The Eleventh Annual Convention of Phi Alpha Delta Lam Fraternity having adjourned *sine die*, by Constitutional provision the Supreme Executive Board of the Fraternity is empowered to decide upon the time and place of the next Convention. At a meeting of the latter body held at Chicago, April 29th, last, it was decided by an unanimous vote that the next, the Twelfth Annual Convention of the Fraternity be held at Chicago, Friday and Saturday, June 23rd and 24th. The Supreme Executive Board will be in session on the previous day, Thursday, June 22nd. Reminding every Phi Alpha Delta to blue pencil his calendar on June 23rd and 24th, the date of the biggest annual convention in the history of Phi Alpha Delta and of Greek fraternalism. : : : :

CORLISS CHAPTER

Phi Alpha Delta Enters Golden State

Phi Alpha Delta, the greatest legal fraternity in the world, has made a grand entry into the State of California.

Erskine M. Ross Chapter at the University of Southern California at Los Angeles, Jackson Temple Chapter at the University of California at San Francisco and Oliver Wendell Holmes Chapter at Leland Stanford Junior University at Stanford University are the triad that will represent Phi Alpha Delta in "the golden state." All have come into the fold but recently.

Ross Chapter at Southern California was installed Saturday evening, March 27th, under the direction of Brother Henry R. Saltmarsh, of Portland, Oregon, member of the Board of Tribunes of the fraternity.

The ceremonies incident to the installation were conducted without any detractions and reflected considerable credit upon those in charge.

After the installation an elaborate banquet was held and a wholesome display of good fellowship and some entertaining toasts by the masters of the ceremonies and the new Phi Alpha Deltas were in evidence. Ross Chapter promises great things for the order.

This Chapter was named after Erskine M. Ross, a Judge of the United States Circuit Court of Appeals, for the Ninth Circuit, one of the pioneers of Los Angeles, and famed as a lawyer and a Judge.

Its charter members are:

Perry Francisco Backus.
Charles Roland Baird.
Clarence Leland Belt.
Charles Bradley Bogue.
Pascal Henry Burke.
Walter T. Casey.
Robert Lawrence Hanley.
George David Hazen.
Henry Clifford Huntington.
Ablert Clement Jansing.
Herbert West Kidd.

Frank Hayward Toole.

On Saturday evening, May 13th, there was held the joint installation of Temple and Holmes Chapters in the Red Room of the Fairmont Hotel at San Francisco. Brother George L. Stewart, (Story), was in charge of the ceremonies, ably assisted by Brothers Henry R. Saltmarsh, (who installed Ross Chapter,) Casey and Hardy, the last two named being members of the new Ross Chapter.

The installation ceremonies were begun promptly at six o'clock and were completed shortly after eight o'clock. Nothing marred the work, which was followed by a sumptuous banquet and a most excellent program of toasts.

Among those who responded to toasts were the Honorable James M. Gillett, ex-Governor of California, the Honorable J. C. Jenkins, Chief Justice of the Phillippine Islands and Mr. Louis F. Hengstler, honorary members of the California chapter.

The California Chapter had in advance elected permanent officers as follows:

Justice—Eric C. Scudder, '12.
Vice Justice—Evan J. Foulds, '11.
Clerk—Oscar W. Hilton, '12.
Financial Secretary—Herbert Chamberlain, '13.
Treasurer—Fred S. Howell, '11.
Marshal—Jerome B. Kavanaugh, '13.

Temple Chapter's charter records the following members:

Eric G. Scudder.

W. Slack.
Stanley E. Goode.
Herbert E. White.
B. F. Van Dyke.
Norman D. French.
Edward A. Little.
Chester H. Warlow.

The joint installation of Temple and Holmes Chapters is the first in the history of Phi Alpha Delta.

The toasts were as follows:

University Ideals.....	Prof. Louis T. Hengstler
The Twin Chapters.....

The entire order extends its hearty congratulations and best wishes to the new-comers, its California brethren. All good fortune to you.

Preparations For The Convention

The Convention Arrangements Committee, consisting of Brothers Geo. E. Fink, Charles L. Daly and Edward J. Hess, appointed by the Supreme Executive Board at its last meeting, reports that considerable has been done toward making the coming Convention the finest in every respect that the Fraternity has ever held.

This General Committee has appointed subcommittees on Publicity, Reception, Entertainment and Banquet, all of which are meeting at least once per week. A special effort is being made to get out the older members of the fraternity, and some of the most prominent men in the fraternity in days gone by have accepted places on these sub-committees and are found working hard with the younger men. The first general meeting called numbered among those present three past Supreme Justices and four past supreme officers and interesting meetings are held of the sub-committeemen each Monday evening at De Jonghe's Restaurant. The Publicity Committee has arranged to send invitations to the Banquet to every member within a radius of seventy-five miles of Chicago.

The sub-committee on Banquet, headed by Bro. Wm. P. J. Halley, has arranged to hold the banquet at the new Hotel La Salle, where the business sessions of the Convention and luncheons will also be held. A suitable room has also been reserved as general headquarters for the delegates where they may meet and get acquainted and secure information and keep in touch with everything pertaining to the Convention.

Every delegate will be met at his train by members of the Reception Committee and taken to Headquarters. It is requested that delegates should, if possible, advise the General Chairman, Geo. E. Fink, by letter if possible, when his train is due to arrive in Chicago and over what line, in order that members of the Reception Committee may be assigned to meet them. If this can not be done by letter, it should be done by wire, and messages sent collect. Bro. Fink may be addressed at 203 Chamber of Commerce, Chicago, prior to Friday, June 23rd, and on Friday and Saturday, June 23rd and 24th, at La Salle Hotel, La Salle and Madison streets, Chicago.

The Entertainment Committee has planned to charter a boat for a trip out into Lake Michigan and back Friday night, June 23rd, a trip to one of the amusement parks Sunday afternoon, June 25th, and an old fashioned P. A. D. outing Saturday and Sunday, July 1 and 2, the expenses of which will be borne by the Chicago Alumni Chapter.

It is also requested that incoming delegates provide themselves with the fraternity colors and pin same to coat lapel before leaving train to permit of ready identification by members of Reception Committee assigned to them, and the Reception Committeemen will be so badged as to be readily distinguishable by any member of the fraternity.

Bro. Fink will be glad to promptly answer any inquires regarding the Convention Arrangements.

LA FOLLETTE MADE A P. A. D.

The Hon. Robert M. LaFollette, foremost man of men in the state of Wisconsin has recently been made an honorary member of Ryan Chapter, Phi Alpha Delta. Ryan merits the congratulations of the Order in securing so eminent a man who will add much to the prestige of Phi Alpha Delta.

NEW YORK ALUMI CHAPTER ACTIVE

The New York Alumni Association held a successful dinner at the Cape Boulevard on the evening of May 12th. The greater part of the members of the Association were present and after the dinner all went to the Chapter house and spent the evening with the active men. The Alumni have united the Active Chapter men to a joint smoker at the house May 27th. Monthly dinners are to be held by the Alumni in the future.

RYAN CHAPTER

Ryan Chapter has had the good fortune, since the last letter was written, to install into honorary membership Hon. A. J. Vinje, Associate Justice of the Wisconsin Supreme Court, and Hon. John H. Roemer, Chairman of the Railroad Commission of Wisconsin. Judge Vinje is a graduate of the University of Wisconsin, having taken his law degree here in 1887. For fourteen years before his appointment to the supreme bench to fill a vacancy, he was circuit judge at Superior, Wis. He was elected for the full term upon the Supreme Court in the recent spring election.

Mr. Roemer was a well known member of the Milwaukee bar before his appointment to the Railroad Commission in 1907. He graduated from Yale Law School in 1892, and made a specialty of insurance practice in Milwaukee. He is a member of Alpha Sigma Phi and Phi Beta Kappa fraternities.

Another triumph of Ryan Chapter was registered in the field of university politics, when William H. Spohn, senior in the college of letters and science and junior in the law school, was elected president of the senior class for the present semester, defeating the captain of the varsity baseball team by a substantial majority. Brother Spohn is the third successive P. A. D. to hold the senior presidency, the example having been set by Brother Ryan Duffy last year and Brother Gustave Buchen the year before.

Brother Jimmie McDonald, law '13, has just been elected to the joint debate team of the Hesperia literary society for next year. The joint debate is the time-honored forensic event of the year at Wisconsin. Brother McDonald also represented Wisconsin on the wrestling team, in the conference gym meet at Chicago in April.

Ryan Chapter has drawn first blood in the battle for new men, by pledging George E. Cleary for next year. Cleary has just been elected to Phi Beta Kappa, and is going to make a mighty good P. A. D. Our annual spring smoker, which will be held May 16, is expected to result in a number of other pledges.

Brother William J. Hagenah, '05, who has been employed as special expert by the Chicago city council to arrange a schedule of rates for the Chicago Gas Company, has submitted a 150-page report to the council,

recommending 77-cent gas for that city. The report goes into detail upon matters of valuation of property and income account. He previously conducted a similar investigation of the Chicago Telephone Company.

Myron T. Harshaw, '12, was initiated into Ryan Chapter in April. Brother Harshaw entered the law school from Beloit College, and is a member of Kappa Sigma.

The chapter gave its first party in several years, on April 22. Brother George Blanchard, '10, and wife, and Professor and Mrs. E. A. Gilmore chaperoned. Brother Frank Fawcett of Milwaukee came to Madison for the dance.

Brother Raymond T. Zillmer, who is taking the middle year of his law course at Harvard this year, has been offered a scholarship in political economy at Wisconsin for next year, and will undoubtedly be with us again next fall.

A recent P. A. D. partnership established in Nashville, Tenn., is that of Brothers Karl E. Steinmetz, Ryan Chapter, R. H. Beeler, Marshall Chapter, and A. E. Mitchell, Marshall Chapter.

Brother Fred Esch, '11, has been highly honored by the law faculty in being selected to represent the law school as commencement orator next June.

MAGRUDER CHAPTER

Magruder Chapter has done much since the last Quarterly issue but little of this would make interesting reading to anyone not an active Magruder man.

Outside chapters might be interested to know though, that we have initiated as an honorary member, Professor Wormser of the faculty, who is a recent arrival from New York City. Bro. Wormser is a graduate of Columbia, and he practiced corporation law in New York several years before coming to Illinois.

April 21st and 22nd was set aside for the annual alumnae banquet and dance. Quite a few of the old "boys" were back and showed that none of their old college spirit had been forgotten through mingling with the business world. Several members of Capen Chapter attended these two "functions."

Of the alumni we have only heard of one who has gained fame recently. This is Brother Dailey of Peoria, Ill., who was recently elected city attorney at the young age of twenty-three.

Two new men have been initiated into the chapter. These are T. A. Cunningham of Rossville, Ill., and C. M. Swanson of Gibson City, Ill.

Brothers Backman and Snyder of Danville paid us a hurried auto-

mobile visit recently. Brother Snyder is of Campbell Chapter and was elected city attorney of his home town this spring.

Brother Brockmeyer has been awarded an "I" for water-polo.

Now for the convention!

HAMLIN CHAPTER

Since our last message of good cheer Hamlin Chapter has been exceedingly fortunate in some respects and very unfortunate in others. The chapter roll has been increased, class offices have been monopolized by Phi Alpha Delta men and the high rank men of the various classes have been wearers of the purple and old gold. To support our contention let us cite the case of Charles B. Hosmer, who is, by the way, one of our delegates to the national convention. Mr. Hosmer, although not having completed his full course at the school had sufficient courage and energy to take the Maine Bar examinations in February, the result being that he was the recipient of the highest mark ever given in the state by the bar examiners, a rank of ninety-three and one-third. This illustration suffices to show the kind of men that Hannibal Hamlin Chapter possesses.

On the other hand the Phi Alpha Delta house was totally destroyed by the terrible conflagration that swept over the Queen City on Sunday, April 30th. Not only did the P. A. D. house succumb to the flames but the College of Law also fell an easy prey to its inroads so that on Monday, May 1st, the greater majority of P. A. D. boys arose to find themselves schoolless and homeless, a hard situation to face. The men worked like demons while the fire was raging around the house, many of them risking their lives in a hopeless endeavor to save not only their own personal effects, but also the fraternity property. It was wonderful to see and note the spirit shown that night; not one of them gave even a thought to what he had, or what he might have, until the assurance came that the charter, the seal and the records had been snatched from the flames. When it was seen that nothing further could be done to protect or preserve our property the boys went to work to assist other people in the neighborhood who were in dire straits and then rendered valiant and efficient work to such an extent that many of them have since received messages of gratitude from people whom they aided.

Prompt action was taken by the faculty at the instigation of the Phi Alpha Delta men composing the student body. Brother Gould, in a remarkable outburst of eloquence, convinced the faculty that the only thing to do under the circumstances in view of the fact that many of the man had lost practically their entire belongings, would be to suspend the work of the college, award the seniors their degrees and start a movement toward the erection of the finest law school building in the country. The different members of the faculty, considering that there was no law school in which to hold recitations, soon saw the logic of Bro. Gould's remarks and his plan was accordingly adopted. A committee was ap-

pointed of which Bro. Gould is the chairman, and also the brains, to provide for the erection of a new building, the cost of which will undoubtedly be in the vicinity of one hundred thousand dollars, a sum which was in the judgment of the committee deemed sufficient to erect a structure second to none.

Now, although the fraternity has received a set back, it is not going to yield to adverse circumstances. Phi Alpha Delta in Bangor will be housed and quartered in better shape than before and if any visiting brothers are so fortunate as to arrive in town next fall they will be both surprised and astonished at our celerity in re-establishing ourselves. We were well covered by insurance and while each and every individual member of the fraternity has sustained a loss, yet all are united on the proposition that the fraternity as a whole shall not suffer as a result.

The delegates from Hamlin Chapter to the convention are Bros. Charles B. Hosmer and Daniel I. Gould. Bro. Gould is a Lieutenant in Co. G., N. G. S. M., and was in command of the company at the time of the fire doing exceptional work protecting the lives and property of the citizens.

GUNTER CHAPTER

By the time this communication is read by the various brothers, Gunter chapter will be disbanded for the summer. All of us feel that the present year has been very profitable, and are loath to part from the halls of P. A. D., and the fraternal spirit that binds us together.

One brother will be lost to us by graduation, and the familiar face of Brother Malcom B. Erickson will be missing when we gather together next September. "Erick" has been a hard worker for Gunter Chapter and the best wishes of the U. of C. P. A. D's. go with him. He is as yet undecided as to where he will locate but probably it will be somewhere in Colorado.

Our rushing season and initiation were a success in every particular and we believe we "put is over our rivals" in tip-top shape.

Initiation exercises were held at the house on November 15th, and the mysteries of P. A. D. were revealed to Todd C. Storer, Robert O'Brien, Eugene Millikin, Paul Nafe, Leo P. Kelly, Harold H. Healy and Lawrence Giacomini,—all prominent members of the law school. After the ritualistic work the chapter and initiates assembled at the Seven Gables where an eight course banquet was served. The usual array of toasts followed the "east," and Melvin C. Goss, our most active alumni member acted as symposiarch. Brother Bottum spoke on "Our Fraternity;" Judge Julius C. Gunter, after whom the chapter was named, on "Reminiscences." "Off the Goat into the Bunch," was the subject assigned to Todd Storer, one of the initiates. Justice White of the Colorado Supreme Court gave us 'Bits of Advice for the Embryo Lawyer.' The last toast was "Significance of Fraternity Life," by A. A. Parkhurst.

Since the regular initiation, two more links have been added to our chain,—Willis Hinman of the Junior laws and John Barbarick of the freshmen. Both are active in the affairs of the law school, and are of the stuff of which loyal P. A. D's. are made.

In regard to University honors, Gunter Chapter has had more than her share. Brother Nafe is president of the Senior College; Brother O'Rourke was manager of the glee club and instrumental quartette, and took them upon the longest trip in the history of musical organizations in the U. of C. Brothers Millikin and Giacomini were members of the glee club, and the former took a leading part in the "College Widow," presented by the dramatic club in March. Brother Barbarick was also in the cast. In football, Brother Healy was the team's manager. Brother Storer is the manager of the "Silver and Gold," the University weekly. Brother Lichty is a member of the student commission. On the track team we are represented by Brother Healy. Brother Bottum is a member of the "Silver and Gold" editorial staff, and he, together with Brothers Parrish, O'Rourke, Storer, and Healy uphold the chapter's good name with the fair sex.

Brother Storer is a candidate for president of the student body, and Brother O'Brien is campaigning for the position of yell leader. When this epistle is read, we have no doubt that we will have gained more glory for Gunter.

Next year we hope to be more comfortably housed. Brother Venables and O'Rourke have been appointed a committee to hunt up a good place for us this summer. In time, we hope to own our own house, but fraternity conditions at Colorado are such that we must delay our hopes in that direction for some time to come.

Brother Parkhurst has been out of school this year due to ill health. He will not return as he is planning to go into journalism.

Brother Merritt Perkins, who left us last June has been in a law office in Indianapolis this year. Brother O'Donnell, one of our alumni is practicing at Pueblo, Colorado. Brother Melvin Goss, who takes a vital interest in all that pertains to Gunter, is a member of the firm of Reed, West & Goss, with offices in Boulder.

Brother Millikin will be our delegate to the convention. Brothers O'Brien and Parkhurst are alternates.

During the summer Brothers O'Rourke and Venables will be in Boulder and any P. A. D. coming in this direction should stop off and look them up. Gunter always has the latch string out for any P. A. D., and we hope many of our brothers will find the opportunity to visit us during the coming year.

CHASE CHAPTER

When we returned to school the first of the year, there was but six of us, nine having graduated the previous year and one dropped out of school in December. Since that time five good men were initiated into the mysteries of Phi Alpha Delta; Bros. Peacock of Cincinnati, Bennett of Wichita, Kas., Schildering of Cincinnati, Lyddy of Clinton, Ind., and Skelton of Portsmouth, Ohio.

The officers of this chapter for the school year were as follows:

George J. Herold, Justice.
Rolland H. Kraw, Vice Justice.
Gregor B. Moorman, Clerk.
Ray. H. O'Brien, Treasurer.
Harry N. Smith, Marshal.

Chase Chapter has been served very generously with the plums handed out at the Cincinnati Law School, a few of which we mention:

Bro. Herold, President of the second year class; O'Brien, Secretary of the second year class; Smith, President of the Rufus B. King Practice Court; Secretary of the Speakers Club and Librarian of the Cincinnati Law School. Bro. Bennett was on the debating team (composed of two) which defeated, earlier in the season, the University of Tennessee.

One of the recent feeds, (which numbered many this year) was a banquet at the Havin Hotel, April 8. Considering that our alumnae numbers but nine, and our active membership eleven, we feel proud in saying that the entire active membership and seven of the alumnae were present. Also Bro. Walker an Honorary member, and Mr. Wm. Strautmann, the custodian of the Law Building, who the boys all know as "Bill" and a friend. Justice Herold acted as toastmaster and excellent responses were made by many of those seated around the table.

Two of the boys who graduated last year have formed a partnership which is styled "Tatgenhorst & Weber." They have offices in the First National Bank Building, and their specialty is "everything"—mostly taking in money. Bro. Ralston also has offices in the same building, and it is generally understood his practice so far has netted him many thousands and cents. Bro. Bevis' practice mostly consists of U. S. Court work, he having four or five cases now pending in that court. Bro. Shepard is the young attorney upon whom the local papers commented, because of his capability in bringing the jury to tears in a certain case in which he was retained to defend a negress. To say the least, is to say that his argument was eloquent. Bro. Dosch is also practicing in Cincinnati, with offices in the Atlas Bank Building.

The news of the death of Bro. Risinger's father which occurred on the first of April at Sorrento, Florida, where he had gone in search of health, was received with sorrow by the chapter and our sympathies pour out to Bro. Risinger in the loss of one so dear to him. Bro. Ris-

inger is practicing law in Eaton, Ohio, having graduated in 1910. He was a delegate last year from Chase Chapter to the Convention at Chicago, when he was elected one of the members of the Board of Tribunes of Phi Alpha Delta.

Bros. Herold and Kraw, Justice and Vice Justice, have been appointed to represent Chase Chapter at the next annual convention.

Chase Chapter wishes through the Quarterly's columns to acknowledge receipt of a copy of Campbell Chapter's "News Letter." We believe such a magazine issued annually by each chapter would do wonders in retaining the interest of the alumnae in the chapter work, in addition to the numerous other advantages to be derived from such a publication. No doubt Chase Chapter will issue its first magazine next year.

CAMPBELL CHAPTER

Theta Kappa Nu, the National Honorary Legal Fraternity, has granted a charter to the University of Michigan. Thirteen men were chosen, and three of these, Brothers Murray, Dewey, and Prescott were P. A. D.'s. Again we lead the Phi Delta Phis, two of their number receiving the honor.

Brother Eldridge has entered the employ of the firm of Wedemeyer, Cavanaugh and Burke, in this city. He expects to be with them at least a year.

Three new men were initiated since our last publication. They are George S. Burgess of Brighton, Mich., Bradley M. Burns of Sewickley, Pa., and Victor T. Conklin of Hartford, Mich. All three are very strong men. Brother Burns is a member of the 1912 class, Brother Burgess, '13, received his A. B. from Michigan in 1905, and is a member of the Toastmaster's culb. Brother Conklin, '13, graduates this year from the Literary department, having enrolled in the combined Literary-Law course. He is well and favorably known in his class.

Word comes from Brother Slifer that he is engaged in the practice of the law at Chamberlain, So. Dak., in partnership with a former Michigan graduate.

Announcements are out of the wedding of Brother H. H. Servis and Miss Carlotta Stretch, of Ann Arbor. They expect to reside in this city where Brother Servis is engaged in the real estate business.

The following are the present officers of the chapter: Justice, J. C. Murray; Vice Justice, E. R. Case; Secretary, J. F. Lewis; Treasurer, E. C. Middleton; Marshal, D. Eugene Hunt.

The chapter received an invitation to attend the wedding of Brother H. S. Walker to Miss Edith May O'Harra, to take place at Cartahge, Ill., on May eighteenth. Brother Walker is practicing at Keokuk, Ia., having united with the firm of O'Harra, O'Harra & Woods.

GREEN CHAPTER

Three PADs were appointed to the Michigan Law Review. They are Brothers Farrens, Dilley and Martin.

Brother Spencer Kelley has been appointed Principal of the Lansing High School. We are informed that he, too, has about decided to put bachelor life aside.

Our news letter was sent out last month to all of our alumni, the Supreme officers, and the different chapters. We are very much pleased with its reception, and we expect to make it an annual affair. We find that it is the best way to keep the old boys in touch with the chapter.

Supreme Justice "Jack" Carmody paid us a visit the last of February. "Jack" is in Phi Alpha Delta heart and soul and his enthusiasm is catching, judging from the way the fraternity has progressed under his leadership.

Brother Case expects to enter the employ of the firm of Wilhelm, Parker & Hard, patent attorneys, Buffalo, N. Y., immediately after graduation.

We have two pledges at the present time. A. E. Meeder, A. B. (1909), and F. J. Kessel, '13. Both are up to the Campbell standard.

Brother Alcorn has been appointed Business Manager of the Students' Directory for the next year.

A dance was given during March at the Country Club. Some eighteen couples were in attendance. Professor and Mrs. Holbrook and Attorney and Mrs. Burke were chaperons. It is planned to have a series of dances at the club next year.

Our seventh annual banquet was held on April first. Plates were laid for thirty-two, the largest that has attended since the chapter was founded. After the inner man was satisfied an excellent program of toasts was given, with Justice Murray acting as toast master. During the evening a telegram from Brothers Roberts and Fink was read much to the appreciation of the bunch.

Plans are under way for the annual spring house party. It will take place the last of May at Whitmore lake. Quite a number have already signified their intention of going.

LAWSON CHAPTER

RESOLUTIONS ON THE DEATH OF O. B. DENNY.

Whereas, the Great Arbiter of the affairs of men, in the exercise of an infinite wisdom and judgment, has deemed it best to remove from our midst our friend and brother, O. B. Denny, and

Whereas, he was a member of the John Davison Lawson Chapter of the Phi Alpha Delta Law Fraternity, therefore,

Be it resolved, that we, the members of the John Davison Lawson Chapter of the Phi Alpha Delta Law Fraternity hereby express our heartfelt regrets at the sad news of his early death and feel that we have lost a friend and brother for whom we had the warmest and tenderest feelings.

Be it further resolved, that the Charter of the John Davison Lawson Chapter of the Phi Alpha Delta Law Fraternity be draped for a period of thirty days.

Be it further resolved, that a copy of these resolutions be spread upon the records of the John Davison Lawson Chapter of the Phi Alpha Delta Law Fraternity.

OSMUND HAENSSLER,
V. E. D. LANDON,
Committee.

HAMMOND CHAPTER

The Hammond Chapter is highly pleased with the success we have had at the State University of Iowa this year. The year opened with an enrollment of 13 men. Up to this time, 9 new men have been initiated into the chapter, making an active enrollment of 21 members in all. The new men whom we have welcomed into the chapter are: Robert Eggert and Frances Fuller, 2nd year; and Glenn Cunningham, Frank Baer, Eugene MacGuire, Vernon Seeburger, Wayne Cook, Eal Browning, and Ruel Liggett, 1st year. Most of our freshmen are six year men taking their B. A. degrees this year. Harry Fuller, L. A. 3, is also a recent pledge.

At a recent initiation, Attorney J. L. Parish of Des Moines was admitted to honorary membership in the fraternity. Mr. Parish is one of the prominent attorneys of the state capital, and is general counsel for the Chicago, Rock Island and Pacific lines.

One of our first year men, Cunningham, led the intercollegiate debating team that defeated Minnesota this year. He is also Iowa's delegate to the N. O. L. conference at Wisconsin this spring. Baer is one of Iowa's well known track men.

Harry Tuller and Ray Wise will be the delegates from this chapter to the national convention of the fraternity this summer.

One of our recent alumni, Frank Messer, '10, who is practicing here in Iowa City, has just been elected on the democratic ticket to the office of City Solicitor. This is a signal victory in the community where the opposing party is strong and many older lawyers in competition.

The chapter has instituted an excellent system of "Quiz" work and discussion, as a supplement to the regular study of law. The question lists and texts are all kept on file in the chapter house where they can be readily used in the supplemental study. The practicability of this sys-

tem was well shown in the mid-year examinations. There were about 70 grades of "A" out of a possible 100, drawn by our members.

The general air of good-fellowship and fraternity spirit has been especially marked because practically all the men board and room at the chapter house. This naturally keeps up the interest in fraternity affairs and also adds much to the pleasure of the members. We have had a number of excellent receptions and dancing parties during the year; and have also done much entertaining at the house. These social affairs have helped much in upbuilding the chapter and in adding to the general enjoyment. We have had men on the Prom, Military Ball, and other University Formal Committees, and have been well represented in most of the college activities.

The officers of Hammond Chapter this year are:

Carl Hollman, Justice.
Ray Wise, Vice Justice.
Geo. Gunderson, Clerk.
G. A. Rehder, Financial Secretary.
Lloyd Norman, Treasurer.
Harry Tuller, Marshal.

Our nine seniors are now making preparations to take the State Board Examinations at the end of this school year. It will be a heavy loss to us when these men leave the University to go into practice; but we feel that, with the enviable reputation we have sustained this year, we will have little trouble in pledging a good buch of men from the freshman class of next fall.

GREEN CHAPTER

Green Chapter has been progressing nicely since our last letter and we are now in excellent shape. Our membership roll has about reached its limit this year with a total of thirty-three. We have recently initiated the following into the secrets of the fraternity:

U. A. Gribble of Arkansas City.
G. W. Miller of St. Marys.
Paul Nees of Independence.
W. M. Hughes of Lawrence.
Herbert Hammond of Clayton, N. M.
Ray O. Lindsay of Gillman City, Mo.
Chas. F. Maris of Lawrence.
George Beezley of Girard.

We have had several smokers and open house gatherings at the house this year which enabled us to get a line on the cream of the first year class. And we got them too.

We have completed all arrangements for our new chapter house for

next year. It is in the center of the student district and near the law school. Our address will then be 1408 Tenn. St., and the doors of Phi Alpha Delta will always be open to visiting brothers and their friends.

Brother Wilson was admitted to the bar last January and is now a prosperous attorney as well as a justice of the peace of the city of Lawrence.

Brothers Berry and Ebright are now practicing in Wichita, Kansas.

Green Chapter is pleased to announce the initiation of Prof. H. W. Humble of the law faculty into the chapter as an honorary member.

Green Chapter is very active in college affairs and succeeded in electing Brother Allphin law school speaker for Student Day which occurs during commencement week. We also believe that we will elect the president of the senior law class next fall.

A base ball team has been organized and a challenge sent to the rival law fraternity. The game will be played in the near future and of course we expect to do the shouting.

Brothers Shinn, Hammond and Burgess were guests of Benton Chapter at their Founder's Day Banquet last month and were royally entertained. We are preparing for our banquet which was postponed on account of holidays and which will be held within a short time.

We are well represented on the varsity base ball team, Brothers Allphin, Hill and Cayot being regularly on the squad.

The following are the recently elected officers:

Lewis T. Reeves, Justice.

Glenn W. Porter, Vice Jusitce.

Richard E. McIntosh, Financial Secretary.

Clyde B. Harrold, Treasurer.

Karl V. Shawver, Marshall.

CAPEN CHAPTER

It was with regret that Capen Chapter failed to insert its letter in the last quarterly, owing to an inevitable mistake, but notwithstanding we try and cover all of that period in this letter.

This has indeed been a banner year for Capen Chapter, both in school and fraternal life, which may be noted from the following:

We commenced the year with seven old and nine new men. The new men are of the best fraternity timber and we had, without a doubt, the pick of the freshmen this year, while the old men are of that old veteran type that are always found to be the foundation of a successful chapter.

We have, aside from our school work, found time to devote to

social events such as monthly smokers, dances, box parties, and it will be well to mention here our annual, which was held the 28th of February, which was a success in every respect and one of the most brilliant affairs of the year.

In athletics we hold the banner, having two men on the foot ball squad, three in basket ball, one in track and one in base ball.

In the winter term of this year we were very fortunate in getting two pledges respectively, Bro. Roberts and Bro. Young.

In the class room we have done very well in electing a president and speaker of the freshman class; taking all into consideration, we have reason to feel proud and look forward to a bright future.

In closing will say that our door stands open to receive any brother that may chance this way. We wish our sister chapters success in the closing of this year and the opening of next.

RAPOLLO CHAPTER

The writer remembers vaguely a passage in some English History to the effect that on a cold gray dawn of a February morning the head of Mary, Queen of Scots, fell from the block. Well, to come down to modern times on a cold gray dawn in April, to be exact, this morning, several heads rose from a sleep rendered short by festivities. Sort of a revelry by night, as it were.

Rapallo Chapter has held many successful smokers, several successful banquets, but has now entered upon green fields and pastures new. Last night we had a dinner and dance at Delmonico's, having about twenty-five couples on the floor. Any doubting Thomas or gentleman from Missouri who thinks that the dance was not one of the most pleasant affairs ever held need but ask any of those who were there to be convinced.

We were much pleased to have with us Brothers Naffz and Mayer of Ryan Chapter and Garrett of Fuller. When Brother Garrett came last there were but four chapters, he lost sight of the fellows and only recently learned how the child had grown. He is much impressed with our present magnitude and future prospects and having joined the local alumni association, promises to again get in touch with the progress down the pathway of the ages.

Hoping all chapters may have as much success on any similar or any other occasion.

TAFT CHAPTER

The new officers elected are:

W. J. L. Sis, Justice.

Charles H. Farrell, Vice Justice.

John M. Longan, Clerk.
Roscoe A. Ridgway, Treasurer.
Frank L. Hall, Financial Secretary.
Thomas M. Murn, Marshal.

STORY CHAPTER

Story present to the Fraternity the following new members:

Edgar B. Elder, 1001 W. 55th street, Chicago;
James B. Hansen, 726 N. Homan Avenue;
Ralph Bacon, 26 W. Erie Street;
Melville R. Adams, 1740 Winona Avenue.

While the list of recent initiates is not large, we feel proud of the fact that the quality of material thus added more than makes up for the deficiency in numbers.

A series of well attended smokes have, during the past year, been held, and have greatly added to the fraternal atmosphere which has always prevailed in Story Chapter.

Story Chapter participated in a joint initiation with Webster and Blackstone Chapters on Saturday evening, April 22, at which time nine candidates were initiated by the three Chapters into the mysteries of P. A. D.

Bro. Jas. J. Cherry has been honored with a membership on the faculty of Illinois College of Law.

Bro. J. R. Linden has opened law offices at 518 Ashland Block, Chicago, and is now engaged in the general practice of law.

Bro. W. Mark Dudley was recently elected County Treasurer of Putnam County, Illinois.

Bro. Geo. Fink, as chairman of the general arrangement committee, is a very busy man these days setting the stage for the Annual Convention.

The officers for the year 1910-11 are as follows:

Justice—J. Robert Linden.

Vice-Justice—John E. Flannigan.

Clerk—M. J. Cherry.

Treasurer and Fin. Secretary—Frank J. Calupny.

Marshall—Wm. C. Rourke.

House Trustee—Chas. B. Jenks.

The Chapter Rooms are located at 12 Erie street, where we will extend a hearty welcome to all visiting brothers.

EDITORIALY

MEETINGS OF SUPREME EXECUTIVE BOARD

The Supreme Executive Board convened at the Hotel La Salle, Chicago, Saturday, April 29th. Present: Supreme Justice Carmody, First Supreme Vice Justice Fleming, Supreme Recorder Hess, Supreme Treasurer Adams, Supreme Financial Secretary McKeag and the editor-in-chief. Absent: Supreme Historian Meier. Regular routine matters having been disposed of the Board proceeded to the matter of arranging for the Twelfth annual convention of the fraternity. The Supreme Justice appointed a committee to take the matter in charge and the spirit of the meeting was that the next convention be not only a memorable event for Phi Alpha Delta but for Chicago fraternalism, in general. During the meeting Brothers Roberts, Fink and Daly "dropped in" and let the Board know that they were still as enthusiastic as ever in the greatest legal fraternity in the world. Much of the work the Board accomplished will appear in other pages of this number.

SUPPLEMENT TO DIRECTORY POSTPONED

This number concludes Volume 4 of the Quarterly. It was originally intended that this number should contain a supplement to the Directory, but, as it is impossible for the Supreme Recorder to have the names of all new members in time for this issue, because of the congestion of work that accumulates in his office just before convention time, and because many chapters have failed to turn in a list of their new members, *in toto*, rather than have a supplement that was not complete it was decided to defer the matter until after the convention when a supplement could be made not only inclusive of all new members but further revised as to old members.

AN APPRECIATION

There comes a time when every speaker must say "thanking you for your kind attention," or something to that length,—and it is quite as true of an editor-in-chief. The editor acknowledges here the cheerful assistance of the members of the Supreme Board, as such, and as a Board. Not without their consideration for the fraternity's organ could it have met with any of the success that any individual may credit to it. To the appreciation of Supreme Justice Carmody and the grace of Brother Adams, who dispenses the wherewithall that makes the wheels of the magazine turn 'round, are due the materialization of

three numbers to be followed by a supplement, for this year. Never has the fraternity had a real Quarterly before. While chapter correspondents have not responded as promptly as the editor hoped there has been some improvement in this hamperage, which is as old as the organ itself. Complete harmony in the Supreme Board has made the task that fell to this scribe a pleasure, indeed. To his successor he hopes that the new features, to which have been accorded some little appreciation, will be retained so that their possibilities may, in time, be demonstrated.

THE WANING ADMINISTRATION

As the voice of the Supreme Board the Quarterly hesitates in saying anything about the administration that has almost completed its service.

Some noted essayist, other than Emerson, says that "a man may, with propriety, speak of his achievements, not by way of boast or self satisfaction, but in justification." And so the editor, without any collusion with the rest of the Board and understanding that the consequences will be visited on him, takes occasion to call to the brother reader's attention the progress of Phi Alpha Delta in 1910-1911. It has been a big stride,—the variety that retains for Phi Alpha Delta the title of "the greatest legal fraternity in the world." Four new chapters have come into the fold, and with them eighteen carat material. Surely the administration and Phi Alpha Delta, everywhere, have accomplished all that could be expected of them, and a great deal more.

TO HAMLIN CHAPTER

The sympathy of the entire order is extended to Hamlin Chapter in the loss of their chapter house in the great fire that swept Bangor, Maine, recently.

The ability to meet and withstand a misfortune of this character is indicative not only of a high fraternal enthusiasm, but much individual sacrifice: it is a test of strength.

THE STANDARD OIL MONOPOLY CASE

The recent decree in the case of the United States vs. The Standard Oil Co., *et. als.* by the Supreme Court of the United States, declaring the defendants guilty of a combination in restraint of trade under the first and second sections of the Sherman Anti-Trust Act, has elicited comment from all legal periodicals.

While it is uniformly conceded that the ultimate decision properly visits the penalty of dissolution on the defendants, the case being the monument that it is, is unfortunately grounded on questionable theory. The position of Justice Harlan in dissenting from the grounds upon which the decision is reached, (though concurring in the decision itself,) has been favorably regarded by many enlightened jurists and practitioners. That every contract no matter whether "unreasonable" or "undue," is in positive violation of the Sherman act seems to be the logical legal construction. Otherwise, as Justice Harlan maintains, the Supreme Court legislates in that it reads into the act the above elements of being "undue" and "unreasonable," rather than following the evident meaning of the act

when it says, "*Every* contract, combination in the form of trust, or otherwise, or conspiracy in restraint of trade or commerce, among the several states, or with foreign nations, is hereby declared to be illegal." Nothing in the act suggests the qualification made by the majority of the Court. As the decision, though doubtful from the standpoint of substantial legal theory, is in accord with justice and fair public sentiment the excellent test that is suggested by the majority should be incorporated into a new and more explicit trust act.

WHEN A GRANTOR COURTS THE MUSES.

It is said that the following unique transfer is of record in Book 40 of Deeds at page 215, in the office of the recorder of Cass County, Illinois. Mr. Shaw, who wrote the deed was a talented lawyer and died while serving in the Illinois legislature.

I, J. Henry Shaw, the grantor herein,
Who lives at Beardstown, Cass County, within,
For seven hundred dollars to me paid today
To Charles E. Waymann, do sell and convey
Lot two (2) in block forty (40) said county and town
Where the Illinois river flows placidly down,
And warranty the title forever and aye,
Waiving homestead and mansion, to both a good-bye,
And pledging this deed is valid in law,
I add here my signature, J. Henry Shaw.

(Seal.)

Dated, July 25, 1881.

I, Sylvester Emmons, who lives in Beardstown,
A Justice of Peace of fame and renown,
Of the County of Cass and Illinois state,
Do certify here that on this same date,
One J. Henry Shaw to me did make known,
That the deed above and name were his own,
And he stated he sealed and delivered the same
Voluntarily, freely, and never would claim
His homestead therein; but left all alone,
Turned his face to the street and his back to his home.

(Seal.)

S. EMMONS, J. P.

Date August 1, 1881.

Shaw at the time of the above was a widower and without kith or kin alive. The deed appears to effectually convey the title and is believed to be without precedent or sequence, in form.

ALUMNI NOTES

(Hereafter it is suggested that chapter correspondents will keep notes pertaining to alumni separate from accounts of chapter activities so that they may be placed in this department under their proper heads.)

Alumni members in Kansas City, Mo., are taking steps preliminary to obtaining an alumni chapter charter. There is now a Phi Alpha Delta alumni association there.

At the last meeting of the Supreme Executive Board there was issued a charter to the Chicago Alumni Chapter of Phi Alpha Delta. Great things are expected of the organization inasmuch as the Chicago alumni are known to the order as an aggressive aggregation. Charles Daly is the leader of the new organization, and a good one.

George Fink was elected Treasurer of the Michigan Alumni Association for the ensuing year at the annual meeting of that body last month.

Thomas Lindskog, that inveterate P. A. D., was married on Tuesday, April 8th, to Gertrude Elizabeth, daughter of Mr. and Mrs. Bernard F. Clettenberg, at Chicago. At home after June 1st, at 1130 La Salle avenue. Though we shall see less of "Tommy" now we extend our hearty congratulations in spite of the deprivation of his much appreciated company.

It is announced that Geo. M. Weichelt, (Fuller), and Miss Mae Belle Pleas, of 4872 Sheridan Road, Chicago, are to be married in the near future. Congratulations are in order to Bro. Weichelt on this announcement, for the bride to be is said to be the sweetest little girl that ever lived.

Brother Charles A. Wilber is now at Moscow, Idaho, where he is professor of law in the University of Idaho. Brother Wilber will be remembered by the older members as the first editor of the fraternity's magazine.

THE DODDS BILL

The flurry caused by the recent agitation in Congress for increased postage rates on magazines is still a source of consternation in the business offices of magazine publishers.

The Dodds Bill which allows fraternal magazines, and others of a like character, to be transmitted as second class matter, is responsible for a meeting of representatives of the leading college fraternities at Washington, D. C., April 26th.

Supreme Justice Carmody, pursuant to the following letter represented Phi Alpha Delta.

John Doyle Carmody, Esq.,
Washington, D. C.

My dear John:—

You are invited to attend the Inter-Fraternity Conference at the University Club tomorrow (Wednesday) evening at 8 o'clock representing the Phi Alpha Delta Fraternity.

The object of the conference is to consider what action the various fraternities will take with reference to the Dodds Bill in the matter of postal rates.

With very good wishes, I am,

Very truly yours,

W. W. BRIDE, Chairman.

The entire list of those who attended, and of the fraternities represented were:

J. Lester Brooks, (Alpha Kappa Kappa) Bond Bldg.
Arthur E. Middleton (Phi Kappa Psi) 1333 15th St.
Malcolm A. Coles (Phi Kappa Sigma) Dep't of Justice.
Frederick H. Austin (Phi Delta Theta) 1116 Columbia Rd.
J. Arthur Moore (Phi Delta Phi) 1100 Vermont Avenue.
Frederick W. Albert (Theta Delta Chi) 3106 17th St.
Charles L. Yancey (Sigma Phi Epsilon) 1433 Rhode Island Ave.
Rev. Hugh T. Stevenson (Phi Gamma Delta) 157 U. St.
George H. Lamar (Alpha Tau Omega) Fendall Bldg.
W. E. Sullivan (Kappa Sigma) 1100 Vermont Avenue.
John Doyle Carmody (Phi Alpha Delta) Columbian Bldg.
Charles B. Coffin (Kappa Alpha (S. O.) Century Bldg.
William W. Bride (Delta Chi & Sigma Chi) Century Bldg.

The Dodds bill reads as follows:

**“62D CONGRESS,
1ST SESSION.**

H. R. 3972.

IN THE HOUSE OF REPRESENTATIVES.

April 11, 1911.

Mr. Dodds introduced the following bill; which was referred to the Committee on the Post Office and Post Roads and ordered to be printed.

A BILL

To admit to the mails as second-class matter periodical publications issued by or under the auspices of benevolent and fraternal societies and orders and institutions of learning or by trades-unions, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
That from and after the passage of this Act all periodical publications issued from a known place of publication at stated intervals, and as frequently as four times a year, by or under the auspices of a benevolent or fraternal society or order organized under the lodge system and having a bona fide membership of not less than one thousand persons, or by a regularly incorporated institution of learning, or by a regularly established State institution of learning supported in whole or in part by public taxation, or by or under the auspices of a trades-union, and all publications of strictly professional, literary, historical, or scientific societies, including the bulletins issued by State boards of health, shall be admitted to the mails as second-class matter, and the postage thereon shall be the same as on other second-class matter, and such periodical publications, issued by benevolent or fraternal societies or orders, trades-unions, strictly professional, literary, historical, or scientific societies, shall have the right to carry advertising matter, whether such matter pertains to such benevolent or fraternal societies or orders, trades-unions, strictly professional, literary, historical, or scientific societies, or to other persons, institutions, or concerns; but such periodical publications, hereby permitted to carry advertising matter, must not be designed or published primarily for advertising purposes, and shall be originated and published to further their own objects and purposes, respectively; and all such periodicals shall be formed of printed paper sheets, with-

out board, cloth, leather, or other substantial binding, such as distinguished printed books for preservation from periodical publications: *Provided*, That the circulation through the mails of periodical publications issued by benevolent or fraternal societies or orders, or by trades-unions, strictly professional, literary, historical, or scientific societies as second-class matter shall be limited to copies mailed to members, exchanges, and bona fide subscribers, together with ten per centum of such circulation in addition as sample copies: *Provided further*, That the office of publication of any such periodical publication shall be fixed by the association or body by which it is published, or by its executive board, and such publication shall be printed at such place and entered at the nearest post office thereto."

It was the spirit of the meeting that every member of the respective orders write to his Congressman, urging him to vote for the bill, stating the exact facts about their respective magazines.

Accordingly it is suggested that every Phi Alpha Delta write a letter to his Congressman substantially as follows:

Hon.

Washington, D. C.

Dear Sir:—

As a member of your district and a member of the Phi Alpha Delta Law Fraternity I am greatly interested in the passage of the "Dodds" bill H. R. 3792. The fraternity publishes a Quarterly magazine, solely in the interests of its members and the legal profession, not for the benefit of any particular person or as a means of getting advertisers. We have very few advertisements, not enough in any way to pay the expenses of the publication. The magazine is supported by the members of the fraternity. The deficit is paid by the Supreme Board of the fraternity.

If the Postmaster General's scheme prevails it will put us out of business as we cannot afford to pay the great increase of postage. The Dodds bill will prevent us having to close down.

SIGNED.....

CONVENTION COMMITTEE MEETS.

On Monday evening, May 8, a general meeting of the committee-men arranging for the twelfth annual convention of Phi Alpha Delta, numbering thirty-two, met for organization. The committee was divided into sub-committees of Reception, Publicity, Speakers and Banquet.

The Chicago brethren are resolved that no effort will be spared to make our next convention a record-breaker.

In The Greek World

Chapters from eight schools were admitted to membership in the Delta Sigma Rho fraternity at its convention at Fisk hall, Evanston yesterday morning. The main purpose of the convention was to revise the constitution, but the question of admitting certain colleges was taken up and voted upon. The schools which are newly admitted are Cornell university, Leland Stanford university, Albion college, Carleton college of Minnesota, Knox college of Galesburg, Ill.; North Dakota university, Ewarthmore college, and Western Reserve university. Allegheny college, Amherst, Colgate, Coe, Drake university, and the University of Tennessee were refused admission because their general rating is lower than the standard desired by the fraternity.

The following is from a Chicago paper of recent date:

"Declaring that the Phi Beta Kappa, the oldest Greek letter fraternity in the country, tends to the creation of an intellectual aristocracy, and is undemocratic in form, tastes and tendency, John Gutknecht, the twenty-one-year-old son of Godfrey Gutknecht, a contractor living at 2835 Warren avenue, has refused the honor of becoming a member of the fraternity, which is said to be the highest compliment that can be paid a student.

Young Gutknecht is a member of the graduating class at the University of Michigan, and has won, among other things, the Chicago Alumni Medal for oratory and the Kaufman testimonial \$100 prize for oratory. By refusing to accept membership in the fraternity Gutknecht and his chum, Louis P. Heller, of Omaha, Neb., who has also declined a "bid" has set a precedent."

The action of the two students elicited considerable comment from the press from coast to coast, lauding the action of the "precedent makers." Without entering into the motive that prompted the attitude, it would seem that the long list of members, including some of the most distinguished men of the day and the past, who have had the opportunity to decline the recognition, would indicate to the press that the precedent is one, rather for cheap eccentricity, than sound discretion.
