The primary purpose and principal objective of your trip is Panama-Pacific International Exposition—then, take the direct route that is 273 miles shorter and from 11 to 28 hours faster than any other through car line Chicago to San Francisco.

Union Pacific Southern Pacific

The Cool, Comfortable, Northern Route to Both Expositions

It is double-tracked three-fifths of the entire distance and is protected all the way by *automatic electric* block safety signals. It operates the famous Overland Limited, the only daily extra fare train to California, and the Pacific Limited.

After you have seen the Exposition, make the side trips and, if you travel this route, you may visit for the one fare both Expositions, Denver, Colorado Springs, Salt Lake City and San Diego, and for slight additional expense, visit during the season, Rocky Mountain National Park, Yellowstone National Park, Lake Tahoe and Yosemite National Park.

Seeing the Expositions is not an expensive trip if you plan wisely beforehand. To do that, fill out coupon and mail today as 175,000 others have done and learn how to see practically all the West for the usual one-way fare.

NO. 1

SIXTEENTH NATIONAL CONVENTION

PHI ALPHA DELTA LAW FRATERNITY

San Francisco, California, August 5, 6, 7, 1915

Your committee after careful consideration and advice from members interested, has selected the Chicago & North Western Ry., Union Pacific R. R., Southern Pacific Co. (the Overland Route) as our Official Line of Travel.

Arrangements have been made for a special train consisting of open section, compartment drawing room, sleeping cars and dining and observation car, to leave Chicago from the New Passenger Terminal of the Chicago & North Western Railway, Madison and Canal Streets, Chicago, on the following schedule.

Lv. Chicago	Sunday, August 1, 9:35 p. m.
Ar. Omaha	Monday, August 2, 10:15 a. m.
Lv. Omaha	Monday, August 2, 10:30 a. m.
Ar. Ogden	Tuesday, August 3, 5:25 p. m. (M. T.)
Lv. Ogden	Tuesday, August 3, 4:40 p. m. (P. T.)
Ar. San Francisco	Wednesday, August 4, 8:50 p. m.

The Route:

Leaving Chicago at 9:35 p. m. the night is spent in riding over the heavily ballasted smooth double tracked railway of the Chicago & North Western Ry. This railway, together with the Union Pacific R. R. and Southern Pacific Co., the route of this train, have more miles of double track than any other transcontinental line. Automatic electric safety signals guard your safety every inch of the way.

1st day

In the morning the train is passing through the western central part of Iowa, with its rich and fertile farm lands. The Missouri River is crossed at Council Bluffs, and you arrive in Omaha, the Gateway to the Great West. Omaha is the metropolis of Nebraska, and the distributing point of a large grain producing country.

Leaving Omaha the route lies through the Valley of the Platte River and is identical with that of the famous Overland Trail of history and

the Lincoln Highway of today. The prosperous towns of Fremont, Columbus, Central City and Grand Island are passed. These are all growing and industrious cities of the prairie lands. From Grand Island to Julesburg, the track lies directly west without a single curve, and a very pretty sight is to watch the mosaic-like appearance of the disappearing roadbed. At Kearney can be seen the buildings of the new Nebraska State Normal School, a military academy and State Industrial School for boys. North Platte is located at the junction of the North and South Platte Rivers. Julesburg, Col., marks a historical spot where stage coaches in the old days rested over night.

2nd day

The night is spent in passing over the uninteresting arid lands of Wyoming, and in the morning Rock Springs, with its many coal mines is reached. Next Green River presents an attractive sight as the train winds along the bank of the river bearing that name. All through Western Wyoming the unexpected changes in scenery are entertaining. Aspen Tunnel through Aspen Ridge offers a diversion, then Utah is entered. From here on is one of the most enjoyable parts of the journey, first Echo Canyon, with its Grand Teapot, Steamboat Rock, Pulpit Rock, where it is supposed Brigham Young preached his first sermon in the "Promised Land". Beside the track is the foaming waters of a mountain river, which is crossed and recrossed. Next is Weber Canyon, with its gigantic walls of rock, its tree lined ravines and picturesque waterfalls. Leaving Weber Canyon the eye is met with a level farming country, and Ogden is reached, nestling against the frowning Wasatch Mountains. Continuing westward from Ogden the Great Salt Lake Cut-Off is crossed in the glow of the afternoon sun. This is a marvelous piece of railway engineering and the traveler enjoys the novel experience of "going to sea by rail" for about thirty miles.

3rd day

The Great American Desert is crossed at night, and the morning of the third day finds us at Reno, Nevada. Reno is situated at the foot of the Sierra Nevada Mountains a great wall rising to the westward and separating California from the rest of the country. The train now begins to climb up the beautiful canyon of the Truckee River. From Truckee, located 35 miles west of Reno, a side trip may be taken to Lake Tahoe, if you care to stop over a day. Lake Tahoe is the largest of the world's mountain lakes, twenty-three miles long by thirteen miles wide, 6,220 feet above sea level. The surrounding country is beautiful. West of Truckee you pass Weber, Donner and Independence Lakes. The route winds around the shores of Donner Lake, rising until it appears far below.

Since leaving Truckee the ascent has been very marked and 12 miles west of Truckee the summit of the Sierra, 7,018 feet above sea level is reached. The ride down the western slope is filled with interest, passing as it does, Emigrant Gap, Dutch Flat and Cape Horn, and many other historical places. From Cape Horn the Sacramento Valley is spread out below as a great relief map of orchards, villages and cities, winding rivers and green valleys. Sacramento, the capitol of California, affords a pleasing sight, situated as it is by its orchard with the winding Sacramento River at its doors.

Across the lowlands from Sacramento can be seen the mountains surrounding the Bay of San Francisco, and at Benicia, the train is placed upon the largest ferry boat in the world and the Carquinex Straights crossed. Past Richmond, a manufacturing city, and Berkeley, a beautiful residence city and the seat of the University of California, the train rushes into Oakland.

At Oakland Pier the traveler leaves the train for the ferry from which a panorama view of San Francisco and the Panama-Pacific Exposition and Bay may be had, and you arrive at the Ferry Building at the foot of Market Street in San Francisco, where electric cars or automobile will convey you to your hotel.

Should the traveler desire to continue his journey to Los Angeles and San Diego, he has the choice of either the Valley Route or the Coast Line, the former leading through the famous California orchards; the other skirting the Pacific Coast a greater portion of the journey.

Return Routes

It is suggested that after the meeting at San Francisco the route of travel be to Los Angeles, making side trip to San Diego and return, thence to Salt Lake City over the Salt Lake Route, the Denver & Rio Grande R. R. to Colorado Springs and Denver, and the Union Pacific R. R. and Chicago & North Western Ry. to Chicago.

If any other return route from Los Angeles is desired by any of our members the same can be arranged either via Southern Pacific or Santa Fe Railways.

Rates

The rate covering railroad transportation for the round trip via the route above mentioned from Chicago is \$62.50, including the side trip to San Diego and return.

If the return is desired via Portland, thence via the O.-W. R. & N., O. S. L., D. & R. G. to Colorado Springs and Denver; Union Pacific and Chicago & North Western Ry. Denver to Chicago; or via the Northern Pacific Ry., Great Northern Ry., or Canadian Pacific Ry., to St.

Paul, thence Chicago & North Western Line to Chicago, the rate will be \$17.50 additional.

Tickets are good three months from day of purchase.

Sleeping Car Rates:

The rate for a lower berth in standard sleeper Chicago to San Francisco is \$13.00; upper berth \$10.40. Two persons may occupy a berth at these rates. The cost of a compartment is \$36.50; drawing room, \$46.00.

Our Fraternity, embracing as it does, men of affairs, whose professional duties may keep them engaged up to the last minute before leaving, made the selection of a through line of travel such as above mentioned, Chicago to San Francisco, more advisable.

The return of the members may be made as their leisure permits, making stop-overs at points of attraction at their option.

The Committee urges you to bring before the attention of members and their families and friends, this special train arrangement, so that we can have the required number of persons to insure a success. Delegates from Kansas City, St. Paul, Minneapolis, etc., can join the special train at Omaha, and those from Denver at Cheyenne.

For such sleeping car reservations as you may desire write promptly H. A. Gross, General Agent, Chicago & North Western Ry., 148 S. Clark St., Chicago.

TWO NEW CHAPTERS INSTALLED

"The greatest legal fraternity in the world" has spread its mantle over two new chapters. They are Manoch B. Reese chapter in the law department of the University of Nebraska at Lincoln, Nebraska, and David J. Brewer chapter in the law department of John B. Stetson University at Deland, Florida.

Reese chapter was installed with auspicious ceremonies by Supreme Justice Edgar A. Jonas on Friday, March 12, last. The law school of the University of Nebraska needs no commendation to the Fraternity as it has always stood high among the universities of the Central West. The new Reese chapter started its existence with a charter membership of fourteen sterling men.

A banquet at which Supreme Brother Jonas, members of the faculty and the new chapter responded to toasts concluded the ceremonies.

The charter members are: Benjamin C. Hopewell, P. Tracy Kohl, Harvey W. Hess, Guy T. Tou Velle, Chas. H. Epperson, Arthur Balis, Hugh Agor, J. E. Jacobson, Marcus L. Poteet, Albert E. Bryson, Jr., E. E. May (*Campbell Chap.*), Ralph W. Hahn, Ward B. Spatz, Harold Lee Temple.

Brewer chapter was formally installed by Supreme Recorder Conger G. Roads on Saturday evening, April 3, last. The festivities attendant upon the occasion occupied three days beginning Friday, the second, and the faculty, student body and local townspeople contributed to make the installation of a red-letter day in university annals. The petitioning body numbered ten active men and four honorary members. Tri Delta gave an informal tea on Friday afternoon to the members of the new chapter; Sigma Nu was at home to them Saturday morning; Dr. Lincoln Hulley, President of the University, held a reception in their honor on Saturday afternoon; the initiation proper took place Saturday evening followed by a banquet at the Lexington later in the evening, and Phi Beta Phi entertained at breakfast on Sunday morning.

Stetson University is one of the foremost of the southern educational institutions and a very favorable location for Phi Alpha Delta. The charter members of Brewer chapter are: Hamden H. Baskin, William P. Dineen, A. O. Kanner, Ray M. Griffin, Charles P. Phillips, David Sholtz, William J. Steed, Howard P. Stewart, Elwyn Thomas, Lewis H. Tribble and Judge J. W. Perkins, Judge Bert Fish, Ex-Governor W. S. Jennings and Honorable Cary D. Landis, honorary members.

CHICAGO CHAPTERS' JOINT BANQUET

The annual joint banquet and initiation of the Chicago chapters, Blackstone, Story, Fuller, Webster and Marshall was held Saturday evening, April 24, last, at the University Club with Supreme Justice Edgar A. Jonas presiding as toastmaster.

The function was replete with fine toasts, music and fellowship. Judges John P. McGoorty, Kickham Scanlan and Adelor J. Petit responded to toasts which were enthusiastically received.

Judge Charles M. Foell, Judge of the Superior Court of Cook County was made an honorary member of Fuller Chapter and Judge John R. O'Connor of the same court, an honorary member of Blackstone Chapter at this meeting.

FRATERNITY BREVITIES

A new edition of the Constitution of the Fraternity will be off the press about the time this *QUARTERLY* comes to the hands of the membership. Copies can be procured from Supreme Recorder, Brother Roads.

Supreme Justice Edgar A. Jonas and Past Supreme Justice Edward J. Hess composing the noted Φ A Δ law firm Jonas & Hess, have moved their offices to more convenient quarters in Suite 411, Harris Trust Bldg., 111 W. Monroe St., Chicago. It is needless to request you to "paste this in your hat."

Brother A. L. Schweitzer that alert Φ A Δ at St. Louis, Mo., reports the first instance where a Phi Alpha Delt has forsaken the law for divinity. Brother J. Patrick Doyle one of the founders of Lawson Chapter was ordained to the Priesthood at St. Louis recently. Brother Schweitzer adds "Pat sure was a grand Φ A Δ ."

The following honorary members have been admitted to membership since the publication of the last *QUARTERLY*: Hughes Chapter; Judge Louis W. Cunningham, Judge Edwin W. Hurlbut, Supreme Judge Morton S. Bailey, Governor George A. Carlson and Associate Judge Alfred R. King. Clay Chapter; Hon. Edward J. McDermott, Hon. R. B. Franklin, Hon. Ed. P. Morrow, Hon. O. A. Stanley and Hon. D. L. Pendleton. Fuller Chapter; Judge Charles M. Foell. Blackstone Chapter; Judge John R. O'Connor. Taft Chapter; Hon. D. E. O'Donahue.

Among the especially active of the younger Republican politicians in Cleveland, Ohio, is Brother John H. Rainsberger *Hay*, whom those who attended the last convention will remember as the prepossessing and forcible delegate of that Chapter.

SAN FRANCISCO AND THE SIXTEENTH CONVENTION

When this announcement reaches the rank and file of our widely scattered membership, it will be near commencement time at most of the colleges and the majority of the active members will soon be ready to leave for home. There will be little or no opportunity thereafter to convey to this large number of brothers the tidings of the great Sixteenth Convention at the City by the Golden Gate in August. So to all of the members of Phi Alpha Delta, including that ever increasing body of our loyal Alumni who have always responded to the call of the Fraternity, we extend on behalf of the Pacific Coast, a most cordial invitation to attend the coming convention.

It will be an epoch making convention. In recognition of the fact that the Fraternity now has a true national existence, it will meet for the first time away from the cradle in the Middle West where it was born. It is difficult to say when another such opportunity will present itself, for this will be the last of the annual conventions.

The Session will convene Thursday morning, August 5, in the Great Municipal Auditorium in San Francisco's new Civic Center, through the courtesy of local officials, and the Exposition management. It will last three days, concluding Saturday night, August 7. Adjournments for luncheon will give ample time to dine at San Francisco's famous restaurants. Late afternoons and evenings will be planned to give all possible time to see the wonders of the Exposition, the Golden Gate and the Bay Region. There is so much to be seen and so much to be done that your prompt arrival by whatever route you select is essential.

The Director of Congresses at the Exposition has gladly designated Saturday, August 7, 1915, as "Phi Alpha Delta Law Fraternity Day", and we will receive proper mention in a publication to be known as a *World Bulletin of Events*. It is up to every member of the Fraternity to show the hundreds of thousands of visitors who will ask about us, where we rank.

All of the great college fraternities hold their conventions in San Francisco this year, and the list prepared by the Exposition authorities shows over thirty-three of these great organizations to have responded to the call of "Westward Ho!—1915." Brother $\Phi A \Delta$, that camping or canoe trip can go this summer. Anything that you may have planned can go, rather than this trip to the 1915 Convention, and the greatest exposition of modern times. You will be there and back home before you realize it. You will find that California is nearer home than you thought it was. The Great Prairies, the Rockies, the snow-capped Sierras, the giant redwood forests, the Pacific Ocean, two great Expositions and

the 1915 Convention are all yours for an outing this summer, and for a few dollars.

For three years you have been looking forward to a trip which you knew would be of immense interest and you cannot afford to miss it now. Join the crowd who have already assured us that they will "be there", to sing the song of Phi Alpha Delta among the redwoods. It is going to be the greatest inspiration in your experience, and the outing of your life. It will make you a better man and a better $\Phi A \Delta$, and the mere memory of it will in after years thrill your veins as no other reminiscence. Come! It is the Star Chapter in the History of Phi Alpha Delta,—The Golden Jubilee!

San Francisco Committee.

CONVENTION POINTERS

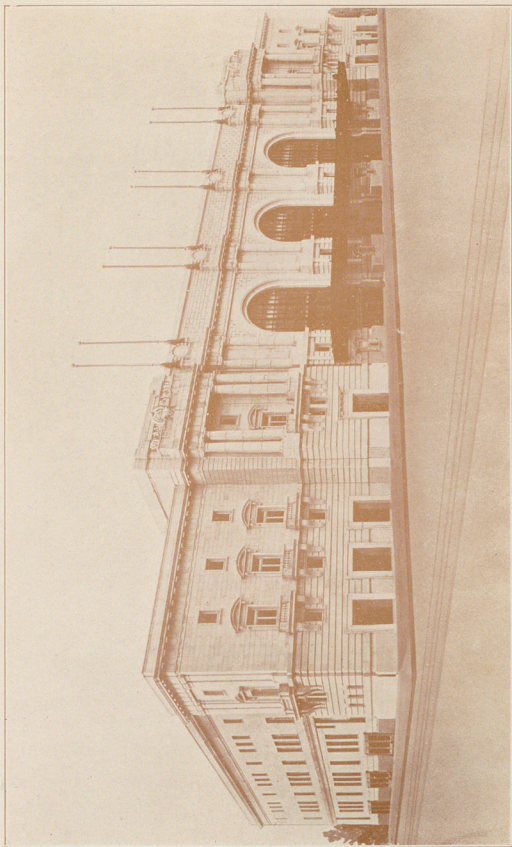

Active and alumni members are earnestly requested to observe the following. With the indications that more than forty per cent of the membership of the Fraternity will attend the convention in August it is imperative that the numerous inquiries that are necessarily attendant to this be handled speedily and orderly. If the following suggestions are followed the inquiring brother will be promptly and fully advised of his question whatever it may be. First, read this number of the *QUARTERLY* carefully. It will probably answer your question but if it does not then turn to the following:

As to credentials. Write Charles B. Adams, Supreme Financial Secretary, Waterbury, Vermont.

As to reservations at San Francisco hotels, rates, etc., and other local and exposition matters. Write George L. Stewart, Hewes Bldg., 995 Market Street, San Francisco, California.

As to proposed legislation or fraternity literature. Write Conger G. Roads, 1059 Leader-News Bldg., Cleveland, Ohio, the Supreme Recorder.

As to any details concerning the special train from Chicago to San Francisco, not described in this number, and for Pullman reservations, write H. A. Gross, G. A. P. D., 148 S. Clark Street, Chicago, Illinois. The North Western Road has prepared a special booklet describing this trip giving rates, accommodations, etc.

IN MEMORIAM

Fred Masters Lyon, '11L., died, from tubercular meningitis, in Paola, Kansas, on June 4. He was born in Hillsdale, Kansas, on February 8, 1886, the son of William H. and Mary J. (Masters) Lyon, and after graduating from the high school in Paola, to which place his family had later removed, he entered the University of Kansas. After receiving the degree of B.A. from that institution in 1909, he came to Yale, entering the second year class in the School of Law, where he was a member of Phi Alpha Delta. Upon graduation he returned to Kansas, and in February, 1912, was admitted to the bar in that state. For a time he was associated with his father in the real estate and loan business in Paola. Later he became connected with the Cornbelt Mortgage Company in Kansas City, Mo., remaining with that concern until February, 1914, when his illness compelled him to give up his work. He was unmarried.—*Yale Alumni Weekly*, Jan. 29, 1915.

Brother L. Lloyd Bickle, of Hay Chapter, died on August 23, 1914, and news of his sudden death caused profound sorrow in the ranks of $\Phi \Lambda \Delta$. Brother Bickle was Scout Master of the Boy Scouts at Chardon, Ohio, and while bathing in the Chagrin River, near the Scout camp, he was drowned. The Scouts endeavored in vain to rescue him.

Brother Bickle was born in Chardon, June 17, 1887, and after graduating from the local schools he entered Adelbert College in Cleveland, receiving his degree in 1909. Brother Bickle was there a member of the Phi Gamma Delta fraternity, president of the literary society and the chess club, and a member

of the musical clubs. He graduated from the law school of Western Reserve University in 1911, and he was a zealous worker in behalf of $\Phi \Lambda \Delta$ and Hay Chapter.

Returning to his home in Chardon, Brother Bickle took up the practice of the law, and as an attorney and citizen acquired the respect and confidence of the entire community. As Justice of the Peace, he dealt with varied problems of law and it was evident that a career of great promise was ahead of him. At the time of his death he was the Republican nominee for Prosecuting Attorney of Geauga county and his election was assured. Brother Bickle was superintendent of the Chardon Congregational Sunday school.

His associates in Hay Chapter remember Lloyd Bickle as a quiet, unassuming lad, a diligent student, and, in short, a manly man. He was popular with all whom he knew, and at Chardon and vicinity the impress of his life will long be felt. In his young manhood he fully realized and completely attained the Justinian concept of the law,—he lived honestly, he injured nobody, and he gave every man his due. With him duty and honesty and public service were big words, and he gave them a big meaning.

Soon after his untimely death a memorial to Lloyd Bickle was published by the Rev. F. W. Hart and dedicated to the Boy Scouts Troop of Chardon in memory of their founder. Besides his parents, Brother Bickle is survived by a wife, Mrs. Pearl Bickle, an infant daughter, a brother, Mayor H. C. Bickle of Chardon, and a sister, Mrs. Mae Evans of Erie, Pa.

CHAPTERS RESPONDING

TEMPLE CHAPTER

The members of Jackson Temple Chapter, (University of California) have been especially active during the last few months in more ways than one. They have had their hands full, rounding up new men for next year, branching out in society functions, entertaining and coöperating with the Arrangements Committee for a big welcome for the convention delegates and visiting brothers.

They gave an elaborate luncheon recently at the Hotel Stewart, at which there were thirty-seven present, twelve of whom were guests of honor and prominent in the University life. The luncheon was given in one of the hotel's large private dining halls and was followed by a series of delightful reminiscences.

A more elaborate affair was given a few weeks after the luncheon, in the nature of a dance and reception, at the Century Club Hall, which was one of the most successful fraternity functions of the season, at which the Chapter entertained many prospective members and also prominent members of the Bar. The hall was beautifully decorated in the colors of the Fraternity and the music, which was furnished by an excellent orchestra, kept up the merry whirl until the wee small hours, and even then all regretted that the affair had to be drawn to a close.

The members of the active Chapter invaded "The Zone" at the Fair Grounds one evening and all enjoyed the merriment afforded by the many and varied concessions. The variety of amusement afforded on "The Zone" is unparalleled by anything so far attempted at any previous exposition.

Our regular attendants at the weekly luncheon regret the absence of David Howells and William Vogel, two of our most popular members, who have em-

barked upon a business venture to Australia, and will plant the flag of Phi Alpha Delta in the South Seas if Dame Fortune smiles upon them. Two of the boys, Otto Johnson and Gus Burghren have joined the Ancient Order of Benefactors, but have, in addition to the marriage vows, taken solemn oath to remain true to Phi Alpha Delta.

At the Annual Chapter Election the following officers were elected for the ensuing year:

Justice—Collins Knapp Orton, Jr.

Vice-justice—Robert M. Tapscott.

Clerk—Thomas Nelson.

Treasurer—E. Y. (Mike) Dozier.

Marshal—Arnold C. Lackenbach.

The Chapter is looking forward with keen interest and anticipation to the visit of the Eastern brothers at the time of the Sixteenth Convention and they warrant true California hospitality.

SAM SNEAD.

Clerk.

HAY CHAPTER

Since our last letter, Hay Chapter has been strengthened by the addition of Fred J. Young, '17, of Elyria, Ohio, who was initiated on January 28. Brother Young took his academic work at Ohio State University, where he was a member of the Acacia Fraternity.

The chapter remained intact after the dread mid-year examinations, and we have been fortunate in that we have not lost a man this year for any reason. The freshman delegation is particularly strong scholastically; W. D. White received the highest average the first term of any man in his class, and Willis Nolan, a member of Phi Beta Kappa, and Rees Davis were not far behind him.

On Friday evening, February 18, the chapter held a smoker, entertaining $\Phi \Delta \Phi$ and $\Delta \Theta \Phi$ law fraternities. Prof. A. H. Throckmorton of the law school gave an interesting talk

on the Civil Law and former Judge S. S. Ford, an Honorary Member of Hay Chapter, spoke on the law as a profession. A very pleasant evening was spent and the other fraternities seemed to appreciate our hospitality. Some time ago we were the guests at a similar smoker given by $\Delta \Theta \Phi$.

Martin C. Krogh, '15, Donald W. Myers, '15, and Rees H. Davis, '17, played on the Western Reserve law school basketball team the past winter.

The brothers have enjoyed meeting on several occasions Kenneth Sturges, of Rapallo Chapter, who is now assistant secretary of the Cleveland Chamber of Commerce and is attending the Cleveland Law School. Brother Sturges is living in the same house on Crawford Road with David J. Miller, Hay '14.

Howard Janousek was one of the speakers at the junior law class banquet held in March and Keith Lawrence was a member of the banquet committee.

On April 20 Harry J. Barnhart, '17, of Wooster, Ohio, was initiated. Brother Barnhart received his A.B. at Findlay College in 1913.

The members of the chapter have been very much interested in the report that friends of Supreme Recorder Conger G. Roads are seeking to induce him to make the race for Supreme Justice at the San Francisco Convention. There is no alumnus of Hay Chapter more popular in Cleveland, and if Brother Roads should be a candidate for any office, we're for him!

The house committee has commenced active operations with a view to securing a house for next fall in the vicinity of Euclid Avenue and East 105th Street. If several alumni can be persuaded to live with us, a chapter house is almost assured; and the brothers will not be sorry to forsake the quarters in the dormitory, where all the law fraternities are now located.

The chapter has had two very able justices this year, Donald W. Myers, who officiated the first term, and H. H. Nye, whose term as "head of the crowd"

is now drawing to a close. At all times they have been active and tireless workers for the chapter and the Fraternity, and we here record our appreciation. After admission to the bar, Brother Myers will probably practice in Akron, Ohio. Brother Nye will return to Elyria, Ohio, to enter practice with his father, former Judge David J. Nye, the leader of the Lorain County Bar. The remaining senior, Brother Krogh, expects to remain in Cleveland and will either practice law or go into the real estate business.

Hay Chapter was very glad to learn of the addition of Stetson University and the University of Nebraska to the Fraternity roll and extends felicitations and best wishes for a successful future.

The big topic of conversation now is CONVENTION. Donald W. Myers, '15, has been elected delegate; Keith Lawrence, '16, first alternate; and Harry H. Yoder, '16, second alternate. We are hoping to persuade some of our alumni to make the big trip to the Coast. At any rate, keep an eye out for Brother Myers!

KEITH LAWRENCE.

ALUMNI NOTES

Cleveland R. Cross, '07, is a member of the new legal firm of Wilkin, Cross & Daoust with offices on the eighth floor of the Cuyahoga Building, Cleveland.

W. B. Alford, '13, was married on January 29 to Miss Edna Irene Kitzsteiner of Lakewood, Ohio, and following a southern trip they took up their home in Cleveland.

Tom Terrell, '10, is now a sporting editor of the Cleveland Plain Dealer.

Prof. Alvin C. Brightman, '10, is writing a book on Contracts. He taught Quasi-Contracts to the Junior class of the Western Reserve law school this year in place of Damages.

George C. Von Beseler, '11, is County Prosecutor of Lake County, Ohio.

Carl S. Bechberger, '14, is associated with the legal firm of Schultz & Schultz

with offices in the Engineers' Building, Cleveland.

The firm of Bartholomew, Leeper & White, Engineers' Building, Cleveland, is composed of R. O. Bartholomew, '10, E. W. Leeper, '10, and P. R. White, '10. Brother Bartholomew is attorney for the Legal Aid Society.

Paul S. Knight, '07, and Willis R. Godfrey, '08, are members of the firm of Spear, Mills, Knight & Godfrey, American Trust Building, Cleveland.

James L. Lind, '12, is an attorney with offices in the Cuyahoga Building.

The law offices of Richard J. Moriarty, '13, are located in the Williamson Building, Cleveland.

Milton C. Portman, '11, is practicing law in Cleveland and is also a justice of the peace in the village of Euclid, where he lives.

Clayton C. Townes, '11, is a leading Republican member of the City Council of Cleveland, where he is engaged in the practice of the law.

J. Paul Thompson, '06, and Fred L. Hole, '10, both have their offices on the twelfth floor of the Engineers' Building. Brother Hole is in partnership with his father, former Judge Hole.

Francis J. Stack, '10, is practicing law at Lorain, Ohio.

C. E. Hubbell, '12, and H. T. Hubbell, '12, are living in Bedford, Ohio, but have their shingle out at Cleveland.

CHASE CHAPTER

Chase Chapter has enjoyed a year of prosperity and success. While we were left with only ten men at the beginning of the year, as we lost eleven last May by graduation, the number and quality of the new men has more than made up for this loss. We initiated the following men during this year:

At the November initiation—Michael Ferrando, Youngstown, Ohio; J. Mitchel Tranter, Cincinnati; Arthur Riehle, Cincinnati; Wilbur MacKenzie, Chillicothe, Ohio.

At the March initiation—R. Stanley Lucas, Springfield, Ohio; Robert E. Freer, Norwood, Ohio; Wilton A. Foster, Cincinnati, Ohio; Francis P. McGowan, Cincinnati; J. Fred Smith, Delaware, Ohio.

We have enjoyed many social affairs during the year together with the members of the Cincinnati Alumni Chapter. The Alumni are now meeting every Saturday for a luncheon and social meeting and the active men are always welcome at these meetings.

Under the leadership of the new officers plans are being laid for a Chapter House for next year. Chase Chapter will have been in Cincinnati only seven years next year while her only rival has been here about twenty-five and as yet has no house. We are therefore to be considered as slightly more progressive. The officers-elect for 1915-16 are as follows:

Justice—Wilbur M. MacKenzie

Vice-justice—Eugene Sullivan

Clerk—George E. Metcalfe

Treasurer—Robert E. Freer

Fin. Sec.—J. Fred. Smith

Marshal—Michael Ferrando

Chase Chapter will be represented at San Francisco by Brothers August A. Rendigs and John P. Phillips, who will tell you all about Cincinnati and Phi Alpha Delta there.

J. W. MORRIS, JR.

CLAY CHAPTER

Henry Clay Chapter of Phi Alpha Delta was installed in the University of Kentucky (Lexington), on May 14, 1914, by Brothers Peacock, Roads, Welch, Bronston, and others. The following officers were elected for the year 1915:

Justice—J. E. Torrence

Vice-justice—James A. Middleton

Treasurer-Clerk—F. S. Ginocchio

Marshal—L. N. Green

Only four of the charter members returned to school last fall and were kept busy rushing the newcomers. We secured the best men in the law depart-

ment and at present have a chapter roll of thirteen active men and four pledges who will be initiated on April 15.

Clay Chapter has adopted a conservative policy and only men of real $\Phi A \Delta$ caliber are considered. The chapter is in good condition financially and has an excellent alumni body behind it.

We have adopted the plan of entertaining the Fayette County Bar members and the students in the college of law with addresses by prominent Kentuckians upon legal subjects. Great interest is manifested in these meetings and the entertainment committee plans to have some eminent jurist deliver an address very shortly.

During the month of March Brother C. G. Roads, who was on his way to Florida to install a new chapter, stopped with us for a short time. He expressed his pleasure in the progress we had made.

The chapter has comfortable quarters in the Phoenix Hotel, where $\Phi A \Delta$'s traveling though the Blue Grass are always welcome.

JAS. A. MIDDLETON,
Correspondent.

RYAN CHAPTER

The following are the chapter officers: Norris S. Stoltze, Justice; J. Gordon McKay, Vice-justice; Perry A. Slette-land, Clerk; Roland S. Homet, Treasurer; C. M. Conway, Marshal.

DUNBAR CHAPTER

Established less than ten months ago, Dunbar Chapter is rounding out a highly successful year. Because of a conservative policy in pledging men, our membership is rather small, numbering only sixteen brothers up to date. However, we have maintained a uniformly high scholastic standard and in college activities, both in the law school and University in general, Dunbar Chapter has more than borne its just share.

Five brothers were recently initiated into the chapter. The new members are: Walter Shiel and Cedric Miller, both

veteran members of the varsity eleven Ralph Robinson, who has won several letters in basketball and baseball Matthew Hill, a varsity debater and leader of the law school team, and Ned Edris, who has been very prominent in college theatrical circles.

The officers who have been elected to serve for the coming year are:

Justice—Edward S. Franklin.

Vice-justice—J. Bruce MacDougall.

Clerk—Elmer Leader.

Financial Secretary—Walter Shiel.

Treasurer—Ned Edris.

Marshal—Ralph Robinson.

To the $\Phi A \Delta$ alumni residing in Seattle, Dunbar Chapter is indebted for many acts of courtesy received at their hands. They have never been too busy but that they could take a keen interest in all the affairs of the chapter, and their advice has been extremely helpful to us on numerous occasions. Luncheons attended by the alumni and members of the Dunbar Chapter are held every two weeks and are a big success.

Elaborate plans commemorating the installation of Dunbar Chapter on May 25, 1914, are now being laid. Brother John Adams, who is in charge of the arrangements, is sending an invitation to all the $\Phi A \Delta$'s residing in the state urging them all to come to Seattle for the event, and indications point to a large attendance. Announcement of honorary members will be made at the banquet scheduled for the occasion.

A cordial invitation is extended to all $\Phi A \Delta$'s to visit us when in Seattle and we promise them a cordial reception.

Correspondent.

BENTON CHAPTER

With June will come the close of what the members of Thomas Hart Benton Chapter may proudly, and without fear of contradiction, call the most successful year in local fraternity history. The real spirit has manifested itself at all times, and the accomplishments of the past nine months speak for themselves.

When the school year opened last September Benton Chapter was greatly handicapped, a number of brothers having graduated or left school the previous June. At our first meeting the roll book showed a membership of only eleven. The first item of business was the election of officers, which resulted as follows:

Justice—Mark T. Wilson.

Vice-Justice—J. Frank Flynn.

Clerk—B. Byron Wingert.

Treasurer—George W. West.

Financial Secretary—Martin O. Updegraff.

Marshal—Van Roy Miller.

Historian—William H. Biddle.

This done, a vigorous membership campaign was immediately launched. Our efforts were not in vain, for within a short time the ranks were filled and at present Benton Chapter has an enrollment of thirty-three of the best men in the law school.

We have maintained our high scholarship and many of our boys are taking important parts in school activities. Brother Wiley was president of the Senior Class during the first semester. The office of Editor-in-Chief of the *Pandex*, our annual, is held by Brother Cochran. Brothers Rizley and West have been elected to deliver the orations at the commencement exercises in June.

During the Christmas holidays the local $\Phi \Delta \Delta$'s got together and on the evening of January 2 held an informal dinner at the Savoy Hotel and afterwards adjourned to the New Orpheum, where a delightful theatre party had been arranged for.

And speaking of jollifications and celebrations, none can compare with the annual Founders' Day banquet held at the Hotel Baltimore on the evening of March 13. That is one time in the year when all good $\Phi \Delta \Delta$'s in Kansas City get together. And, oh, what a time we had! We were greatly pleased to have with us as guest of honor Supreme Justice Jonas, who made the address of the evening.

The good-fellowship and fraternal spirit has also manifested itself in the luncheons held every Saturday noon at the Savoy Hotel.

But we do not wish to give the impression that all we do at Benton Chapter is "feed" and celebrate. Among the accomplishments of the year which we are pleased to report is the enlargement of our quarters. We now occupy a suite of three rooms in the Ricksecker Building at the corner of Ninth and Walnut. Brothers of all chapters are cordially invited to pay us a visit when in Kansas City.

During the month of March the members of Benton Chapter started an active campaign to raise a library fund and with the coöperation of the local alumni chapter succeeded in acquiring a sum which has enabled us to install in our rooms a complete set of Missouri Supreme and Appellate Court Reports, so that we now have in our library over 600 volumes. This, we think, is an accomplishment of which Benton Chapter may be justly proud.

We have the real spirit and the men who do things in Benton Chapter and the prospects are brilliant for everlasting success of Phi Alpha Delta at the Kansas City School of Law.

B. BYRON WINGERT,
Clerk.

GREEN CHAPTER

Green Chapter (University of Kansas) failed to get a communication to the last QUARTERLY, but we now take this opportunity to tell the sister chapters what we have accomplished this year.

One of our best achievements was to move into a much larger and better house than we had last year. We are now located at 1345 Vermont Street, just four blocks from the University campus.

At the beginning of the school year we were, as usual, short of men, but up to date we have taken in the following men: Harlan Hutchings, Edward Bodington, George Strother, Albert Root,

Haleck Craig, Ivan Allen, Jack Bond, Russell Gear, Wilferd Hill, and Piercy Flinn. We also have one pledge, John O. Johnson, to be initiated later in the year. With the addition of these men our total membership will be thirty.

Green Chapter has also taken an active part in social events. So far we have had three smokers at the house for the Junior Class of the Law School. Also we have given several informal parties and on April 30 we give our annual "Court," which is our big party of the year. On April 20 we have our Founders' Day banquet which is to be held at the Eldridge House. Probably the most unique function of the year was the joint smoker of Phi Alpha Delta-Phi Delta Phi held at our house March 23. There were about sixty people present, including members of both the fraternities and the Faculty of the Law School. At the close of the smoker a banquet was served and short talks were given by some of the members of the Faculty and also Mr. Daly of the West Publishing Company, who happened to be here at that time. This is the first time that a stunt of this kind has ever been pulled off by two rival fraternities and this little "love-feast" was such a pronounced success that we plan to make it an annual event.

The following officers were chosen for the ensuing year:

Justice—Harold Branine.

Vice-justice—Neil Cline.

Financial Secretary—Robert C. Skinner.

Treasurer—Willis Calkins.

Clerk—Ed. M. Boddington.

Marshal—George Strother.

Delegate—Kirke W. Dale.

In closing, Green Chapter extends to all Brothers an invitation to visit us whenever they find it possible to do so and we extend greetings and good wishes for a most prosperous year to all chapters and the Fraternity at large.

CALHOUN CHAPTER AND BOOK AND GAVEL

In our last letter we described the affiliation with the Society of Book and Gavel, and since that time we have been regrettably silent as to the doings of the Chapter. After our last letter we initiated, including last year and the current year, the following men:

George F. Turner, Scituate, Mass.

James L. Boone, Caldwell, Idaho.

David Sholtz, Daytona, Fla.

Thomas Wallace 3d, New Haven, Conn.

Paul W. Knox, Waynesburg, Pa.

Prentice W. Chase, New Haven, Conn.

Edward J. Myers, Collinsville, Conn.

John J. McDonald, Derry, N. H.

Clayton Y. Brown, Laurens, S. C.

Walter Otis Loomis, Brooklyn, N. Y.

James R. Wilkin, New Cumberland, W. Va.

Henry B. Dailey, New Haven, Conn.

Robert C. Wilkin.

Ernest H. Burt, New Haven, Conn.

Edward J. Ryan, Lee, Mass.

Thomas J. Ryan, New Haven, Conn.

George Stewart, Jr., Paonia, Colo.

At the spring election the following members of the chapter were elected to office:

Justice—Benton Baker, Bismarck, N. D.

Vice-justice—Philip B. Buzzell, Wilmington, Mass.

Financial Secretary—Clarence E. Barton, Norwood, Ohio.

Treasurer—Douglas D. Felix, Hartford, Ky.

Clerk—Russell E. Whitt, McGlone, Ky.

Correspondent—John T. Walsh, Buffalo, N. Y.

Marshal—James L. Boone, Caldwell, Idaho.

Steward—Walter N. Maguire, Stamford, Conn.

On return to the house at the beginning of the year the men found that improvements aggregating nearly a thousand dollars had been made on the house, and it was a delight to enter the freshly decorated rooms. Organization and the assignment of rooms was soon

effected and the chapter soon swung with a will into the yearly routine of things here at Yale. Of course the principal thing was the acquisition of new men, as the last graduation had depleted our ranks to the tune of about eighteen men. After a spirited but friendly brush with our rivals we found ourselves in possession of far more than our share of the best men available. Proof of this lies in the fact that at the mid-year exams our men pulled all the honors.

Brothers Gilchrist and Sholtz were not among us on our return and subsequent advices showed that the first was at the University of Iowa and the second busy organizing a new chapter of $\Phi \Delta \Delta$ at Stetson University. While we regret their absence from our midst we are consoled by the thought that they are bearing the flag into new territory and doing signal service in the cause.

We might go on and tell at length the triumphs and frolics of the last end of the year '13-'14—the banquet at which many national figures were present; the return of the old grads at Commencement; the feeling of satisfaction which we felt when Brother Cotton won the Townsend Prize for Oratory and when we found the Senior Law prize won by Brother Harno, to say nothing of the fact that Brother Buzzell took highest honors in the first year class,—but time presses and there is so much of the doings of the present year to recount. The yearly publication of the chapter was as usual a pronounced success—a factor which serves more than anything, perhaps, to put us in touch with our alumni and them in touch with one another. This year we hope to do even better and eclipse even the elaborate efforts of former years.

The deaths of several of our alumni were chronicled in the last issue of the *QUARTERLY*—may they rest in peace.

The Social Committee again put into operation the plan of having biweekly talks at the house to members and their guests by professors and men around the city who have achieved prominence in

their varied pursuits, and many an evening was profitably spent before the wood fire.

This year we missed the services of Jerry, our colored servitor, who was with us since the inception of the chapter. A larger field and greater opportunities called him.

Besides the numerous social evenings we have had several successful teas. Especially notable among these was the one at the time of the Yale-Harvard game when we ministered to the comfort of over a thousand members and their guests. Those present at this function and the game that preceded it will count that day as one of the red-letter days of their lives. While the result is now ancient history, the enormous crowd and the feeling displayed on both sides will linger long in the memories of those fortunate enough to be here in New Haven.

The Moot Court plan which worked to such good advantage last year is being tried again this year with corresponding benefit both to the participants and the edified spectators.

We are glad to be able to add to the lists of our honorary members the name of Professor Ralph Waldo Gifford, A.B., LL.B., Harvard, Professor of Law at Yale and at Columbia. Professor Taft, who is also an honorary member of this Chapter, pays us frequent visits, as also do many others of our *Fratres* in *Facultate*.

Brother Robert Dewell of Jacksonville sojourned with us during the several days preceding his marriage to one of New Haven's prettiest maidens. At this time Brother Alex. Hamilton V, who was groomsman at the wedding, was in our midst. We extend our heartiest congratulations to the happy couple.

The chapter is constantly in receipt of visits from the alumni. We are glad to have the Brothers keep in active touch with the men who are the existing incumbents of the chapter.

Following close on the heels of these festivities was the now famous Christ-

mas Party. The sly digs at the men caused many a gale of laughter to sweep the assembled guests as gifts called to mind many a little indiscretion or exploit of the school year.

Examinations caused a let-up in the social, but their successful negotiation now being achieved, things are once more beginning to wear their accustomed look. The chapter numbers now thirty men and with those eligible will soon be much greater. Altogether we have had a most thriving year.

At the very recent elections to the Honorary Society of Chi Tau Kappa we found the following men wearing the much-coveted key: Brothers Baker, Felix, Buzzell, Turner, Gumbart, and Harno.

Our men on the *Law Journal* are as follows: Barton, Felix, Buzzell, Turner, Baker, and Gumbart.

Our men have the senior, first and second year honors safely within their grasp and it is only a question of time until they are announced the winners.

Our banquet is to come off in April and the usual good speakers will be present. All who can let us know of their coming will be cordially welcomed.

Now a word as to the doings of our Alumni: Brother O'Connor is the National President of the Debating Fraternity on Delta Sigma Rho, while Brother George Sturgis is the same officer in the Sophomore Fraternity of Theta Nu Epsilon. Brothers Wynne and Dutton managed the recent campaign of Governor Baldwin for Senator. Brother Wynne is the secretary to the present Governor, as he was to his predecessor of a different political faith. It would draw out this already long letter abnormally to cite all the honors held by our alumni. Brother Neilson Olcott 2nd has been appointed Assistant District Attorney of New York City, and several men have been elected to the legislature in various states. Brother Wilson has been appointed Postmaster at Hartford, Conn.

Calhoun Chapter and Book and Gavel send greetings to the other chapters and wish them success both now and in the future.

Fraternally,

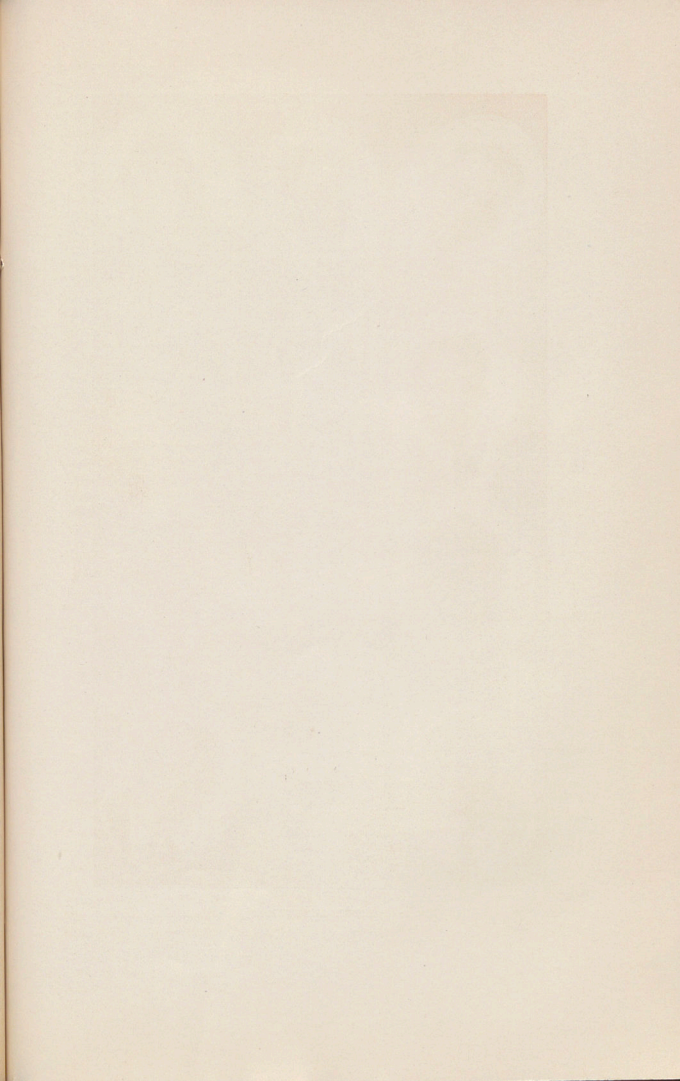

JOHN T. WALSH,
Correspondent.

BLACKSTONE CHAPTER

The present year has proven a great success for Blackstone Chapter, which has from the very beginning of the school year been active both socially and academically. With the assistance and hearty coöperation of each member of the chapter, the rushing season was opened with a series of four or five smokers and luncheons at the fraternity house, resulting in the pledging of the following brothers, who were initiated on the afternoon of November 21, 1914. After the informal part of the initiation, which was a source of great enjoyment to the brothers carrying on the work, and a source of horrors never to be forgotten by the initiates, the members of the chapter repaired to the Hamilton Club, where the formal part of the initiation ceremonies was administered in due form. The initiation was followed by a banquet, at which thirty-five members of the chapter were present. The chief speakers of the evening were Supreme Justice Edgar A. Jonas, and the Honorable Kickham Scanlan, Judge of the Appellate Court of Cook County, Illinois.

Those initiated on November 21, 1914, were Brothers H. M. Andrews, R. H. Farrell, T. W. Hubbard, E. J. Kane, Wm. J. McCabe, J. E. Pedderson, J. J. Poulton, R. E. Reichelt, C. S. Scheckel, and C. V. Stewart.

On December 17, 1914, an informal dance was given by the chapter at the Garfield Park Refectory, at which a light lunch was served and a very enjoyable time was provided for those attending. The social climax of the chapter was reached on February 20, 1915, at the formal promenade and dancing party, held in the Florentine

STORY CHAPTER

Room of the Congress Hotel, to which all of the chapters of the Fraternity in Chicago were invited. The prom was followed by a number of supper dances, which were as successful as the dance itself.

A series of mid-year smokers have just been held, resulting in the pledging of five pledges, who will be initiated on the afternoon of the Annual Joint Chapter Banquet, given by Blackstone, Fuller, Story, Marshall, and Webster Chapters, in order that these new members may participate in the same. It is expected that Blackstone Chapter will have the honor of initiating into honorary membership of the fraternity two of the prominent judges now presiding in Chicago.

Blackstone Chapter has ten members in the senior class who are all active in class politics, every one of which has been appointed to serve on one of the various committees of the graduating class. Brother Jack DeLany has been appointed chairman of the picture committee, and Brother Fred E. Paesler, chairman of the cap and gown committee.

The members of Blackstone Chapter wish to extend a standing invitation to the brothers of other chapters to participate in any of the affairs given by the chapter, and hope that the future may bring about a closer and a more intimate relationship between the various chapters of the fraternity.

FRED E. PAESLER,
Correspondent.

STORY CHAPTER

Joseph Story Chapter, De Paul University, is pleased to report that it is enjoying one of the most successful years since its organization, and, with a certainty of having a larger number of active men in school next year than for some years, hopes to continue its onward and upward course.

At the beginning of the school year the following officers were elected:

Justice—John E. Timm.

Vice-justice—James H. Barton.

Clerk—Reuben B. Carlson.

Treasurer—Irving B. Babcock.

Marshal—Edwin P. Shipley.

House Trustee—Arthur F. Parkinson.

While we were somewhat late in getting into action after the opening of the school year last fall, we have since made up for the delay by steady and consistent work. Several most enjoyable smokers have been held, as a result of which the following men were pledged and have since been initiated into Phi Alpha Delta:

Avern B. Scolnik, '17, New York City.

Thomas N. McGowen, '16, Chicago.

Irving L. Brown, '17, Rockford, Ill.

Louis W. Fischer, '15, Chicago.

Albert A. Korte, '16, Galena, Ill.

M. Joseph Wandrack, '16, Woodstock, Ill.

John C. Richerts, '17, Chicago.

We are proud to introduce these new brothers to the fraternity at large because we believe they measure up to $\Phi A \Delta$ standards in every respect. Brother Fischer won the Junior Scholarship prize last year and will undoubtedly do likewise with the Senior prize this year. Brother Wandrack is a Northwestern University man and his name is familiar to football adherents of that school, while last fall he was the star of De Paul's football team. He is a member of Beta Theta Pi Fraternity (Literary). Brother Korte comes to De Paul from the law department of Notre Dame University. Brother Brown hails from Beloit College, Beloit, Wis., and has won several medals in oratorical contests in high school and college. Brother Scolnik is a violinist of considerable ability and is much in demand at public functions. Brother McGowen is possessed of considerable dramatic ability and can always be depended on to render an entertaining selection upon any occasion.

On Saturday evening, March 20, an informal banquet was given at the Boston Oyster House for the new initiates, which was greatly enjoyed by everyone,

credit for the success of which is due to Brothers Babcock and Scolnik, who had the matter in charge. Interest was about equally divided between the "eats" and the cabaret attractions (feminine), and several numbers were given for our special benefit, due, no doubt, to the persuasive good looks of some members of our chapter. We were also favored by some very excellent speeches by four of our word-artists, Brothers Timm, Kavanagh, Cherry, and Parkinson, to whose efforts the present flourishing condition of our chapter is largely due.

During the past year Brothers Roberts, Kavanagh, Timm, and Karson have passed the state bar examinations. Brother Karson is located at 924 National Life Building with Messrs. Brown, Brown & Brown. The other brothers above named will also probably take up the practice of law in this city.

We are elected as our delegate to the Annual Convention to be held at San Francisco our Justice, Brother John E. Timm, and feel certain he will represent the best interests of the chapter with the same efficiency and loyalty which characterizes all his efforts. While it is yet too early for any definite plans to have been made, it is believed that a large number of Story Chapter's alumni and active members will, as Brother Stewart says, "answer the long call to California," and attend the last Annual Convention.

We are looking forward with pleasant anticipations to the Annual Joint Chapter Banquet to be held in April, as a rousing good time is always to be had at this event.

Story Chapter extends heartiest fraternal greetings and good wishes to all other chapters of Phi Alpha Delta.

REUBEN B. CARLSON.

CAMPBELL CHAPTER

Nothing gives Campbell Chapter greater delight than to be able to report that on the fifteenth of this month ground will be broken for the new chapter house. For five years we have been working to the accomplishment of this

object, and if present indications may be trusted this chapter will begin the next school year in one of the finest fraternity houses on the Michigan campus.

Our lot is situated on the corner of Hill Street and Forest Avenue, one of the most desirable locations in Ann Arbor. The plans as now drawn provide a house sufficient to accommodate twenty-six men. The main floor is given over entirely to the reception and dining rooms, with the second and third floors devoted to study rooms and dormitories. While we do not aim at luxury we hope to put into the house all the features which make a modern, comfortable dwelling.

The outside appearance of the house will present a combination of the Old English and Colonial styles; the general scheme being modelled in the former architecture, and many of the particulars in the latter. From the ground to the second story the construction will be of brick; the second and third stories of stucco. We believe that the building, when completed, will be both comfortable and beautiful.

As before intimated, it is our plan to commence next year in the new house. We want the brothers of other chapters to drop in at any time they are in this vicinity.

Since the appearance of the last *QUARTERLY* this chapter has initiated six men, and pledged two others. Brothers Diederichs, Caron, Atkinson, Donnelly, Nord, and Young are those added to the active chapter roll. Of these men, three have taken bachelors' degrees at this or other universities; and all of them are men of the very highest standing. The two pledges are Mr. D. F. Smith and Mr. Harry J. Connine. The membership of Campbell Chapter is steadily growing, but we are at all times careful not to sacrifice quality to quantity.

The work of our men in the examinations of last semester was gratifying. The average standing of the house is

slightly below "B". Of course it is impossible at this time to say how this will compare with the ratings of other fraternities; but if the experience of the past years may be taken as a criterion, this fraternity will stand high on the scholarship chart issued by the university administration.

In the coming week the annual *House Letter* will make its appearance. Many of the alumni of Campbell have contributed to this issue, telling of their experiences in the practice. We are always pleased to hear from these brothers, especially as we note that they are constantly gaining prominence in their respective communities. The chapter is now represented on the bench and in the legislatures of several states.

In the line of sports the brothers are doing their part. Our bowling team, of whom a partial report was rendered in the last *QUARTERLY*, is still in the "first division". Preparations are also being made for the interfraternity baseball series. Brother Scott has been elected captain of the team, and has sent out his call for both "vets" and recruits. The crop of "charley-horse" arms is already abundant.

The officers of the present semester are as follows:

Justice—T. George King.

Vice-justice—W. C. McIntyre.

Clerk—William C. Mullendore.

Treasurer—John F. Scott.

Marshal—Edward S. Martin.

One officer for next year has been elected in the person of steward. This position went to Brother Leslie Miller. His duties are extremely important in view of the management of the new house.

Everyone was greatly pleased at the elections to the Order of the Coif from the class of 1915. Brothers Buell McCash and Roswell B. O'Harra were those upon whom this honor was conferred.

In general, the chapter is enjoying the fullest measure of prosperity. We con-

vey our heartiest greetings and best wishes to all the brothers of Phi Alpha Delta, and hope that next year we may entertain a goodly number of them at our new house.

WERNER W. SCHROEDER,
Corresponding Secretary.

HOLMES CHAPTER

Holmes Chapter extends a cordial invitation to all visiting brothers who may happen to be in San Francisco this spring and fall to drop in at Stanford. Justice Murray can usually be found at Encina Hall, while the writer can be reached at the Sigma Nu house.

This has been a very prosperous year for the Fraternity both in scholarship and university activities. Last semester six new men were initiated, while several more are to be added to the ranks in the near future.

Among the men in the chapter are Arthur Erb, who played half back on this year's football varsity, and was selected as All-American half back. He is at present serving as president of the Senior Class.

Derrol Chase, the university champion in the quarter mile, is out in a suit again and is expected to make a clean-up in the spring meets.

Irwin Farrar, who very recently became a benedict, is making quite a reputation as manager of the college daily paper or at least he was up to the time he got married.

Warde Hatch and Ax Milliken are taking an active part in college newspaper work.

Brothers Butcher and Emerson got their degrees of Juris Doctor this Christmas and are now actively engaged in the practice of law, the former in Santa Barbara, California, and the latter in Iowa.

The Chapter is looking forward to the convention in August, and a large number of the members are planning on being present.

VERNON BRYDOLF.

ROSS CHAPTER

Just as 1915 is a record year for everything in California, so it is proving a big year for Ross Chapter, $\Phi A \Delta$, at the University of Southern California. When the fall term opened, we pledged and initiated eight new men and now have five others pledged and will invest them with membership early in May.

Many of the best men that attend the law department of the University of Southern California have already graduated in the academic department which is in another part of the city. There is a certain academic fraternity out at the Liberal Arts School, recognized as one of the best there, whose men when coming to Law School, have invariably been pledged by a certain law fraternity. Ever since our organization we have been trying to break up this combination. This year we stepped in and pledged all the men that came from this academic fraternity and propose hereafter to hold this combination ourselves.

The fall initiation was held at Venice of America, a beach resort near Los Angeles, laid out similarly to Venice in Italy. We didn't dump the boys in the canal or do anything "rough", of course, but as initiation night is one occasion when all our active men and alumni turn out, naturally the event was an interesting as well as an impressive one. We concluded with a banquet at the Strand Café. This initiation raised our roll of active men to twenty-two.

Recently we had our annual Law School Interfraternity "bust", instituted by Phi Alpha Delta three years ago. The four law school fraternities gather on a local picnic ground and play the annual ball game for the cup donated by Phi Alpha Delta. The occasion is always one of good-fellowship and good-natured rivalry. Unfortunately, we failed to win our game this year and lost the cup.

Ross Chapter is looking forward to the arrival of the convention delegates and other Phi Alpha Deltas this summer. Los Angeles is already packed with Exposition visitors. Recently, the

city has placed growing palm trees in boxes every sixty feet on the sidewalks of the principal downtown business streets, and it gives the city a very festive appearance. This is carnival year for California, and we are sure you Easterners will enjoy your visit. Situated as we are, it is only on rare occasions that we see any of our brothers from other schools. But we count that this year will be an exception and hope to see many of them.

Ross Chapter extends to every Phi Alpha Delta coming west a cordial invitation to come and fraternize with us, and we will use our utmost endeavors to make your visit a pleasant one. The address is Rooms 425-426 Henne Building, Third and Spring Streets, Los Angeles, California.

HOWARD F. SHEPHERD,
Correspondent.

STAPLES CHAPTER

At the beginning of the year Staples Chapter returned only four old men, leaving us rather on the rocks. As soon as things were settled, however, the four got together and did some artistic talking of big game in the class just coming in. Several men whom they thought up to the standard were looked over and the pick of the class of 120 new men were pledged immediately after Christmas (Pan-Hellenic rules prohibiting any man to be pledged before passing some of his work). As a result, T. H. Pratt, or "Stretch", of Jersey City, Lewis Tyree, a senior from Roanoke, "Bill" Marshall from Salem, Va., "Bob" Hundley, a senior lawyer, from Farmville, Va., "Shirley" Riley, from Roanoke, and T. A. Birchfield, from Appomattox, Va., were added to our roster.

Pratt is a Phi Gamma Delta, Tyree and Hundley are Alpha Chi Rho, Marshall is a Phi Gamma Delta, Birchfield is a Pi Kappa Alpha, and Riley is a Sigma Chi.

We are well pleased with all these additions and are feeling pretty well satisfied; the rest of this year and next

year looks pretty soft, and there's not a man who does not hold the interest of $\Phi A \Delta$ at heart.

We are always glad to extend the glad hand to any $\Phi A \Delta$, and if any brother happens to be in Lexington, look us up.

JAS. H. MCGINNIS,
Clerk.

TAFT CHAPTER

We have made great progress since our last report, and are fortunate in possessing the heartiest enthusiasm and coöperation. On January 27 and March 1, we held initiations at which time the following brothers were put through the ordeal and admitted to the bonds of Phi Alpha Delta:

Elmer L. Beach, Williamsport, Pa.

Joseph A. Carey, Rochester, N. Y.

Albert Wiggins, New Haven, Conn.

The brothers of Taft Chapter and the Alumni Chapter of Washington, D. C., have been holding luncheons weekly at the Occidental Hotel in order to get better acquainted and promotes good-fellowship. We hope to start a building fund very shortly with which to purchase a new chapter house.

On the evening of Friday, February 12, perhaps the largest smoker of the year was held at the chapter house. A great many of the alumni and several of the honorary members were present. Everyone had a good time.

We are greatly indebted to Brother Carey, who has presented the Chapter with the chair which he obtained from Justice Harlan of the Supreme Court of the United States. This chair was used on the bench by Chief Justice Fuller from October, 1890, the time of his appointment, to the time of his death, July 4, 1910. It was removed from the Supreme Court bench on October 10, 1910, Justice Harlan, the presiding Justice at that time, preferring another chair, and it was sent to his house as a part of his official set. Owing to his great fraternal spirit, Brother Carey presented this chair to Taft Chapter when he obtained it from Justice Harlan.

Brother Stohlman has been elected an Associate Editor of the *Georgetown Law Journal*. Brother Tormey, who is captain of the Georgetown baseball team, has been elected captain of the basketball team for the coming year.

At the annual election held March 29, the following brothers were elected officers:

Justice—Frederick Stohlman.

Vice-justice—William E. Valk, Jr.

Clerk—Winfield H. Scott.

Financial Secretary—Joseph A. Carey.

Treasurer—Louis H. Grieb.

Marshal—Albert Wiggins.

The new administration, with the strong support of the active brothers, should have a most successful year.

LOUIS H. GRIEB.

KENT CHAPTER

James Kent Chapter of Phi Alpha Delta Law Fraternity was installed at the University of Idaho, which is located at Moscow, Idaho, May 25, 1914. Brothers Oscar W. Hoberg (Magruder), and Lyman P. Wilson (Marshall) had charge of the installation, and initiation ceremonies. The installation banquet was held at the Hotel Moscow.

Fourteen men are now enrolled in our chapter as active members, and we have seven pledges, two honorary members. All of our men are well represented in the College activities. Isaac E. McDougal is Treasurer of the A. S. U. I., Chief Justice of the Bench and Bar Association, and a member of the Phi Delta Theta Fraternity. John H. McEvers is on the *Argonaut* staff, and is a member of the Beta Theta Pi Fraternity. John L. Phillips, captain and left tackle of the varsity football team, holder of the American record in the javelin (186 feet), Chief Justice of the Ayers Law Club, and a member of the Phi Delta Theta Fraternity. William W. Casey, student manager of football, and a member of the Kappa Sigma Fraternity. Arthur S. Jardine, half back on the varsity football team, captain and guard of the varsity basketball team, and

has also won his letter two years in baseball, a member of the Athletic Board, and a member of the Phi Delta Theta Fraternity. Chas. E. Horhing is a member of the Beta Theta Pi Fraternity. Paul T. Peterson, President of the University Senior Class, and a member of the Phi Delta Theta Fraternity. Arthur L. Heer, Clerk of the Bench and Bar Association. George S. Sylvester, Associate Justice of the Bench and Bar Association, Treasurer of the University Senior Class, and a member of the Zeta Delta Fraternity. Geo. Donart, member of the Athletic Board. Herbert C. Fooks, Lieutenant in the United States Army, and Commandant of the University Battalion. Harold Purdy, quarter back of the varsity football team, varsity baseball team, member of the Athletic Board, and a member of the Kappa Sigma Fraternity. Fred J. Babcock is a member of the Zeta Delta Fraternity. Marion P. Betty, sub-half on varsity football team, and a member of the Phi Delta Theta Fraternity.

Hon. Frank L. Moore and Prof. James J. Gill were initiated into Phi Alpha Delta as honorary members, March 3, 1915.

The men who are pledged, and will be initiated this month, are Vernon Creason, '16, Charles Owens, '17, Frank Martin, '17, Robert Beckwith, '17, Samuel Hayes, '17, Bertram Dingle, '17, and Harry McDougal, '17.

The officers elected for the present year were:

Justice—Isaac E. McDougal.

Vice-justice—John L. Phillips.

Clerk—Paul T. Peterson.

Financial Secretary—John H. McEvers.

Treasurer—Wm. W. Casey.

Marshal—Arthur S. Jardine.

Brother T. B. Holmes (Corliss) is now located here, and takes a great deal of interest in the work of the chapter.

James Kent Chapter desires to thank all our other chapters for the granting of a charter at Idaho and it will do everything in its power to make this

chapter representative of Phi Alpha Delta.

In closing we extend a hearty invitation to all Phi Alpha Deltas to call upon us whenever possible.

GEO. S. SYLVESTER,
PAUL T. PETERSON,
Corresponding Committee.

CAPEN CHAPTER

The passing school year has, taking everything into consideration, been a very successful year for Capen Chapter. In the early fall a number of the old grads were back to assist in the rushing and with their assistance several good men were pledged to $\Phi A \Delta$.

The annual initiation and Home-coming Banquet was held on December 18-19, the occasion being graced by the presence of Supreme Justice Jonas, who spent the day and evening of the nineteenth at the chapter house.

The following new members have been admitted to the rolls of Capen Chapter:

Cyril Endicott, Carmi.

Geo. W. Hogan, McLeansboro.

Ross Brown, Oskaloosa, Iowa.

Otto Graser, Springfield.

Clare Hudson, Saybrook.

Ferrie Watkins, Bloomington.

Dean Duff, Mt. Pulaski.

Brother Millard of Hammond Chapter and Brother Zetterholm of Magruder Chapter became active members of Capen Chapter at the conclusion of the ritual services.

In the realm of sports the boys have been very active, a number of them making their W on the basketball team and an equal number are sure of a berth upon the University nine. McKay of Magruder, Brown, and Millard were regulars upon the varsity basketball squad.

Brothers Elliott, Millard, Brown, and Duff are regulars upon the varsity nine, of which Brother Elliott is captain.

Brothers Duff and Watkins upheld the forensic honors of the chapter in the University Triangular Debate.

The social life of the college has not been neglected by the chapter. Two dances and a theater party have been given, while plans are under way for a spring party. The dancing party given on March 12 was given in honor of the local alumni.

Brother Meyers Gunnell has been chosen delegate to the 'Frisco convention.

The following men will be lost by graduation: Lester B. Fish, Delmar Schnepf, Everett W. Whightsell, Fred Young, and Maurice E. Zetterholm.

Brother McCormick, who completed his law work during the last winter term, is located at Rockford, Ill., where he has accepted the position of Associate Treasurer of the Palace Theater.

ANNUAL BANQUET OF HAY CHAPTER

The tenth annual banquet of John Hay Chapter of $\Phi A \Delta$ was held on Friday evening, March 26, at the Chamber of Commerce, Cleveland, and about thirty brothers graced the festive board. While not the largest, it was one of the most enthusiastic banquets in point of Fraternity spirit ever held under the auspices of the Alumni Chapter of Cleveland and Hay Chapter at Western Reserve University.

Six chapters were represented, making it quite a cosmopolitan affair. John H. Rainsberger, '16, acted as toastmaster and after the brothers had partaken of a splendid dinner and the cigars had been passed, he called on George S. Myers, Hay Chapter, for a toast. Brother Myers, Cleveland, studiously avoided the toast assigned, "Preachers and Dances," and spoke on matters of more interest perhaps, to the fraternity. He aroused great enthusiasm when he inaugurated a movement to put forth Conger G. Roads, Supreme Recorder, as a candidate for Supreme Justice at the San Francisco Convention. In closing his remarks, Brother Myers proposed a silent toast to the memory of Judge James Lawrence, of Cleveland, and Lloyd Bickle, of Chardon, Ohio, brothers who have passed away since the last banquet.

Kenneth Sturges, assistant secretary of the Chamber of Commerce, next gave "An Echo from Rapallo" and his description of conditions and life at his chapter at New York University was keenly enjoyed.

Conger G. Roads, Hay Chapter, spoke on the timely subject, "Frisco or Bust," and he proved to be one of the happiest speakers of the evening. "Dusty"—as he is known to all Phi Alpha Deltas—also outlined the development and expansion of "The Greatest Legal Fraternity in the World." Brother Rainsberger read a letter from Francis J. Stack, Hay Chapter, and a telegram from Ben H. Dewey, Campbell Chapter, both regretting their inability to be present.

The brothers had the pleasure of listening to William Prentiss, Story Chapter, who has recently moved to Cleveland. It is enough to say of Brother Prentiss that he was an original member of ΔE and has attended every Convention in the history of the Fraternity.

H. H. Nye, Justice of Hay Chapter, spoke for "The Active Chapter" and lived up to his reputation as an orator which he has acquired in Elyria, Ohio, and other metropolitan centres. Cyrus Locher, Hay Chapter, who is serving his second term as Prosecuting Attorney of Cuyahoga County, avoided his topic, "An Interview with John D.," but managed to provoke no little fun and merriment. He also suggested that if Brother Roads was elected Supreme Justice, the next Convention ought to be held at Cleveland.

Dan B. Symons rendered "A Medley from Campbell," and a better spokesman for his chapter at the University of Michigan could not be imagined. He made some excellent suggestions about

securing a house and spoke of the efforts at Campbell in that line which resulted in success.

Brother Rainsberger called on Judge C. J. Estep, Honorary Member of Hay Chapter, whose remarks indicated that he had lost none of his $\Phi A \Delta$ spirit. Brother Estep greatly cheered some of the younger attorneys present when he announced he was to preside in the criminal branch of common pleas court the next term and requested that any of the brothers who would care to defend alleged criminals, hand in their cards to him. Keith Lawrence, '16, as chairman of the house committee, was called upon to speak on the house proposition and he urged that any alumni who possibly could do so live in the house, which Hay expects to secure for next fall. Prof. Alvin C. Brightman, Honorary Member of Hay, stated that if the resident professors at Western Reserve Law School were to pick the six best students in the freshman class,

three $\Phi A \Delta$ freshmen would be included. Fred L. Hole, Hay Chapter, and Irving L. Evans, Campbell Chapter, each made a few well-taken remarks and it was to be regretted that the lateness of the hour prevented more of the brothers from being called on.

The following brothers were present at the banquet in addition to those previously mentioned: George Healea, Fuller Chapter; W. K. Stanley, Calhoun Chapter; Richard J. Moriarty, M. B. Pennell, Paul S. Knight, Carl S. Bechberger, Perry D. Caldwell, C. E. Hubbell, H. T. Hubbell, Donald W. Myers, '15, Harry H. Yoder, '16, Howard F. Janousek, '16, Willis J. Nolan, '17, and W. D. White, '17, all of Hay Chapter.

Credit for the excellent arrangements and the success of the banquet is largely due to the committee, which was composed of D. W. Myers, '15, and J. H. Rainsberger, '16.

EDITORIALY

CAMPBELL'S ANNUAL NEWS-LETTER

The annual news-letter of Campbell Chapter is off the press, and as usual it is a publication that will delight the heart of the old Campbell "grad". It is chuckfull of alumni notes and covers minutely the chapter's activities. This feature deserves emulation among the older chapters of the Order.

BROTHER WILSON TO OKLAHOMA

Brother Lyman P. Wilson (Marshall and Kent), who last year was associate professor of law at the University of Idaho at Moscow, and who was the founder of Kent Chapter at that institution, has accepted a similar position at the University of Oklahoma at Norman. Brother Wilson is well pleased with his new location, and from other sources we learn that Oklahoma is mighty pleased with him.

A WORD ABOUT CREDENTIALS

Active chapters will please take notice that credentials of delegates to the Sixteenth Convention at San Francisco must be sent to Supreme Financial Secretary Charles B. Adams, Waterbury, Vermont, by registered mail, at least ten days before August 5, next, the opening day of the Convention. This is in accordance with the new constitutional amendment passed at the last, the Fifteenth, Convention. Chapters, however, are urged to send on their credentials before the closing of their respective school terms. This will avoid "last minute" haste and irregularity. The chapters will be supplied with the prescribed forms in ample time to do this. Don't neglect, therefore, to send in credentials before your chapter closes for the term. Retain a duplicate original copy for identification of delegates.

A SEQUEL

The January QUARTERLY contained an editorial concerning a dilemma that had bobbed up in the promising career of Brother George E. Frazier (Ryan). Brother Frazier, it will be remembered resigned his office as comptroller of the University of Illinois so that he might marry Miss Helen James, daughter of the President of that University. But hardly had he announced his intended resignation when he was besieged with entreaties to enter upon new and more promising labors. Knowing him to be a man of purpose and perseverance Montgomery, Ward & Company of Chicago sought him out to head the important department of that great mercantile institution which investigates "leaks" and injudicious merchandising in its business. And Brother Frazier accepted. Incidentally, his new post carries with it an increased remuneration over the old. We are aware that the old saw,

"Faint heart ne'er won fair lady," is about worn threadbare, but permit our saying that that sort of a heart fails to win other desirable things. Again, Brother Frazier, we all concur.

P. A. D. IN ALABAMA Brother Palmer Blackburn (Jefferson) kindly furnishes us with the details of the McGowin-Gover nuptials, announcement of which appears elsewhere in this number. Brother Blackburn tells us that six Phi Alpha Deltas were present at the event, which was a very pretty one. Incidentally, he says, this was the largest gathering of Phi Alpha Delta ever known in Alabama, and for this reason the occasion should be accorded especial fraternal attention.

ON MAGAZINE LEGISLATION The QUARTERLY is, and always has been, largely a creature moulded by the Fraternity Convention. The Constitution provides (Art. IV, Sec. 7,) "that any annual [hereafter biannual] Convention may make such provisions as it deems best for the ensuing year" concerning the magazine. The QUARTERLY has always been a severe strain on the otherwise meagre treasury of the Order. This year because of the increased cost of the Sixteenth Convention the publication was necessarily curtailed more than ever before. The alumni magazine tax, as it is called, has proven cumbersome and wholly unsatisfactory. The last, the Fifteenth Convention, provided by constitutional amendment of Article VII, Sec. 12, that after the current convention the per capita tax be increased from \$2.50 to \$3.50, repealing the alumni magazine tax and providing that the \$1.00 increase go exclusively to the QUARTERLY. Investigation proves that a similar plan is followed by all fraternities conducting regular and creditable publications. It is hoped that the Sixteenth Convention will not disturb the force of this enactment but will expressly ratify it. After five years' experience under four administrations your scribe has come to believe that this is the only present means of obtaining a QUARTERLY commensurate with the standing of our Fraternity in the Greek world. The fact that all the past officers of the Fraternity of the past five years and those of the administration about to retire have arrived at the same conclusion leads our making a recommendation to the Sixteenth Convention that they expressly confirm the action of the last convention in this particular.

OBEY THAT SIREN CALL Some one has said that there are two classes of obligations a man may owe—those he owes to others and those he owes to himself. Likewise there are two classes of obligations you owe your Fraternity. Obedience to and compliance with its tenets is but one, the other is the obligation you owe to

yourself as a Phi Alpha Delt. Quite like the supreme events which it is said occur in the life of every Nation and decide its stability there are supreme events in the life of a fraternity. You will grant that the departure of a convention away from a central point and the "home town" of $\Phi A \Delta$ is such an event when you are told that your Fraternity is the youngest of those who have assayed a convention on the Pacific coast. The idea of a convention at the time and place of the Exposition was first broached by Past Supreme Justice John Doyle Carmody at our Thirteenth Convention, which devised means of effecting the undertaking. Ever since that time the chapters on the Pacific Coast have dreamed of this convention. They have worked and planned hard for its assured success and with present indications that almost forty per cent of the total membership of the Order will attend the convention and that many will take the trip that will spell Phi Alpha Delta across the Continent, the realization of these fond dreams will become a fact, and we will add another achievement in our Fraternity annals. August 7, next, has been designated "Phi Alpha Delta Day" at the Exposition. We entreat you to pay Phi Alpha Delta that other obligation you owe her and yourself, we want you to be with us at the convention for her sake and for your own, we want you to help us and yourself by making "Phi Alpha Delta Day" an event of significance befitting "the greatest legal fraternity in the world." If you fail Phi Alpha Delta in this you have failed yourself.

AN EDITORIAL WELCOME

Since the last *QUARTERLY* appeared Manoch B. Reese Chapter in the law department of the University of Nebraska, Lincoln, Nebraska, and David J. Brewer Chapter in the law department of John B. Stetson University, Deland, Florida, have been granted charters by the Fraternity. Phi Alpha Delta is passing a fine comb through the many organizations that are knocking at its doors. The policy of the Order is now one tending to reënforce the individual chapters rather than to extend to new fields. Under this critical inspection these new chapters are to be highly complimented for passing rigid inspection, and the welcome of the Fraternity is all the greater and more hearty.

STATE OF TEXAS SAVED

It was with much elation that the Greek world received the tidings that the anti-fraternity bill was indefinitely postponed by the Texas legislature in its last session. This effectually killed the bill and saved the State of Texas which it appeared earlier in the year would become forbidden fraternity territory.

OR

A New Publication for a Very Special Purpose.

Public Service Commissions are of comparatively recent origin but their value is now so well recognized that nearly every state in the Union has adopted the plan in some form. Each of these Commissions has to a very great extent been acting independently and without the benefit of the collective experience. This condition is now to be remedied and Commissions, lawyers, judges and corporations will henceforth be guided and assisted by the valuable decisions of all the Commissions as well as those of state and Federal courts.

The Plan Is:

Fortnightly Advance Sheets, containing syllabi, opinions and annotations, identical with the final volumes, including pagination and brief indexes.

Bound Volumes on Law India paper, bulking only a trifle over an inch for a 1200 page book, to be published as soon as sufficient matter has accumulated in the advance sheets,—probably six or seven volumes a year.

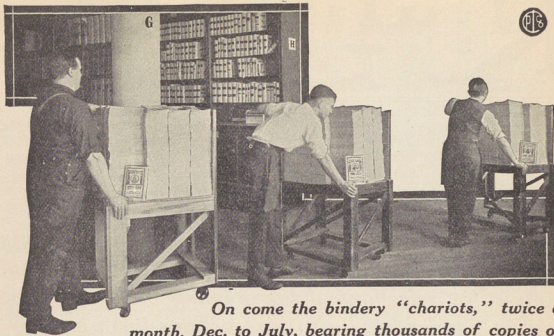

The first number of the advance sheets is now being mailed. Send for sample and full particulars.

On come the bindery "chariots," twice a month, Dec. to July, bearing thousands of copies of *U. S. Supreme Court Advance Opinions*, to be quickly despatched to those who subscribe. Is your copy there?

Valuable Cases in March 1st Issue

Coppage v. Kansas, holding that a state may not forbid an employer to exact a promise from an employee not to join or remain a member of a labor organization.

U. S. v. Holte, holding that a woman may be found guilty of conspiring to effect her own transportation in interstate commerce, for purposes of prostitution.

Burdick v. U. S., holding that a witness may claim his privilege against giving incriminating evidence although tendered a pardon.

And Many Other Cases.

FOR many years the Co-ops have been editing, printing and publishing these Advance Opinions of the United States Supreme Court, semi-monthly during the terms of court. In these the profession receives merely the complete reports of all recent opinions, with concise headnotes stating the exact points of law involved, and two cumulative tables—one of cases of term up to that point, and the other a cumulative index digest of cases. These Advance Opinions are not for binding but are issued as continuations of the famous Lawyers Edition of United States Supreme Court Reports (U. S. L. ed.) the annotated and complete set.

Ruling Case Law

(Excerpt from the Report of the Committee on Law Reporting and Digesting to the American Bar Association, dated October, 1914.)

"The committee offers the following resolution:

'1. That the increasing volume of the reported cases is a burden for which some relief must be found both in the selections of the opinions that are reported and in greater brevity in the opinions themselves.'"

As to selection of opinions, this is the exact problem solved by the publishers of selected and annotated reports at a cost of several millions of dollars. The law in nine of these great series is now being crystallized in smoothly flowing text under the 400 titles in

Ruling Case Law

six volumes of which are now ready and completion of which is, for the present at least, guaranteed not to exceed 27 volumes. We believe it to be the only thoroughly practical solution of the problem.
