## L. A. Alumni Present 29th Convention P. A. D. Convention Headquarters Stage Set For Arrival of PAD Convention Committee Wind Up Plans

The Biltmore Hotel will be the official residence of P. A. D. delegates and visitors to the 27th Biennial Convention, in Los Angeles, on March 23, 24 and 25. This hotel is the largest in Western

America, having 1,600 rooms. It is known as "City of Service" under one roof.

### Contributions Net P. A. D. \$2,158.50

#### Only 17% of Membership Answer Treasurer's Appeal

By JACK K. DAHME

The first results of our general solicitation of the membership of Phi Alpha Delta for contributions to the fraternity fund proved to be very interesting in their final analysis. On pages 2 and 4 of this edition of the REPORTER. To these benevolently our "Honor Roll" of contributors. To these benevolent brothers, we extend our deepest and sincerest appreciation for their interest and support, and as soon as the Directory is published they will receive a copy free of charge.

##### Only 17% Submit Information Cards

The total contributions to date amount to \$2,858.50 of which there were approximately 502 contributors. Our circularization of the membership comprised 12,480 letters mailed, and our returns are to date 2,176 cards received; or, about 17% of the total mailing. This is very disappointing in view of the fact that we were primarily interested in the return of an excited information card which was enclosed with our circular letter appealing for financial support, regardless of whether the recipient desired to donate or not.

The correctness of addresses that the National Office was required to make on such a small return demonstrated the deplorable condition of our mailing list. There were 779 corrections in this group.

##### Members Like REPORTER Format

In answer to our question whether or not the present format of the REPORTER was suitable, only 72 out of 2,176 members indicated that they did not like it, which was gratifying. Of course,

those who were not receiving the paper indicated this fact by not voting.

The cost of preparing and mailing this letter amounted to approximately \$700.00, and, hence, our net donations were \$2,158.50. This is not as discouraging as it would appear on the surface, because the administrative committee had taken a pessimistic attitude when formulating this program. We were attempting to do something novel and it was a gamble whether or not we would even meet the expense of such a project.

##### P. A. D. Again Appeals to Members

We are further appealing to you to get behind P. A. D., and, even though you are not in a position to give to this worthy cause at present, please return the information card at once, if you have not already done so, in order that we can at least correct our records. If you have not received a copy of our letter, please notify the national office and we will be more than happy to send it to you.

The success of a P. A. D. directory is solely dependent upon the cooperation of each member. If it is to be accurate in all respects, we

must have the exact information which we will have indicated on these cards. A directory will be a strong factor in coordinating the activities and progress of Phi Alpha Delta. It will aid in the exchange of business as well as accomplishing the goal of a more closely knit organization. MAIL YOUR INFORMATION CARD TODAY!!!!

### House Corrects Military Justice

Culminating a drive instituted at our 26th Biennial Convention in Kansas City in December of last year, to remedy the ills of military courts which cropped up during the war, extensive reforms in Army Court Martial procedure and general administration of military justice were voted recently by the House of Representatives.

Legislation was passed and sent to the Senate which provides greater safeguards to the rights of soldier defendants and more equal treatment of officers and enlisted men.

##### Major provisions would:

(1) Permit enlisted men to sit as members of courts martial when an enlisted defendant asks for a trial by a mixed court of officers and men.

(2) Remove some of the "influence" a military commander has over a court martial he orders, by taking officers of the Judge Advocate General's Department partially out of the "line of command."

(3) Make officers as well as enlisted men subject to trial by special courts for minor offenses.

The measure applies to the newly separated Air Force as well as the Army. Similar liberalization of Navy Court Martial Procedure is still under consideration by the House Armed Services Committee.

The Los Angeles Alumni invites all P. A. D.'s to come to their sunny metropolis in Southern California and enjoy their hospitality.

Winding up elaborate plans, the L. A. P. A. D.'s are all set to raise the curtain on the 27th Biennial Convention of Phi Alpha Delta. They have exerted every effort to make your visit to the Coast a pleasant and memorable one.

### John Woolfolk Guest Speaker

John W. Woolfolk, public relations director of the California Company with headquarters in New Orleans, La., was the guest speaker at the initiation banquet of the Wiley Rutledge Chapter of Phi Alpha Delta at the Duke University School of Law which was held in the Jefferson Cafeteria, on January 11, 1948.

Woolfolk spoke briefly of the problems which are involved in selecting personnel to work for a corporation the size of the one which he represents and told the Rutledge members and their guests that he was now engaged in a "talent search" throughout the South for men trained in several highly technical professions.

##### New Members Initiated

The evening banquet honored the new members of the fraternity who were initiated in secret ceremonies conducted in the Duke Law School building on the west campus of Duke University during the afternoon. Three members of the Duke University School of Law faculty and seven students in the law school were taken into membership in the student legal organization at the afternoon ceremony conducted by Emmet Gresham, Columbia, S. C., graduating justice of the group. The faculty members who were initiated were Charles H. Livengood, Jr., Durham attorney and lecturer on labor law at Duke University; Robert Kramer, associate professor of law; and John deJ. Pemberton, associate professor of law.

Students taken into membership were Joseph L. Cowhey, New London, Conn.; Manley K. Fuller, Whiteville, N. C.; Michael E. Kusturiss, Canonsburg, Pa.; Harold G. Leffler, Newport, Ill.; Hollis M. Owens, Avondale, N. C.; Aubrey L. Raymond, New York, N. Y.; and Joe P. Vick, Mayodan, N. C.

##### Officers Installed

Two Durham students were installed as the new officers of the organization at the banquet last night. Jerry B. Stone, became the new justice of the fraternity, while Julius G. Carden, Jr., was installed as the new vice-justice. Wallace H. McCown, Johnson City, Tenn., was inducted into the office of marshal at the ceremonies.

Other speakers at the banquet besides Woolfolk included the retiring officers of the fraternity and representatives of the initiates as well as the new officers. Carden served as toastmaster for the program.

### Washington Visitors

The following brothers have visited the Nation's Capital and during their sojourn dropped in and said "hello" to the Executive Secretary and the P. A. D. staff during the past month. They are:

Edward J. Whalen (Chase).  
Leroy Shuping (Ruffin)  
Frank Tallman (Prexy K. C. Alumni)  
Walter Scott (Staples)  
Clarke Pauver (Taft)  
Joe Barse (Taft)

In order that our active and alumni brothers planning to attend may have ample time to "take in the sights," arrangements have been made for visitors and delegates to register at any time they desire on March 22nd, one day in advance of the official opening of the Convention. For those who find it impossible to arrive before the 23rd, registration will also be held on Tuesday morning.

##### Fund Raising Campaign Success

So successful was their campaign for funds under the chairmanship of "Hank" Rohr, that their will be no registration fee charged. All social functions will be free of charge to the delegates, but a small assessment will be made for visitors and guests to defray the expense of the luncheon on Tuesday and the banquet on Thursday evening. The traditional smoker and barbecue will be free to all.

Promptly at 12 noon on Tuesday the luncheon welcoming the visiting P. A. D.'s will be held. Many California notables will be on hand to greet the guests. Following the (Continued on Page 4)

## Outstanding

RICHARD M. NIXON

## Nixon Named Among Top 10

Congressman Richard M. Nixon (Rutledge) was among ten young men chosen as "outstanding in the United States during 1947."

Names of the ten were announced recently at Chattanooga, Tenn., by the United States Chamber of Commerce. Brother Nixon gained nation-wide recognition for his ability and statesmanship as a Congressman from California during the first session of the 80th Congress.

He was born in Yorba Linda, California, on January 5th, 1913. He graduated from Whittier College and Duke University School of Law, having specialized in government and history, constitutional and administrative law. While working his way through school he had the distinct honor of being president of the student bodies of both his college and law school.

Taking a keen interest in public service, he was elected deputy city attorney of Whittier, and later appointed Government Legal Counsel at Washington, D. C., specializing in simplification of complicated war-time regulations.

During World War II he served three and one-half years in the United States Navy, and was awarded a citation for meritorious performance of duty in combat operations at Bougainville and Green Islands. Later the Secretary of the Navy commended him for effective administrative service after VJ Day. Returning from service, he won the Republican nomination for Congress on June 4th, 1946, with the largest primary vote cast for a candidate in ten years.

Following the initiation the new members were entertained by the Chapter at a dinner given at the Republican Club. Chief Justice Burke presented an amusing and instructive talk relative to his experiences in the practice of law, and as a District Judge and Supreme Court Justice in the State of Colorado.

Supreme Secretary Charles Tom Henderson, at the direction of Frank M. Ludwick, Supreme Justice, attended the Chicago Convention of the Association of American Law Schools during the Xmas holidays.

Tom is a professor of law at Stet-

son University and his presence at this meeting helped to cement P. A. D. relationships between our fraternity and schools wherein our chapters are maintained. He also made initial progress toward the installation of new chapters in those schools not presently on our official roster.

## P. A. D. Grooms Cole As 57th Chapter

Through the concerted efforts of Brothers Lewis Royal and James Hall of the Des Moines Alumni, Cole Chapter at Drake University was reactivated on February 20th. Under the supervision of Brother E. A. (Bert) Taylor, Supreme Vice-Justice, the initiation exercises were conducted by the Des Moines Alumni.

At a banquet held immediately after the initiation ceremonies, James L. Bennett, newly elected Justice of the group, acted as toastmaster. Honorable Robert D. Blue, Governor of Iowa, and a P. A. D. of long standing, was the principal speaker, and delivered a very inspiring address to the new initiates.

Aiding and abetting the P. A. D. cause, the faculty of Drake University School of Law, under the tutelage of Dean Tollerfson, also a P. A. D., cooperated to the fullest extent. They were guests of the new Chapter at the banquet.

## Reception Held For Senator Taft In Kansas City

On the occasion of his recent visit to Kansas City, Missouri, and the West, Brother Robert A. Taft was welcomed by members of the Kansas City Alumni with an outstanding reception at the Hotel Muehlbach.

More than 100 members attended the affair held in the swanky setting of the Tearoom, and a delicious selection of hors d'oeuvres was served. Many outstanding names were on the reception committee, headed by Brother Frank J. Tallman, who is President of the Alumni Association. Among those who honored Taft were: Lt. Governor Frank Hageman of Kansas, Mayor Clark Tucker of Kansas City, Kansas; George M. Hare, Vice-President of the Kansas City Alumni, former Supreme Historian of P.A.D. and now prosecutor of Eastern Jackson County, Missouri; Judges John Dear, Claude Myers (Kansas City, Kansas), Ray C. Cowan and James Broadus (Kansas City, Mo.); J. C. Kyle, Counsel for the Kansas Corporation Commission and Justice of the 7th P.A.D. District; John Randolph, Counsel for the Missouri Utilities Commission; E. A. (Bert) Taylor, prominent Kansas City, Mo., attorney and Supreme Vice-Justice of P.A.D.

### Senator Discusses Legal Education

Brother Taft briefly discussed the great advantages a law school education gives the members of congressional committees when constructing and perfecting legislation. He warned of the ever-growing dangerous practices of bureaucratic

institutions as being discouraging to business.

Members of Green, Benson and Benton Chapters, as well as those members of the recently reactivated Lawson Chapter at the University of Missouri, were present to greet the majority leader of the Senate.

## Miller, Prexy of Fla. U. Now Honorary PAD

J. Hillis Miller, recently named president of the University of Florida, was initiated into honorary membership in Phi Alpha Delta at ceremonies held in the St. John's Room of Hotel Seminole, Gainesville, on January 20th.

A reception immediately followed, and, later, a banquet was held in his honor in the Seminole's Flagler Room.

William D. Rogers, Jacksonville attorney, was master of ceremonies at the banquet, which was attended by many outstanding P.A.D.'s from Jacksonville, Gainesville, Ocala and Tallahassee, among them J. Ollie Edmunds, newly appointed president of Stetson University. Professor Charles Tom Henderson, of DeLand, supreme secretary of Phi Alpha Delta, represented the national fraternity.

The banquet was presided over by Clifford B. Shepard, Jr., of Jacksonville, justice of the student chapter at Gainesville. William S. Walker, of Jacksonville, was in charge of arrangements for the student chapter, and Tom B. Stewart, Jr., Jacksonville attorney, was in charge of the alumni committee sponsoring Dr. Miller's appearance.

## Pitt Actives Host to Prominent Attorneys

### Watson Chapter Announces Program

Social, legal, and scholarship activities will blossom on the campus of the University of Pittsburgh this spring semester as Watson chapter initiates an active program under its new leadership. With a progressive past performance, the chapter boosted its membership from 10 to 70 actives to lead by far its competitive law fraternities.

Elected for the coming term were Edward T. Tait, Justice, who graduated from Pitt in 1942 as Senior Awardee and President of Omicron Delta Kappa. His classmate, John G. Brosky, also ODK and Editor of the Pitt annual, was voted in as Vice Justice. Last November, he was elected a School Director of Scott Township, Pa., as the youngest politician to ever hold office in his community. He serves as Vice President of the Board.

Other members elected were Howard I. Scott, Clerk; William E. Pfadt, Treasurer; and George B. Stegenga, Marshal. On the executive Board as Committee Chairman will be David Gile, Program; C. Harold Blaxter, Scholarship; George C. Burgwin, Rushing; William R. McKee, Activities; and James W. Dunn, Social.

Highlight of recent affairs is a monthly luncheon presided over by a guest speaker of the community. The chapter was honored to have William S. Rahauser, District Attorney of Allegheny County, and his assistant Robert Van der Voort; Judge Gustave L. Schram of the Juvenile Court; Charles J. Mar-

giotti, great trial lawyer; and Walter J. Blenko, outstanding patent attorney. The faculty, led by Judson A. Crane, Dean of the Law School, has been present at all our affairs. The chapter added a "new look" to these dinners by permitting women law students, who have no fraternity of their own, to attend these functions.

Under Brother Aldo Icardi, Watson inaugurated a sports program in law school. Current sports include touch football, basketball, and bowling in which PAD has taken the lead.

To assist the junior members in their school curriculum, a scholarship committee has collected outlines, past examinations, and moot court briefs from alumni members to be available for reviews. Also, top PAD members will hold sessions on subjects on which they are well versed.

The Rushing Committee launches its campaign on March 19th with a smoker to be attended by alumni, active, faculty, and prominent guests. The informal party will conclude the bustling activity in school by PAD members distinguished by wearing carnations in their lapels.

An after Easter Dance is being planned by the social committee. This affair embraces the entire law school and is held in conjunction with the other law fraternities. Something new has been added in that the chapter will honor its graduating members by a farewell banquet. Then, too, summer activities will be extended to outdoor parties.
