INNER HARBOR OF BALTIMORE — The pride of Baltimore (foreground) is an authentic replica of the Baltimore Clippers. She is shown entering the city's inner harbor which is the home of the World Trade Center, the National Aquarium and the colorful complex of restaurants and shops known as Harborplace.

Plan Now To Attend 1986 International Convention in Baltimore

All members are urged to make their airline and hotel reservations early for the 46th Biennial Convention of the Fraternity which will convene in Baltimore, Maryland, August 6-9, 1986.

Headquarters hotel will be the beautiful Omni International Hotel. Formerly the Baltimore Hilton, the hotel was recently acquired by the Omni International chain which has spent some \$12 million in completely renovating the hotel.

Extremely favorable rates have been negotiated for all those attending the Convention which are \$40.00 per room whether single, double or twin.

The hotel is located directly across from the Convention Center and is within walking distance of the Inner Harbor.

The Convention will offer members an unusual opportunity to work and relax with law students, attorneys and judges from many different backgrounds, to experience full scale parliamentary proceedings, and to make a personal contribution to the current programs and future development of the world's largest law fra-

ternity. It is anticipated that long range benefits to law school chapters will be many, as delegates will experience a scope of our International Fraternity first hand and return to schools with the exhilaration of fresh ideas and a new vision of PAD programming at the local level.

Convention Allowance

The Fraternity will provide the actual cost of the least expensive commercial air fare, hotel expense and subsistence allowance for each day of travel to and from the Convention and each day while at the Convention for one delegate from each law school and alumni chapter in good

standing. All chapters have previously been advised of the amount of their allowance.

Pursuant to the International Constitution and By-Laws, each law school and alumni chapter will be entitled to have two delegates and two alternates at the Convention and as many additional persons as desired.

The airline allowance is computed on the basis of supersaver fares in existence as of March 6.

Qualifications

In order for a law school chapter to be in good standing and to qualify for the monetary allowance, all fees and forms must have been filed with the Executive Office prior to the Convention. Each chapter has already been notified of any deficiencies.

In order for an alumni chapter to be in good standing and to qualify for the monetary allowance, it must have met the following requirements:

1. The annual alumni chapter tax of \$15.00 must be paid for the two fiscal years commencing July 1, 1984 and ending June 30, 1986.
2. It must have held at least two meetings during the period from July 1, 1984 to June 30, 1986.
3. It must have elected officers and report the same to the Executive Office.
4. Delegates selected must have paid the International alumni dues.

Convention Program

Delegates are urged to arrive in the afternoon or very early evening of Tuesday, August 5, 1986. A special reception will be held that evening for all attending the Convention. It will be held in memory of International Justice Stanley H. Kohn who passed away in November of 1985. It will be designated as the "Stanley H. Kohn Memorial Reception."

The Convention is scheduled to be called to order at 9:00 a.m. on Wednesday, August 6 by International Justice Jack L. Miller. An historical film strip of the Fraternity will be presented and a brief keynote address will be made by a PAD speaker of national reputation.

Chapter Workshops

That afternoon a series of chapter workshops will be conducted by International Officers of the Fraternity which will offer suggestions for improvement in strengthening of chapters in various areas. Extensive workshop materials will be provided.

Among the activities and events for the remainder of the week will be included in the following:

Eastern Airlines Will be Official Convention Airline

Eastern Airlines has been selected by the Fraternity to be the official airline carrier for our August 6-9, 1986 Convention in Baltimore, Maryland.

Eastern offers the most convenient scheduled service to and from Baltimore from most major U.S. cities.

Eastern will provide all members with an additional 5% discount off the lowest applicable fare. For example, if a member qualifies for a supersaver fare (which is oftentimes the most economical), the member will receive an additional 5% off that fare.

Reservations may be made directly with the Eastern Airlines Convention number. Call 1-800-468-7022 (all cities except Florida) or 1-800-282-0244 (Florida only). Hours: 8:30 a.m. - 9:00 p.m. (Eastern Time), Monday - Friday. Be sure to ask for EZ-8P19.

- Consideration of Amendments to the Fraternity's Constitution and By-Laws.

- Meetings of committees composed of student and alumni delegates which will deal with matters of Fraternity importance. Committee reports will be presented to the Convention and action thereon will take place on the floor of the Convention.

- A model initiation conducted by International Officers.

- Nomination and election of International Officers.

- Extensive social events including a sightseeing tour of Washington, D.C.

- The International Awards Banquet at which time outstanding chapter awards and service scholarship presentations will be made.

C.W. Travel Official Convention Travel Agency

C.W. Travel, Inc., 1000 16th Street, Suite 420, Washington, D.C. 20036, 1-800-424-5499, has been selected as PAD's official travel agency for the 1986 Convention.

C.W. will book reservations for members at the least expensive air fare on whichever carrier provides the service required and will also provide \$50,000.00 of free travel insurance with the privilege of utilizing a credit card to pay for the airline fare or the agency will bill the number.

Members utilizing C.W. Travel should be sure to refer to the Phi Alpha Delta Law Fraternity Convention so that all of the benefits above mentioned will be made available.

WHY JOIN PAD?

The question most often asked by non-member law students is, "Why should I join Phi Alpha Delta? Why should I pay \$50.00 and what do I get for my money?" All are very pertinent questions that deserve proper answers. The most obvious benefits of membership in PAD, are the tangible benefits that can readily be observed such as:

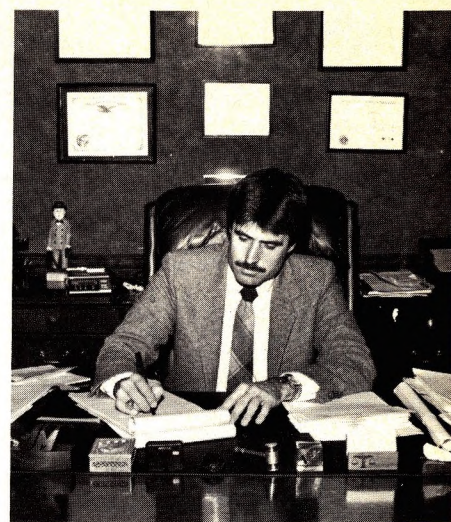

- Loans and scholarships
- Job preparation
- Job placement
- Insurance
- PAD Directory
- District Conferences
- International Conventions

However, I believe Phi Alpha Delta has far more to offer than tangible benefits. The \$50.00 initiation fee affords one membership in one of the largest legal organizations in the world, not for one year, but for life. It provides a network of lawyers, judges, professors and students who are dedicated to the principles and ideals that have become the foundation of Phi Alpha Delta. It provides membership in a Fraternity of firsts, the first to admit women, (by merging with Phi Delta Delta, the women's leading law Fraternity), the first to lift the caucasian only restriction, and the first Fraternity to say that we care enough about juveniles and their legal problems to form a Juvenile Justice System to help them understand their rights and what the law means to them.

Phi Alpha Delta has taken the lead in bridging the gap from college to law school by establishing a Pre-Law Program, designed to familiarize pre-law students with all aspects of law school life. The Pre-Law Program, is another example of the commitment to the legal profession by PAD. It helps pre-law students not only make an informed decision as to what school to attend, but even more important it helps them answer the question, "Do I want to go to law school?"

Probably the most important benefit of membership in PAD, however, is the bond of fraternalism that it offers. The bond that unites over 115,000 lawyers, judges, law students and pre-law students, for life, in a common goal of service to the law school, law student, law profession and the community. The investment is small, the requirements for membership are simple, yet, what we can accomplish together for our profession, is indeed meaningful.

Fraternally,

CORRECTION

In the December 1985 issue of *The Reporter*, it was reported that the Hutson Pre-Law Chapter of PAD located at Southwest Missouri State University received the award for the Most Outstanding Pre-Law Chapter for 1984-85.

In actuality, the Hutson Chapter received second place in the competition.

The winner of first place was the Pre-Law Chapter at the University of Oklahoma, which has been an outstanding pre-law chapter since its original chartering. *The Reporter* apologizes for this error to the University of Oklahoma Pre-Law Chapter.

Clark Chapter On The Come Back Trail

After a year long lapse that left the Tom C. Clark Chapter at the University of Texas with no funds and only one active member, the Chapter has become reactivated during the school year '85-'86.

A core of new members was initiated last September and a second initiation took place in November at the Supreme Court of Texas.

The Chapter has experienced a successful year in the oral advocacy competitions at the University. In her first attempt, Vice Justice Carole Riggs took first place in client counseling competition and has won a position on the UT client counseling team. At the same time, newly initiated Vicki Rowan won novice mock trial and the honor of best advocate (the first time in UT history). Long standing member, Gavin McInnis has become a member of the Association of Trial Lawyers, while first year members, Vicki Garcia and Mark Stetler have been accepted for the Barnard Ward Freshlaw Moot Court Competition.

PAD Heads U.S. Army Claims Service

Colonel Robert D. Hamel is presently serving as Commander of the United States Army Claims Service, Office of the Judge Advocate General, Ft. Meade, Maryland.

Colonel Hamel is a member of Benson Chapter at Washburn University and has served as Staff Judge Advocate of the United States Army in Hawaii, Commander of the United States Army Claims Service in Europe, and Commander of the United States Armed Forces Claims Service in Korea.

The U.S. Army Claims Service is the agency through which the Secretary of the Army and the Judge Advocate General discharge their responsibilities for the administrative settlement of claims under the authority conferred on them by certain statutes, regulations, agreements and directives.

The scope of the Army Claims Program is international in nature and involves the annual obligation of almost One Hundred Million Dollars in the settlement of approximately 160,000 claims.

COL. ROBERT D. HAMEL

The Services Carrier Recovery Program involves collection action on a subrogation basis against commercial carriers and warehouse men who, while under government contract, have damaged and/or lost property of Army personnel. Recoveries are undertaken as follow-up actions after government payment of personal property claims which are filed.

The receipt adjudication and payment of claims are executed by approximately 185 offices worldwide.

A recently acquired mission of the service is that of affirmative claims, which is the collection of monies due the United States Army as a result of third party negligence or wrong doing. The program generates approximately Ten Million Dollars in collections in favor of the United States Government each year.

The office also represents the United States Army in administrative claims failed against the government for alleged negligent acts of employees. The scope of the problem is illustrated by the fact that there are presently pending approximately One Billion Dollars in medical malpractice claims against the United States.
