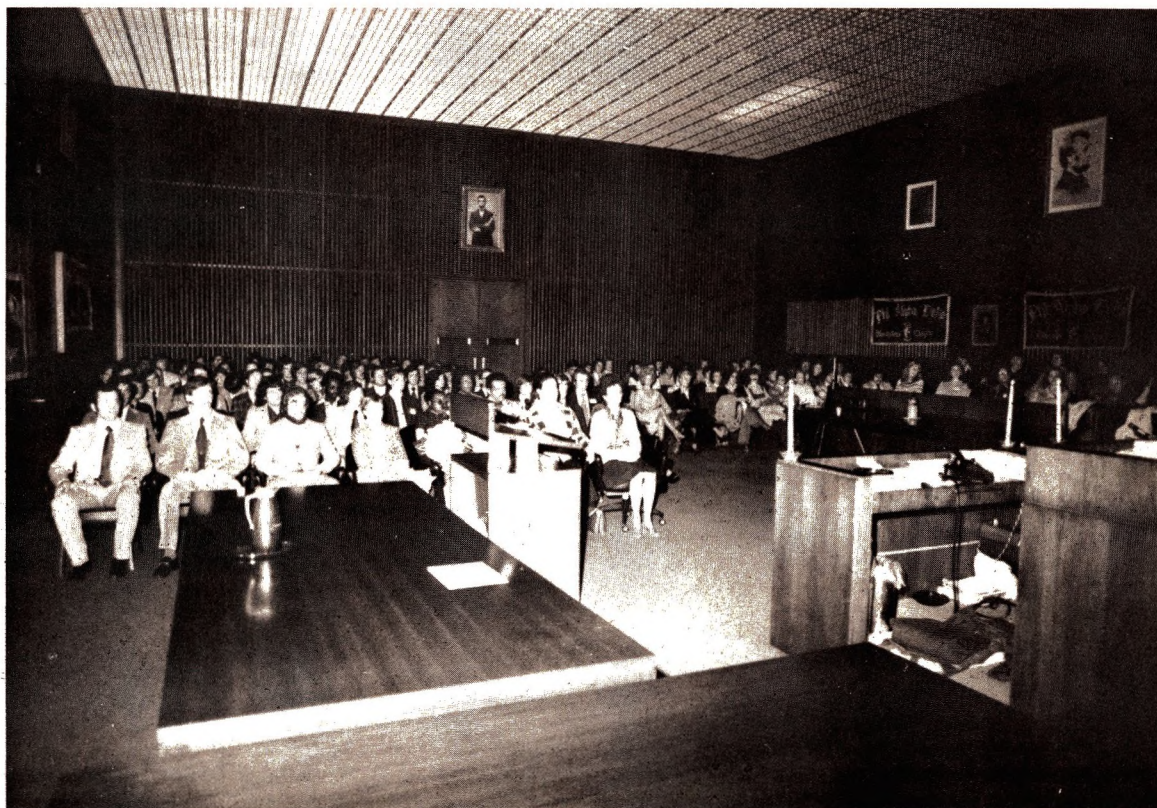

The planning and coordination of the ceremony was handled by Lincoln Chapter, which itself inducted 47 new associates. The initiation was presided over by Andrew Zygmuntowicz from Lincoln Chapter. The Vice-Justice was Helen Marovitz from Webster; Treasurer Nick Ahrens from Story; Clerk Mike Radtke from Blackstone, and Marshal Harvey Teichman from Lincoln. District Justice John P.

Curielli was present at the ceremony, as were alumni from various chapters.

This is the second successive joint initiation in District Nine where more than 60 associates have been inducted. Unfortunately, while the other chapters in our district were unable to participate, we feel that our initiation is indicative of the increase in strength of our district in particular as well as the international as a whole. We feel that our success will continue to exhibit itself in future initiations.

DePAUL UNIVERSITY SCHOOL OF LAW Assistant Dean Katherine Deutenhaber is shown taking the oath of membership.

## Fletcher Hosts Joint Conclave

University of Florida Law School Dean Joseph Juhn was on hand to welcome the PAD guests. International was represented by Supreme Second Vice Justice, the Hon. Donald R. Moore. District XX Justice Marvin Moss also attended the Conclave and the new District XIX Justice Stan Kohn and his wife came down from South Carolina. Several PAD alumni and UF faculty also attended many of the weekend events.

Conclave Justice Bob Goodstein planned an effective conclave that answered many questions and provided some insight into the different PAD chapter activities. After the Saturday breakfast, the delegates participated in some different workshops. The Conclave Vice Justice, Lou Putney, planned the workshops in the areas of rushing; financial affairs; alumni-chapter rapport and service to the Law School and students.

District Justice Kohn led the group discussing service to the school and students. Many ideas and previously implemented projects were discussed. Stephens Chapter from the University of Georgia provides photo directories to the professors and law students at a nominal charge. Rasco Chapter, University of Miami, recipient of the 1976 Outstanding Chapter in District XX, sells outlines to the Law School and gives these free to PAD members (a good rushing aid) and is planning to have Ex-Supreme Court Justice Tom Clark speak in March.

Fletcher Chapter sponsors Law School wide trips to state prisons and to the Florida Supreme Court; and "taking exams" sessions to entering freshman. There were many other ideas and projects suggested.

Marvin Moss, District XX Justice chaired the rush workshop. Rushing problem areas and solutions were suggested. The best plan is the contact and communication with prospective PAD members on a personal level. This approach will help to show the qualities of PAD in the best light and will make the rushees feel at ease and more receptive to PAD. Also good service projects can also lend assistance to rushing.

The best part of the day was the "Practitioner Seminar" held during the afternoon. This was a panel of four privately practicing attorneys with Don Moore representing governmental work. There were two sole practitioners who had just opened up their practice, Ken Davis (a Fletcher alum) and Jack Nettles; one established, successful sole practitioner, Marvin Moss; and a member of a successful five man firm, Stan Kohn (one of two Partners).

The Luncheon speaker was Paul Lipton, a tax specialist from Milwaukee, Wisconsin of the firm Lipton and Petri. He is a part time Professor at the University of Florida Law School. Professor Lipton discussed several aspects of handling tax cases.

The evening Banquet speaker was Dr. Henry Lyons, a Gainesville psychiatrist who teaches part of several law school classes and works in other law related areas along with his work with the University Medical School. Both speakers were entertaining and well received by the audiences.

There was a general business meeting late Saturday afternoon. A report from International was given by Don Moore, which provided valuable insight into International and gave some further details on the upcoming Convention.

## Tankesley to Judicial Position

The Honorable Jephtha C. Tankesley was elected Chief Judge of the eleven judge Fulton County Superior Court, Atlanta Judicial Circuit, at the first Judges Meeting of 1976.

Judge Tankesley was elected to the position by unanimous vote of his fellow judges.

Chief Judge Tankesley is a 1943 graduate of the United States Military Academy. He received his L.L.B. from Emory University where he was a brother PAD in Keener Chapter. After three years of general law practice, Judge Tankesley became Assistant Trial Solicitor General and won a Superior Court Judgeship in 1957. Then 36, he was the youngest man ever to be elected a judge in Fulton County.

Judge Tankesley is a member of Trinity Presbyterian Church. He received the Great Georgian Award in 1966 and was elected to the North Georgia College Hall of Fame in 1972. In 1974 he received the Ben Castle Memorial Award from the West Point Society of District of Columbia.

## District XI Meets In Ohio

District XI held its 1975 Conclave October 3-4, 1975, at the Mentor Inn in Mentor, Ohio. The district was well represented with attendance by seven of the eight chapters. The meeting was hosted jointly by Hay and Meck Chapters under the very fine direction of their Justices, Bill Reed and Mike Kelbley respectively and assisted by Homer Taft, Justice of the Cleveland Alumni Chapter.

In addition to Daniel Gehres and Phillip Tripi from the soon to be chartered new chapter at the University of Dayton, Ohio, the following brothers were in attendance: Chase Chapter — Gary Zuhl and Rick Wehrenberg; Coke Chapter — Max Rayle, Dan Grna, Robert Jastrow and Ed Edmonds; Grant Chapter — Bob Bulford, Lowell Dansher and Robert Armbruster; Hay Chapter — Michael Kelbley, Joanne Schwartz and Jeffrey Posner; McKinley Chapter — George Rosin; Meck Chapter — Bill Reed and Tony Logan; and Willis Chapter — Steve Steining, Kathy Knurek and Sally Swaney.

The Conclave this year was one of the best attended ever in the District and the entire day was spent discussing rushing, financing, programming, alumni relations and executive office aids.

Those attending were very fortunate in having Dalphine MacMillan, Supreme Treasurer, with them for the Conclave and all were very pleased to hear her opening remarks on the "State of the Fraternity."

As a result of this early fall Conclave, District XI is now off and running this school year loaded with new ideas and programs for each chapter for the upcoming year. Last but not least, Grant Chapter, Second Place Winner of the Outstanding Chapter Competition deserves special thanks for their contributions to all chapters.

## Douglas Is First

Two of the first six graduates of the law school at Southern Illinois University-Carbondale, are members of PAD. They are Terry Finley and Donald Lowery.

PAD was the first and the only Law Fraternity to establish a chapter at that law school. The Stephen A. Douglas Chapter has advanced rapidly since its chartering and sustains an outstanding array of professional programs.

## Lincoln Assists In Orientation

On September 13, 1975, the John Marshall Law School held its Freshman Orientation. The members of Lincoln Chapter took an active role in planning and conducting the event. The major feature of Orientation was the BRIEF-WRITING WORKSHOP, which was organized by members of Lincoln Chapter. The freshmen were divided into small groups of 10 to 15 students, and accompanied to a classroom by one or two upperclassmen, usually one being a PAD member. Briefing techniques were explained by distributing sample cases, which the freshmen had an opportunity to brief on their own. A few oral presentations of the individual briefs were made, after which the proposed solution sheet was distributed, and its format discussed. Suggestions were given to the freshmen as to how to identify the issue and how to construct a concise yet complete brief.

Members of Lincoln Chapter also aided in conducting Library tours and an area was set up where information about PAD was available. As a part of the Orientation handout packet were PAD fact sheets about the National and Local organizations. Afterwards, PAD members were present at a reception for the freshmen and were available to answer questions about our chapter and the School, laying the groundwork for the Fall Rush Program.

## Prestridge To Education Position

Rogers M. "Mickey" Prestridge of Bossier City has been elected Vice Chairman of the Louisiana Board of Regents. The Board of Regents has budgetary authority, general policy, degree granting authority and curriculum control over all state colleges and universities in the state of Louisiana.

Prestridge is a former District Justice of the Fraternity and was Chapter Justice of the Edward Douglass White Chapter at Louisiana State University where he received the Outstanding Active Award.

In 1972 he was elected Bossier City Judge and served in that capacity until 1975, when he resigned as Judge to be appointed to the Louisiana Board of Regents for higher education where he presently serves.

## Stevens Retires from Appellate Bench

The resignation due to retirement of Arizona Court of Appeals Judge Henry S. Stephens, a member of Knox Chapter at the University of Arizona, was accepted recently with regret by PAD Governor Raul H. Castro.

The Governor said, "I have known Judge Stephens for many years, ever since he and I served at the same time as Supreme Court Judges . . . he and I worked closely together on a number of occasions when I was a Judge . . . I gained at the time and still hold to this date, the very highest respect for his judicial wisdom and overall abilities. I always observed him to be firm, fair and yet compassionate which I consider to be the characteristics of an excellent member of the Judiciary . . . with his retirement, Arizona will be losing the services of one of our most distinguished and able members of the Judiciary."

Judge Stephens was engaged in private practice until 1953 when he was appointed to the Superior Court. He was elected to the State Court of Appeals when it was created in 1964 and won his first re-election to the Court of Appeals in 1966.

He is also a past President of the Arizona Judges Association.

## Magruder Adopts Freshman Aid

Magruder Chapter at the University of Illinois ended the 1975 school year with a project aimed at helping first year students prepare for their first law school exams.

Work on the project began in November. Before the Thanksgiving break, a letter was written to each of the professors who teach first year students. Plans were explained and they were asked to help by taking time to describe, in a paragraph or two, how a student could best review for and take an exam in the subject area that professor was teaching.

When the answers were returned, they were compiled and printed as a handout entitled "Tips

## Job Fair Is Success

The Arthur Middleton Chapter at Western New England College School of Law sponsored a very successful Job Fair on November 23, 1975.

Present were various members of the local Bar including Judges, private practitioners and corporate attorneys.

The purpose of the Job Fair was to provide first and second year law students with an opportunity to find out about the job market in the area.

The chapter is planning various activities for the spring semester and it recently concluded its annual Valentine's Day liquor raffle which assists in financing chapter functions.

On February 18th, they conducted a tour of Osborn State Prison in Somers, Connecticut. That facility is a very modern correctional institution and was a most worthwhile experience.

The fraternity also sponsors a number of law-related films. The first films shown dealt with various aspects of the juvenile system.

On March 6th, the chapter initiated new members and has recently held an election of new officers.

Though a relatively new chapter in the membership of Phi Alpha Delta, Middleton Chapter is making great strides and developing an outstanding reputation of service to its members.

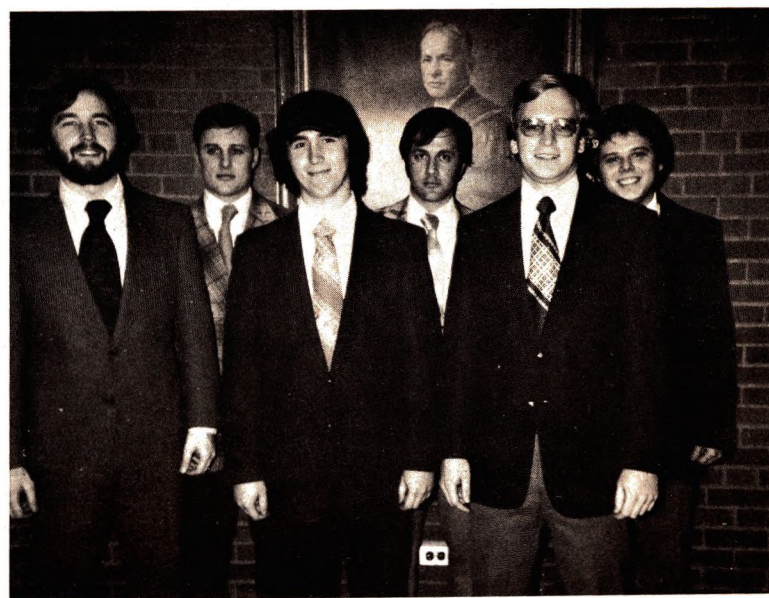

## Young, Founder of Taft Chapter, Dies

Brother A. Stuard Young died after a long illness on July 20, 1975. He was born in Washington, D.C. on December 4, 1887 and lived there most of his life until his health declined in 1972, at which time he and his wife moved to Richboro, Pennsylvania. Brother Young was educated at Central High School and Georgetown University in Washington, receiving his J.D. degree from that University in 1913 and LL.M. from the same institution one year later. While at the Law School, he was one of the founding members of Taft Chapter of our law fraternity.

Following his graduation, he was employed by American Security & Trust Company in Washington and then entered service in the Army of the United States in World War I, achieving the grade of 1st Lieutenant of Field Artillery prior to his release from active duty following the armistice. After service with the Interstate Commerce Commission, he practiced law first in Washington, D.C. and then for a period of time with a law firm in Cleveland, Ohio. He served for a while on the staff of the General Counsel of Koppers Company in Pittsburgh, Pennsylvania, and returned to Washington in the early 1930's as a staff attorney with the NRA prior to again entering private practice in that city. For the last 25 years of his professional life, he was with the Real Estate and Columbia Title Insurance Companies of Washington, D.C. and retired from that employment in 1968.

In addition to his interest in the affairs of Phi Alpha Delta, Brother Young was also active in the affairs of various of the Masonic bodies in the Washington area of which he was a lifetime member. Both Brother Young and his widow, the former Gertrude Louise Parsons to whom he was married in 1920, were members of St. Alban's Episcopal Parish in Washington.

His only child, A. Stuard Young, Jr., became a member of Taft Chapter of Phi Alpha Delta in 1947 and during his undergraduate career at Georgetown University Law Center was Justice of his Chapter; since his graduation younger Brother Young has been a practicing attorney in Philadelphia, Pennsylvania.

A former assistant to Dade County State Attorney, Richard E. Gerstin, Lieberman is presently a member of the Dade County Democratic Executive Committee.

## Hay Chapter Initiates

On Friday, March 5 Hay Chapter, at Case Western Reserve University, Cleveland, Ohio held spring initiation ceremonies. Those inducted included Joseph Carney, Raymond Fritz, Thomas Gross, Michael Reidy, Jay Slobey, and Brad Zelasko.

Ceremonies were also highlighted by a special plaque presentation to Homer S. Taft, Jr., Cleveland Alumni Justice and Hay Chapter alumnus. Mr. Taft was honored for his unselfish aid and counsel in Hay Chapter's reactivation.

A cocktail reception at the law school followed the ceremonies.

**ON FEBRUARY 18, MEMBERS OF HAY CHAPTER**, Case Western Reserve School of Law, Cleveland, Ohio, toured the offices of Gerald E. Fuerst, Clerk of Courts for Cuyahoga County. Chapter members received a guided tour of the Clerk's office, personally observing the procedures involved in filing and processing legal documents. Among those visiting were (left to right) John Pirina (Vice-Justice), Brad Zelasko, Gary Boncella, Mike Goler (Marshal), Tim Marcovy (Treasurer), Gerald E. Fuerst, Clerk of Courts, Greg Holtz (Justice).
