REACTIVATION CEREMONIES FOR LIVINGSTON CHAPTER at Columbia University held October 9, 1986.

U. Of Oklahoma Chapter Reports Outstanding Year

Harlan Chapter at the University of Oklahoma reports that it concluded a most outstanding year for 1986-87.

One of its members, Andrea Foster, was a member of the law school's *BALSA National Moot Court Competition* which won the national competition March 20, 1987.

The chapter has sponsored a Juvenile Justice program which discusses various topics of the law with high school students in a question and answer format. It is designed to make students more aware of the law and problems which may exist in a particular area of the law.

It also assisted the University in a minority recruitment program. The program is designed to encourage minority students to attend the University of Oklahoma Law School. Chapter members spoke to pre-law students about PAD as well as the law school.

The chapter is also interfacing with the University of Oklahoma Pre-Law Chapter. Last February, it distributed old law school textbooks to pre-law members who welcomed them with open arms.

The chapter also utilizes various fund raising events. One successful event was that of a study aid sale and buy back. This event gives students an opportunity to purchase study aids at a price much less expensive than the University's book store. It also provides them an opportunity to sell their old study aids.

Harlan Chapter also sponsors a lending library which provides books to PAD members at very inexpensive rental rates. PAD members may rent books for \$2.00 per semester while non-members rent them for \$5.00 per semester.

PAD Governors

PADs continue to play an outstanding role in the administration of government throughout our United States. At the present time, eight members of the Fraternity are serving their states in this position. They are: Bill Clinton, Arkansas; George Deukmejian, California; Roy Romer, Colorado; Terry Branstad, Iowa; Martha Layne Collins, Kentucky; Richard H. Bryan, Nevada; Mario M. Cuomo, New York; and Rafael Hernandez-Colon, Puerto Rico.

Norris Becomes Chicago Alumni Justice

John K. Norris was installed last February as Justice of the Chicago Alumni Chapter.

The Chicago Alumni Chapter which was established in 1910 shares a lunch table at the Chicago Bar Association every day and annually conducts a District Initiation Ceremony.

Incoming chapter Justice John K. Norris presented an award of appreciation to immediate past Justice Ben Hyink, who became Chairman of the Executive Board.

Also receiving a service award was Board Member Edward Miller.

Others who were installed by past Supreme Justice Anthony A. DiGrazia were Thomas Fitzgerald, First Vice-Justice; Gregory Pardini, Second Vice-Justice; Robert Ross, Clerk; Diana Hanno, Treasurer; Robert Hogan, Historian; and Judge James Quinlan, Jr., Marshal.

PAD Statewide LRE Coordinators Need Your Help

One of the key factors in the success of the PAD LRE program is the nationwide networking of PAD members by our group of LRE Statewide Coordinators. These volunteers have steadily increased their effectiveness by having attended two training sessions in the last 12 months. They welcome contacts and offers of additional PAD assistance by alumni and law students alike. The growing list of Coordinators is included in this edition

Paterson Chapter Goes To Washington

For the past few years, Paterson Chapter of Phi Alpha Delta has been sponsoring an annual Supreme Court Trip. This year, it was held the weekend of February 27th through March 2nd. The main purpose of the trip was to see the Supreme Court on Monday, March 2nd.

Those going on the trip spent most of the weekend sightseeing in the nation's Capitol. Taking in the monuments, museums and other tourist attractions was quite tiring, but we all managed to spend at least some time in Georgetown nonetheless.

The highlight of the trip was listening to oral arguments at the Supreme Court. As it turned out, March 2nd was the first day the Supreme Court was hearing oral arguments this year. The arguments were quite interesting, ranging from a case about the right to counsel to a case dealing with the National Labor Relations Board. Being in the same courtroom with the nine foremost legal jurists in the country was indeed impressive.

Following the oral arguments, the group was given a guided tour of the Supreme Court Building. Afterwards, some ventured over to the Capitol across the street, while others tried to get that last bit of sightseeing in before our return to Seton Hall. By Tuesday, Washington was just a memory and it was back to the same old law school routine.

Law Practice Facts And Figures

Can you answer which state has the most lawyers? Altman & Weil reports that the five states with the most lawyers are as follows:

1. California — 82,646
2. New York — 75,733
3. Texas — 41,324
4. Illinois — 37,520
5. Pennsylvania — 34,880

There are now 676,852 lawyers nationwide, which is almost double the number of lawyers in 1970. It is estimated that by the year 2000 there will be one million lawyers.

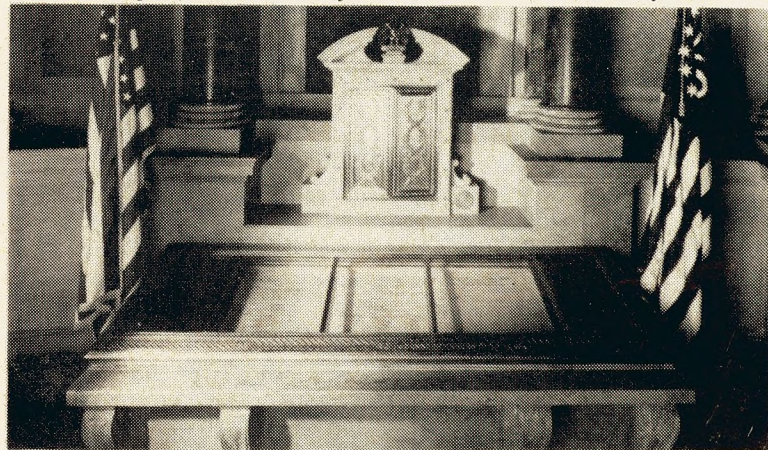

Another interesting statistic is the highest lawyer-to-population ratio in various areas:

1. District of Columbia — 1 lawyer for every 25 persons
2. New York — 1 to 280
3. Alaska — 1 to 297
4. Massachusetts — 1 to 309
5. Colorado — 1 to 334

Billable Hours — The average number of billable hours for partners is 1,680 and for associates 1,840.

THE PRESIDENT DOESN'T TAKE AN OATH TO DEFEND THE AMERICAN FLAG OR THE STATUE OF LIBERTY.

The President takes an oath to defend something even more important than a majestic symbol of our country.

The President takes an oath to defend the Constitution of the United States. A document that has been described as the greatest leap forward for freedom in human history. A document that is the foundation of our country. And the means by which we achieve the rule of law and protect our freedom.

As we commemorate the Bicentennial of the U.S. Constitution, there is no better way for you as an American to reaffirm the principles for which our country stands than to learn more about the Constitution.

THE INTERNATIONAL JUSTICE

A BIENNIUM OF ETHICAL ACHIEVEMENT

“Integrity: PAD Makes A Difference”.

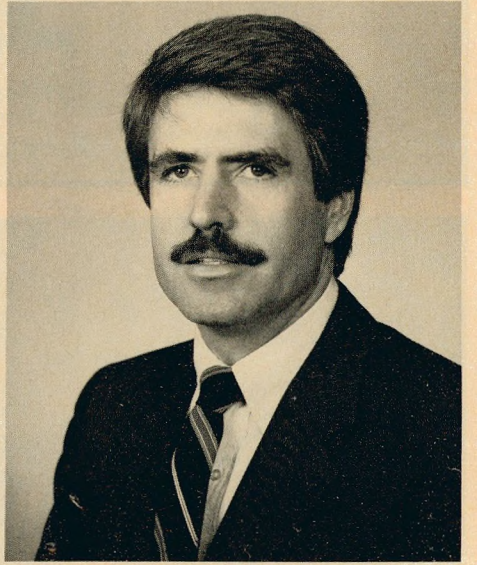

Less than a year has passed since the banner carrying those words hung high over the 1986 Convention floor at the Omni Hotel in Baltimore, Maryland. Since then, “Integrity: PAD Makes A Difference” has become much more than a Convention theme.

This current year is witnessing much progress by PAD in the field of PR&E. Two PR&E development committees were appointed; a panel presentation to the American Association of Law Schools was made; and the International Executive Board twice reaffirmed its commitment to PAD’s PR&E Program. Finally, a new effort was undertaken which may provide PAD students with tangible benefits in the form of materials on subjects of interest which emphasize PR&E.

This action by PAD could not come at a more important time for our Profession. We as lawyers — and those who would be lawyers — are faced with great challenges. I believe we will meet these challenges and in doing so, PAD will be a major force assisting our Profession to improve itself.

Professional Responsibility and Ethics has indeed become and will remain the essence of the ideals for which Phi Alpha Delta stands.

Law Related Education and Juvenile Justice; the Celebration of the Bicentennial of the Constitution; and now Professional Responsibility & Ethics. Through programs such as these, unmatched by any other law fraternity, Phi Alpha Delta continues to exert its leadership in the legal profession.

Phyllis Andresen Dies

Phyllis Andresen who held the position of office manager of the Executive Office of PAD longer than any other person in history, passed away recently in Oxnard, California.

When her brother, Frank E. Gray, became Executive Secretary in 1948 and the Executive Office was moved from Washington, D.C., to Los Angeles, he asked her to come to work for the Fraternity on a temporary basis until he could develop a permanent staff. She stayed until 1971.

She was truly one of the unsung heroes of PAD. Her dedication to the Fraternity knew no bounds. Office hours meant nothing to her . . . she worked early, late, weekends, and whenever necessary to get the job done. Her dedication and devotion to PAD were exemplary to all who knew her. The service she rendered to the Fraternity over the years is one of the major reasons that PAD has attained the position of preeminence it enjoys today.

Past International Justice Sandy Rae said, when he learned of her passing, “I expect when I go to the ‘Final Convention’, she’ll be waiting to register me.”

Martha JP McQuade Named District XVIII Justice

Martha JP McQuade, former Justice of John Jay Chapter at George Washington University, has been named District XVIII Justice.

McQuade, a Washington, D.C., attorney, also holds the distinction of being named one of the 10 Most Outstanding Young Women of America for 1985. Her career shows a steady record of achievement and distinction including both civic service and professional activity.

After graduating from the University of Texas, she moved to Washington, D.C., to attend law school and while there served as Press Secretary to Congressman William Patman of Texas. She was featured in the 1984 edition of Who’s Who Among American Law Students.

While in law school, she received the Outstanding Student Member award in 1984 and was runner-up in the selection process for the Most Outstanding Law School Chapter Justice. She is presently an attorney with the D.C. law firm of Schweitzer, Hirschmann and Farrar.

Robinson Chapter — Rapid Rebound

Robinson Chapter at the University of Arkansas-Little Rock, which in May of 1986 had a membership of only 8 persons, has rebounded strongly and its membership now stands at 62 . . . and is growing.

Not only is Robinson Chapter growing in number, but in spirit as well. Those who became members last year have been actively participating in chapter programs. The chapter’s successful book sale (over \$5,000) and an outline exchange for members have been prominent programs this Fall. Future programs planned include a panel discussion on how to study for exams, assisting the SBA in the organization of a law school golf tournament and a movie fest.

Hutson Becomes D.J.

Eric Hutson, who has recently concluded a tour of duty as International Field Representative, has been appointed District VII Justice.

Eric brings to the District a wealth of experience in PAD. He first started his work in PAD when he was a young boy and attended International Conventions with his father and served as Convention page. He then became the President of PAD’s first pre-law chapter which was chartered at S.M.S.U. on April 24, 1981. He then moved on to George Washington Law School in Washington, D.C., where he served as Clerk and then Justice of the chapter. During his tenure as Justice, Jay Chapter placed second in the International Outstanding Chapter Competition and was named the Outstanding Chapter in District XVII. He was recognized as one of the five Outstanding Chapter Justices in 1983-84 and received an Outstanding Service Scholarship Award from the Fraternity.

District VII is composed of Benson, Benton, Champ Clark, Stephen Douglas, Green, Lawson, and John L. Sullivan Chapters.

Eric is now a partner in the firm of Miller & Hutson in Lebanon, Missouri. One partner, Jack Miller, is currently International Justice of the Fraternity, and the other partner, his father Don Hutson, is a past International Justice of the Fraternity.

Peter McGrath Named District XXII Justice

Peter G. McGrath, Justice of Arthur Chapter at Vermont Law School, has been appointed by the International Executive Board to the position of Justice of District XXII.

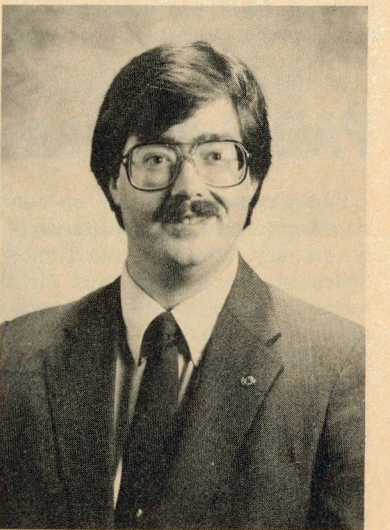

McGrath, a graduate of Franklin Pierce College in New Hampshire, has been named to Who’s Who Among Colleges and Universities as well as Who’s Who Among American Law Students. He formerly served as an Intern for United States Senator Warren B. Rudman.

Pat Traina — New District XVI Justice

Patricia A. Traina has been appointed District Justice for District XVI succeeding Judge Walter Bridges who found it necessary to resign because of family health problems.

Pat was initiated into O’Niell Chapter at Loyola University and has served several years as Justice of the New Orleans Alumni Chapter. She has also served as Alumni Advisor for both O’Niell and Martin Chapters. She has attended the International Conventions in 1980, 1982, 1984 and 1986.

She currently practices primarily insurance defense law with the firm of Berrigan, Danielson, Litchfield, Olsen & Schoneks in New Orleans.

LRE Coordinators

(Continued from Page 1)

of *The Reporter* to facilitate your contact. Next year we anticipate that another group of states will be added to the existing group of 34 states presently in the program. Although it is too early to identify such states to be selected by OJJDP, it is time for PAD to be ready with a full complement of State Coordinators. At present, we have made no selections for the states of Alabama, Alaska, Louisiana, Maine, Rhode Island, South Dakota, and Wyoming. Any member of the Fraternity wishing to volunteer for such a position in these states should call the Public Service Center in Bethesda, Maryland, by a collect telephone call.

1987-88 LRE Grant Extension Approved

The office of Juvenile Justice and Delinquency Prevention recently approved the 12th consecutive grant award to the Phi Alpha Delta Public Service Center for a 12-month extension of the law-related education program, effective June 15, 1987. This supplemental award, amounting to \$200,230, will bring the total LRE funding by OJJDP for the Fraternity to \$1.5 million since February 1979.

This 1987-88 program will be targeted in 34 states, with nine new states to be added. Such states are named below:

- 1984-85**
- California
 - Colorado
 - Florida (Dade County)
 - Hawaii
 - Illinois
 - Indiana
 - Michigan
 - Nevada
 - North Carolina
 - Oregon
 - Tennessee

- 1985-86**
- Connecticut
 - Florida (outside Dade C.)
 - Iowa
 - Pennsylvania
 - South Carolina
 - Utah

- 1986-87**
- Arizona
 - Georgia
 - Kentucky
 - Massachusetts
 - New Hampshire
 - New Mexico
 - New York
 - Washington
 - Wisconsin

- 1987-88**
- Arkansas
 - Idaho
 - Kansas
 - Maryland
 - Mississippi
 - Missouri
 - Montana
 - North Dakota
 - Texas

The principal role of the Service Center under the new grant will be to generate in the 34 states an attitude of receptivity, leadership potential, a willingness to support and a commitment to participate in project activities among the following groups: bar associations; judges and court systems; prosecutors; law enforcement officers, state and local government officials; and community groups such as PTA's, Chambers of Commerce, Junior Leagues, etc. We will be providing training for such participants and assisting in recruiting them to assist in classroom and field trip LRE activities.

These volunteer services by PAD members, in cooperation with local educators, will serve the key objective of enabling states and local school systems to continue and expand their training and dissemination activities as OJJDP support gradually diminishes. This is called "institutionalization".

Finally, PAD is fully committed to the involvement of racial and ethnic minorities and women in LRE program activities and community outreach in these states.
